Pursuant to notice, a special meeting was called by the Board of Trustees of Southern Illinois University, and the meeting convened at 3:00 p.m., Tuesday, July 8, 2014, in the Large Dining Room of the Stone Center, Southern Illinois University System Office, Carbondale, Illinois. The meeting was called to order by Vice Chair Manering.

The following members of the Board were present:

Dr. Donna Manering, Vice Chair
Hon. Don Lowery, Secretary
Dr. Roger Herrin
Dr. Shirley Portwood
Mr. Joel Sambursky
Ms. Marquita Wiley

The following members were absent:

MG (Ret) Randal Thomas, Chair
Mr. Mitch Morecraft

The Executive Secretary reported and the Vice Chair determined that a quorum was physically present.

Also present for the duration of the meeting were Dr. Randy J. Dunn, President; Mr. Lucas Crater, Interim General Counsel; and Ms. Misty Whittington, Executive Secretary of the Board.

The Vice Chair stated that there would be a Public Questions and Comments portion available at the day’s meeting to last up to 15 minutes total, 3 minutes per speaker.
Mr. Charles DiStefano made his presentation to the Board. He spoke on behalf of graduate students as a student representative for the Student Health Insurance Committee, SIUC. Mr. DiStefano spoke in support of a new health insurance plan recommended for SIUC. He hoped the Acting Chancellor, President, and Board would approve the recommended insurance.

President Dunn recommended that Vice President Paul Sarvela be appointed as Acting Chancellor of Southern Illinois University Carbondale to be effective immediately due to the departure of Dr. Rita Cheng. Further, the President discussed Dr. Sarvela’s background and qualifications to serve in the position.

Trustee Wiley made a motion to approve the appointment of Dr. Paul Sarvela as Acting Chancellor. Trustee Portwood seconded the motion. The motion passed by the following recorded vote: aye, Dr. Roger Herrin; Hon. Don Lowery; Dr. Donna Manering; Dr. Shirley Portwood; Mr. Joel Sambursky; Ms. Marquita Wiley; nay, none.

Vice Chair Manering announced that the next regular Board of Trustees meeting would be held July 24, 2014, at the SIU School of Medicine, Springfield.

Trustee Herrin made a motion to adjourn the meeting. Trustee Sambursky seconded the motion. The motion passed unanimously by voice vote.

The meeting adjourned at 3:10 p.m.

Misty Whittington, Executive Secretary

Pursuant to notice, a special meeting of the Board of Trustees of Southern Illinois University convened at 1:35 p.m., Wednesday, July 23, 2014, in the Lincoln Conference Room, Southern Illinois University School of Medicine, Springfield, Illinois. The meeting was called to order by Chair Randal Thomas. The following members of the Board were physically present:

MG (Ret) Randal Thomas, Chair
Dr. Donna Manering, Vice Chair
Hon. Don Lowery, Secretary
Dr. Roger Herrin
Mr. Mitch Morecraft
Mr. Joel Sambursky
Ms. Marquita Wiley

The following member was absent:

Dr. Shirley Portwood

Also present for the duration of the meeting were Dr. Randy J. Dunn, President; and Mr. Lucas Crater, Interim General Counsel. Dr. Duane Stucky, Senior Vice President for Financial and Administrative Affairs; Mr. John Charles, Executive Director for Governmental and Public Affairs; and Ms. Misty Whittington, Executive Secretary of the Board, attended a portion of the meeting.

Executive Director Charles reviewed funding in the FY 2015 Higher Education Budget related to the University and other budgetary issues of importance. Further, he provided the Board with legislative highlights from 2014.
Vice President Stucky reviewed with the Board the FY 2015 change in general operating budget for each campus.

At 3:00 p.m., Trustee Morecraft moved that the Board go into closed session to consider imminent and/or pending court proceedings against or on behalf of the Board; appointment, employment, compensation, discipline, performance, or dismissal of specific employees; collective bargaining matters; and minutes of meetings lawfully closed under the Open Meetings Act. The relevant sections of the Open Meetings Act Statute that allow for the closed session are 5 ILCS 120/2(c) (1), (2), (11), (21). The motion was duly seconded by Trustee Herrin. The motion carried by the following recorded vote:  aye, Dr. Roger Herrin, Hon. Don Lowery, Dr. Donna Manering, Mr. Joel Sambursky, Maj. Gen. Randal Thomas, Ms. Marquita Wiley; nay, none.

No action was taken in closed session.

Trustee Herrin made a motion to adjourn the meeting. The motion was duly seconded by Secretary Lowery, and it passed unanimously by voice vote.

The meeting adjourned at 4:10 p.m.

Don Lowery, Secretary
Pursuant to notice, a regular meeting of the Board of Trustees of Southern Illinois University convened on Thursday, July 24, 2014, at 10:09 a.m. in the Auditorium of the Southern Illinois University School of Medicine, 801 North Rutledge, Springfield, Illinois. The meeting was called to order by Chair Randal Thomas. The following members of the Board were physically present:

MG (Ret) Randal Thomas, Chair  
Dr. Donna Manering, Vice Chair  
Hon. Don Lowery, Secretary  
Dr. Roger Herrin  
Mr. Mitch Morecraft  
Mr. Joel Sambursky

The following member was absent:

Dr. Shirley Portwood

Executive Officers present were:

Dr. Randy J. Dunn, President, SIU  
Dr. Julie Furst-Bowe, Chancellor, SIU Edwardsville  
Dr. Paul Sarvela, Acting Chancellor, SIU Carbondale and Vice President for Academic Affairs  
Mr. Lucas Crater, Interim General Counsel  
Dr. Duane Stucky, Senior Vice President for Financial and Administrative Affairs and Board Treasurer

Also present was Ms. Misty Whittington, Executive Secretary of the Board.

Chair Thomas led the group in the Pledge of Allegiance.

**NOTE:** Copies of all background documents furnished to the Board in connection with the following matters have been placed on file in the Office of the Board of Trustees.
The Executive Secretary reported and Chair Thomas determined that a quorum was physically present.

Chair Thomas welcomed Acting Chancellor Paul Sarvela and newly elected SIU Edwardsville Student Trustee Mitch Morecraft to the Board meeting.

The Chair announced that at the prior day’s executive session meeting, the Board reviewed executive session meeting minutes excerpts for a period through 2013 and determined certain portions no longer required confidential treatment, and those releases would be made available for public inspection on the Board of Trustees website.

Chair Thomas appointed Mr. Morecraft to serve as a member of the Finance Committee and Architecture and Design Committee.

Trustee Herrin moved that the Minutes of the Meeting held May 7 and 8, 2014, June 24, 2014, and July 8, 2014, be approved. Trustee Sambursky seconded the motion, and the minutes were approved unanimously by voice vote.

Under Trustee Reports Chair Thomas reported that on the prior day he and President Dunn attended the Joint Trustee Committee meeting at the School of Medicine along with representatives of St. John’s Hospital and Memorial Medical Center. The Chair noted that he learned of great collaborative efforts between the three entities and found the meeting to be very informative.

Under Committee Reports, Chair Thomas reported that the Executive Committee had not met since his last report to the full Board.
Under Executive Officer Reports, President Dunn reported that he was working on a 100-day plan. He went on to say that he was in the process of meeting with individuals and groups both internal and external to the system to get a good understanding of the state of facilities and operations. The President noted that some items such as the budget would be looked at in short order. He planned to provide a report of progress made at the Board’s August retreat.

President Dunn reported that the Illinois Department of Commerce and Economic Opportunity (DCEO) passed a new Illinois Economic Development plan. He shared that to be something exciting for all universities to look at the way that DCEO divided the state into regions and identified economic and workforce clusters to provide most promise for future economic development. He noted SIU had opportunities in the area it serves to build upon some programs of study that are in place or emerging. He provided an example of an area of economic growth in infrastructure around transportation and logistics. Recently there was a proposal for a master’s degree in supply chain logistics at the Carbondale campus. The President noted that the University would continue to have a strong investment in humanities and arts. However, as new programs are examined, matches would be looked for to respond to needs that have been identified by the state. The President noted that at the Carbondale campus efforts have been made on Guided Pathways to Success and the Illinois Board of Higher Education is using the effort as a positive example.

Chancellor Sarvela added that the effort was about increasing STEM work for Science, Technology, Engineering and Math with the goal of producing more graduates in those areas. He reviewed the efforts included the following for STEM
majors: (1) academic curricular mapping, (2) milestone courses, and (3) intrusive advising. He hoped the measures implemented would result in more students completing their degrees.

President Dunn reported on recent activity at the Federal level. Three component bills of the Higher Education Reauthorization Act were passed in the House. One of the pieces of legislation dealt with Pell Grants. It is uncertain whether any other action will occur before the end of the legislative session for the items but if so those would be important for the University.

The President reviewed recent U.S. Department of Education sexual violence reporting requirements for universities. Guidance has been provided on how to deal with the investigation and management of sexual assaulting incidents on campus. Coordinated efforts will be needed to satisfy the federal requirements and also be responsive to local police departments.

President Dunn reported on a decision that the Appeals Court upheld that the Supreme Court had established regarding the use of race in college admissions. He noted that historic tradition of the campuses has been the ability to use race as one indicator among many to ensure diversity is present and strongly supported in the admissions process. He further noted that while race cannot be the driver, this is another decision that says race can be taken into account.

The President noted the closing of Corinthian College, one of the largest for-profit providers of higher education in the country.
Dr. Julie Furst-Bowe, Chancellor, SIU Edwardsville, provided highlights from the following written report provided to the Board:

CHANCELLOR’S REPORT

SIUE Fall 2014 Enrollment Update

Freshman applications for fall 2014 have reached 10,540. A year-to-date record high number of 6,559 freshmen have been admitted for the fall term. As of July 6, a record 2,110 freshmen are registered for fall classes. This represents a 9% or 168 student increase in the freshman class over same date last year. The mean ACT for these students is a record 23.5 compared to 23.0 in 2013 and 22.8 in 2012.

1033 transfer students are registered for fall which is 9% (93 students) over same date last year. We expect about 250 additional transfer students to enroll by census. New graduate student enrollment for fall is up 9% of 22 students over same date last year. 302 new international students have been admitted for fall which represents an increase of 86% or 140 students over the same date last year.

The first-to-second year retention rate for the fall 2013 first-time full-time freshman cohort is running 3% ahead of the previous year’s cohort. Seventy-four percent of last year’s freshman class is registered for fall 2014 coursework.

SDM 2014 Commencement

The Southern Illinois University School of Dental Medicine Commencement was held on Saturday, June 7. Fifty students received a doctor of dental medicine degree and a record 12 alumni participated in the Hooding Ceremony. Dr. Paul F. Kattner, an orthodontist with Kattner Orthodontics in Waukegan, Ill., served as keynote speaker.

Chancellor’s Board Appointment

I have been appointed by U.S. Secretary of Commerce Penny Pritzker to serve on the Board of Overseers for the Malcolm Baldrige National Quality Award. The Award is the highest level of national recognition for performance excellence that a U.S. organization can receive. The Board of Overseers consists of approximately 11 members who serve three-year terms and are selected on a standardized basis for their expertise in the field of organizational performance excellence.*

Academic Awards and Achievements

The School of Pharmacy was one of four training sites selected nationally by the American Society of Health-System Pharmacists (ASHP) Research and Education
Foundation for the 2014 Pain and Palliative Care Traineeship program. Dr. Chris Herndon, associate professor of pharmacy practice, is the faculty lead for the SIUE campus training site.

Southern Illinois University Edwardsville and Rend Lake College have partnered on a “2+2” program allowing students to begin their studies at Rend Lake College and then transition to SIUE for degree completion. It will be managed by representatives at both schools and will lead to SIUE bachelor’s of science degrees in mechanical, civil, electrical and industrial engineering.

Sixteen junior and senior high school students from the metropolitan area participated in the 2014 SIUE Healthcare Diversity Summer Camp (June 9-13, 2014). The camp exposes rising juniors and seniors to careers in pharmacy, nursing and dental medicine. This year the average GPA of the students in the camp is 3.8, the highest ever!

The SIUE School of Engineering has hosted a record 71 high school students during June for its annual Engineering Summer Camp. The program introduces high school freshmen, sophomores, and juniors to engineering, computer science, and construction. Campers design and program a video game, build robots, bridges, miniature hovercrafts and fuel-cell vehicles.

Grants

*Graduate Studies & Research from the Department of Health and Human Services:* $825,300

- A funding extension for the months during which the East St. Louis Center awaits the new award for the Head Start/Early Head Start Program.

*Graduate Studies & Research from the National Institutes of Health:* $433,656

- This NIH Biomedical/Biobehavioral Research Administrator award will increase the University’s capacity for submitting Public Health Service grants.

Position Announcements

On July 1, Dr. Parviz Ansari was named Provost and Vice Chancellor for Academic Affairs at SIUE. He replaces Interim Provost Ann Boyle who has accepted a position at A.T. Still University in Mesa, Arizona.

Mr. Chad Martinez has been named Director of Equal Opportunity, Access and Title IX Coordination and began his duties on July 3. He replaces Paul Pitts who retired after 20+ years with SIUE from the Office of Institutional Compliance which was subsequently renamed.
Student Activities

SIUE students continue to seek international experiences to enhance their academic studies. For summer 2014, 16 students registered for semester-long study abroad experiences in a variety of countries. Another 97 students are participating in faculty-led travel study programs to Budapest, China, Costa Rica, France, Germany, Ghana, Italy, Panama, and a seven-country music program in Europe.

