At its April 17, 2014, meeting, the Board approved the Parking Lot Improvement project at the Edwardsville campus for a total estimated cost of \$3,600,000. Total project construction costs came in under budget at approximately \$3,280,000 and were funded with Parking Repair, Replacement Reserve (RRR) funds. The proposed financing would reimburse SIUE Parking’s RRR account, and debt service on the bonds would be repaid with operating funds available to the Parking Division.

At its February 13, 2014, meeting, the Board approved the Student Fitness Center Weight Room Expansion and Vadalabene Center Entrance Renovation project at the Edwardsville campus. The total estimated cost of \$2,600,000 will be funded with approximately \$1,050,000 of Non-Instructional Facility Reserve Funds and \$1,550,000 with the issuance of System Revenue Bonds. Debt service on the bonds would be repaid with operating funds available to the Student Fitness Center. Approval for this project by the Illinois Board of Higher Education was received on April 1, 2014.

At its December 13, 2012, meeting, the Board approved the Richard “Itchy” Jones Stadium Renovation project at the Carbondale campus for a total estimated cost of \$5,000,000. The project came in under budget at approximately \$4,372,000 and was funded with \$640,000 in private donations and an internal loan of \$3,732,000. Approval for this project by the Illinois Board of Higher Education was received on April 2, 2013. The proposed financing would reimburse the \$3,732,000 of charges funded with the internal loan. Debt service on the bonds would be repaid with private donations and operating funds available to the Athletics Department.

Funding for the projects will come from the sale of Housing and Auxiliary Facilities System Revenue Bonds in the estimated sum not to exceed \$9,000,000; such sum to include allowable amounts for the cost of the sale. Funds to repay the Revenue Bonds will come from revenues of the Housing and Auxiliary Facilities System on parity with existing Housing and Auxiliary Facilities System Revenue Bonds.

The description of the projects may be supplemented or amended at any time by resolution of the Board upon receipt of an opinion of Bond Counsel to the effect that such supplement or amendment does not adversely affect the tax-exempt status of interest on the Bonds.

(2) Pursuant to the University's existing contract, the firm of Chapman and Cutler LLP, Chicago, Illinois, be and is hereby retained as Bond Counsel to the Board for all legal matters incidental to the authorization and issuance of the Bonds.

(3) Pursuant to the University's existing agreement, the firm of Raymond James Capital Funding, Inc. (the "Purchaser"), Memphis, Tennessee, be and is hereby authorized to purchase all of the Bonds.

(5) U.S. Bank National Association, Chicago, Illinois, be and is hereby authorized to serve as Bond Registrar and Paying Agent for the Bonds.

(6) The Treasurer of this Board or his designee is hereby authorized to enter into a Bank Bond Purchase Contract with Raymond James Capital Funding, Inc., for the purchase of the Bonds in substantially the form which is before the Board at this meeting.¹

(7) In order to provide for the payment of the costs of the projects, capitalized interest (if any), and the payment of expenses, it is necessary that this Board authorize the issuance of its Southern Illinois University Housing and Auxiliary Facilities System Revenue Bonds, Series 2015A, in an aggregate original principal amount not to exceed \$9,000,000 and to have a final maturity not later than April 1, 2030. The price at which the Bonds will be purchased by the Purchaser shall not be less than 99% and the true interest cost (TIC) of borrowing for the Bonds will not exceed 4.00%; provided, however, that (1) upon the occurrence of an event that causes interest on the Bonds to be taxable to the owners thereof for federal income tax purposes as described in the Sixteenth Supplemental Resolution, the interest rate on the Bonds will increase to a taxable interest rate that will not exceed 6.00% per annum; and (2) upon the occurrence of certain defaults described in the Sixteenth Supplemental Resolution, the interest rate on the Bonds will increase to a default rate calculated pursuant to a formula set forth in the Sixteenth Supplemental Resolution that will not exceed the lesser of 7.00% per annum or the maximum rate permitted by law. The Bonds may be redeemed at such times and at such prices not exceeding 100% of the principal amount being redeemed. The Board hereby approves the Sixteenth Supplemental Bond Resolution, with such necessary changes as shall be approved by the Board Treasurer.¹

¹ Copies are on file with the Executive Secretary of the Board of Trustees for recording and the appropriate officers of the Board are hereby authorized and directed to execute the same in the name and on behalf of the Board in substantially the form presented to this meeting, or with such changes as may be approved by the officer or officers of the Board executing the same, his/her or their execution thereof to constitute conclusive evidence of the Board's approval of all changes from the form thereof presented to this meeting.

AMENDMENT TO 5 POLICIES OF THE BOARD SECTION B2C,
FUNCTIONS OF THE TREASURER

Summary

This matter seeks approval by the SIU Board of Trustees to amend 5 Policies of the Board B2c – Functions of the Treasurer – regarding reporting of cash and investment activity.

Rationale for Adoption

From time to time, review of Board Policies suggests changes to clarify or improve the Policies or practices thereunder.

Pursuant to the Public Funds Investment Act (30 ILCS 235/2.5(a)10), a written report of investment activities should be submitted to the governing body and Chief Executive Officer at least quarterly. Although historical practice has been to provide quarterly cash and investment reports to the President and Board of Trustees, Board Policy currently only requires semi-annual reports of investment activity to the Finance Committee. This matter would amend Board Policy from semi-annual reporting to the Finance Committee to quarterly reporting to the Board and President in order to be consistent with State statutory requirements and to reflect current practice.

Considerations Against Adoption

University officers are aware of none.

Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That:

5 Policies of the Board B2c is hereby amended as follows:

Section 5B Functions of the Treasurer

2. Investments

c. A report on cash and investment activity shall be made at least ~~semi-annually~~ quarterly to the ~~Finance Committee~~ President and the Board of Trustees.

PROPOSED BOARD OF TRUSTEES INVESTMENT POLICY
[ADDITION OF 5 POLICIES OF THE BOARD SECTION O]

Summary

This matter seeks approval by the SIU Board of Trustees to incorporate the Investment Policy into Board Policy as 5 Policies of the Board O. The Investment Policy serves as a guide for the Board Treasurer with respect to all investment decisions.

Rationale for Adoption

The University first adopted an Investment Policy in 1999. The Investment Policy, and subsequent revisions, were approved by the Finance Committee and incorporated into University Guidelines. Due to the importance of the Investment Policy in establishing the Board's direction for the investment of public funds, it is recommended at this time that the Investment Policy be approved by the full Board and be made a part of Board Policy. The Investment Policy serves as the Board's directive to the Treasurer with respect to the University's investment risk profile. It provides guidance on eligible securities, assigns responsibilities for investment-related activities and establishes procedures and internal controls consistent with the Public Funds Investment Act (30 ILCS 235).

