Race/Ethnicity	Categories developed in 1997 by the Office of Management and Budget (OMB) that are used to describe groups in which individuals belong, identify with, or belong in the eyes of the community. The categories do not denote scientific definitions of anthropological origins. The designations are used to categorize U.S. citizens, resident aliens, and other eligible non-citizens. Individuals are asked to first designate ethnicity as: • Nonresident Alien (International) • Race and Ethnicity Unknown • Hispanic/Latino or • Not Hispanic or Latino Second, individuals are asked to indicate one or more races that apply among the following: • American Indian or Alaska Native • Asian • Black or African American • Native Hawaiian or Other Pacific Islander • White If more than one of the above is stated then • Two or More Races	IPEDS Definition