Advancement / Foundation

SIUE concluded its first-ever comprehensive campaign in June 2013 resulting in the funding of many programs, projects, and scholarships. Since that time, the Advancement structure has changed to a centralized model. For our next major fundraising endeavor, our College, Schools and programs will be launching “high impact campaigns” to run for 12-18 months. Each will have goals that are achievable within that time frame and will be launched separately beginning July 1, 2014. (please see the brochure)

New gifts/pledges: $105,000 to Golf Facility, $15,000 to The Gardens. The total YTD (FY14) giving is $2,609,336. Several major gifts are pending, the largest being $300,000 for Engineering.

Dr. Paul Sarvela, Acting Chancellor, SIU Carbondale provided highlights from the following written report provided to the Board:

SOUTHERN ILLINOIS UNIVERSITY CARBONDALE
CHANCELLOR’S REPORT

Accomplishments

Two SIU Carbondale graduate students will enhance their education this fall as recipients of J. William Fulbright Scholarship awards. Andrew Barrette, a doctoral student in philosophy, will conduct research at the Katholieke Universiteit Lueuven in Belgium, where he will be developing his dissertation. Kristine Dizon, who earned her master’s degree in clarinet performance in May, will further her studies in clarinet and conducting at the Escola Superior de Musica Artes e Espectáculo in Portugal.

A research scientist at the School of Medicine has been awarded a two-year federal grant from the National Institutes of Aging, a division of the National Institutes of Health,
to study a potential aging gene. The total budget for the grant is $147,500. Dr. Rong Yuan, assistant professor of geriatric research in the Department of Internal Medicine, is the principal investigator for the project. This is the third NIA grant awarded for Yuan’s research, which focuses on aging and longevity.

Victory Media, whose publications include G.I. Jobs magazine, named SIU Carbondale a “Military Friendly School” for 2015. The list honors the top 20 percent of colleges, universities and trade schools in the United States. SIU Carbondale has earned that status in each of the six years Victory Media has published the rankings.

The men's and women's swimming and diving teams each received the Team Scholar All-American award from the College Swimming Coaches Association of America (CSCAA). SIU's women's team ranked 10th in the nation in grade point average (3.58), while the men were 14th nationally (3.31). The Team Scholar All-American Award is presented to college and university swimming and diving teams that have achieved a team grade point average of 3.0 or higher.

SIU Carbondale is the recipient of the 2014 Educational Partnership Award from Kaskaskia College. The university and Kaskaskia have articulation agreements in business, accounting, industrial technologies, network administration and web development, and a general associate degree agreement. The partners earlier this year signed an agreement that will help students working on an associate degree in engineering transfer those credits to the College of Engineering.

**Donation**

Marsha and Gary Bertrand, of Austin, Texas, recently presented SIU Carbondale with $1 million to establish the Bertrand Foundation Scholarship Endowment. Awards will be presented after the endowment generates earnings and the Bertrands have made provisions to support the university through a deferred estate gift. Scholarships will be earmarked for middle-income families.

**Summer Enrollment**

2014 summer enrollment is basically flat for the first time in three years, signaling a potential turning point that may bode well for the future. Official 10th day enrollment figures are 7,227, down 4 students, or 0.1 percent compared to last year.

Among the highlights:

- Enrollment of new and transfer students is up 138 students, or 43 percent, over last summer.
- Enrollment of undergraduate and graduate international students is up by 283 students, or 43 percent, over last summer.
• Off-campus enrollment is up 192 students, or 8.4 percent over the previous year, while on-campus enrollment is down 196 students, or 4 percent below last year.
• This shift reflects an increase in online enrollment at SIU Carbondale and nationally as students work to complete their degrees in multiple formats while they work or complete internships.

Sustainability

The university has increased its commitment to sustainability with the construction of a new composting facility. It has the potential to annually take 87 tons of dining hall, livestock and landscape waste and turn it into saleable compost. The compost will be useful for local gardeners and possibly larger-scale organic farmers, and the facility also will be used for research. The student-supported Green Fund paid $103,000 for the facility - now the largest in the Midwest – supplemented by an Illinois Department of Commerce and Economic Opportunity Grant of $50,000.

The Chairman reviewed the procedure for the Public Comments portion of the agenda.

Executive Secretary Whittington reported that no persons had registered to speak.

Chair Thomas explained the procedure for the Board’s omnibus motion, and the listing of items proposed for the omnibus motion was as follows:

REPORTS OF PURCHASE ORDERS AND CONTRACTS,
APRIL AND MAY 2014, SIUC AND SIUE

In accordance with 3 Bylaws 1 and 5 Policies of the Board C, summary reports of purchase orders and contracts awarded during the months of April and May 2014, were mailed to the members of the Board in advance of this meeting, copies were placed on file in the Office of the Board of Trustees, and these reports are hereby submitted for information and entry upon the minutes of the Board with respect to the actions of the Executive Committee.

PROPOSED REPLACEMENT OF THE BOARD OF TRUSTEES 5 POLICIES
J ELECTRONIC INFORMATION SYSTEMS PRIVACY ISSUES AND STATEMENT OF ETHICS AND K INFORMATION TECHNOLOGY: OPERATIONS POLICY AT SOUTHERN ILLINOIS UNIVERSITY
[REPLACEMENT OF 5 POLICIES OF THE BOARD J AND K]

Summary

This matter seeks approval by the SIU Board of Trustees to replace the current Board of Trustees Policies regarding Electronic Information Systems Privacy Issues and Statement of Ethics (5 Policies J) and Information Technology: Operations Policy at Southern Illinois University (5 Policies K) with a more comprehensive policy titled SIU System Information Security Plan.

Rationale for Adoption

The replacement of these Policies is necessary to satisfy an external audit finding. Specifically, the current policies have been incorporated into a more comprehensive policy which addresses the Information Security Plan for the SIU System. The policies have been developed to ensure the security of information the University creates, receives, maintains, and transmits by providing confidentiality, integrity and availability of that information, regardless of the medium in which it is held or transmitted.

Considerations Against Adoption

None. Adoption of these policies is necessary to ensure the security of University’s information and to satisfy an external audit finding.

Constituency Involvement

Not Applicable.
Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University, in regular meeting assembled, That:

(2) The Board of Trustees Policy sections be reformatted as follows:

L. K. Information Technology: University Internet Privacy Policy
M. L. Trademark Policy
N. M. Freedom of Information Act Policy
O. N. Identity Theft Prevention Policy
SIU System Information Security Plan

I. Information Security Plan Charter

A. Southern Illinois University has established this Information Security Plan to:
   1. Ensure the security of information the University creates, receives, maintains, or transmits by providing for the confidentiality, integrity and availability of that information, regardless of the medium in which the asset is held or transmitted.
   2. Protect against reasonably anticipated threats or hazards.
   3. Protect against reasonably anticipated uses, disclosures, or losses that violate applicable laws, regulations, and/or policies.
   4. Identify roles and responsibilities for implementing this Information Security Plan.

B. It is the collective responsibility of all users to ensure:
   1. Compliance with the policies, guidelines and procedures contained within this Information Security Plan.
   2. Confidentiality of information which SIU is required to protect from unauthorized access.
   3. Integrity and appropriate availability of information stored and/or processed by SIU.
   4. Compliance with applicable laws, regulations, and policies governing information security and privacy protection.

C. Failure to comply with this Information Security Plan shall subject users to disciplinary action consistent with University policies and any applicable laws and/or regulations.

D. This Information Security Plan shall apply to the following:
   1. All SIU information assets, including central and departmentally-managed computing resources.
   2. All employees of SIU, contractors, vendors or any other person with access to SIU computing resources or information assets. This includes non-SIU owned devices that may store protected information.
   3. All SIU information assets regardless of medium (e.g. physical or electronic)
   4. All computing resources (e.g. networks, systems, applications, etc.) owned or managed by SIU.

II. Information Systems Privacy & Statement of Ethics

Southern Illinois University takes justifiable pride in the electronic information systems provided to its faculty, staff, and students. These resources include computer systems, software, data sets, and communications networks. Members of the University community may use these resources only for purposes related to their studies, instruction, the discharge of duties as employees, official business with the University, or other University-sanctioned activities. Any other use, unless specifically authorized, is prohibited. Access to the University’s electronic information systems is a privilege to which all University faculty, staff, and students may be granted access to varying degrees. Certain responsibilities accompany

1 Information that is protected from release by state and/or federal law/regulation or would require SIU to provide notice to individuals and/or government agencies if information is lost, stolen or compromised; examples include protected health information (PHI/HIPAA), credit card numbers (PCI), banking information (GLBA), and protected student information (FERPA)
that privilege; understanding them is important for all users. Those within the University community who make use of these resources are subject to high standards of ethics to insure the privacy, security, and proper use of data. Recognized as a primary educational, research, and administrative asset, the University’s electronic information systems should be protected from unauthorized modification, destruction, disruption or disclosure—whether accidental or intentional.

1. **User Responsibility for Security of Stored Information**

The user is responsible for correct and efficient use of the tools each electronic information system provides for maintaining the security of stored information.

   a. Individual users to whom computer accounts, passwords, and other types of security authorizations have been assigned must obey any express restrictions on disclosure of such authorizations to others. No otherwise authorized disclosure may be made until the proposed recipient of the disclosure has demonstrated familiarity with the security requirements for usage of the authorizations and agreed to comply with them.

   b. The user must strive to understand the level of protection each electronic information system automatically applies to files and supplement that protection, if necessary, for sensitive information.

   c. The user must be aware of computer viruses and other destructive computer programs, and take steps to avoid being either their victim or propagator.

   d. Use of computers by individuals implies that they accept responsibility for protecting any information (processed and/or stored under directories or accounts assigned to them) which is restricted, licensed, proprietary or protected by law or regulation.

2. **Confidentiality of Stored Information**

   a. Information stored on electronic information systems is considered confidential, whether protected by the computer system or not, unless the owner intentionally, and with proper authority, makes that information available to other groups or individuals. The University assumes that computer users wish the information they store on central and campus shared computing resources to remain confidential.

   b. Requests for the disclosure of confidential information outside the University will be governed by the provisions of law, including but not limited to the Family Educational Rights and Privacy Act of 1974, the State Records Act, and the Illinois Freedom of Information Act. All such requests will be honored only when approved by university officials who are the legal custodians of the information requested, or when required by state or federal law, or court order.

3. **Inappropriate Usage**

Computing and networking resources may be used only in accordance with accepted University practice. Examples of inappropriate and unacceptable use of computing and networking resources include, without limitation:

   a. harassment;
   b. fraud or misrepresentation;
   c. destruction of or damage to equipment, software, or data belonging to the University or other computer and networking users;
   d. disruption or unauthorized monitoring of electronic communications;
   e. violations of computer system security;
   f. unauthorized use of computer accounts, access codes, or network identification numbers assigned to others;
g. unauthorized use of computer and/or network facilities in ways that impede the computing activities of others;

h. use of computing facilities for personal or business purposes unrelated to the mission of the University;

i. violation of copyrights and software license agreements;

j. violation of the usage policies and regulations of the networks of which the University is a member or has authority to use;

k. violation of another user's privacy;

l. academic dishonesty such as plagiarism or cheating;

m. accessing, or attempting to access, another individual’s or entity’s data or information without proper authorization regardless of the means by which this access is attempted or accomplished;

n. giving another individual access to data or information, or the means to access data or information, they are not authorized to access;

o. obtaining, possessing, using, or attempting to use passwords or other information about someone else's account;

p. inspecting, modifying, distributing, or copying data, mail messages, or software without proper authorization, or attempting to do so;

q. concealing or misrepresenting user’s name, affiliation or other identifier to mask irresponsible or offensive behavior or unauthorized use of identifier of other individuals or entities;

r. Violations under the applicable student conduct code, applicable faculty or other constituency code of ethics or conduct, or other University policies;

s. tapping phone or data lines.

4. Sanctions

Violation of the policies described herein for use of computing resources will be dealt with seriously. Violators are subject to disciplinary procedures of the University and, in addition, may lose computing privileges. Illegal acts involving the University's computing and networking facilities may also be subject to prosecution by local, state, and federal authorities.

III. Plan Oversight

Each campus shall:

a. Identify an Information Security Officer;
b. Assign joint responsibility for their information security plan to their Chief Information Officer and Information Security Officer or equivalent positions;
c. Ensure appropriate University officers, offices or employees are appropriately authorized to implement, maintain, and enforce this plan;
d. Implement guidelines, procedures and processes to address the requirements of this Information Security Plan;
e. Regularly review their local information security plan materials;
f. Maintain records of their information security plan activities in compliance with applicable University policies, regulations and guidelines, and local, state and federal law.

The campus Information Security Officers, or their designates, shall meet annually to review the SIU System Information Security Plan and suggest modification as required.
IV. Plan Requirements

Each campus shall maintain an information security plan that, at minimum, addresses the following:

A. Guidelines

1. Responsible/Acceptable Use

Maintain acceptable or responsible use guidelines that include or address:

a. Identification of appropriate university officers or offices/units responsible for decisions as to whether a particular use of computing and network resources conforms to University guidelines;
b. General user responsibilities;
c. User responsibilities for securing protected information;
d. Impermissible use;
e. Acceptable network and Internet use;
f. Users expectations of privacy and confidentiality;
g. Sanctions.

2. Security Awareness and Training

Ensure that workforce members receive training regarding:

a. The acceptable use of computing resources;
b. The regulatory requirements and liabilities of access to protected information;
c. How to use information systems and security controls;
d. Handling, storing and disposing of protected information;
e. Individual responsibilities and roles related to maintaining institution integrity.

3. Data Classification

Maintain standards and guidelines for the classification of information the University creates, receives, maintains, or transmits.

4. Procurement

Maintain standards and guidelines for the procurement of computing resources. Ensure that systems handling protected information are compliant with relevant requirements of applicable law and this Information Security Plan.

