Presentation of FY 14 Audits of the University System

Executive Director of Audits Kim Labonte presented the FY 14 external audit of the University System, which was conducted by CliftonLarsonAllen as special assistant auditors to the Illinois Office of the Auditor General. She stated that the audit reports were released and submitted on time, and the Committee was provided a summary of the findings contained in the audit reports. She commended campus staff for their efforts in resolving many of the audit issues.

President Dunn notified the Committee about a recent appearance before the Legislative Audit Commission regarding the FY 13 audit. He explained that SIU is one of eleven universities carrying the finding on faculty time reports for several years, and he expects the issue to continue until a change in legislation or bargaining for a procedure for faculty timekeeping. He also commended staff across the University who worked to reduce the number of findings from FY 13 to FY 14. In response to a question from Trustee Gilbert, Executive Director Labonte explained the process for reporting resolutions to audit findings.

President Dunn stated that a presentation on the annual external audit would be given each year to the Audit Committee, with special audits or reviews presented as necessary.

Other Business.

There being no further business, the meeting was adjourned.
