AUTHORIZATION FOR THE SALE OF BONDS:
“SERIES 2015A HOUSING AND AUXILIARY FACILITIES SYSTEM REVENUE BONDS”
CAPITAL IMPROVEMENT PROJECTS

Summary

This matter requests Board authorization to: issue System Revenue Bonds to fund three projects; execute and deliver the Sixteenth Supplemental Bond Resolution and Bank Bond Purchase Contract; appoint the following: Bond Counsel, Purchaser, Financial Advisor, Bond Registrar and Paying Agent; and authorize the Board Treasurer and authorized officers to take actions necessary to complete the proposed bond sale.

Rationale for Adoption

The following projects have received approval from the Board and the Illinois Board of Higher Education:

At its April 17, 2014, meeting, the Board approved the Parking Lot Improvement project at the Edwardsville campus for a total estimated cost of \$3,600,000. Total project construction costs came in under budget at approximately \$3,280,000 and were funded with Parking Repair, Replacement Reserve (RRR) funds. The proposed financing would reimburse SIUE Parking’s RRR account, and debt service on the bonds would be repaid with operating funds available to the Parking Division.

At its February 13, 2014, meeting, the Board approved the Student Fitness Center Weight Room Expansion and Vadalabene Center Entrance Renovation project at the Edwardsville campus. The total estimated cost of \$2,600,000 will be funded with approximately \$1,050,000 of Non-Instructional Facility Reserve Funds and \$1,550,000 with the issuance of System Revenue Bonds. Debt service on the bonds would be repaid with operating funds available to the Student Fitness Center. Approval for this project by the Illinois Board of Higher Education was received on April 1, 2014.

At its December 13, 2012, meeting, the Board approved the Richard “Itchy” Jones Stadium Renovation project at the Carbondale campus for a total estimated cost of \$5,000,000. The project came in under budget at approximately \$4,372,000 and was funded with \$640,000 in private donations and an internal loan of \$3,732,000. Approval for this project by the Illinois Board of Higher Education was received on April 2, 2013. The proposed financing would reimburse the \$3,732,000 of charges funded with the internal loan. Debt service on the bonds would be repaid with private donations and operating funds available to the Athletics Department.

Funding for the projects will come from the sale of Housing and Auxiliary Facilities System Revenue Bonds in the estimated sum not to exceed \$9,000,000; such sum to include allowable amounts for the cost of the sale. Funds to repay the Revenue Bonds will come from revenues of the Housing and Auxiliary Facilities System on parity with existing Housing and Auxiliary Facilities System Revenue Bonds.

Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That:

(1) It is hereby determined to be desirable that the Board of Trustees of Southern Illinois University (the "Board") authorize the issuance of its Southern Illinois University Housing and Auxiliary Facilities System Revenue Bonds, Series 2015A (the "Bonds") in order to provide funds to: (a) reimburse SIU Parking for costs paid to reconstruct parking lots, install new light poles and pay-by-space equipment, improve drainage, and replace related sidewalks, curbs, signs and pavement markings, and related facilities and equipment, all on the Edwardsville campus, (b) construct a 5,400 square foot expansion to the existing Student Fitness Center weight room, including rebuilding of the south entrance to the Vadalabene Center, and related facilities and equipment, on the Edwardsville campus, (c) reimburse the University for construction costs related to the renovation of Richard "Itchy" Jones Stadium which included new grandstands, an artificial turf playing surface, and lighting and infrastructure improvement, and (d) pay the costs of issuance of the Bonds. The description of the projects may be supplemented or amended at any time by resolution of the Board upon receipt of an opinion of Bond Counsel to the effect that such supplement or amendment does not adversely affect the tax-exempt status of interest on the Bonds.

(2) Pursuant to the University's existing contract, the firm of Chapman and Cutler LLP, Chicago, Illinois, be and is hereby retained as Bond Counsel to the Board for all legal matters incidental to the authorization and issuance of the Bonds.

(3) Pursuant to the University's existing agreement, the firm of Raymond James Capital Funding, Inc. (the "Purchaser"), Memphis, Tennessee, be and is hereby authorized to purchase all of the Bonds.

(4) Pursuant to the University's existing contract, the firm of Blue Rose Capital Advisors, Chicago, Illinois, be and is hereby retained as Financial Advisor.

(5) U.S. Bank National Association, Chicago, Illinois, be and is hereby authorized to serve as Bond Registrar and Paying Agent for the Bonds.