In addition, the Board Policy will update the Investment Policy to incorporate recent changes to the Public Funds Deposit Act, to address banking industry changes, and to provide clarification as needed.

Considerations Against Adoption

University officers are aware of none.

Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That:

(1) 5 Policies of the Board is hereby amended with the addition of the attached Investment Policy as Section O.

(2) The President of Southern Illinois University be and is hereby authorized to take whatever action may be required in the execution of this resolution.

**STATEMENT OF INVESTMENT POLICY
SOUTHERN ILLINOIS UNIVERSITY
BOARD OF TRUSTEES**

I. STATEMENT OF OBJECTIVES

It is the policy of Southern Illinois University to invest funds in a manner which will provide investment returns and security consistent with good business practices, while meeting the daily cash flow demands of the University, and conforming to all statutes governing the investments of funds. Funds of Southern Illinois University will be invested in accordance with the provisions of the Illinois Compiled Statutes, Chapter 30, Sections 235/0.01 - 235/8, "The Public Funds Investment Act", the Policies of the Board of Trustees of Southern Illinois University, and covenants provided from the University's bond and Certificate of Participation issuance activities.

As provided in Illinois Compiled Statutes, Chapter 30, Sections 225 "The Public Funds Deposit Act," public funds of the University will be deposited in savings and loan associations, savings bank, or State or national banks in Illinois.

A. Overall Risk Profile

The three basic objectives of Southern Illinois University's Investment Program are:

1. Safety of invested funds;
2. Maintenance of sufficient liquidity to meet cash flow needs;
3. Attainment of the maximum investment returns possible consistent with the first two objectives.

The achievement of these objectives shall be accomplished in the manner described below:

1. Safety of Invested Funds

The University will insure the safety of its invested funds by limiting credit and interest rate risks. Credit risk is the risk of loss due to the failure of the security issuer or backer to meet promised interest or principal payments on required dates. Interest rate risk is the risk that the market value of portfolio securities will fall or rise due to changes in general interest rates. The physical security of the University's investments is also an important element of safety. Detailed safekeeping requirements are defined in Section IV of this policy.

- a. Credit risk will be mitigated by:
 - i) Limiting investments to those specified in the Illinois Public Funds Investment Act, which prohibits investment in corporate bonds with maturity dates longer than 270 days from the date of purchase;
 - ii) Prequalifying the financial institutions with which we will do business; and
 - iii) Diversifying the investment portfolio so that the failure of any one issue or backer will not place an undue financial burden on the University.

- b. Interest rate risk will be mitigated by:
 - i) Maintaining significant balances in cash equivalent and other short maturity investments as changing interest rates have limited impact on these securities' prices;
 - ii) Establishing maturity diversification targets, as outlined in section B below, that are consistent with the expected cash flows of the University.

2. Liquidity

The University's investment portfolio will be structured in such a manner that securities mature at the same time as cash is needed to meet anticipated demands. Additionally, since all possible cash demands cannot be anticipated, the portfolio should consist largely of securities with active secondary or resale markets.

3. Investment Returns

Investment returns on the University's investment portfolio is a priority after the safety and liquidity objectives described above. Investments are limited to relatively low risk securities in anticipation of earning a fair return relative to the risk being assumed.

B. Maturity Diversification

The University's investment portfolio will be structured to provide that sufficient funds from investments are available every month to meet the University's anticipated cash needs. Subject to the safety provisions outlined above, the choice in investment instruments and maturities will be based upon an analysis of anticipated cash needs, existing and anticipated revenues, interest rate trends, and specific market opportunities.

Based on a review of the University's cash flows, assets (excluding debt financing funds) will be invested according to the following schedule:

Portfolio	Approximate Average Maturity Range	Target
Cash & Cash Equivalents	Less than one year; typically less than 30 days	Minimum \$40 million
Short Term	Up to 3 years;	\$0 - \$160 million
Intermediate Term	Up to 10 years	\$65 - \$125 million

The Treasurer will manage the investments to fall within the maturity ranges and target balances as listed in the table above. However, circumstances may occur that cause the allocations to temporarily fall outside the prescribed ranges.

C. Definition of Funds

Funds for the purpose of this policy are all University funds which are available for investment at any one time. Funds include those in the University's general operation and debt financing activities.

D. Prudence

Investments shall be made with judgement and care - under circumstances then prevailing - which persons of prudence, discretion and intelligence exercise in management of their own affairs, not for speculation but for investment, considering the probable safety of their own capital as well as the probable income to be derived.

The standard of prudence to be used by investment officials shall be the "prudent person" standard and shall be applied in the context of managing an overall portfolio.

II. INVESTMENTS

This section of the Investment Policy identifies the types of instruments in which the University may invest its funds.

A. Eligible Securities

Southern Illinois University will make investments under the Public Funds Investment Act (Illinois Compiled Statutes Chapter 30, sections 235/0.01 - 235/8). This affords the University a number of investment opportunities including:

- Securities of the United States of America, its agencies, and its instrumentalities;
- Interest bearing savings accounts, certificates of deposit, interest bearing time deposits, other direct obligations of any bank defined in the Illinois Banking Act;
- Certain short term obligations of U.S. Corporations rated in the highest rating classification by at least two standard rating services provided such obligations do not mature in longer than 270 days from the time of purchase and the issuing entity has at least \$500 million in assets (limited to 33% of portfolio);
- Money market mutual funds provided they are comprised of only U.S. Treasuries, Agencies, and instrumentalities;
- Public Treasurer's Investment Pool-State Treasurer's Office;
- Repurchase agreements of Government securities;
- Other specifically defined repurchase agreements.

B. Diversification

Southern Illinois University will diversify its investments by security type, issue and maturity in order to reduce overall portfolio risks while striving to meet or exceed the benchmark average rate of return. Obligations of the United States of America, its agencies, and its instrumentalities are eligible without limit. No more than one-third of Southern Illinois University's funds may be invested in short term obligations of corporations.

C. Collateralization Requirements

In accordance with the State Finance Act (30 ILCS 105/6a-1), deposits that exceed the amount of federal deposit insurance coverage shall be collateralized using eligible securities as listed in the Deposit of State Moneys Act (15 ILCS 520/11). The collateral for various investments shall be held by third parties or in a separate trust department of a participating bank. The collateralization level must be in an amount equal to at least market value of that amount of funds deposited exceeding the insurance limitation provided by the Federal Deposit Insurance Corporation or the National Credit Union Administration or other approved share insurers.

D. Release of Collateral

Only the Treasurer and his designees shall be authorized to release securities pledged as collateral. All requests for the release of collateral shall be confirmed in writing.

E. Confirmation

Receipts for confirmation of purchase of authorized securities should include the following information: trade date, par value, rate, price, yield, settlement date,

description of securities purchased, agency's name, net amount due, and third party custodial information. These are minimum information requirements.

