The Southern Illinois University System, SIU Board of Trustees, and the SIU System Student Advisory Board seek your nomination of an outstanding student (undergraduate, graduate, or professional) who has demonstrated a commitment to service benefiting their campus, their community, and the SIU System. The 2023 SIU Student Distinguished Service Award will recognize, honor, and celebrate the efforts and contributions of a student whose acts of service are demonstrative of excellence and exemplary commitment to the support, advancement, and achievement of fellow students, their campus, and their community.

The SIU System Student Advisory Board (SSAB) will select one (1) undergraduate student and (1) graduate student from both the SIU-Edwardsville and SIU-Carbondale campuses. In addition, the SSAB will select one (1) student from each of the following schools: School of Medicine, School of Dental Medicine, School of Law, and the School of Pharmacy. Recipients will be honored at the Thursday, April 27th, 2023 Board of Trustees meeting and will receive a plaque of recognition plus a \$100 award.

Applications will be accepted through Friday, March 24th at 11:59 pm. Nomination materials must include a Letter of Support from a student, staff member, faculty member, community member, or administrator, as well as a copy of the student's resume or curriculum vitae.