(6) The Treasurer of this Board or his designee is hereby authorized to enter into a Bank Bond Purchase Contract with Raymond James Capital Funding, Inc., for the purchase of the Bonds in substantially the form which is before the Board at this meeting.¹

(7) In order to provide for the payment of the costs of the projects, capitalized interest (if any), and the payment of expenses, it is necessary that this Board authorize the issuance of its Southern Illinois University Housing and Auxiliary Facilities System Revenue Bonds, Series 2015A, in an aggregate original principal amount not to exceed \$9,000,000 and to have a final maturity not later than April 1, 2030. The price at which the Bonds will be purchased by the Purchaser shall not be less than 99% and the true interest cost (TIC) of borrowing for the Bonds will not exceed 4.00%; provided, however, that (1) upon the occurrence of an event that causes interest on the Bonds to be taxable to the owners thereof for federal income tax purposes as described in the Sixteenth Supplemental Resolution, the interest rate on the Bonds will increase to a taxable interest rate that will not exceed 6.00% per annum; and (2) upon the occurrence of certain defaults described in the Sixteenth Supplemental Resolution, the interest rate on the Bonds will increase to a default rate calculated pursuant to a formula set forth in the Sixteenth Supplemental Resolution that will not exceed the lesser of 7.00% per annum or the maximum rate permitted by law. The Bonds may be redeemed at such times and at such prices not exceeding 100% of the principal amount being redeemed. The Board hereby approves the Sixteenth Supplemental Bond Resolution, with such necessary changes as shall be approved by the Board Treasurer.¹

(8) The members, officers, agents and employees of this Board are hereby authorized and directed to do all such acts and to execute all such documents as may be necessary to carry out and comply with the provisions of these resolutions and with the acts and doings of the members, officers, agents, and employees of the Board which are in conformity with the intent and purposes of these Resolutions, whether heretofore or hereafter taken or done, shall be and are ratified, confirmed and approved.

¹ Copies are on file with the Executive Secretary of the Board of Trustees for recording and the appropriate officers of the Board are hereby authorized and directed to execute the same in the name and on behalf of the Board in substantially the form presented to this meeting, or with such changes as may be approved by the officer or officers of the Board executing the same, his/her or their execution thereof to constitute conclusive evidence of the Board's approval of all changes from the form thereof presented to this meeting.

AMENDMENT TO 5 POLICIES OF THE BOARD SECTION B2C,
FUNCTIONS OF THE TREASURER

Summary

This matter seeks approval by the SIU Board of Trustees to amend 5 Policies of the Board B2c – Functions of the Treasurer – regarding reporting of cash and investment activity.

Rationale for Adoption

From time to time, review of Board Policies suggests changes to clarify or improve the Policies or practices thereunder.

Pursuant to the Public Funds Investment Act (30 ILCS 235/2.5(a)10), a written report of investment activities should be submitted to the governing body and Chief Executive Officer at least quarterly. Although historical practice has been to provide quarterly cash and investment reports to the President and Board of Trustees, Board Policy currently only requires semi-annual reports of investment activity to the Finance Committee. This matter would amend Board Policy from semi-annual reporting to the Finance Committee to quarterly reporting to the Board and President in order to be consistent with State statutory requirements and to reflect current practice.

Considerations Against Adoption

University officers are aware of none.

Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That:

5 Policies of the Board B2c is hereby amended as follows:

PROPOSED BOARD OF TRUSTEES INVESTMENT POLICY
[ADDITION OF 5 POLICIES OF THE BOARD SECTION O]

Summary

This matter seeks approval by the SIU Board of Trustees to incorporate the Investment Policy into Board Policy as 5 Policies of the Board O. The Investment Policy serves as a guide for the Board Treasurer with respect to all investment decisions.

Rationale for Adoption

The University first adopted an Investment Policy in 1999. The Investment Policy, and subsequent revisions, were approved by the Finance Committee and incorporated into University Guidelines. Due to the importance of the Investment Policy in establishing the Board's direction for the investment of public funds, it is recommended at this time that the Investment Policy be approved by the full Board and be made a part of Board Policy. The Investment Policy serves as the Board's directive to the Treasurer with respect to the University's investment risk profile. It provides guidance on eligible securities, assigns responsibilities for investment-related activities and establishes procedures and internal controls consistent with the Public Funds Investment Act (30 ILCS 235).