F. Pooling

The University will pool all operating cash for investment purposes to provide for efficiencies and economies in their management. Proceeds related to revenue bond and certificate of participation financing activities will be pooled to the extent allowed under the covenants.

III. SELECTION OF INVESTMENT ADVISORS, INVESTMENT MANAGERS, AND FINANCIAL INSTITUTIONS

A. Investment Advisors and Investment Managers

Investment advisors and investment managers who manage University funds must be registered with the Securities and Exchange Commission and carry adequate levels of insurance. The University will annually send a copy of the Investment Policy to investment advisors and investment managers who manage University funds. The University will follow the State's Procurement Policy when issuing public Requests For Proposal in selecting its advisors and managers.

B. Qualification of Brokers, Dealers, and Financial Institutions

The University will only transact business with banks, savings and loan associations, and broker dealers who have been approved by the University.

IV. INTERNAL CONTROL PROCEDURES

A. Purchase of Securities

The Treasurer will delegate authorization to purchase investment securities to employees, as needed. A list of these authorized employees will be provided to each investment broker/dealer. A confirmation of the purchase of authorized securities will be provided to the Treasurer. All security transactions will be conducted "delivery versus payment."

On occasion, there will be a need for the Treasurer to delegate authorization to a third party to purchase securities on behalf of the University. In these instances, a one-time delegation will be executed that clearly states the type of security, the amount to be purchased, the maturity date, and the purchase date.

B. Safekeeping of Assets

All securities (except collateral) owned by the University will be held by its safekeeping agents. The University will contract with a bank or banks for the safekeeping of securities which are owned by the University as a part of its investment portfolio or which have been transferred to the University under the terms of any repurchase agreements. Safekeeping reports shall be provided.

C. Sale of Securities

The Treasurer will delegate authorization to initiate the sale of investment securities to employees, as needed. A list of these authorized employees will be provided to each broker/dealer. The proceeds of all sales transactions will be deposited into a University account.

D. Wire/ACH Transactions

Where possible, the University will use repetitive wire transfers and preformatted ACH transfers to restrict the transfer of funds to preauthorized accounts only. When transferring funds to an account using a non-repetitive wire or a non-preformatted ACH transfer, the bank is required to call back a second pre-established employee for confirmation that the transfer is authorized.

V. STRUCTURE AND RESPONSIBILITY

This section of the Policy defines the overall structure of the investment management program.

A. Responsibilities of the Finance Committee of the Board of Trustees

The Finance Committee of the Board of Trustees will, upon recommendation of the Treasurer:

1. review and recommend to full Board a written investment policy, consistent with the requirements of the Public Funds Investment Act including:
 - a. the definition of maturity ranges;
 - b. the allocation of funds;
 - c. the setting of benchmarks for evaluating investment performance.
2. review quarterly investment reports.
3. approve the selection and assess the performance of investment managers.

B. Responsibilities of the Treasurer

The Treasurer is appointed by the Board of Trustees and is chief custodian of all funds held in the name of the Board of Trustees. The Treasurer is responsible for recommending, as necessary, financial policies and procedures to ensure compliance with State and Federal laws, Board Policies and University Guidelines. Investment oversight and banking relations are also responsibilities of the office. The Treasurer is responsible for providing the President and Board a quarterly report of cash and investment activities.

C. Investment Managers

The investment managers are accorded full discretion, within the limits set forth in this Statement of Investment Policy and investment guidelines, to (1) select individual securities, (2) adjust the maturity mix, where applicable, and (3) diversify their portfolios so as to limit the impact of large losses in individual investments on the total portfolio.

The investment managers will provide the Treasurer with a monthly report of investment activity and investment performance.

D. Ethics and Conflicts of Interest

Officers, employees and agents, including, but not limited to, investment managers, involved in the investment process shall refrain from personal business activity that conflicts with the proper execution of the investment program, or impairs their ability to make impartial investment decisions. They shall disclose any material financial interests that could be related to the performance of the University's investment portfolio. They shall also comply with all applicable Federal and State laws governing ethics and conflict of interest.

VI. PERFORMANCE EVALUATION

The Treasurer will perform periodic reviews of the cash and investment activity to ensure that the safety, liquidity and performance of the investment portfolio is appropriate.

The Treasurer will provide a quarterly report of cash and investment activity to the President and Board of Trustees.

The Finance Committee of the Board of Trustees will review the performance of each portfolio and Total Fund relative to appropriate benchmarks on a quarterly basis.

The following benchmarks are currently being utilized:

Portfolio	Benchmark	Description
Cash Equivalents	BofA Merrill Lynch Ready Asset	A monthly average of the daily yield on the BofA Merrill Lynch Ready Assets Trust.
Short Term	BofA Merrill Lynch US 3-Month Treasury Bill Index	An index that is comprised of the rolling 3-Month Treasury Bill.
Intermediate Term	Barclays Capital Intermediate U.S. Government	A market value-weighted index of U.S. Treasury and Agency bonds with maturities between one and ten years.
Total Fund	Performance Benchmark	A weighted-average return of the above portfolio benchmarks. The weights assigned to each benchmark are based on the actual monthly allocations to each portfolio.

Results will be evaluated relative to the above benchmarks and relative to the risks incurred in generating the results.

VII. STATEMENT OF INVESTMENT POLICY REVIEW

This Statement will be reviewed as governing Statutes are modified or when there is a material change in University circumstances that may warrant a new asset allocation policy. Absent these changes, this policy statement will be reviewed and modified, if appropriate, no less than every five years.

VIII. PUBLIC NOTICE

A. Investment Policy

Pursuant to the Public Funds Investment Act (30 ILCS 235/2.5(c)), the investment policy shall be made available to the public at the University's main administrative office. Further, a copy of the investment policy will be posted on the web site of the Treasurer.

B. Investment Performance

Pursuant to the Accountability for the Investment of Public Funds Act (30 ILCS 237), the University will post monthly investment performance on the Treasurer's web site by the 15th day following the end of the month.

C. **GASB 3 and GASB 40**

AUTHORIZATION TO PAY FOR UNPAID CLOSURE DAYS

Summary

This matter seeks approval by the SIU Board of Trustees to pay eligible current and former/separated SIUC employees for unpaid closure or furlough days taken by those employees during Fiscal Year 2011. Employees and many of the University's collective bargaining groups took four (4) unpaid furlough days to assist the University in managing a budgetary shortfall for Fiscal Year 2011.

Rationale for Adoption

Adoption of the proposed resolution would provide authority for the President to pay employees who are not covered by an applicable collective bargaining agreement for unpaid closure days taken in FY11. In addition, adoption of the proposed resolution would provide authority for the President to engage in bargaining with unions whose employees took unpaid closure days in FY11 (i.e., not receiving payment for those days) to effectuate payment for those days.