B. Securing Systems, Hardware, Data, and Software

1. Infrastructure Configuration Standards

Maintain standards for the equipment, applications, and devices deployed to ensure predictable operability and security of those devices. These standards are mandatory for computing resources involved in the processing and storage of protected information.

2. Change Management

Ensure significant changes to computing resources are managed to establish that changes are reasonable and necessary; do not introduce unintended risk to the confidentiality, availability, or integrity of data; and are executed as planned.
3. **Workstation Security**

Ensure workstations are configured, maintained, and employed in a manner to ensure the confidentiality, integrity and availability of the information they contain.

4. **Patch Management Standards**

Ensure information system software is regularly tested and updated to reduce risk of system vulnerability exploitation and malfunction.

5. **Malware Protection**

Ensure information systems and data are adequately protected from malware or other destructive computer programs.

6. **Physical Safeguards**

Maintain reasonable and appropriate protection for physical computing resources. Access to data centers, network closets, remote points of presence, etc. shall be appropriately restricted. Physical locations containing high-risk information assets shall receive additional protections. i.e. access logging, proximity badge access, video surveillance, etc.

7. **Data Backup**

Maintain standards for the backup, retention, recovery, and protection of critical data.

8. **Disposal Standards**

Maintain standards for reuse, destruction and disposal of computing devices and information. Disposal of physical assets and data must be done in accordance with applicable laws, regulations, and policies.

9. **Data Handling**

Maintain standards for the proper handling, tracking and disposal of protected information regardless of medium to prevent inadvertent disclosure.

10. **Network Security**

Maintain network standards that include:

   a. Network perimeter defense mechanisms including firewalls, virtual private networks, and intrusion detection/prevention
   b. Network partitioning mechanisms to ensure proper isolation of high-risk information
   c. Wireless network security and access control mechanisms

C. **Access Control**

1. **Clearance & Authorization**

Ensure employees, contractors, vendors or any affiliates with access to computing resources or information assets are appropriately vetted by the appropriate University officials, managers, supervisors, and data stewards.

2. **Terminating Access**

Ensure timely termination of user access to information systems, as appropriate, to protect the confidentiality and integrity of those systems.
3. **Access Management**

Provide users the least privilege access to information systems necessary and appropriate to conduct University business need and perform University job duties.

4. **User Accounts and Passwords**

Require individually assigned accounts and strong passwords to ensure access to information systems is appropriate and adequately logged.

5. **Remote Access**

Ensure remote network and application access is appropriate to individual users’ roles and responsibilities.

D. **Business Continuity and Disaster Recovery Planning**

1. **Disaster Recovery**

Ensure business systems and business processes are prioritized by mission impact to establish criticality in the event of catastrophic failure. Assign appropriate backup and redundancy processes to critical systems. Maintain and regularly test a disaster recovery plan.

2. **Business Continuity**

As appropriate, maintain procedures to ensure that critical University processes can continue in the event an information system is unavailable.

E. **Information Risk Management**

1. **Risk Analysis**

Regularly undertake a formal analysis of the risks and vulnerabilities associated with the security of protected information contained in or accessed through University computing resources.

2. **Information Incident Management**

Investigate, document, report, and remediate information security incidents as appropriate and required.

3. **Inventory**

Maintain an inventory of systems and processes that store, process, manipulate or access protected information.

4. **Exception Management**

Ensure that exceptions to guidelines, policies and standards developed pursuant to this Information Security Plan are formally approved, documented and regularly reviewed in recognition of the balance between the rigidity and structure of standards with the necessity of effective operations and the limitations of available resources and technology.
PROPOSED REVISIONS TO 5 POLICIES OF THE BOARD G (TRAVEL REGULATIONS)

Summary

This matter seeks approval by the SIU Board of Trustees to amend 5 Policies of the Board Section G (Travel Regulations) regarding approval of travel related reimbursement for the President of Southern Illinois University.

Rationale for Adoption

From time to time, review of Board Policies suggests changes to clarify or improve the Policies or practices thereunder.

Under current practice, the President of the University seeks approval from the Board of Trustees’ Executive Committee for travel related reimbursement. Upon recommendation of the Office of Internal Audit, this addition to 5 Policies of the Board Section G would simply memorialize that propriety approval should be obtained from the Board, or a committee or individual(s) it so designates, prior to reimbursement of the President's travel related expenditures.

Considerations Against Adoption

None.

Constituency Involvement

Not applicable.

Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in a regular meeting assembled, That:

5. Policies of the Board, Section G, is hereby amended to add Section 2, to read as follows:
G. Travel Regulations

1. The Higher Education Travel Control Board, as authorized by "An act in relation to State finance," sets travel regulations for all University employees. These regulations, and any changes that may be made, are considered as Board of Trustees travel policy. SIUC and SIUE, the Office of the President, and the Office of the Board of Trustees may have travel regulations that differ from these regulations so long as they are not inconsistent with the Higher Education Travel Control Board travel regulations.

2. Travel related expenditures for the President of Southern Illinois University shall be submitted to the Board of Trustee’s Executive Committee, or other committee or individual(s) as designated by the Board, for approval, prior to reimbursement. (7/24/14)

APPROVAL OF PURCHASE:
INVESTMENT MANAGEMENT SERVICES,
SOUTHERN ILLINOIS UNIVERSITY

Summary

This matter seeks approval to purchase investment management services for a portion of the University's operating reserves. Investment management services include options for the management of intermediate-term funds, short-term funds, and related investment consulting. The cost of the service is contingent upon the size of the portfolio managed and type of the investment products proposed. It is estimated to be no more than $1,500,000 over a maximum 9-year contract period.

Rationale for Adoption

SIU's current contract with Western Asset Management Company for management of the University’s approximately $105 million intermediate-term portfolio expires on August 31, 2014. Consistent with the State Procurement Code, a Request for Proposals (RFP) was issued to solicit bids from firms to provide investment management services. In addition to seeking a new contract for management of the intermediate-term portfolio, the University also used the RFP process as an opportunity to explore additional investment options for short-term investment of operating funds. Eighteen qualified vendors responded to the RFP, of which sixteen met the criteria for intermediate-term manager and twelve met the criteria for short-term manager.
A Selection Committee was established consisting of three members from the SIU Treasurer's Office and the principal of SIU's financial advisory firm. Firms were evaluated on the basis of the criteria set forth in the RFP including, but not limited to: organization and professional experience; assets under management; investment philosophy and process; implementation; and pricing (see attached Evaluation Criteria).

The Selection Committee selected a short list of five intermediate-term investment managers. The Committee then used the services of Treasury Strategies, a leading treasury consulting firm, to assist with additional analysis of the top five firms. As a result of this process, the Selection Committee’s top choice was also supported by the analysis performed by Treasury Strategies as the firm that best met the needs of SIU. Therefore, approval is sought to select PFM Asset Management LLC to serve as the intermediate-term manager. PFM Asset Management LLC will manage the University’s intermediate-term funds of approximately $105 million.

As of May 30, 2014, SIU has $173.8 million invested in the State Treasurer’s pool and two money market accounts. These funds are used to meet operating needs and the balance available to invest fluctuates greatly over the course of an annual cash flow cycle. SIU would like to engage a short-term investment manager to provide additional opportunities for the investment of these short-term funds. The services of the short-term investment manager would be used to invest excess operating cash with the goal of enhancing returns. The Selection Committee reviewed proposals for short-term investment managers using the same criteria used for the intermediate proposals. Approval is sought to select PFM Asset Management LLC to serve as the short-term investment manager.

The award to PFM Asset Management LLC for management of intermediate-term funds, short-term funds and related consulting will be for a 3-year period, with the option to renew for 3 additional 2-year periods. The cost of the service is estimated at $166,666 per year and will be paid from income earned on the funds under management.

**Considerations Against Adoption**

University officers are aware of none.

**Resolution**

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That:

(1) The purchase of investment management services be and is hereby approved at a cost of up to $1,500,000 over a maximum 9-year contract period.
(2) The purchase of investment management services for the University’s intermediate-term funds and related investment consulting be and is hereby awarded to PFM Asset Management LLC.

(3) The purchase of investment management services for the University’s short-term funds and related investment consulting be and is hereby awarded to PFM Asset Management LLC.

(4) The cost for this service will be paid from income earned on the funds under management.

(5) The President of Southern Illinois University be and is hereby authorized to take whatever action may be required in the execution of this resolution in accordance with established policies and procedures.

REORGANIZATION OF OFFICE OF INSTITUTIONAL DIVERSITY AND INCLUSION 
FROM OFFICE OF PROVOST AND VICE CHANCELLOR FOR ACADEMIC AFFAIRS 
TO OFFICE OF THE CHANCELLOR, SIUE

Summary

This matter requests approval to move the Institutional Diversity and Inclusion function from the Office of the Provost and Vice Chancellor for Academic Affairs to the Office of the Chancellor.

Rationale for Adoption

Due to the importance and the impact of an inclusive and diverse environment on the welfare of the campus community, the Chancellor must have a close and communicative working relationship with the Diversity and Inclusion division. Adjusting the reporting structure to align the unit so that it is within the Chancellor’s direct purview will more closely resemble the standard found among many other institutions of higher education and will better communicate SIUE’s commitment to institutional diversity.

Considerations Against Adoption

University officials are aware of none.

Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That:

(1) Effective August 1, 2014, Institutional Diversity and Inclusion is hereby transferred to the Office of the Chancellor.

(2) The President of Southern Illinois University be and is hereby authorized to take all action required in the execution of this resolution in accordance with established policies and procedures.
REORGANIZATION OF EAST ST. LOUIS CENTER FROM OFFICE OF THE PROVOST AND VICE CHANCELLOR FOR ACADEMIC AFFAIRS TO OFFICE OF THE VICE CHANCELLOR FOR ADMINISTRATION, SIUE

Summary

In accordance with Statutes of the SIU Board of Trustees, Article II, Section 1, item 9, this matter requests approval to move the grant-funded programs at the East St. Louis Center from the Office of the Provost and Vice Chancellor for Academic Affairs to the Office of the Vice Chancellor for Administration.

Rationale for Adoption

The East St. Louis Center (ESLC) has for many years provided educational and community service programs for children, youth and adults. An internal review of the Center has determined that the grant-funded programs should be shifted to the Office of the Vice Chancellor for Administration so that the Vice Chancellor for Administration can be more directly engaged in the financial oversight of the center. The unit will continue to report to the Director of the East St. Louis Center. The Charter School would not be included in this reorganization and would remain the responsibility of the Dean of the School of Education.

The proposal is in the best interests of SIU as ESLC’s fiscal, administrative, and strategic planning challenges can be addressed in the most effective manner. Implementing this move will tie the responsibility and accountability more closely to the Vice Chancellor for Administration. The effective date for the proposed move of the ESLC function would be August 1, 2014.

The Chancellor, the Provost and Vice Chancellor for Academic Affairs, and the Vice Chancellor for Administration, SIUE, have recommended this matter to the President.

Considerations Against Adoption

University officials are aware of none.

Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That:
(1) Effective August 1, 2014, the grant-funded programs at the East St. Louis Center are hereby transferred to the Office of the Vice Chancellor for Administration.

(2) The President of Southern Illinois University be and is hereby authorized to take all action required in the execution of this resolution in accordance with established policies and procedures.

AWARD OF CONTRACTS: HIGH SERVICE WATER PUMPING STATION, SIUE

Summary

This matter approves award of construction contracts in the amount of $478,011 to upgrade the Edwardsville Water Pumping Station.

Rationale for Adoption

On February 13, 2014, the SIU Board of Trustees approved the project and budget for High Service Water Pumping Station, SIUE. The project will upgrade the electrical service, communications system, access to, and security of the primary potable water pumping station serving the Edwardsville campus.

The approved budget for the project is $800,000 and will be funded from University Plant funds.

The bids received for the project are favorable and the award of contracts is now requested. A summary of bids received is attached for review. The Chancellor and the Vice Chancellor for Administration, SIUE, have recommended this matter to the President.

Considerations Against Adoption

University officials are aware of none.

Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That:
(1) The contracts to perform construction work required for the High Service Water Pumping Station, SIUE, be and are hereby awarded to the following:

a. **Electric Contractor**
   Guarantee Electrical Construction Co., Granite City, IL
   
   Base Bid $208,440
   Alternate #1 $37,070

b. **Asphalt Contractor**
   Keller Construction, Inc., Glen Carbon, IL
   
   Base Bid $232,501

(2) The President of Southern Illinois University be and is hereby authorized to take all action required in the execution of this resolution in accordance with established policies and procedures.

**AWARD OF CONTRACTS: INFORMATION TECHNOLOGY SERVICES COMPUTER ROOM RENOVATION, SIUE**

**Summary**

This matter approves award of construction contracts in the amount of $908,500 to renovate the Information Technology Services Computer Room in the Basement of Dunham Hall on the Edwardsville campus.

**Rationale for Adoption**

On December 12, 2013, the SIU Board of Trustees approved the project and budget for Information Technology Services Computer Room Renovation, SIUE. The project will modify mechanical and electrical systems by replacing the heat exchangers, reconfiguring or replacing server racks, and replacing the electrical distribution and uninterruptible power supply (UPS) in the room.

The approved budget for the project is $1,600,000 and will be funded from University Plant funds and Information Technology Services fees.

The bids received for the project are favorable and the award of contracts is now requested. A summary of bids received is attached for review. The Chancellor, the Provost and Vice Chancellor for Academic Affairs, and the Vice Chancellor for Administration, SIUE, have recommended this matter to the President.
Considerations Against Adoption

University officials are aware of none.

Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That:

(1) The contracts to perform construction work required for the Information Technology Services Computer Room Renovation, SIUE, be and are hereby awarded to the following:

a. Electric Contractor
   Wissehr Electric, Inc., Belleville, IL
   Base Bid $611,100
   Alternate #1 $128,400

b. Heating Contractor
   Amsco Mechanical, Inc., Granite City, IL
   Base Bid $155,000
   Alternate #1 $14,000

(2) The President of Southern Illinois University be and is hereby authorized to take all action required in the execution of this resolution in accordance with established policies and procedures.

RESOLUTION FOR A COLLABORATIVE CREATION OF A PLAN FOR CONSIDERATION OF A GRANT FROM THE CLEAN COAL REVIEW BOARD

WHEREAS, the coal industry has been a critical component of the Illinois economy since the state’s earliest days with historians tracing the origins of the state’s commercial mining operations to Jackson County in the early 1800s; and

WHEREAS, for more than 30 years SIU Carbondale’s Coal Research Center has advanced the coal industry through meaningful programs on coal research, education, and service that fosters efforts to improve the efficiency, safety and environmental impact of coal mining and coal use; and
WHEREAS, the Clean Coal Review Board was established to oversee the development and implementation of clean coal programs and projects funded by a $25 million grant to the University from Commonwealth Edison; and

WHEREAS, the Clean Coal Review Board has expressed an interest in exploring the potential to make a significant investment of its remaining grant funds to support a University-led initiative that will make a substantial impact on coal and energy education and research; and

WHEREAS, the University embraces the Clean Coal Review Board's interest in supporting and expanding our institution's work on coal and energy research through working with key stakeholders—faculty, researchers, administrators, students and industry and community partners—to develop and finalize a plan for submission to the Clean Coal Review Board for consideration of funding;

NOW, THEREFORE, BE IT RESOLVED, By the Board of Trustees in regular meeting assembled, That the development of such a plan resulting in a formal request of funding from the Clean Coal Review Board is hereby supported; and

BE IT FURTHER RESOLVED, That the President of Southern Illinois University be and is hereby authorized to take whatever action may be required in the execution of this resolution in accordance with established policies and procedures.

Vice Chair Manering moved the approval of the receipt of Reports of Purchase Orders and Contracts, April and May 2014, SIUC and SIUE, and Information Report: Approval of New Programs, Reasonable and Moderate Extensions, Approval of Off-Campus Program Locations, and Academic Program Eliminations and Suspensions, July 1, 2013, through June 30, 2014; the ratification of Changes in Faculty-Administrative Payroll for SIUC and SIUE; Proposed Replacement of the Board of Trustees 5 Policies J Electronic Information Systems Privacy Issues and Statement of Ethics and K Information Technology: Operations Policy at Southern Illinois University [Replacement of 5 Policies of the Board J and K]; Proposed Revisions to 5 Policies of the Board G (Travel Regulations); Approval of Purchase: Investment Management Services, Southern Illinois University; Reorganization of Office of Institutional Diversity
and Inclusion From Office of Provost and Vice Chancellor for Academic Affairs to Office of the Chancellor, SIUE; Reorganization of East St. Louis Center From Office of the Provost and Vice Chancellor for Academic Affairs to Office of the Vice Chancellor for Administration, SIUE; Award of Contracts: High Service Water Pumping Station, SIUE; Award of Contracts: Information Technology Services Computer Room Renovation, SIUE; and Resolution for a Collaborative Creation of a Plan for Consideration of a Grant From the Clean Coal Review Board. The motion was duly seconded by Trustee Sambursky. The motion carried by the following recorded vote: aye, Dr. Roger Herrin, Hon. Don Lowery, Dr. Donna Manering, Mr. Joel Sambursky, Maj. Gen. Randal Thomas, Ms. Marquita Wiley; nay, none.

The following item was presented:

**APPOINTMENT OF INTERIM CHANCELLOR, SOUTHERN ILLINOIS UNIVERSITY CARBONDALE**

**Summary**

The matter presents for approval the appointment of an Interim Chancellor for Southern Illinois University Carbondale.

**Rationale for Adoption**

This request follows the appointment of Dr. Paul D. Sarvela as Acting Chancellor of Southern Illinois University Carbondale during a July 8, 2014, special meeting of the SIU Board of Trustees. President Randy J. Dunn recommends Dr. Sarvela to replace Rita Cheng, who is leaving for Northern Arizona University. This position provides the necessary leadership for Southern Illinois University Carbondale until the Board completes a search for a permanent Chancellor.

**Considerations Against Adoption**

None are known to exist.
Constituency Involvement

Appropriate University and System administrators were consulted in this decision.

Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That Dr. Paul D. Sarvela is appointed to the position of Interim Chancellor of Southern Illinois University Carbondale with an annual salary of $267,000, effective July 25, 2014, to serve at the pleasure of the President and the Board.

Trustee Sambursky moved approval of the item. The motion was duly seconded by Trustee Wiley. The motion carried by the following recorded vote: aye, Dr. Roger Herrin, Hon. Don Lowery, Dr. Donna Manering, Mr. Joel Sambursky, Maj. Gen. Randal Thomas, Ms. Marquita Wiley; nay, none.

Chair Thomas announced that the next regularly scheduled meeting of the Board would be held September 11, 2014, at SIU Edwardsville. He explained that there would be a news conference held at the Board table immediately following the meeting of the Members of the Corporation of University Park Board.

Trustee Herrin made a motion to adjourn the meeting. Trustee Wiley seconded the motion. The motion passed by voice vote, and the meeting adjourned at 10:44 a.m.

Presentation by Executive Director of the Illinois Board of Higher Education
James Applegate ......................................................................................................... 55
Pursuant to notice, a special meeting of the Board of Trustees of Southern Illinois University convened at 12:01 p.m., Tuesday, August 12, 2014, at the Southern Illinois University Carbondale Touch of Nature Environmental Center, Little Grassy Lodge, Friends Room, Makanda, Illinois. The meeting was called to order by Chair Randal Thomas. The following members of the Board were physically present:

MG (Ret) Randal E. Thomas, Chair
Dr. Donna Manering, Vice Chair
Hon Don Lowery, Secretary
Mr. Mitch Morecraft
Dr. Shirley Portwood
Mr. Joel Sambursky

The following member of the Board was absent:

Dr. Roger Herrin

Ms. Marquita Wiley joined the meeting at 1:35 p.m.

Also present for the duration of the meeting were Dr. Randy J. Dunn, President; Mr. Luke Crater, Interim General Counsel; and Ms. Misty Whittington, Executive Secretary of the Board.

The Executive Secretary reported and the Chair determined that a quorum was physically present.

The Chair stated that there would be a Public Questions and Comments portion available at the day’s meeting. The Executive Secretary informed the Board that one person had telephoned ahead to speak at the day’s meeting but he was not yet in
attendance. The Chair recommended that the Board continue with its retreat and allow the speaker to make his presentation upon his arrival.

A retreat was held for the Board members. President Dunn reviewed a White Paper: A Case for the SIU System. He discussed areas that could possibly operate more efficiently at the system level and reviewed some examples of other universities achieving such efficiencies across the country.

Mr. Carlton Smith, requesting to speak under the public comments portion of the meeting, made his presentation to the Board. He expressed concern regarding a meeting he attended with Illinois NAACP President George Mitchell and new University President Dunn regarding their opinion of various matters at the SIUC. Further, Mr. Smith expressed concern that Mr. Mitchell had not yet received information requested of President Dunn.

President Dunn noted that he had followed through with all items requested by Mr. Mitchell and Mr. Smith during their meeting, and his office had mailed the requested information to Mr. Mitchell the prior week.

President Dunn reviewed the University’s mission statement. He reviewed different approaches to goal setting and plans the University had followed in the past. The Board asked him to bring back to the Board his recommendations for a new mission statement and strategic themes for the September Board meeting.

President Dunn reviewed staffing needs of the President’s Office and potential opportunities that could be realized for regional outreach and government affairs at the federal level. The Board asked President Dunn to provide descriptions of staffing needs at its September Board meeting.
Trustees discussed various topics. A discussion followed regarding the possible options of capping fees and reducing the fee burden to undergraduate and graduate students. Discussion was held regarding opportunities to train and retrain the region’s workforce and the needs of nontraditional students.

The group discussed the information and data it receives with regard to the university’s workforce diversity and their desire to see additional detailed reporting.

At 5:35 p.m., Trustee Sambursky made a motion that the meeting adjourn to meet on August 13, 2014, at 8:00 a.m. in the same location. The motion was duly seconded by Trustee Portwood. The motion passed unanimously via voice vote.

On August 13, 2014, at 8:03 a.m., the Board resumed the retreat session.

The following members of the Board were physically present:

MG (Ret) Randal Thomas, Chair
Dr. Donna Manering, Vice Chair
Hon Don Lowery, Secretary
Mr. Mitch Morecraft
Dr. Shirley Portwood
Mr. Joel Sambursky
Ms. Marquita Wiley

The following member of the Board was absent:

Dr. Roger Herrin

Executive Director of the Illinois Board of Higher Education James Applegate made a presentation to the Board. He reviewed Illinois’ initiatives and goals to educate its citizens. He reported that universities are not graduating enough college-credentialed workers to keep up with state market demands. He discussed the need for universities to educate adult learners and that financial aid is geared more toward the
traditional student and should be reviewed to assist adult learners. Dr. Applegate reviewed data illustrating the connection between educational attainment and income.

Board members discussed ideas of recruiting students in the high schools. Other discussions were held regarding being able to admit students quickly if they met certain criteria.

At 11:12 a.m., Trustee Morecraft moved that the Board go into closed session for the purpose of considering pending, probable or imminent court proceedings against or on behalf of the Board; information regarding appointment, employment, compensation, discipline, performance or dismissal of specific employees of the public body; and collective bargaining. The relevant sections of the Open Meetings Act Statute that allow for the closed session are 5 ILCS 120/2(c) (1), (2), (11). The motion was duly seconded by Trustee Manering. The motion carried by the following recorded vote: aye, Hon. Don Lowery, Dr. Donna Manering, Dr. Shirley Portwood, Mr. Joel Sambursky, Maj. Gen. Randal Thomas, Ms. Marquita Wiley; nay, none.

Chair Thomas moved that the meeting be adjourned. The motion was duly seconded by Vice Chair Manering. The motion to adjourn passed unanimously by voice vote.

The meeting adjourned at 12:35 p.m.

Pursuant to notice, a special meeting was called by the Chair of the Board of Trustees of Southern Illinois University, and the meeting convened at 1:30 p.m., Tuesday, October 28, 2014, in the Special Events Room of Birger Hall, Southern Illinois University Edwardsville, Edwardsville, Illinois. The meeting was called to order by Chair Thomas. The following members of the Board were present:

MG (Ret) Randal Thomas, Chair  
Dr. Donna Manering, Vice Chair  
Hon. Don Lowery, Secretary  
Dr. Roger Herrin  
Mr. Adrian Miller  
Mr. Mitch Morecraft  
Dr. Shirley Portwood  
Mr. Joel Sambursky  
Ms. Marquita Wiley

The Executive Secretary reported and the Chair determined that a quorum was physically present.

Also present for the duration of the meeting were Dr. Randy J. Dunn, President; Mr. Lucas Crater, Interim General Counsel; and Ms. Misty Whittington, Executive Secretary of the Board. Dr. Julie Furst-Bowe, Chancellor, SIU Edwardsville; Dr. Paul Sarvela, Interim Chancellor, SIU Carbondale; and Dr. Duane Stucky, Senior Vice President of Financial and Administrative Affairs and Board Treasurer attended a portion of the meeting.

Chair Thomas explained the procedures for the public comment and question portion of the Board's agenda.
Executive Secretary Whittington notified the Board that no persons had registered to speak.

Chair Thomas reviewed the Ohio Valley Conference Certification document to be submitted annually on behalf of SIU Edwardsville.

SIUC Director of Public Safety Ben Newman and SIUE Director of Police Kevin Schmoll presented a report to the Board regarding crime statistics for the campus locations as defined by the Jeanne Clery Act. Further, Directors Newman and Schmoll discussed improvements the departments were implementing at the campuses to assist in crime prevention.

Chancellor Sarvela discussed new security initiatives on the Carbondale campus to include increased staffing, reconfiguration of the Saluki Patrol, infrastructure improvements such as increased lighting, student programming, strategic partnerships, and monitoring guests in campus housing.

Board Members inquired about staffing needs of the security departments to be most effective on the campuses. Director Newman indicated the desire for three additional officers to optimize the SIUC department, and Director Schmoll indicated the desire for five additional officers to optimize the SIUE department.

Chancellor Furst-Bowe noted that the Edwardsville campus had been ranked nationally in the top 50 safest colleges in recent years.

President Dunn reported that higher levels of reporting due to the new federal law would bring more focus on crime statistics and expected it would be the same for other universities across the country. He recognized that the Board’s desire
was to examine security staffing levels, and some tradeoffs would need to be made to fund additional staff positions as the next budgets are being prepared.

Vice President Duane Stucky provided to the Board a broad overview of the Fiscal Year 2015 University budget.

Chancellor Sarvela and Executive Director for Finance Judy Marshall discussed budget funding concerns for the Carbondale campus. It was noted that declining enrollment and tuition dollars and declining state funding continued to be concerns for the campus. Executive Director Marshall noted that the campus had a two percent budget reallocation in reserve for future salary commitments.

School of Medicine Dean Kevin Dorsey reviewed budget challenges for the Medical School. He reported tuition provides a small portion of its budget due to having a small number of students. He noted the school has 72 seats per class for 1,400 applicants. The School has more fixed costs with a higher full-time faculty-to-student ratio due to its training program needs. He reviewed other funding factors affecting the school to include receiving funding from clinical income and funding from two major hospitals and the limitations of being a healthcare provider. A discussion was held about whether increasing the number of students admitted would be possible, and the Dean reported that doing such would necessitate the need to secure more space and faculty but those actions may be cost neutral.

