Southern Illinois University System

ONE SYSTEM | MANY LOCATIONS | STATEWIDE IMPACT

* The SACSS is a student advisory body that serves as a collaborative channel between the students at SIU Carbondale (SIUC), SIU Edwardsville (SIUE), SIU School of Dental Medicine (SDM), SIU School of Pharmacy (SOP) and the SIU School of Medicine (SOM). The SACSS advises the SIU Board of Trustees and System Administrative Offices through the System president about student-related issues that are pertinent at the SIU System level. The SACSS serves as an avenue to discuss issues that impact the SIU campuses and beyond, share ideas and projects, find solutions to problems, and work together on issues that face students. Additionally, the SACSS coordinates possible joint endeavors that can help the citizens of Central and Southern Illinois.