A payment of these days would recognize the sacrifice of the employees during a difficult financial period for the University. On December 18, 2014, the Illinois Educational Labor Relations Board (IELRB) ordered the University to "make whole" (i.e., payment for furlough days taken, with interest as defined by the IELRB) employees in three SIUC collective bargaining units (Non-Tenure Track Faculty Association; Association of Civil Service Employees; and the Tenure/Tenure-Track Faculty Association) who were also required to take unpaid furlough days during the same period. The University determined not to appeal the IELRB ruling after consultation with the Board of Trustees' Executive Committee.

The recommended resolution would thus provide the same "make whole" remedy for all other employees not covered by the IELRB Order—including interest payment at the same level as prescribed by the Order. The payment authorized by this resolution would provide equal treatment for all other 2,100 current and former impacted employees beyond the 1,425 current and former tenure/tenure-track faculty, non-tenure faculty, and civil service employees covered by the IELRB ruling. Equitable treatment for all employees of SIUC in this instance is viewed as a basic fairness issue covering all staff who were treated in the same fashion under the furlough days requirement.

Considerations Against Adoption

The present budget concerns for FY16 provide the largest consideration against the proposed action. The cost to extend this authorization to all other impacted employees—beyond only those in the IELRB- covered unions—would be approximately \$2,147,727, which includes \$1.097 million in state funds. (The cost just for those employees covered by the Order is \$1,890,369, with about \$1.764 million of that comprised of state funds.) Funds had been set aside in the current fiscal year budget, utilizing reserves and carryforward monies, that can be made available for this purpose. However, by not providing this compensation to employees, the University could better conserve a significant amount of cash to deal with anticipated lower state funding in FY16. Another item for the Board's consideration could be to limit payments for the employees covered by this authorization solely to current employees, and/or to not grant the interest payment as required for the three unions subject to the IELRB Order.

Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That the President is authorized to take action to pay all eligible current and former/separated non-bargaining unit employees with interest at a rate specified by the IELRB who took unpaid closure days during Fiscal Year 2011 for those closure days.

BE IT FURTHER RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That the President is authorized to request to bargain with all unions who represent employees who took unpaid closure days during Fiscal Year 2011 and who have not otherwise or will not otherwise receive payment of those days regarding the appropriate method of payment of those days or an alternative compensation.

BE IT FURTHER RESOLVED, That the President of Southern Illinois University be and is hereby authorized to take whatever necessary and reasonable action that may be required in the execution of this Resolution.

PROPOSED REVISIONS TO THE BOARD OF TRUSTEES POLICY
ON INTERNAL AUDIT
[AMENDMENTS TO 5 POLICIES OF THE BOARD E]

Summary

This matter seeks approval by the SIU Board of Trustees to revise the Board of Trustees Policy regarding Internal Audit (5 Policies E).

Rationale for Adoption

A revision to the Policy is necessary to comply with the International Standards for the Professional Practice of Internal Auditing (Standards) developed by the Institute of Internal Auditors as amended. Specifically, the Standards require certain language be included in the Internal Audit Charter. The Internal Audit Charter for Southern Illinois University is included in 5 Policies E.3. The revision includes a statement regarding governance activities and processes, which should be explicitly stated as part of the scope of internal audit activities.

Considerations Against Adoption

None. The current Policy does not include the language in regards to governance activities, as recommended by current guidance.

Constituency Involvement

Not applicable.

Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University, in regular meeting assembled, That:

The proposed revision to the Board of Trustees Policy on Internal Audit is hereby adopted, and the newly adopted Policy shall replace the current Policy of the Board.

E. *Internal Audit Policy*

1. The President, as the chief executive officer of Southern Illinois University, is responsible for the development and implementation of a program of internal audit.
2. The President will promulgate guidelines which give direction to the overall internal audit function of the University; these guidelines, as they are developed and amended, will be transmitted to members of the Board of Trustees.
3. Internal Audit Charter: This charter identifies the purpose, authority, and responsibility of the Internal Audit function at Southern Illinois University. The Internal Audit function resides within the Office of Internal Audit, Compliance and Ethics. (9/13/12)
 - a. Purpose: The Internal Audit function was established within Southern Illinois University to conduct assurance reviews of operations and procedures and to report findings and recommendations to the institution's administration and to the Board of Trustees. All Internal Audit endeavors are to be conducted in accordance with applicable law, institutional objectives and policies, as well as professional ethics and standards. Specifically, activities of the Internal Audit function will be carried out in accordance with the mandatory nature of the Definition of Internal Auditing, the Code of Ethics, and the Standards established by the Institute of Internal Auditors (International Standards for the Professional Practice of Internal Auditing (Standards)). The Internal Audit function may report that its operations are conducted in conformance with the International Standards for the Professional Practice of Internal Auditing, only if the results of the quality assurance and improvement program support the statement. (11/9/06, 4/14/11, 9/13/12)
 - b. Authority
 1. The Internal Audit function reports administratively to the President, whose authority as chief executive officer is sufficient to assure a broad range of audit coverage and adequate consideration of effective action on internal audit findings and recommendations. The Internal Audit function has an independent, functional responsibility to the Audit Committee of the Board of Trustees for reporting on the adequacy and effectiveness of internal controls. (5/14/98, 3/13/03, 9/11/08, 9/13/12)
 2. While the Internal Audit function is an integral part of Southern Illinois University and functions in accordance with the policies established by the President and the Board of Trustees, it is essential for the internal audit activity to be independent of the activities audited. To enhance and ensure this independence, and with strict accountability for safekeeping and confidentiality, internal audit staff are authorized unlimited access to all records, personnel, and physical properties which the Executive Director of Audits has determined to be relevant to the performance of

assigned audits. Consulting services may be performed, if conducted in accordance with applicable standards. (11/09/06, 4/14/11, 3/22/12, 9/13/12)

3. In performing its work, the Internal Audit function shall assert no direct responsibility nor authority over activities reviewed. Therefore, its appraisal of activities does not relieve other persons in the organization of any responsibilities assigned to them. Furthermore, when assisting management in establishing or improving risk management processes, internal auditors must refrain from assuming any management responsibility by actually managing risks. (4/14/11, 9/13/12)

c. Responsibility

1. The Internal Audit function is responsible for providing Southern Illinois University's administrators and Board members with information about the adequacy and the effectiveness of its system of internal controls and quality of operating performance. To accomplish this responsibility, all institutional activities are subject to audit, including all governance activities and processes. (9/13/12, 2/2/15)

2. The scope of internal auditing encompasses examining and evaluating ~~the the adequacy and effectiveness of Southern Illinois University's governance, operations and information systems of internal control and the quality of operating performance~~ against established standards in carrying out assigned responsibilities. Areas of review include (04/14/11, 2/2/15):

- a. reliability and integrity of financial and operating information;
- b. compliance with policies, plans, procedures, laws, and regulations;
- c. safeguarding assets;
- d. effectiveness and efficiency of operations and programs;
- e. accomplishment of institutional goals and strategic objectives;
- f. evaluation of the potential for the occurrence of fraud and how the organization manages fraud risk;
- g. assessment of whether the Information Technology governance supports the University's strategies and objectives; and
- h. evaluate the effectiveness and contribute to the improvement of the risk management process.

