**House Sponsors**

Wallace, Nicholas K Smith, Jehan Gordon-Booth, LaToya Greenwood, William Davis, André Thapedi, Carol Ammons, Juliana Stratton and Sonya M. Harper

**Senate Sponsors**

(Sen. Michael E. Hastings)

**Synopsis As Introduced**

Amends the Illinois Procurement Code. Provides that for any project under a construction contract, the contract shall require that, to the extent practicable, at least 10% of man-hours performing construction services be performed by individuals who reside in areas of poverty. Requires the Department of Central Management Services to annually release a list of areas of poverty that meet the requirements.

**Fiscal Note (Dept. of Transportation)**

The Illinois Department of Transportation (IDOT) estimates a fiscal impact of approximately \$6,000,000 annually associated with additional software and staff to monitor construction sites and enforce the new requirements contained in this legislation. IDOT has on average 850 active construction contracts every year. The workforce needed for each construction project is driven by the volume, nature and complexity of work which results in a variable workforce that can change from day to day at each project. This will result in the need for daily monitoring of the workforce at each project site to assure compliance with the legislation. Based on the number of projects and how widespread they are throughout the State, there is potential need for 50 staff to enforce compliance. Each employee would cost IDOT approximately \$120,000 after factoring in group insurance and other benefit costs. Additionally, there is not a standard software application to capture and monitor such data, so something will have to be custom developed at a potential cost of \$100,000 to \$300,000. Annual maintenance for the system is estimated at \$25,000.

### Synopsis As Introduced

Amends the Developmental Disability and Mental Disability Services Act. Provides that the Department of Human Services shall establish family resource centers throughout this State to provide counseling and mental health services to families who are indigent based on any behavior or mental health condition as determined by Department rule. Provides that the Department shall employ or contract with psychiatrists, clinical psychologists, clinical social workers, and licensed marriage and family therapists to provide those services.

### Fiscal Note (Dept. of Human Services)

HB 4918 amends the Developmental Disability and Mental Disability Services Act. The bill requires the Department of Human Services to establish family resource centers throughout the State to provide counseling and mental health services to indigent populations based on any behavior or mental health conditions as determined by Department rule. As written, family resource centers appear to be duplicative of current community based mental health services. The Department of Human Services spending for community mental health based services is approximately \$260M annually. If the family resource centers were in addition to the current state investment in community mental health services, the cost could be significant.

#### Synopsis As Introduced

Amends the Children and Family Services Act. Makes post-secondary education tuition and fee waivers available to youth for whom the Department of Children and Family Services has court-ordered legal responsibility, youth who aged out of care at age 18 or older, or youth formerly under care who have been adopted and were the subject of an adoption assistance agreement or who have been placed in private guardianship and were the subject of a subsidized guardianship agreement. Requires applicants to have earned a high school diploma from an accredited institution or a high school equivalency certificate or have met the State criteria for high school graduation before the start of the school year for which they are applying for the waivers. Limits the tuition and fee waivers to persons under the age of 26 and provides that waivers shall be available to a student for at least the first 5 years the student is enrolled in a community college, university, or college maintained by the State. Provides that the age requirement and 5-year cap on tuition and fee waivers shall be waived and eligibility extended for applicants or students who were unable to enroll in a qualifying post-secondary school or complete an academic term because the student: (i) was called into active duty with the United States Armed Forces; (ii) was deployed for service in the United States Public Health Service Commissioned Corps; or (iii) volunteered in the Peace Corps or the AmeriCorps. Permits the Department to provide the student with a stipend to cover maintenance and school expenses during the academic years to supplement the student's earnings. Requires the Department to develop outreach programs to ensure qualifying youths are aware of the availability of the tuition and fee waivers.

#### House Floor Amendment No. 1

In provisions requiring an applicant to meet certain academic

Provides that the community college or public university that an applicant attends must waive any tuition and fee amounts that exceed the amounts paid to the applicant under the federal Pell Grant Program or the State's Monetary Award Program.

**Fiscal Note, House Committee Amendment No. 1 (Dept. of Human Services)**

Since this list is currently maintained on the OHS website, there is no fiscal impact.

**State Mandates Fiscal Note, House Committee Amendment No. 1 (Dept. of Commerce & Economic Opportunity)**

HB 5508 (H-AM 1) would not require a unit of local government to establish, expand, or modify activities in such a way to necessitate additional expenditures from local revenues. Therefore, in the opinion of DCEO, HB 5508 (H-AM 1) does not create a State mandate. However, under some provision under the bill a state mandate could be created.