Chancellor Furst-Bowe and Budget Director Bill Winter reported that the Edwardsville campus shared many of the same funding issues as the Carbondale campus. The Chancellor added that the campus had received funding for some new buildings; however, it has not received money to heat, cool, or operate the buildings. In
addition, the University is not receiving reimbursement from the state for Illinois Veterans Grant waivers. She did report the campus was on track for turning its enrollment around for 2015. The Chancellor went on to explain the budget was balanced due to efforts made by the campus departments reallocating three percent of their budgets and no salary increases being provided.

A discussion was held by Board members regarding future plans of the pricing of tuition and the different funding needs of each campus.

Chancellor Furst-Bowe and Assistant Vice Chancellor for Enrollment Services Scott Belobrajdic reviewed enrollment activity and future enrollment goals for the Edwardsville campus. A discussion was held regarding marketing efforts made and success achieved in targeted out-of-state areas to recruit students. High enrollment of Hispanic, African-American and international students was reported.

Chancellor Sarvela and Provost Susan Ford presented enrollment numbers for activity for the Carbondale campus. The Chancellor reviewed recent enrollment achievements and noted student retention rates had increased in every category. Provost Ford reported a slight increase in transfer students, and international student enrollment is the highest it has been in 30 years. She discussed marketing efforts will be concentrating on border state students, in Chicago and in southern Illinois. The Provost also discussed cost savings for marketing materials gained by moving away from premium papers and mailing non-standard sizes. She also noted a reconfiguring of scholarship awards was being performed to make the most use of scholarship dollars.
President Dunn reviewed system planning and goals progress with the Board. He distributed an SIU System planning pyramid, a discussion draft of the strategic improvement plan for the SIU System, and review process document. He reviewed the approaches taken in former strategic plans by President Walker and Chancellor Wendler. The Chair recommended that Board members individually communicate with the President comments on the draft strategic plan and that the Board meet on the subject during its December 10 meeting.

Trustee Miller made a motion to recess the meeting and reconvene the meeting in the Board Room for the executive session meeting. The motion was duly seconded by Vice Chair Manering. The motion passed unanimously via voice vote.

At 4:50 p.m., Trustee Miller moved that the Board go into closed session to consider pending, probable or imminent court proceedings against or on behalf of the Board; information regarding appointment, employment, compensation, discipline, performance or dismissal of specific employees of the public body; the placement of individual students in special education programs and other matters relating to individual students; collective bargaining; and minutes of meetings lawfully closed under the Open Meetings Act. The relevant sections of the Open Meetings Act Statute that allow for the closed session are 5 ILCS 120/2(c) (1), (2), (10), (11), and (21). The motion was duly seconded by Secretary Lowery. The motion carried by the following recorded vote: aye, Dr. Roger Herrin; Hon. Don Lowery; Dr. Donna Manering; Dr. Shirley Portwood; Mr. Joel Sambursky; Maj. Gen. Randal Thomas; Ms. Marquita Wiley; nay, none.
At 6:05 p.m., a motion was made by Trustee Miller and seconded by Trustee Herrin to adjourn the meeting. The motion passed by a voice vote. No action was requested or taken during the closed session.

Don Lowery, Secretary
The regular meeting of the Board of Trustees of Southern Illinois University convened on Wednesday, October 29, 2014, at 10:45 a.m. in the Meridian Ballroom of the Morris University Center, Southern Illinois University Edwardsville, Edwardsville, Illinois. The meeting was called to order by Chair Thomas. The following members of the Board were present:

MG (Ret) Randal Thomas, Chair  
Dr. Donna Manering, Vice Chair  
Hon. Don Lowery, Secretary  
Dr. Roger Herrin  
Mr. Adrian Miller  
Mr. Mitch Morecraft  
Dr. Shirley Portwood  
Mr. Joel Sambursky  
Ms. Marquita Wiley

Executive Officers present were:

Dr. Randy J. Dunn, President, SIU  
Dr. Julie Furst-Bowe, Chancellor, SIU Edwardsville  
Dr. Paul Sarvela, Interim Chancellor, SIU Carbondale  
Mr. Lucas Crater, Interim General Counsel  
Dr. Duane Stucky, Senior Vice President for Financial and Administrative Affairs and Board Treasurer

Also present was Ms. Misty Whittington, Executive Secretary of the Board.

NOTE: Copies of all background documents furnished to the Board in connection with the following matters have been placed on file in the Office of the Board of Trustees.
Chair Thomas led the group in the Pledge of Allegiance.

The Executive Secretary reported and Chair Thomas determined that a quorum was physically present.

Chair Thomas welcomed new Student Trustee Adrian Miller to the Board table.

Trustee Miller moved that the Minutes of the Meetings held July 23 and 24, 2014, and August 12 and 13, 2014, be approved. Trustee Wiley seconded the motion, and the minutes were approved unanimously by voice vote.

Under Trustee Reports, Chair Thomas reported that the Trustees met for a retreat and work session at SIUC’s Touch of Nature Environmental Center on August 12 and 13. The Board received an overview presented by new Executive Director for the Illinois Board of Higher Education, Dr. James Applegate. In addition, the Board met with President Dunn to focus on System planning and goals and key operational issues and challenges the campuses and System will face in the years ahead. A Board-driven process was established for System planning, and the Board will be seeking campus constituency feedback on a number of issues to review the Board’s work.

Chair Thomas reported that consensus was reached among the Trustees on a number of items, along with President Dunn, concerning System operations. The Board directed the President to establish a physical office on the Edwardsville campus for the President and System representatives. Impact statements will be solicited from all internal and external interested parties and brought back to the Board concerning reporting lines at certain levels of the “First-Professional” schools. The Chair noted initial discussion at the retreat concerned the Dean of the School of Medicine and his
reporting line which the Board would like to see as a direct line to the System President. The Board would expand that to include the Dean of Medicine reporting to the President, and the Deans of Dental Medicine, Pharmacy, and Law reporting to their respective Chancellors. The change in reporting relationships would only be for the Schools’ chief officer; the First-Professional programs would remain as administrative units under the SIUC and SIUE campuses. The Board determined to move forward to establish and recommend for the President to hire a new vice president–level position for the System that would serve the President in three primary areas: identifying and expanding shared services and streamlining operations; increasing the System’s outreach, presence, and visibility at many levels; and supporting development and fundraising efforts for SIU as a whole. In addition, the Board agreed that the President should determine the optimal means to engage and advance the University’s identity and agenda at the federal as well as the state level, but be particularly more robust at the federal level with the Congress and federal organizations, agencies, and professional associations in Washington, D.C. Chair Thomas reviewed that the Board spent much time at the retreat discussing strategic plan draft statements, and the Board also worked on those during the prior day’s meeting. The Board plans to finalize those documents in December or soon thereafter.

Chair Thomas went on to report that the Board determined in the retreat’s open session to re-establish an Ad Hoc Committee for Legislative and Legal Affairs, and it will serve until the next appointment cycle.
Trustee Wiley made a motion to create the Ad Hoc Committee for Legislative and Legal Affairs. Trustee Miller seconded the motion. The motion passed unanimously via voice vote.

Chair Thomas appointed the following Board members to serve as members of the Ad Hoc Committee for Legislative and Legal Affairs: (1) Trustee Lowery, (2) Trustee Portwood, and (3) Trustee Sambursky. Chair Thomas appointed Trustee Lowery to serve as its Chair.

Chair Thomas appointed new Student Trustee Adrian Miller to serve as a member of the Academic Matters and Audit Committees.

Under Committee Reports, Chair Thomas reported that the Executive Committee had not met between Board meetings.

Under Executive Officer Reports, President Dunn reviewed that the Trustees were working on the strategic or improvement plan. He anticipated the plan would include a goal statement regarding partnerships. He reported of work underway for the System with the Association of Illinois Rural and Small Schools and noted an outcome of that partnership could increase the capacity of that organization to apply for rural education funds available at the Federal level and can be very beneficial for the schools served by that organization, and at the same time, could increase SIU’s presence in a number of smaller rural high schools for marketing and recruitment for both the Carbondale and Edwardsville campuses. The end result could be a partnership that could touch 150 school districts or about 190,000 students.

President Dunn noted that he, along with Dean Kevin Dorsey and a number of his staff, attended the Quincy Family Practice Center 35th anniversary
celebration on the prior weekend that the School of Medicine operates in Quincy, Illinois. He noted it was amazing to see the work of the students seeking clinical practice, the residency center that exists there, and the relationship with the local doctors and remarked on a number of places where SIU has a presence and makes a difference. The President remarked that the Quincy Family Practice Center is moving forward on an application to become a federally qualified health center that would expand the scope and support for what it is able to do.

The President reported that he recently attended a national meeting of system heads for University systems. He noted other systems are facing some of the same challenges as the SIU System in building operational efficiency and thinking through the role of the system to add value to campus and site operations.

President Dunn reviewed that his 100-Day Plan included a need to plan for media outreach. He noted Executive Director of Governmental and Public Affairs John Charles was tasked to revise the System website. Executive Director Charles displayed the new System homepage and discussed layout of the portals to be attached with plans to revise the Board and President’s Office unit pages. It is hoped the new website will be online by the end of the year. President Dunn thanked Executive Director Charles and the design team at SIU Edwardsville for their work on the new website.

The President reviewed that the extension of the state personal and corporate income tax sunsets on December 31. He went on to say that if the tax is not extended, the University will be working on getting through the rest of the fiscal year to maintain a sustained level of operations and will need to do some careful decision
making for the FY16 budget. The President noted at the federal level in addition to the
rating system that the Department of Education is considering and new campus
violence reporting, universities will receive a new set of regulations on teacher
preparation. Finally, President Dunn noted universities and colleges have guidance
available from the Centers for Disease Control and Prevention regarding Ebola
concerns. He noted SIUE does not have students traveling to or from West African
countries; however, the campus formed an emergency management group to respond
in the event of such an emergency. The President reported that SIUC has a number of
students from West African countries with a sizeable number of students from Nigeria.
Director of Student Health Services Dr. Ted Grace has worked with International
Programs to monitor the health of those students

President Dunn reported having attended the SIU Foundation Board
meeting at Carbondale and noted he would soon be attending the SIUE Foundation
Board meeting. He commended the fundraising efforts at the campuses and the
important work they are accomplishing for the University.

The President highlighted the fact that Dr. Pamela Gay from SIU
Edwardsville was shown as the expert on the BBC World program during the prior
evening providing comments about the rocket that exploded in Virginia.

Dr. Julie Furst-Bowe, Chancellor, SIU Edwardsville, provided highlights
from the following written report provided to the Board:
SIUE Fall 2014 Enrollment Management Update

SIUE enrolled a record number of 10,979 full-time undergraduate students for fall 2014. Total enrollment is 13,972 or 1% more than last fall. Other enrollment highlights include:

The largest ever freshman class of 2,126 students is 160 students larger than last year and has a record mean ACT score of 23.5.

The headcount for new transfer students is 1,316 which is up 64 students from last year and represents the second largest fall transfer class in the history of SIUE.

There has been an impressive 3.5% increase in the first to second year retention rate. 73.3% of the fall 2013 freshman class has returned to SIUE for their sophomore year.

Total international enrollment has grown 90 students over fall 2013, increasing total international enrollment to 420 students -- over the 400 threshold for the first time in ten years.

SIUE has record high enrollment for both African American students (1869) and Hispanic students (499).

University Award

SIUE received the 2014 Higher Education Excellence in Diversity (HEED) award from INSIGHT Into Diversity magazine. This national honor is an acknowledgement of the University’s commitment to diversity.

EDUCATE TO CAREER, Inc., has announced its 2015 ETC College Rankings Index in which SIUE is listed in the top one-third. This ranking is outcome-based, using empirical data, and calculates how well universities work on behalf of their students to improve both earnings and employability.

Academic Awards and Achievements

The IBHE has approved two new undergraduate degree programs for SIUE, a Bachelor of Science Degree in Nutrition and a Bachelor of Science Degree in Integrative Studies.

Dr. Keith Dickey, School of Dental Medicine, was awarded Fellowship in the International Pierre Fauchard Academy. The purpose of the Pierre Fauchard Academy is the elevation of dentistry to the highest degree of professionalism attainable through the practice of integrity and ethics.
Dr. Mark McKenney, assistant professor in the Department of Computer Science in the School of Engineering, was named the recipient of the National Science Foundation's 2014-2015 CyberGIS Fellow for his project CyberGIS Education Modules for Integration with Existing Undergraduate Curricula.

Dr. Jason Stacy, Associate Professor in Historical Studies, was elected President of the Illinois Council for the Social Studies.

Jean LaFollette has been awarded the 2014 SIUE Faculty Fellow of the Year Award. Ms. LaFollette is an instructor in Family Health/Community Health within the School of Nursing.

Chancellor Furst-Bowe spoke at the Sixth World Women University Presidents Forum, September 6-8, at Communication University of China, Beijing. The theme for the conference was Women, Education, Leadership and one of its goals was to further develop international exchanges.

Grants

The U.S. Department of Labor has selected SIUE and its community colleges partners to receive nearly $10 million in funding from its Trade Adjustment Assistance Community College and Career Training competitive grant program. The funds will allow SIUE to partner with area employers in establishing career pathways that prepare students for jobs in the fields of bioprocessing and water management. Students will receive specialized training at the NCERC at SIUE and at the Environmental Resources Training Center, with online learning tools, hands-on learning opportunities, and access to the Centers' research and industry expertise.

The East St. Louis Head Start and Early Head Start programs received two awards from the Department of Health & Human Services for a total of $8,634,027. These funds will provide for overall operation of programs, serving nearly 1500 children each year.