3. The Executive Director of Audits is generally responsible for the administration of this policy and for functionally directing and effectively managing the internal audit activities throughout Southern Illinois University. Specifically, the Executive Director of Audits (04/14/11):

- a. is responsible for communicating directly and interacting with the Audit Committee regarding the results of activity of the Internal Audit function. The Chief Audit Executive must report periodically to senior management and the Audit Committee on the internal audit activity's purpose, authority, responsibility, and performance relative to its plan. Reporting must also include significant risk exposures and control issues, including fraud risk, governance issues, and other matters needed or required by the Audit Committee or senior management. (9/13/12)
 - b. must develop and maintain a quality assurance and improvement program that covers all aspects of the internal audit activity. The results of external assessments must be reported to senior management and the Audit Committee.
 - c. must have direct and unrestricted access to senior management and the Audit Committee, and must identify and consider the expectations of senior management, the board and other stakeholders for internal audit opinions and other conclusions. When an overall opinion is issued, it must take into account the expectations of senior management, the board, and other stakeholders and must be supported by sufficient, reliable, relevant, and useful information.
4. Southern Illinois University administrators are responsible for providing internal auditors with timely access to records, personnel, and physical properties which the Executive Director of Audits has determined to be relevant and for making sure that prompt, pertinent, and comprehensive responses are made to audit recommendations.

E. *Internal Audit Policy*

1. The President, as the chief executive officer of Southern Illinois University, is responsible for the development and implementation of a program of internal audit.
2. The President will promulgate guidelines which give direction to the overall internal audit function of the University; these guidelines, as they are developed and amended, will be transmitted to members of the Board of Trustees.
3. Internal Audit Charter: This charter identifies the purpose, authority, and responsibility of the Internal Audit function at Southern Illinois University. The Internal Audit function resides within the Office of Internal Audit, Compliance and Ethics. (9/13/12)

Specifically, activities of the Internal Audit function will be carried out in accordance with the mandatory nature of the Definition of Internal Auditing, the Code of Ethics, and the Standards established by the Institute of Internal Auditors (International Standards for the Professional Practice of Internal Auditing (Standards)). The Internal Audit function may report that its operations are conducted in conformance with the International Standards for the Professional Practice of Internal Auditing, only if the results of the quality assurance and improvement program support the statement. To enhance and ensure this independence, and with strict accountability for safekeeping and confidentiality, internal audit staff are authorized unlimited access to all records, personnel, and physical properties which the Executive Director of Audits has determined to be relevant to the performance of

assigned audits. Consulting services may be performed, if conducted in accordance with applicable standards. (11/09/06, 4/14/11, 3/22/12, 9/13/12)

3. In performing its work, the Internal Audit function shall assert no direct responsibility nor authority over activities reviewed. Therefore, its appraisal of activities does not relieve other persons in the organization of any responsibilities assigned to them. Furthermore, when assisting management in establishing or improving risk management processes, internal auditors must refrain from assuming any management responsibility by actually managing risks. (4/14/11, 9/13/12)

c. Responsibility

1. The Internal Audit function is responsible for providing Southern Illinois University's administrators and Board members with information about the adequacy and the effectiveness of its system of internal controls and quality of operating performance. To accomplish this responsibility, all institutional activities are subject to audit, including all governance activities and processes. (9/13/12, 2/2/15)
2. The scope of internal auditing encompasses examining and evaluating the University's governance, operations and information systems against established standards in carrying out assigned responsibilities. Areas of review include (04/14/11, 2/2/15):

 - f. evaluation of the potential for the occurrence of fraud and how the organization manages fraud risk;
 - g. assessment of whether the Information Technology governance supports the University's strategies and objectives; and
 - h. evaluate the effectiveness and contribute to the improvement of the risk management process.
3. The Executive Director of Audits is generally responsible for the administration of this policy and for functionally directing and effectively managing the internal audit activities throughout Southern Illinois University. Specifically, the Executive Director of Audits (04/14/11):

- a. is responsible for communicating directly and interacting with the Audit Committee regarding the results of activity of the Internal Audit function. The Chief Audit Executive must report periodically to senior management and the Audit Committee on the internal audit activity's purpose, authority, responsibility, and performance relative to its plan. Reporting must also include significant risk exposures and control issues, including fraud risk, governance issues, and other matters needed or required by the Audit Committee or senior management. (9/13/12)
 - b. must develop and maintain a quality assurance and improvement program that covers all aspects of the internal audit activity. The results of external assessments must be reported to senior management and the Audit Committee.
 - c. must have direct and unrestricted access to senior management and the Audit Committee, and must identify and consider the expectations of senior management, the board and other stakeholders for internal audit opinions and other conclusions. When an overall opinion is issued, it must take into account the expectations of senior management, the board, and other stakeholders and must be supported by sufficient, reliable, relevant, and useful information.
4. FURNITURE, ADMINISTRATIVE OFFICE BUILDING,
SCHOOL OF MEDICINE CAMPUS, SIUC

Summary

This matter seeks approval to purchase furniture for the Administrative Office Building. The total cost for this purchase is \$932,819.56 and will be funded with SIU School of Medicine non-appropriated funds and funds derived from patient revenue sources.

The SIU School of Medicine and SIU HealthCare have multiple supporting departments that provide assistance for the operations of the school and the practice. These departments, totaling approximately 300 staff, provide administrative, clinical quality, information technology, patient billing services, compliance, clinical research, and community healthcare support. The departments work closely with the School of Medicine Campus and the two main hospitals in Springfield.

As there is a need for consolidation of services and a lack of space on the School of Medicine Campus, these departments will be relocating into a newly renovated leased space and will require more efficient furniture as an open landscape space will be utilized with partition walls, small and large conference rooms and training areas, and include an employee lunchroom, work areas and support space. This space was identified through a Request for Information (RFI) bidding process in October 2014.

AWARD OF CONTRACT:
STEAM TUNNEL REPAIRS,
CARBONDALE CAMPUS, SIUC

Summary

This matter seeks to award the contract for the steam tunnel repairs on the Carbondale campus. Bids for construction were received and the award of the contract for a total of \$530,060 is requested.