In addition, the Board Policy will update the Investment Policy to incorporate recent changes to the Public Funds Deposit Act, to address banking industry changes, and to provide clarification as needed.

Considerations Against Adoption

University officers are aware of none.

Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That:

(1) 5 Policies of the Board is hereby amended with the addition of the attached Investment Policy as Section O.

(2) The President of Southern Illinois University be and is hereby authorized to take whatever action may be required in the execution of this resolution.

**STATEMENT OF INVESTMENT POLICY
SOUTHERN ILLINOIS UNIVERSITY
BOARD OF TRUSTEES**

I. STATEMENT OF OBJECTIVES

It is the policy of Southern Illinois University to invest funds in a manner which will provide investment returns and security consistent with good business practices, while meeting the daily cash flow demands of the University, and conforming to all statutes governing the investments of funds. Funds of Southern Illinois University will be invested in accordance with the provisions of the Illinois Compiled Statutes, Chapter 30, Sections 235/0.01 - 235/8, "The Public Funds Investment Act", the Policies of the Board of Trustees of Southern Illinois University, and covenants provided from the University's bond and Certificate of Participation issuance activities.

As provided in Illinois Compiled Statutes, Chapter 30, Sections 225 "The Public Funds Deposit Act," public funds of the University will be deposited in savings and loan associations, savings bank, or State or national banks in Illinois.

A. Overall Risk Profile

The three basic objectives of Southern Illinois University's Investment Program are:

1. Safety of invested funds;
2. Maintenance of sufficient liquidity to meet cash flow needs;
3. Attainment of the maximum investment returns possible consistent with the first two objectives.

The achievement of these objectives shall be accomplished in the manner described below:

1. Safety of Invested Funds

The University will insure the safety of its invested funds by limiting credit and interest rate risks. Credit risk is the risk of loss due to the failure of the security issuer or backer to meet promised interest or principal payments on required dates. Interest rate risk is the risk that the market value of portfolio securities will fall or rise due to changes in general interest rates. The physical security of the University's investments is also an important element of safety. Detailed safekeeping requirements are defined in Section IV of this policy.

- a. Credit risk will be mitigated by:
 - i) Limiting investments to those specified in the Illinois Public Funds Investment Act, which prohibits investment in corporate bonds with maturity dates longer than 270 days from the date of purchase;
 - ii) Prequalifying the financial institutions with which we will do business; and
 - iii) Diversifying the investment portfolio so that the failure of any one issue or backer will not place an undue financial burden on the University.

- b. Interest rate risk will be mitigated by:
 - i) Maintaining significant balances in cash equivalent and other short maturity investments as changing interest rates have limited impact on these securities' prices;
 - ii) Establishing maturity diversification targets, as outlined in section B below, that are consistent with the expected cash flows of the University.

2. Liquidity

The University's investment portfolio will be structured in such a manner that securities mature at the same time as cash is needed to meet anticipated demands. Additionally, since all possible cash demands cannot be anticipated, the portfolio should consist largely of securities with active secondary or resale markets.

3. Investment Returns

Investment returns on the University's investment portfolio is a priority after the safety and liquidity objectives described above. Investments are limited to relatively low risk securities in anticipation of earning a fair return relative to the risk being assumed.

B. Maturity Diversification

The University's investment portfolio will be structured to provide that sufficient funds from investments are available every month to meet the University's anticipated cash needs. Subject to the safety provisions outlined above, the choice in investment instruments and maturities will be based upon an analysis of anticipated cash needs, existing and anticipated revenues, interest rate trends, and specific market opportunities.

Based on a review of the University's cash flows, assets (excluding debt financing funds) will be invested according to the following schedule:

Portfolio	Approximate Average Maturity Range	Target
Cash & Cash Equivalents	Less than one year; typically less than 30 days	Minimum \$40 million
Short Term	Up to 3 years;	\$0 - \$160 million
Intermediate Term	Up to 10 years	\$65 - \$125 million

The Treasurer will manage the investments to fall within the maturity ranges and target balances as listed in the table above. However, circumstances may occur that cause the allocations to temporarily fall outside the prescribed ranges.

C. Definition of Funds

Funds for the purpose of this policy are all University funds which are available for investment at any one time. Funds include those in the University's general operation and debt financing activities.