The School of Education, Health and Human Behavior received a National Science Foundation grant for $1,043,729. These funds will be used to prepare mathematics teachers for Southwestern Illinois.

The SIUE School of Nursing received an HRSA Nursing Workforce Diversity Grant of approximately $1,000,000. This grant will fund the Student Nurse Achievement Program which is designed to address the need to increase diversity in the nursing workforce through recruiting and retaining students from racially, ethnically, and culturally diverse backgrounds.
The College of Arts and Sciences received a grant from the National Science Foundation for $846,460 for the project “Digital East St. Louis: An Urban Place-Based Learning Model to Promote Information Technology and Computing Career Interests of Minority Youth.”

Student Activities

The Morris University Center and Dining Services have completed the renovation/expansion of the Union Station convenience store. This project doubled the square footage of the store.

Construction

Roof work is now complete on the Science East Building and the interior abatement work has begun. The Capital Development Board has now awarded a contract for renovation of the old Science Building and on-site work will begin in a few weeks.

We also completed extensive renovations of our Edwardsville campus roads and parking lots this summer. All summer projects were completed on time prior to students arriving for the fall semester.

Advancement / Foundation

Several High Impact Campaigns were initiated on July 1 with a goal to raise $3,750,000 million over the next year and a half. The School of Dental Medicine has already reached 98.5% of its goal.

The Alumni Hall of Fame dinner was held Friday, October 3, and awardees included: Congressman Bill Enyart (Arts & Sciences), John Oeltjen (Business), Dr. LuAnne McClean (Dental Medicine), Dr. Mary Kay Armour (Education), Vicki LaRose (Engineering), and Barbara Watkins Wagner (Nursing).

Athletics

SIUE’s Women’s Golf has been named one of the top 25 programs in the nation for collective grade point average. This ranking includes all NCAA schools and the team posted a collective GPA of 3.69 for the 2013-2014 academic year.

Dr. Paul Sarvela, Interim Chancellor, SIU Carbondale provided highlights from the following written report provided to the Board:
SOUTHERN ILLINOIS UNIVERSITY CARBONDALE
CHANCELLOR’S REPORT

Faculty and Student Accomplishments

Kanako Hayashi, assistant professor in the Department of Physiology in the School of Medicine, received the New Investigator Award from the Society for the Study of Reproduction, an international association of scientists and physicians. The award recognizes members for outstanding research completed and published within 12 years after receiving their Ph.D. or other equivalent professional degree.

Stella K. Kantartzi, associate professor in the Department of Plant, Soil, and Agricultural Systems, established a soybean improvement research program at Aristotle University of Thessaloniki in Greece. The program stems from a 2012 memorandum of understanding with that positions SIU Carbondale to attract promising international students and create new links with industry partners.

James Anderson, a doctoral student in agricultural sciences, has been named co-chair of the Next Generation Scientists for Biodiesel, an organization created by the National Biodiesel Board to educate young scientists and increase communication and collaboration between the biodiesel industry and colleges and universities involved in biodiesel research.

Shivani Malik has won the 2013 Richard and Donna Falvo Outstanding Dissertation Award recognizing research by SIU Carbondale doctoral students. Malik earned her doctorate in molecular biology, microbiology and biochemistry. Her dissertation is titled “Regulatory Mechanisms of Transcription and Associated DNA Repair.”

The Saluki softball program has been named an All-Academic Team by the National Fastpitch Coaches' Association, and 10 of SIU's 18 players earned All-America Scholar Athlete honors for having a GPA above 3.5. The team posted the 12th-best team GPA among all Division I softball programs in the 2013-14 academic year.

Recognition

SIU Carbondale was named among the top 50 most entrepreneurial research universities in the country by FORBES magazine. The rankings take into account the number of alumni and students who have identified themselves as founders and business owners on LinkedIn compared with the school’s total student body.

SIU Carbondale is the recipient of the Spring 2014 Governor's Award for Excellence in Veteran Education. The university was the first to earn the honor in 2010, and is the only institution to receive it twice.
National Jurist magazine recently ranked the SIU Carbondale law school 12th in the nation in improved employment rates of graduates with an 11.4 percent increase, from 71.3 percent to 82.7 percent, between 2011 and 2013. The school is among 20 in the nation to improve graduates’ employment rate by 10 percent or more over the last two years.

SIU Carbondale has earned its third consecutive Higher Education Excellence in Diversity Award from INSIGHT Into Diversity magazine. SIU was one of 83 colleges and universities recognized for initiatives relating to all aspects of diversity: gender, race, ethnicity, veterans, people with disabilities, and the LGBTQ community.

For the first time, SIU Carbondale received a five-star rating from Campus Pride, a leading LGBTQ campus rating and information index. The university is one of four in Illinois and 57 total from more than 400 participating institutions in the nation to earn the perfect overall score.

Grants and Gifts

A $50,000 grant from AT&T enabled 26 incoming freshmen to attend the intense two-week, on-campus Summer Bridge residential program in July and receive comprehensive academic support in science, technology, engineering and math (STEM).

Two bequests totaling more than $1 million will enhance student scholarship, teaching and research opportunities at Southern Illinois University Carbondale. Lowell and Janet Anderson, of Morristown, N.J., left $700,000 to the Department of Chemistry and Biochemistry. Lowell Anderson earned a bachelor’s degree in 1956. The couple died in 2012. Cornelia “Connie” Wilber, of Westfield, N.J., also passed away in 2012, leaving $366,300 to the Department of Educational Psychology and Special Education. She earned a doctorate with a major in education in 1977 from the university.

Guest Faculty

Janice Jacobs, a former U.S. Ambassador to Senegal and Guinea-Bissau with more than 35 years of service to the Department of State, is teaching two political sciences courses in international affairs and an Honors Program seminar on immigration this fall. She is an SIU Carbondale alumna and a southern Illinois native; her father was the first dean of international education at the university.

Campus Updates

SIU Carbondale hosted a replica of the Washington, D.C., Vietnam Veterans Memorial Sept. 11-14. Major General (ret.) Randal E. Thomas, chair of the SIU Board of Trustees, was the keynote speaker for the opening ceremony.
Julie A. Partridge, an associate professor and graduate coordinator in the Department of Kinesiology, has been appointed to be SIU Carbondale’s Faculty Athletics Representative following the retirement of Harold Bardo.

SIU Carbondale distributed $18.6 million in financial aid refunds to more than 6,000 students, providing a significant boost to the region’s economy. Federal financial aid includes grants, loans and scholarships. The university credits the money to the students’ accounts, first paying off charges such as tuition, fees and on-campus room and board. Students who have more financial aid than direct university charges receive a refund typically used for textbooks, off-campus rent and utilities and other education-related expenses.

Chair Thomas explained the procedures for the public comment and question portion of the Board’s agenda.

Mr. Carlton Smith noted he was speaking on behalf of the NAACP Illinois State Conference and made his presentation to the Board. He reviewed concerns he had raised with the Board at its August 12 retreat regarding a meeting he attended with Illinois NAACP President George Mitchell and President Dunn regarding their concerns of equal opportunity and diversity at the University. Further, Mr. Smith distributed a letter to the Board and spoke to the termination of a former SIU Carbondale employee.

Chair Thomas explained the procedure for the Board’s omnibus motion. The listing of items proposed for the omnibus motion were as follows:

**REPORTS OF PURCHASE ORDERS AND CONTRACTS, JUNE, JULY, AND AUGUST 2014, SIUC AND SIUE**

In accordance with 3 Bylaws 1 and 5 Policies of the Board C, summary reports of purchase orders and contracts awarded during the months of June, July, and August 2014 were mailed to the members of the Board in advance of this meeting, copies were placed on file in the Office of the Board of Trustees, and these reports are hereby submitted for information and entry upon the minutes of the Board with respect to the actions of the Executive Committee.
### CHANGES IN FACULTY-ADMINISTRATIVE PAYROLL – SIUC

The following changes in faculty-administrative payroll are submitted to the Board of Trustees for ratification in accordance with the Board Policy on Personnel Approval (2 Policies of the Board B). Additional detailed information is on file in the Office of the Chancellor. Where appropriate, salary is reported on a monthly basis and on either an academic year (AY) or fiscal year (FY) basis.

A. **Continuing Appointment** (If the person previously had a University appointment, it is so noted. Otherwise, the person is a new University employee.)

SCHEDULE OF MEETINGS OF THE BOARD OF TRUSTEES FOR 2015

As a traditional practice and for convenience in meeting certain provisions of the Open Meetings Act, Board meetings have been scheduled on an annual basis. Custom has called for scheduling alternate meetings on alternate campuses of the University. Approval is requested for the schedule listed below:

March 19  Southern Illinois University Carbondale
April 16  Southern Illinois University Edwardsville
May 14  Southern Illinois University Carbondale
July 16  Southern Illinois University Carbondale School of Medicine, Springfield
September 10  Southern Illinois University Edwardsville
December 10  Southern Illinois University Carbondale

The following schedule reflects deadlines and mailing dates for the 2015 Board of Trustees meetings:

SOUTHERN ILLINOIS UNIVERSITY SCHOOL OF MEDICINE
SALARY INCREASE PLAN FOR FISCAL YEAR 2015

Summary

This matter presents for Board approval a salary increase plan for the Southern Illinois University School of Medicine for Fiscal Year 2015. The plan sets forth general policies and parameters within which employee salary increases may be granted.

Rationale for Adoption

Board Policy requires the annual approval of a salary increase plan. This plan does not set forth specific salary recommendations for each employee, but rather establishes the general parameters for the distribution of salary increase funds. In addition, this plan does not address changes in salaries established through collective bargaining.

Adequate salaries for our faculty and staff continue to be a high priority for the University. Under this plan, an amount may be distributed to provide to eligible employees an average salary increase pool of up to 2 percent for Southern Illinois University School of Medicine for FY15 effective July 1, 2014. Administrative leadership at Southern Illinois University Carbondale and Southern Illinois University Edwardsville will monitor actual financial performance as the fiscal year unfolds and may consider proposing salary increase plans later in the year. All increases will be implemented under guidelines and eligibility requirements issued by the President.

Considerations Against Adoption

None are known to exist.

Constituency Involvement

The plan is consistent with the discussions the Chancellors have had with constituency leaders.
Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That the President is hereby authorized to grant an amount providing an average salary increase pool of up to 2 percent for Southern Illinois University School of Medicine faculty, administrative and professional staff, and civil service employees who are not represented by a recognized bargaining agent. Salary increases will be effective July 1, 2014.

BE IT FURTHER RESOLVED, That the President of Southern Illinois University be and is hereby authorized to issue guidelines and eligibility requirements for Fiscal Year 2015 salary increases for employees who are not represented by a recognized bargaining agent.

BE IT FURTHER RESOLVED, That the President of Southern Illinois University be and is hereby authorized to take whatever action may be required in the execution of this resolution in accordance with established policies and procedures.

APPROVAL OF FISCAL YEAR 2015 OPERATING AND CAPITAL BUDGETS

Summary

This matter submits for approval the annual operating and capital budgets and related plans for Southern Illinois University for Fiscal Year 2015. The budget document includes all operating funds, both appropriated and nonappropriated, and provides information on contingency plans and capital budget information.

The Fiscal Year 2015 operating budget totals approximately $896 million and the capital budget totals about $115 million. The budget reflects the final actions of the Governor and the Illinois General Assembly on the Fiscal Year 2015 State general funds budget.

Resources have been directed in support of the University’s highest priorities, maintaining ongoing operations, and ensuring the long-term adequacy and integrity of institutional assets.

Budget Tables provide totals for all current funds by line items and major fund groups (Table A). Supporting schedules provide detail budget revenues within each major fund group (Table B) and budget expenditures by major functional categories (Table C). Budget information is also presented separately for each major organizational decision center (Table D), as well as plans that have been made for fiscal contingencies (Table E).
Capital Tables. Table F provides summary information on regular capital projects and other capital expenditures planned for FY 2015. Also included is a long-term list of future capital projects. Table G provides capital projects for new building and additions accompanied by some artistic renderings. Table H shows campus investment into preserving existing facilities. The University had established a guideline requiring the investment of two percent of the replacement value of plant on facilities improvement annually. Table I provides information on capital reserves the University had established in compliance with Legislative Audit Commission Guidelines, which acknowledged the need for universities to have long-range planning for large and/or extraordinary capital expenditures. The maximum threshold allowed within each capital reserve is shown on the table.

Rationale for Adoption

The annual budget is a management tool for planning, funding priorities, communicating direction, and monitoring revenue and expenditures. In May 2014, this Board approved budget and planning guidelines recommended by the President for the University. The budget and related plans were developed in accordance with the guidelines.

Considerations Against Adoption

None are known to exist.

Constituency Involvement

Development and implementation of the budgeting procedures involved constituencies and many individuals at all levels within the University.

Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That the Southern Illinois University FY 2015 Operating and Capital Budgets as presented in the budget document are hereby approved.
OPERATING AND CAPITAL RAMP GUIDELINES

AND

EXECUTIVE SUMMARY: RESOURCE ALLOCATION AND MANAGEMENT PROGRAM (RAMP) PLANNING, OPERATIONS, AND CAPITAL BUDGET REQUEST, FISCAL YEAR 2016

In consultation with the Chancellors, the President recommends the following guidelines for use in the development of the Resource Allocation and Management Program (RAMP) for Fiscal Year 2016:

Operating RAMP Guidelines

1. The salary increase request is made in accordance with the IBHE's salary increase initiative. The request provides funds for an average inflationary salary increase for faculty and staff.

2. Inflation projections for general price increases will be made using Consumer Price Index (CPI) and Higher Education Price Index (HEPI).

3. University cost experience and written comments from suppliers and local utility companies will be used for cost projections on library materials and utilities.