Rationale for Adoption

The Carbondale campus utilizes a network of approximately eight miles of underground reinforced concrete tunnels for utility distribution to most of the central campus buildings. Referred to as the steam tunnels, some are in excess of fifty years old and have shown signs of deterioration and failure. The top of certain sections of the tunnels have begun to deteriorate in some areas causing the steam line anchors to break loose. In July 2012, the SIU Board of Trustees approved the project for the repair of the steam tunnels at an estimated cost of \$1,000,000.

This project will provide structural improvements and the replacement of pipe stanchions, expansion joints, and steam line anchors. The areas of concern were identified in the Steam Tunnel Investigation Report completed by an outside consultant. The work will be funded from the proceeds of Certificates of Participation (COPs) that were issued on February 13, 2014. The debt payment is repaid from the Facilities Maintenance Fee.

This matter is recommended for adoption by the Vice Chancellor for Administration and Finance, SIUC.

Considerations Against Adoption

This project will require the temporary shut-down of steam to several facilities and will also create temporary closures of some walkways south of the Student Center both of which may produce an inconvenience for students, faculty, and staff.

Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That:

(1) The contract for steam tunnel repairs, Carbondale Campus, SIUC, be and is hereby awarded to A & W Plumbing and Heating, Murphysboro, IL, in the amount of \$530,060.

(2) Funding for this work will come from proceeds of Certificates of Participation (COPs) that were issued on February 13, 2014. The debt payment is repaid from the Facilities Maintenance Fee.

(3) The President of Southern Illinois University be and is hereby authorized to take whatever action may be required in the execution of this resolution in accordance with established policies and procedures.

PROJECT AND BUDGET APPROVAL:
GREENHOUSE DEMOLITION, CONSTRUCTION AND RENOVATIONS,
AGRICULTURAL SCIENCES AND BOTANY TEACHING,
CARBONDALE CAMPUS, SIUC

Summary

This matter seeks project and budget approval for the demolition, construction, and renovations to the Agricultural Sciences and Botany Teaching greenhouses. This project will be administered by the Illinois Capital Development Board (CDB). The total project budget is estimated at \$4,600,000.

Rationale for Adoption

The Agricultural Sciences and Botany Teaching greenhouses were constructed in the 1950's and each has moderate to severe structural deficiencies, mechanical problems, and/or utility failures because of their age and deferred maintenance. Each facility has very limited environmental controls, meaning that stable lighting, humidity, and temperature cannot be maintained over time.

The Ag greenhouse work will consist of asbestos abatement, demolition of existing greenhouse, renovation of the head house and construction of a new greenhouse. The Botany Teaching greenhouse work will include abatement, repairs to the structures and renovations to the head house and the greenhouse.

CDB has retained the design consultants and solicited bids for the project. The contracts will be awarded and held by CDB. Construction is slated to begin the summer of 2015 with completion in 2016.

Funding for the project will come from the Illinois Capital Development Board estimated at \$2,425,428, the Facilities Maintenance Fee estimated at \$1,264,572, the College of Science estimated at \$455,000, and the College of Agricultural Sciences estimated at \$455,000.

This matter is recommended for adoption by the Vice Chancellor for Administration and Finance, SIUC.

Considerations Against Adoption

This project will require temporary relocation of all scholastic and research activities located in the facilities until the phased work is completed. This work also presents a risk to the College of Science for the potential of additional costs associated with the protection and storage of the valuable plant collection located in the Botany greenhouse.

Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That:

(1) Project and budget approval for the demolition, construction, and renovations to the Agricultural Sciences and Botany Teaching greenhouses, Carbondale Campus, SIUC, at an estimated cost of \$4,600,000, be and is hereby approved.

(2) Funding for this project will come from Illinois Capital Development Board estimated at \$2,425,428, the Facilities Maintenance Fee estimated at \$1,264,572, the College of Science estimated at \$455,000, and the College of Agricultural Sciences estimated at \$455,000.

(3) The Board of Trustees hereby authorizes the expenditure of funds for the University's share of goods and services associated with this project.

(4) The President of Southern Illinois University be and is hereby authorized to take whatever action may be required in the execution of this resolution in accordance with established policies and procedures.

PROJECT AND BUDGET APPROVAL:
LAWSON HALL RENOVATIONS,
CARBONDALE CAMPUS, SIUC

Summary

This matter seeks project and budget approval for renovations to Lawson Hall. Total project budget is estimated at \$1,500,000.

Rationale for Adoption

Lawson Hall serves as one of the major lecture halls on campus. The classrooms were recently renovated with new equipment, finishes, and furniture, along with smart technology. This project will focus on the restrooms including ADA accessibility, new entries and replacement of the glass facades.

Design will be completed with in-house resources and the work will be completed with a combination of in-house labor and through the external bid process. Construction is slated to begin the summer of 2015 with completion in 2016. Funding for this project will come from the Facilities Maintenance Fee.

This matter is recommended for adoption by the Vice Chancellor for Administration and Finance, SIUC.

Considerations Against Adoption

This project will require phased work calling for temporary closures of the restrooms and entries which may create a potential for inconvenience.

Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That:

(1) Project and budget approval for the renovations to Lawson Hall, Carbondale Campus, SIUC, at an estimated cost of \$1,500,000, be and is hereby approved.

(2) The Board of Trustees hereby authorizes the purchase of goods and services associated with this project.

PROJECT AND BUDGET APPROVAL:
MCLAFFERTY ANNEX RESEARCH SPACE RENOVATIONS – PHASE II,
CARBONDALE CAMPUS, SIUC

Summary

This matter seeks project and budget approval for Phase II of the renovations to McLafferty Annex to create research space. The cost for the second phase of the work is estimated at \$1,000,000.

Rationale for Adoption

At the July 12, 2012, Board of Trustees meeting, project and budget approval was received for the first phase of renovation of McLafferty Annex. Phase I encompasses approximately 20,000 square feet of the building. The estimated cost of the first phase is \$3,000,000 and the work is being funded from indirect costs collected from research activities and Plant funds. When the Board of Trustees approved the project and budget for Phase 1, it was noted that requests for subsequent renovation phases would be presented to the Board for consideration.

Phase II of this project will continue the build out of lab and office space for departments requiring research space. Phase II will also include work in the common use zones to enhance the collaboration of researchers. Two other researchers have been identified as new additions to the facility. Fermentation Science Institute will occupy approximately 4,560 square feet and the Department of Chemistry and Biochemistry will require approximately 2,225 square feet for the development of the first phase of a laser laboratory. The Phase II renovations will continue to build flexible space to meet today's needs of faculty and researchers. The renovated space will improve research opportunities for the University.

McLafferty Annex, built in 2005, is approximately 65,500 square feet. The facility was originally built to provide storage and surge space during the renovation and addition to Morris Library. With the completion of construction at Morris Library and the relocation of the books held in storage, McLafferty Annex was available for re-assignment.