D. Prudence

Investments shall be made with judgement and care - under circumstances then prevailing - which persons of prudence, discretion and intelligence exercise in management of their own affairs, not for speculation but for investment, considering the probable safety of their own capital as well as the probable income to be derived.

The standard of prudence to be used by investment officials shall be the "prudent person" standard and shall be applied in the context of managing an overall portfolio.

II. INVESTMENTS

This section of the Investment Policy identifies the types of instruments in which the University may invest its funds.

A. Eligible Securities

Southern Illinois University will make investments under the Public Funds Investment Act (Illinois Compiled Statutes Chapter 30, sections 235/0.01 - 235/8). This affords the University a number of investment opportunities including:

- Securities of the United States of America, its agencies, and its instrumentalities;
- Interest bearing savings accounts, certificates of deposit, interest bearing time deposits, other direct obligations of any bank defined in the Illinois Banking Act;
- Certain short term obligations of U.S. Corporations rated in the highest rating classification by at least two standard rating services provided such obligations do not mature in longer than 270 days from the time of purchase and the issuing entity has at least \$500 million in assets (limited to 33% of portfolio);
- Money market mutual funds provided they are comprised of only U.S. Treasuries, Agencies, and instrumentalities;
- Public Treasurer's Investment Pool-State Treasurer's Office;
- Repurchase agreements of Government securities;
- Other specifically defined repurchase agreements.

B. Diversification

Southern Illinois University will diversify its investments by security type, issue and maturity in order to reduce overall portfolio risks while striving to meet or exceed the benchmark average rate of return. Obligations of the United States of America, its agencies, and its instrumentalities are eligible without limit. No more than one-third of Southern Illinois University's funds may be invested in short term obligations of corporations.

C. Collateralization Requirements

In accordance with the State Finance Act (30 ILCS 105/6a-1), deposits that exceed the amount of federal deposit insurance coverage shall be collateralized using eligible securities as listed in the Deposit of State Moneys Act (15 ILCS 520/11). The collateral for various investments shall be held by third parties or in a separate trust department of a participating bank. The collateralization level must be in an amount equal to at least market value of that amount of funds deposited exceeding the insurance limitation provided by the Federal Deposit Insurance Corporation or the National Credit Union Administration or other approved share insurers.

D. Release of Collateral

Only the Treasurer and his designees shall be authorized to release securities pledged as collateral. All requests for the release of collateral shall be confirmed in writing.

E. Confirmation

Receipts for confirmation of purchase of authorized securities should include the following information: trade date, par value, rate, price, yield, settlement date,

description of securities purchased, agency's name, net amount due, and third party custodial information. These are minimum information requirements.

F. Pooling

The University will pool all operating cash for investment purposes to provide for efficiencies and economies in their management. Proceeds related to revenue bond and certificate of participation financing activities will be pooled to the extent allowed under the covenants.

III. SELECTION OF INVESTMENT ADVISORS, INVESTMENT MANAGERS, AND FINANCIAL INSTITUTIONS

A. Investment Advisors and Investment Managers

Investment advisors and investment managers who manage University funds must be registered with the Securities and Exchange Commission and carry adequate levels of insurance. The University will annually send a copy of the Investment Policy to investment advisors and investment managers who manage University funds. The University will follow the State's Procurement Policy when issuing public Requests For Proposal in selecting its advisors and managers.

B. Qualification of Brokers, Dealers, and Financial Institutions

The University will only transact business with banks, savings and loan associations, and broker dealers who have been approved by the University.

IV. INTERNAL CONTROL PROCEDURES

A. Purchase of Securities

The Treasurer will delegate authorization to purchase investment securities to employees, as needed. A list of these authorized employees will be provided to each investment broker/dealer. A confirmation of the purchase of authorized securities will be provided to the Treasurer. All security transactions will be conducted "delivery versus payment."

On occasion, there will be a need for the Treasurer to delegate authorization to a third party to purchase securities on behalf of the University. In these instances, a one-time delegation will be executed that clearly states the type of security, the amount to be purchased, the maturity date, and the purchase date.

B. Safekeeping of Assets

All securities (except collateral) owned by the University will be held by its safekeeping agents. The University will contract with a bank or banks for the safekeeping of securities which are owned by the University as a part of its investment portfolio or which have been transferred to the University under the terms of any repurchase agreements. Safekeeping reports shall be provided.