This matter is recommended for adoption by the Vice Chancellor for Administration and Finance and the Interim Vice Chancellor for Research, SIUC.

Considerations Against Adoption

This project will require phased work and may cause a disruption to the teaching and research being conducted in the areas that will be completed.

Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That:

(1) Project and budget approval for Phase II of the renovations to McLafferty Annex, Carbondale Campus, SIUC, at an estimated cost of \$1,000,000 be and is hereby approved.

(2) The Board of Trustees hereby authorizes the purchase of goods and services required to complete Phase II of this project.

(3) Non-appropriated funds for Phase II of this project will come from the Office of the Chancellor, the Office of the Vice Chancellor for Research and Plant funds.

PLANNING APPROVAL: EDWARDSVILLE CAMPUS DENTAL CLINIC RENOVATION,
SIUE

Summary

This matter seeks approval to develop plans and cost estimates to renovate 195 University Park Drive in order to develop an Edwardsville Campus Dental Clinic for the School of Dental Medicine. The cost of the work will be finalized once a comprehensive cost estimate is determined. Final project and budget approval and award of contracts will require further Board consideration.

Rationale for Adoption

The Edwardsville Campus Dental Clinic will be primarily used to accommodate the newly approved "International Advanced Placement Program" at the School of Dental Medicine. The laboratory space in the clinic will accommodate the international students for their Clinical Certification Course, a 12 week intensive program prior to their matriculation as a Year 3 dental student.

The clinical space in the Edwardsville Campus Dental Clinic will accommodate various clinical rotations, primarily for graduate students. This usage will free necessary chair space in the main clinic in Alton to accommodate the International Program students with their cohort class. Additionally, this space will accommodate expansion of our existing postdoctoral training programs as well as the addition of new programs.

The design and renovation will be funded from University Plant funds, facility equipment revenues, and private donations.

A Qualifications Based Selection (QBS) process selected AAIC Architects to help determine the extent of the work and the estimated cost of the work. Final project and budget approval and award of contracts will require further Board action. The Chancellor, the Provost and Vice Chancellor for Academic Affairs, and the Vice Chancellor for Administration, SIUE, have recommended this matter to the President.

Considerations Against Adoption

The building is currently leased to three private tenants. The tenants will be displaced but the University will work with the tenants to identify space for them to rent off campus.

Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That:

(1) Development of plans and cost estimates for Edwardsville Campus Dental Clinic Renovation, SIUE, be and is hereby approved.

This matter approves award of construction contracts in the amount of \$1,618,243 to expand the Student Fitness Center weight room and renovate the Vadalabene Center entrance on the Edwardsville campus.

Rationale for Adoption

On February 13, 2014, the SIU Board of Trustees approved the project: Student Fitness Center Weight Room Expansion and Vadalabene Center Entrance Renovation, SIUE. The project will construct an addition to the Free-Weight Room in the Student Fitness Center.

This project would include an expansion of approximately 5,400 square feet of space onto the existing Free-Weight Room. This project would require rebuilding the south entrance of the Vadalabene Center where the Student Fitness Center connects to the Vadalabene Center.

The approved budget for the project is \$2,600,000, of which, \$1,050,000 will be funded from Student Fitness Center Non-Instructional Facilities Reserve Account funds and up to \$1,550,000 will be funded from the sale of revenue bonds to be re-paid from Student Fitness Center Fee revenues.

The bids received for the project are favorable and the award of contracts is now requested. A summary of bids received is attached for review. The Chancellor, the Vice Chancellor for Student Affairs, and the Vice Chancellor for Administration, SIUE, have recommended this matter to the President.

Considerations Against Adoption

The work included in this project will cause a temporary inconvenience to students working out in the existing weight room and those who use the south entrance to the Vadalabene Center. Pedestrians will be routed to the west and east entrances.

CHANGE IN PROJECT BUDGET AND AWARD OF CONTRACTS: VADALABENE
CENTER WATERPROOFING, SIUE

Summary

This matter seeks approval to change the project budget to \$3,374,760 and approves award of construction contracts in the amount of \$2,632,400 to install architectural metal panels, limestone, and brick veneer on the exterior walls of the Vadalabene Center on the Edwardsville campus. The increase in the project budget is requested to cover the actual bid amounts and protect the project contingency. The original project budget was \$3,070,000. This project would be funded from \$3,070,000 in University Plant funds and \$304,760 in Facilities Fee revenues.

Rationale for Adoption

On May 8, 2014, the SIU Board of Trustees approved the project: Vadalabene Center Waterproofing, SIUE, to install architectural metal panels, limestone, and brick veneer on the exterior walls of the Vadalabene Center. The building has suffered from chronic water leaks through the exposed aggregate cement plaster wall finish which, although structurally sound, has developed extensive cracks allowing rainwater to pass through. Previous attempts at sealant coatings have not been successful. A study of alternatives found installing a combination of new architectural metal panels over the existing plaster, limestone, and brick to be the most cost effective solution. The new exterior finishes will be compatible with the adjacent Student Fitness Center and the Edwardsville core campus buildings.

The approved budget for the project is \$3,070,000 and is to be funded from University Plant funds. However, the actual bid amounts came in higher than expected and an increase to the budget is requested in order to cover the actual bid amounts and protect the project contingency. The revised budget would be \$3,374,760 and would be funded from \$3,070,000 in University Plant funds and \$304,760 in Facilities Fee revenues.

A summary of bids received is attached for review. The Chancellor and the Vice Chancellor for Administration, SIUE, have recommended this matter to the President.

Considerations Against Adoption

The work included in this project will cause a temporary inconvenience to pedestrians who use the east entrance to the Vadalabene Center during the time that work is done above the entrance. Pedestrians will be routed to the north and west entrances, and a construction entrance will be erected where feasible.

Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That:

(1) The project budget for the capital project, Vadalabene Center Waterproofing, SIUE, be and is hereby increased to \$3,374,760 and will be funded from \$3,070,000 in University Plant funds and \$304,760 in Facilities Fee revenues.

PROJECT AND BUDGET APPROVAL: ART & DESIGN EAST WINDOW
REPLACEMENT, SIUE

Summary

This matter seeks project and budget approval to replace the windows in the Art & Design East building, SIUE. The estimated cost of the project is \$3,320,000 and will be funded from Facilities Fee revenues.

Rationale for Adoption

On September 12, 2013, the SIU Board of Trustees approved planning for the capital project, Art & Design East Window Replacement, SIUE. The project will replace the original glass block windows, many of which are cracked, damaged, and/or leaking. The project will use a combination of windows, metal panels, and limestone to replace the window systems and will be similar in appearance to the new Art & Design West building. The result will improve the building's energy efficiency and comfort.

The estimated cost of the project is \$3,320,000 and will be funded from Facilities Fee revenues. The Chancellor and the Vice Chancellor for Administration, SIUE, have recommended this matter to the President.

Considerations Against Adoption

The work included in this project will cause a temporary inconvenience to the building occupants. Interior construction walls will be erected to reduce dust, noise, and temperature fluctuations.

Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That:

(1) The capital improvement project, Art & Design East Window Replacement, SIUE, be and is hereby approved at an estimated cost of \$3,320,000.

(2) The project shall be funded from Facilities Fee revenues.

(3) The President of Southern Illinois University be and is hereby authorized to take all action required in the execution of this resolution in accordance with established policies and procedures.

APPROVAL TO ESTABLISH THE SIUE CHARTER SCHOOL AS A UNIVERSITY
RELATED ORGANIZATION (URO)

Summary

This matter seeks Board approval to establish the SIUE Charter School as a University Related Organization (URO) as required by the Illinois State Board of Education and Illinois State Statutes.

The SIUE Charter School was founded in 1999 and has been a school-of-choice for families in the East St. Louis School District 189. The mission of the SIUE Charter School is to prepare students to be career- and college-ready upon graduation. To achieve this mission, the school and its staff positively impact the educational and economic lives of East St. Louis, Illinois, youth through individualized instruction in core academic subjects, exploration of career interests and aptitudes, assistance in realizing students' talents, high academic goals, and expectations that graduates will become competitive employees for the 21st century. The school currently serves a total of 115 students from grades 9-12.

Rationale for Adoption

To ensure full compliance with the Illinois State Board of Education's requirements, Charter Schools must be organized as a URO under Illinois Statute 105 ILCS 5/27A-5 (a) and (b).

The Illinois State Board of Education ("ISBE") informed SIUE that it requires the SIUE Charter School to incorporate itself as an independent nonprofit organization rather than being wholly under the umbrella of the university. ISBE instructed this should be accomplished by recognizing the charter school as a university related organization.

In order to be recognized as a URO, the SIUE Charter School must take several steps, including being recognized as a URO and executing a written agreement with the SIU Board of Trustees, as well as filing and requesting status as a nonprofit entity with the State of Illinois and the United States Internal Revenue Service.

Considerations Against Adoption

University officials are aware of none.

Constituency Involvement

The Chancellor of SIUE has recommended this matter to the President.

Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University, That:

(1) The SIUE Charter School, shall, upon full execution of the written agreement and other final documents herein referenced, be duly organized, accepted and recognized as a University Related Organization.

(2) The President of Southern Illinois University be and is hereby authorized to take all actions necessary pursuant to this resolution in accordance with established policies and procedures. Such actions shall include, but are not limited to, execution of required documents and agreements related to this matter.

**MEMORANDUM OF UNDERSTANDING BETWEEN THE BOARD OF TRUSTEES
OF SOUTHERN ILLINOIS UNIVERSITY
AND
SIUE CHARTER SCHOOL**

This Memorandum of Understanding ("MOU") is entered into by and between The Board of Trustees of Southern Illinois University, a body politic and corporate of the State of Illinois ("University" or "SIUE"), and SIUE CHARTER SCHOOL, Inc., an Illinois not-for-profit corporation, ("CHARTER SCHOOL"). SIUE and CHARTER SCHOOL may be referred to herein collectively as "Parties," or separately as a "Party."

WHEREAS, both Parties agree and understand that quality education and access to that education is critical for the educational and economic success of individuals and of the State of Illinois; and

WHEREAS, CHARTER SCHOOL was incorporated by SIUE as a University-related not-for-profit corporation, to undertake programs to improve the quality and access of a high school education in the East St. Louis metropolitan area in the State of Illinois, and

WHEREAS, both Parties support efforts to ensure the prospect for successful completion of CHARTER SCHOOL project goals; and

WHEREAS, both parties understand and agree that the CHARTER SCHOOL must be organized as a University Related Organization ("URO") and to ensure full compliance with the statute requiring a charter school to be organized as a nonprofit corporation or other discrete, legal, nonprofit entity (501(c)3).

NOW, THEREFORE, in consideration of the mutual covenants and representations set forth below, the parties agree as follows:

1. To the extent necessary, CHARTER SCHOOL shall draft its charter and bylaws to allow it to act as an independent entity, including removal of SIUE as a performing partner of CHARTER SCHOOL, and removal of all required SIUE action and/or approvals. SIUE hereby approves of such amendments.
2. CHARTER SCHOOL shall continue to solely assume its obligations under any contracts it has or will enter into. CHARTER SCHOOL shall continue to abide by terms and conditions of any applicable grants issued to or for CHARTER SCHOOL from the federal or state governments or any other funding or granting source.
3. CHARTER SCHOOL shall defend, indemnify, and hold SIUE, its trustees, officers, employees, and agents, harmless from and against any and all claims, demands, damages, judgments, losses, or costs, including reasonable attorneys' fees, related to any act or omission of

SIUE and CHARTER SCHOOL acknowledge that CHARTER SCHOOL is dependent for funding upon various grants and donations, and the officers, employees, and directors of CHARTER SCHOOL shall not be personally liable for the obligations of CHARTER SCHOOL set forth herein.

4. Neither Party may utilize the logo or name of the other Party without written permission from the other Party. Such permission shall not be unreasonably withheld. Neither Party shall be, nor may either Party hold itself out as, an affiliate, partner, subsidiary, or related entity of the other without permission from the other Party. Each Party shall maintain its separate and independent entity status. Nothing in this MOU is intended, or shall be construed, to create a partnership, joint venture, or any other similar relationship. No Party shall have the right to bind, or act as agent for, the other Party. Each Party shall be free to enter into relationships or negotiations with third parties and this MOU shall, in no way, affect existing third party relationships and/or the ability to enter into third party relationships.

5. This MOU hereby terminates all other previous agreements between SIUE and the CHARTER SCHOOL entered into between them. As of the Effective Date of this Agreement below, CHARTER SCHOOL shall be considered a University Related Organization of SIUE. As a URO, the Charter School is willing to be treated as a URO pursuant to the 1982 Illinois Legislative Audit Commission University Guidelines, as amended now and in the future ("Guidelines"), for the limited purposes set forth in the Guidelines.

6. The terms of this MOU shall be binding on the Parties.

7. This MOU shall be governed by, and construed in accordance with, the laws of the State of Illinois. In the event that there is change in Illinois statutes, regulations, rules or interpretations thereof, that renders any of the terms, or implementation of the terms, of this MOU unlawful, the Parties agree to undertake best efforts to renegotiate the affected terms and/or modify the method of implementation of such terms as necessary to achieve legal compliance.

8. This MOU represents the complete understanding of the Parties and supersedes all prior agreements, negotiations, discussions, and/or understandings, whether written or oral, related to the subject matter of this MOU.