C. Sale of Securities

The Treasurer will delegate authorization to initiate the sale of investment securities to employees, as needed. A list of these authorized employees will be provided to each broker/dealer. The proceeds of all sales transactions will be deposited into a University account.

D. Wire/ACH Transactions

Where possible, the University will use repetitive wire transfers and preformatted ACH transfers to restrict the transfer of funds to preauthorized accounts only. When transferring funds to an account using a non-repetitive wire or a non-preformatted ACH transfer, the bank is required to call back a second pre-established employee for confirmation that the transfer is authorized.

V. STRUCTURE AND RESPONSIBILITY

This section of the Policy defines the overall structure of the investment management program.

A. Responsibilities of the Finance Committee of the Board of Trustees

The Finance Committee of the Board of Trustees will, upon recommendation of the Treasurer:

1. review and recommend to full Board a written investment policy, consistent with the requirements of the Public Funds Investment Act including:
 - a. the definition of maturity ranges;
 - b. the allocation of funds;
 - c. the setting of benchmarks for evaluating investment performance.
2. review quarterly investment reports.
3. approve the selection and assess the performance of investment managers.

B. Responsibilities of the Treasurer

The Treasurer is appointed by the Board of Trustees and is chief custodian of all funds held in the name of the Board of Trustees. The Treasurer is responsible for recommending, as necessary, financial policies and procedures to ensure compliance with State and Federal laws, Board Policies and University Guidelines. Investment oversight and banking relations are also responsibilities of the office. The Treasurer is responsible for providing the President and Board a quarterly report of cash and investment activities.

C. Investment Managers

The investment managers are accorded full discretion, within the limits set forth in this Statement of Investment Policy and investment guidelines, to (1) select individual securities, (2) adjust the maturity mix, where applicable, and (3) diversify their portfolios so as to limit the impact of large losses in individual investments on the total portfolio.

The investment managers will provide the Treasurer with a monthly report of investment activity and investment performance.

D. Ethics and Conflicts of Interest

Officers, employees and agents, including, but not limited to, investment managers, involved in the investment process shall refrain from personal business activity that conflicts with the proper execution of the investment program, or impairs their ability to make impartial investment decisions. They shall disclose any material financial interests that could be related to the performance of the University's investment portfolio. They shall also comply with all applicable Federal and State laws governing ethics and conflict of interest.

VI. PERFORMANCE EVALUATION

The Treasurer will perform periodic reviews of the cash and investment activity to ensure that the safety, liquidity and performance of the investment portfolio is appropriate.

The Treasurer will provide a quarterly report of cash and investment activity to the President and Board of Trustees.

The Finance Committee of the Board of Trustees will review the performance of each portfolio and Total Fund relative to appropriate benchmarks on a quarterly basis.

The following benchmarks are currently being utilized:

Portfolio	Benchmark	Description
Cash Equivalents	BofA Merrill Lynch Ready Asset	A monthly average of the daily yield on the BofA Merrill Lynch Ready Assets Trust.
Short Term	BofA Merrill Lynch US 3-Month Treasury Bill Index	An index that is comprised of the rolling 3-Month Treasury Bill.
Intermediate Term	Barclays Capital Intermediate U.S. Government	A market value-weighted index of U.S. Treasury and Agency bonds with maturities between one and ten years.
Total Fund	Performance Benchmark	A weighted-average return of the above portfolio benchmarks. The weights assigned to each benchmark are based on the actual monthly allocations to each portfolio.

Results will be evaluated relative to the above benchmarks and relative to the risks incurred in generating the results.

VII. STATEMENT OF INVESTMENT POLICY REVIEW

This Statement will be reviewed as governing Statutes are modified or when there is a material change in University circumstances that may warrant a new asset allocation policy. Absent these changes, this policy statement will be reviewed and modified, if appropriate, no less than every five years.

VIII. PUBLIC NOTICE

A. Investment Policy

Pursuant to the Public Funds Investment Act (30 ILCS 235/2.5(c)), the investment policy shall be made available to the public at the University's main administrative office. Further, a copy of the investment policy will be posted on the web site of the Treasurer.

B. Investment Performance

Pursuant to the Accountability for the Investment of Public Funds Act (30 ILCS 237), the University will post monthly investment performance on the Treasurer's web site by the 15th day following the end of the month.

C. **GASB 3 and GASB 40**

In reporting investments on its financial statements, the University follows the reporting requirements of GASB 3 and GASB 40.