4. New requests for operation and maintenance funds will be made to support new facilities on Southern Illinois University campuses including unfunded requests over the past two years.

5. The deferred maintenance request is based on one-third of SIU's unmet annual maintenance needs for state funded facilities.

6. Funding will be requested for the combination of new programs, program priorities, and support functions as New and Expanded Program Requests (NEPRs).

Capital RAMP Guidelines

Projects proposed for the campuses will be developed recognizing the need to upgrade existing buildings, replace obsolete structures, repair structural and utility support systems, and make campus site improvements consistent with each campus facility master plan.

In developing the campus requests into priority listings by categories, the following project priority considerations will be recognized:
A. Projects to prevent future potential disruption in routine operations.

B. Projects to make remodeling and infrastructure improvements that maintain and protect the State's investment in educational facilities.

C. Projects to provide equipment to complete state funded facilities.

D. Projects for which planning funds have previously been appropriated.

E. Projects providing for accessibility for the handicapped and for rehabilitation, remodeling, and reassignment of existing facilities, with special consideration given when preservation of the facility is a factor.

F. Projects to address new facility needs for instructional, public service, and research program activities that meet University priorities and state needs.

Based on these guidelines, the following request has been prepared:

Executive Summary: RAMP Planning, Operations, and Capital Budget Request, FY 2016

This request identifies the priorities, plans, and program and related resource needs, including operations and capital, of Southern Illinois University. The documents were prepared in accordance with University planning processes and with guidelines established by the Illinois Board of Higher Education (IBHE). The documents provide planning statements, including statements of mission, focus, and priorities; new program requests; and program priorities requests for SIUC, including the School of Medicine, SIUE, and the SIU Administration.

The request for operating funds is displayed in three categories: Planning RAMP; Inflationary Needs; and Increase in Operations and Maintenance (O&M) of Buildings (see Table 1).

Planning RAMP

Total resource requirements for FY 2016 Program requests amount to $20,771,862 or a 5.1 percent increase. This includes $17,486,762 for Carbondale (including the School of Medicine); $3,267,500 for Edwardsville; and $17,600 for the SIU Administration (see Table 2).
The FY 2016 Program Priority Requests for Southern Illinois University Carbondale include (1) Recruit, Retain, and Reward Critical Faculty and Staff; (2) University College; (3) Center for Teaching Excellence; (4) Distance Education and Off Campus Initiative; (5) Recruit and Retain Students of Color; and (6) Enhancement of Teaching and Learning in STEM and Recruitment and Retention of High-Quality Graduate Students.

The FY 2016 Program Priority Requests for Southern Illinois University School of Medicine include (1) Retaining Critical Faculty and Staff; (2) Simmons Cancer Institute at SIU; (3) Population Science and Community Health Initiative; (4) Recruit and Retain Students from Diverse Backgrounds; and (5) Physicians for Medically Underserved Rural Illinois.

The FY 2016 Program Priority Requests for Southern Illinois University Edwardsville include (1) Retaining Critical Faculty and Staff; (2) School of Pharmacy Operations; and (3) Enhancing Student Persistence and Completion.

The FY 2016 Program Priority Request for the SIU Administration includes Recruit, Retain, and Reward Critical Faculty and Staff.

The FY 2016 RAMP program funding requests are for initiatives that reflect the goals and aspirations of SIU and its respective constituency groups and are consistent with and reinforce the goals and objectives of The Illinois Public Agenda for College and Career Success. The above requests were submitted in RAMP 2015 but were not funded. Because they remain a high priority for the University, they are being resubmitted for RAMP 2016.

**Inflationary Adjustment**

The total request for various inflationary adjustments equals $11,994,500, representing a 2.9 percent increase in the operating budget.

**Increase in O&M of Buildings**

The increase requested in O&M of Buildings consists of two components:

O&M of Buildings gives the projected cost of operating and maintaining buildings that will be added by the end of FY 2015 and the costs of buildings added during the past for which operating funds were not received.

Deferred Maintenance gives the projected need for addressing deferred maintenance prescribed by IBHE guidelines.
Grand Total Increase

The total FY 2016 Operating budget request amounts to $449,364,500 or a 9.3 percent increase over FY 2015 appropriation and income fund budget. This includes $228,603,900 for Carbondale; $57,863,500 for the School of Medicine; $160,811,200 for Edwardsville; and $2,085,900 for the SIU Administration.

Capital RAMP

The total request for FY 2016 Capital budget request amounts to $191,249,300 and is summarized in attached Table 3.

The regular capital list has been prioritized into a University–wide list presented for the consideration and approval of the Board and for submission to the Illinois Board of Higher Education and totals $120.3 million.

Capital renewal projects requested for FY 2016 total $31,248,796 at SIUC and $39,652,143 at SIUE. Capital renewal projects are generally of lesser size and scope than regular capital projects. These projects involve minor remodeling of facilities to repair buildings; to upgrade electrical, mechanical, roofing, and plumbing systems; and to address deferred maintenance, safety, and accessibility code requirements.

Rationale for Adoption

The RAMP 2016 Planning, Operating, and Capital Budget Requests are required by the IBHE for communicating the University’s planning and budget decisions and resource requirements for Fiscal Year 2016. Acceptance by the IBHE requires approval by the SIU Board of Trustees.

Considerations Against Adoption

None are known to exist.

Constituency Involvement

The attached RAMP planning matters benefitted from constituency involvement at the time they were initially proposed over ten years ago. Since there has been no state funding subsequent to that involvement, and none is expected in the near future, the planning matters have simply been reprinted and reintroduced each year without further constituency participation.
Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That the Operating and Capital RAMP Guidelines for Fiscal Year 2016 as described herein are approved, and That, subject to the authority reserved to this Board to make such modifications, changes, or refinements herein as it deems appropriate in reviewing RAMP documents, the RAMP Planning, Operations, and Capital Documents for Fiscal Year 2016 for Southern Illinois University Carbondale (including the School of Medicine), Southern Illinois University Edwardsville, and Southern Illinois University Administration, be and are hereby approved as presented to the Board this date.

BE IT FURTHER RESOLVED, That the President shall take appropriate steps to accomplish filing of the materials approved therein with the Illinois Board of Higher Education in accordance with the policies of Southern Illinois University.

PROJECT AND BUDGET APPROVAL:
ELEVATOR REPLACEMENT AND RENOVATIONS, LIFE SCIENCES II,
CARBONDALE CAMPUS, SIUC

Summary

This matter seeks project and budget approval for the replacement of two elevators and the associated renovations at Life Sciences II. The total project budget is estimated at $600,000.

Rationale for Adoption

The passenger elevators in Life Sciences II are original to the structure and are in need of replacement. This project will include the replacement of the existing equipment in two elevators to meet the requirements of the Illinois Elevator Code. The existing hoist ways, machine room and the associated electrical and ventilation work will be renovated. Design will be completed during the fall 2014 with construction slated for the spring of 2015. Funding for this project will come from the Facilities Maintenance Fee.

This matter is recommended for adoption by the Chancellor and the Vice Chancellor for Administration and Finance, SIUC.

Considerations Against Adoption

University officials are aware of none.

Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That:

(1) Project and budget approval for the replacement of the existing equipment in two elevators and the associated renovations at Life Sciences II, Carbondale Campus, SIUC, at an estimated cost of $600,000, be and is hereby approved.

(2) The Board of Trustees hereby authorizes the purchase of goods and services associated with this award.

(3) Funding for this project will come from the Facilities Maintenance Fee.
(4) The President of Southern Illinois University be and is hereby authorized to take whatever action may be required in the execution of this resolution in accordance with established policies and procedures.

APPROVAL TO SELECT:
GENERAL SITE CONSTRUCTION SERVICES ASSOCIATED WITH REMODELING AND MAINTENANCE PROJECTS,
CARBONDALE CAMPUS, SIUC

Summary

This matter seeks approval to enter into a contract for general site construction services associated with remodeling and maintenance projects on the Carbondale campus. The contract for these services is based on the maximum value of $1,320,000 or the contract term ending September 30, 2017, whichever expires first.

Rationale for Adoption

The University wishes to establish a professional relationship with a general contractor to provide quality general site construction remodeling and maintenance services for the SIUC campus. This contractor will be used to support our construction and maintenance staff on projects when it is not feasible or timely to secure a contractor through the formal bid process. A three-year contract will provide the University with the opportunity to establish a consistent price for necessary services. Further Board action will be required for any projects that exceed the approval limits established by the SIU Board of Trustees Policies.

In accordance with the Illinois Procurement Code and the SIU Board of Trustees Policies, a Request for Quotation (RFQ) was issued for general site construction services associated with remodeling and maintenance projects. The award recommendation is based on the lowest bidder meeting specifications.

This matter seeks to award the contract to Samron Midwest Contracting, Inc. This contract is based on the maximum value of $1,320,000 or for the contract term ending September 30, 2017, whichever expires first. The total contract amount includes reimbursement for materials purchased, equipment rental and use of subcontractors. All reimbursements will require pre-authorization by Plant and Service Operations. The contract will be reviewed annually for continuing need, availability of funds and satisfactory performance. Funding for this contract will come from the Physical Plant Service Account. Recovery of the cost will be billed to the requesting University departments when services are required.

This matter is recommended for adoption by the Chancellor and the Vice Chancellor for Administration and Finance, SIUC.
Considerations Against Adoption

University officers are aware of none.

Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That:

(1) The contract for general site construction services associated with remodeling and maintenance projects is hereby awarded to Samron Midwest Contracting, Inc., Murphysboro, IL, in the amount of $1,320,000 or for the contract term ending September 30, 2017, whichever expires first.

(2) The Board of Trustees hereby authorizes the purchase of goods and services associated with this award.

(3) Funding for this contract will come from the Physical Plant Service Account. Recovery of the cost will be billed to the requesting University departments when services are required.

(4) The President of Southern Illinois University be and is hereby authorized to take whatever action may be required in the execution of this resolution in accordance with established policies and procedures.

AWARD OF CONTRACT: HEAD START BUS SERVICE, SIUE

Summary

This matter approves award of a contract for bus services for the St. Clair Head Start program. The contract will be funded through a federal grant from the Department of Health & Human Services.

Rationale for Adoption

This matter would provide a contract with Illinois Central School Bus, Channahon, IL, for bus services to the St. Clair Head Start program during the period November 1, 2014, through March 31, 2015, with the University reserving the right to extend for three consecutive school years of April 1, 2015, thru March 31, 2016; April 1, 2016, thru March 31, 2017; and April 1, 2017, thru March 31, 2018. The bus service will provide roundtrip transportation for children of low-income families to attend classes at
the various Head Start centers. The bus service will also be used to transport children and chaperones on field trips.

The cost of the contract is approximately $360,000 per year and will be funded through a federal grant from the Department of Health & Human Services, the Administration for Children & Families Division. The total value of the forty-one month contract is approximately $1,230,000. The bid from the sole bidder is attached. The Vice Chancellor for Administration and the Chancellor, SIUE, have recommended this matter to the President.

Considerations Against Adoption

University officials are aware of none.

Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That:

(1) The contract to provide bus services to the St. Clair Head Start program at SIUE is hereby awarded to Illinois Central School Bus, Inc. Channahon, IL, for the period 11/1/14 to 3/31/15 with three options to renew at a cost of approximately $360,000 per year.

(2) The contract will be funded from a federal grant from the Department of Health & Human Services.

(3) The President of Southern Illinois University be and is hereby authorized to take whatever action may be required in the execution of this resolution in accordance with established policies and procedures.

AUTHORIZATION TO PURCHASE ELECTRICITY, CARBONDALE AND EDWARDSVILLE CAMPUSSES, SIU

Summary

This matter seeks authorization for the SIU Carbondale Campus and the SIU Edwardsville Campus to enter into a four year agreement with MidAmerican Energy Company for the procurement of electricity. In addition to the four year agreement, SIU will have six (6) one (1) year renewal options with this supplier for the procurement of electricity at future negotiated rates. The estimated ten-year cost for this contract is $137,000,000 ($95,000,000 SIUC and $42,000,000 SIUE) and will be based on actual electrical prices and usage.
Rationale for Adoption

The supply of electricity in Illinois was deregulated under the Illinois Electric Service Customer Choice and Rate Relief Law of 1997. The law allows consumers to purchase electricity from competing retail electric suppliers, for delivery through the systems of regulated utility companies. Most electricity purchased in Illinois by non-residential customers is now supplied by retail electric suppliers.

Under a contract approved by the Board in 2006, over the past eight years the two Universities have purchased electricity through a retail electric supplier as part of a consortium with the following State universities: Eastern Illinois University, Illinois State University, and Western Illinois University. The aggregated amount of electricity being purchased by the five Universities has successfully allowed all schools to obtain competitive, predictable prices for electricity.

The current contract is approaching the end of the ten year life in calendar year 2016. The University consortium begins monitoring the retail market for annual electricity prices up to four years in advance. In order to have the ability to contract for favorable prices which may develop for 2017, the University consortium prepared and solicited a new request for proposals (RFP) through Illinois State University for a contract to start January 1, 2015.

Seven proposals were reviewed by a team representing all five universities. MidAmerican Energy Company of Davenport, Iowa, has been selected based on the responsiveness, responsibility, and price criteria in the RFP. MidAmerican is the incumbent electric supplier under the current contract. Unit prices for the supply of electricity in 2017 will be established after contract award, and will be based on retail electric market conditions and prices at that time.

Considerations Against Adoption

Southern Illinois University and each of the campuses have several other options for purchasing electricity, and it is not possible to determine the cost of options not taken. Previous experience with using the consortium produced estimated savings of about 10 percent annually on the purchase of electricity.

Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That:

(1) The contract for the purchase of electricity from MidAmerican Energy Company, Davenport, Iowa, be and is hereby approved for the period January 1, 2015, to December 31, 2018, with six one-year renewal options at an estimated cost of $137,000,000 during the ten-year contract period.
(2) The President of Southern Illinois University be and is hereby authorized to take whatever action may be required in the execution of this resolution in accordance with established policies and procedures.

APPROVAL OF SALARY OF
INTERIM VICE CHANCELLOR FOR RESEARCH, SIUC

Summary

The matter presents for approval of a salary increase for the Interim Vice Chancellor for Research on the Carbondale campus.

Rationale for Adoption

Policies of the Board of Trustees require the approval of salary increases of Vice Chancellors at the campuses. This request is made in conjunction with assigning the Interim Vice Chancellor for Research the additional duties and responsibilities of the Graduate School Dean.

Considerations Against Adoption

None are known to exist.

Constituency Involvement

Due to the urgent nature of assigning the duties and responsibilities of the Graduate School Dean to a senior administrator, and in consideration that such responsibilities were formerly a part of the Office of the Vice Chancellor for Research, this model was believed to be widely accepted by campus constituents.

Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That a salary increase of 10% to $203,508 is approved for Dr. James E. Garvey, to be made effective on August 4, 2014, the date on which he assumed the additional responsibilities.
APPROVAL OF SALARY AND APPOINTMENT OF
ACTING PROVOST AND VICE CHANCELLOR FOR ACADEMIC AFFAIRS, SIUC

Summary

The matter presents for approval the salary and appointment of the Acting Provost and Vice Chancellor for Academic Affairs for the Carbondale campus.

Rationale for Adoption

Policies of the Board of Trustees require the Finance Committee’s approval of the initial salary for all professional staff whose proposed annual salary is $150,000 or more. Additionally, the Policies of the Board of Trustees require the Board to ratify the initial appointment of all professional staff within two reporting lines of the Chancellor, which includes this position.

The Chancellor consulted with the appropriate constituency group leaders to ascertain the characteristics sought by faculty members as he considered naming an Acting Provost. This critical administrative position serves as the chief academic officer for campus. As such, it is responsible for leading and managing the development and continuity of high quality academic programs, the delivery of enriching educational experiences, and a wide array of student services and related administrative units vital to campus.

Considerations Against Adoption

None are known to exist.

Constituency Involvement

The appropriate campus constituency groups were consulted in the process of selecting a recommended candidate for this position.

Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That Dr. Susan M. Ford is appointed to the position of Acting Provost and Vice Chancellor for Academic Affairs with an annual salary of $206,782 effective November 1, 2014.
APPROVAL OF SALARY OF THE
DIRECTOR OF THE SCHOOL OF ACCOUNTANCY,
COLLEGE OF BUSINESS, SIUC

Summary

The matter presents for approval the salary of the recommended candidate for the position of Director of the School of Accountancy, College of Business, at the Carbondale campus.

Rationale for Adoption

Policies of the Board of Trustees requires Finance Committee approval of the salary of professional staff who have a proposed salary of $150,000 or more. This request follows an internal search for the Director, conducted in accordance with University policies and the Operating Papers of the School of Accountancy and College of Business.

The recommended candidate, Dr. Royce Burnett, has taught at the undergraduate and graduate levels in the School of Accountancy since 2009, where he holds the rank of Associate Professor with tenure. His research interests focus on environmental cost management, corporate sustainability, public policy and education. Prior to earning his PhD from Oklahoma State University in 2003, Dr. Burnett worked more than seventeen years for some of the leading corporations in the United States, including Ernst and Young, PricewaterhouseCoopers, General Motors and BP/Amoco.

If approved, Dr. Burnett will be appointed to an 11-month term contract, which may be renewed at the discretion of campus administration. Dr. Burnett was the sole candidate for this position and met or exceeded the qualifications. There is a strong need to fill this important leadership post for the School, particularly now that the academic year has begun.

Considerations Against Adoption

Substantial expense would have been required to create a new tenured faculty line to fill the Director position with an external candidate. Therefore, the College chose to conduct an internal search.

Constituency Involvement

School of Accountancy faculty and its external Advisory Board members participated in the search committee and were provided an opportunity to interview Dr. Burnett. In making his recommendation for hire, the Interim Dean of the College considered the strong support for Dr. Burnett shown from the Advisory Board and feedback from the faculty.
The Chancellor and Provost, SIUC, have recommended this matter to the President.

Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That the annual salary of Dr. Royce Burnett as Director of the School of Accountancy, College of Business, SIUC, is $244,356, effective November 1, 2014.

APPROVAL OF SALARY AND APPOINTMENT OF EXECUTIVE DIRECTOR OF INFORMATION TECHNOLOGY, SPRINGFIELD MEDICAL CAMPUS, SIUC

Summary

The matter presents for approval the salary and appointment of the preferred candidate for the position of Executive Director of Information Technology at Springfield Medical Campus, SIUC.

Rationale for Adoption

Policies of the Board of Trustees require the approval of salary and appointment of professional staff who have a proposed salary of $150,000 or more. This request follows a national search in which two qualified candidates were interviewed by campus officials, faculty, and administrative staff. Reporting to the School of Medicine Executive Associate Dean/SIU HealthCare Chief Executive Officer, this critical leadership position serves as the senior administrator for the School of Medicine and SIU HealthCare information technology. The position provides leadership to develop unified systems in patient care, clinical business services, medical education, medical research and community health.

The Chancellor and the Dean and Provost of the School of Medicine have recommended this matter to the President.

Considerations Against Adoption

None are known to exist.

Constituency Involvement

University and campus officials, department chairs, hospital administrators, and campus administrators were afforded opportunities to participate in the interview process.
Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That Mr. Leslie A. Clemmer is appointed to the position of Executive Director of Information Technology at Springfield Medical Campus, SIUC with an annual salary of $197,500, effective November 3, 2014.

REORGANIZATION AND NAME CHANGE OF OFFICE OF INTERNATIONAL STUDENT & SCHOLAR SERVICES WITHIN THE OFFICE OF STUDENT AFFAIRS TO OFFICE OF INTERNATIONAL AFFAIRS IN THE OFFICE OF PROVOST AND VICE CHANCELLOR FOR ACADEMIC AFFAIRS, SIUE

Summary

This matter requests approval to move the Office of International Student & Scholar Services within the Office of the Vice Chancellor for Student Affairs to the Office of the Provost and Vice Chancellor for Academic Affairs and to rename it the Office of International Affairs.

Rationale for Adoption

Focusing on the central mission of global engagement and learning, the Office of International Affairs is established to work with the academic and non-academic units at SIUE in the University’s pursuit of internationalization of its campuses. Moving the Office to the Academic Affairs unit will allow for greater emphases on international recruitment, research and collaborations, work-abroad and study-abroad opportunities, and comprehensive planning for international education as part of curricular requirements. The Office will support functions in five primary academic units: International Enrollment Management; Study Abroad and Exchange Programs; International Services and Activities; International Research and Collaborative Programs; and International Education and Experience. The employee headcount will remain the same and no additional University resources are anticipated.

Considerations Against Adoption

University officials are aware of none.

Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That:
Effective November 1, 2014, the Office of International Student & Scholar Services is renamed the Office of International Affairs and is hereby transferred to the Office of the Provost and Vice Chancellor for Academic Affairs.

The President of Southern Illinois University be and is hereby authorized to take all action required in the execution of this resolution in accordance with established policies and procedures.

APPROVAL FOR MEMBERSHIP IN THE DIGITAL MANUFACTURING AND DESIGN INNOVATION INSTITUTE

Summary

The matter presents for approval Southern Illinois University membership in the U.S. Department of Defense Digital Manufacturing and Design Innovation Institute (DMDII).

Rationale for Adoption

President Barack Obama announced on February 25, 2014, that a multi-partner team led by UI LABS in Chicago had been selected to receive a $70 million award from the U.S. Department of Defense for the Digital Manufacturing and Design Innovation Institute.

The long-term goal of the DMDII is to make American manufacturing more competitive on the global stage by focusing research and commercialization of manufacturing technologies.

UI LABS secured an additional $250 million of support from industry, university, government, and community partners to form the $320 million DMDII that brings together 40 industry partners and more than 30 academia, government, and community partners, plus an additional 500 supporting companies and organizations. Leading industry participants include General Electric, Rolls-Royce, Procter & Gamble, Dow, Lockheed Martin and Siemens.

As a partner in the collaborative, both SIU campuses will share in the opportunities to conduct applied research in the areas of advanced materials, digital manufacturing and embedded systems. Specifically, SIU Carbondale’s Materials Technology Center and Center for Embedded Systems and SIU Edwardsville’s Industrial and Manufacturing Engineering program will play integral roles in the collaborative project.

SIU will join a list of other prestigious institutions in Illinois and eleven other states that committed to participate in the collaborative, including the University of
Illinois, Northwestern University, the Illinois Institute of Technology, the University of Chicago, and Northern Illinois University.

SIU’s partnership in the DMDII award will increase industry’s access to the capabilities of our faculty, students, and facilities to improve their competitiveness and spur economic growth in the region.

The University will have an opportunity to compete for specific research projects. DMDII has already released its second call for proposals. The funding opportunities, student training potential, and economic benefit to southern Illinois from these funded proposals will quickly pay back SIU’s initial investment in this partnership with substantive dividends.

On September 26, 2013, former SIU System President Glenn Poshard sent a letter of intent which committed the University to $1 million in cost-share dollars as a requirement for participation in the Institute. The amount will be paid in $200,000 installments over a five-year period.

Considerations Against Adoption

None are known to exist.

Constituency Involvement

Administrative and faculty research leaders on both campuses have played a significant role in preparing to compete for funding opportunities.

Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That the President of Southern Illinois University shall take the necessary steps to formally sign the Digital Manufacturing and Design Innovation Institute membership agreement.

Trustee Miller moved for approval of the receipt of Reports of Purchase Orders and Contracts, June, July and August 2014, SIUC and SIUE; the ratification of Changes in Faculty-Administrative Payroll for SIUC and SIUE; Schedule of Meetings of the Board of Trustees for 2015; Southern Illinois University School of Medicine Salary Increase Plan for Fiscal Year 2015; Approval of Fiscal Year 2015 Operating and Capital

Memorial Resolution
[Paul D. Sarvela] ........................................................................................................... 183
Pursuant to notice, a special meeting was called by the Chair of the Board of Trustees of Southern Illinois University, and the meeting convened at 10:06 a.m., Wednesday, December 10, 2014, in the Large Dining Room of the Stone Center, Southern Illinois University System Office, Carbondale, Illinois. The meeting was called to order by Chair Thomas. The following members of the Board were present:

MG (Ret) Randal Thomas, Chair
Dr. Donna Manering, Vice Chair
Hon. Don Lowery, Secretary
Mr. Mitch Morecraft
Dr. Shirley Portwood
Mr. Joel Sambursky

Mr. Adrian Miller attended a portion of the meeting.

The following members joined a portion of the meeting via teleconference:

Dr. Roger Herrin
Ms. Marquita Wiley

The Executive Secretary reported and the Chair determined that a quorum was physically present.

Also present for the duration of the meeting were Dr. Randy J. Dunn, President; Mr. Lucas Crater, Interim General Counsel; and Ms. Misty Whittington, Executive Secretary of the Board.

Chair Thomas made a motion that the Board depart for a tour of Greek Row buildings. Secretary Lowery seconded the motion. The motion passed via voice vote.
Members of the Board toured three buildings on Greek Row observing current conditions of the buildings for future renovations or demolition.

At 11:35 a.m., members of the Board returned to the Large Dining Room at the Stone Center to continue the meeting.

President Dunn reviewed the SIU System Planning Pyramid, the draft Strategic Improvement Plan, and review process documents with the Board. Board members discussed some recommended edits to the draft Strategic Improvement Plan.

Chair Thomas explained the procedures for the public comment and question portion of the Board’s agenda.

Ms. Elizabeth Moore made her presentation to the Board. She requested consideration of her appeal to be reinstated as a student at the SIU Edwardsville School of Dental Medicine.

President Dunn reviewed draft Policy and Procedures for the Selection of Chancellor and Timeline for SIUC Chancellor Search documents with the Board. A seven-month search timeline and Search Advisory Committee membership was discussed. The Board agreed to conduct the search utilizing internal employees rather than hire an outside search firm.

At 12:45 p.m., Trustee Miller made a motion to recess the meeting and reconvene the meeting in the Board Room, Room 203, for the executive session meeting. The motion was duly seconded by Trustee Sambursky. The motion passed unanimously via voice vote.
At 12:55 p.m., Trustee Sambursky moved that the Board go into closed session to consider pending, probable or imminent court proceedings against or on behalf of the Board; information regarding appointment, employment, compensation, discipline, performance or dismissal of specific employees of the public body; student disciplinary cases; the placement of individual students in special education programs and other matters relating to individual students; collective bargaining; and review of minutes of meetings lawfully closed under the Open Meetings Act. The relevant sections of the Open Meetings Act Statute that allow for the closed session are 5 ILCS 120/2(c) (1), (2), (9), (10), (11), and (21). The motion was duly seconded by Trustee Manering. The motion carried by the following recorded vote: aye, Hon. Don Lowery; Dr. Donna Manering; Dr. Shirley Portwood; Mr. Joel Sambursky; Maj. Gen. Randal Thomas; nay, none.

At 3:50 p.m., a motion was made by Trustee Miller and seconded by Trustee Portwood to adjourn the meeting. The motion passed by a voice vote. No action was requested or taken during the closed session.

Don Lowery, Secretary
The regular meeting of the Board of Trustees of Southern Illinois University convened on Thursday, December 11, 2014, at 10:11 a.m. in Ballroom B of the Student Center, Southern Illinois University Carbondale, Carbondale, Illinois. The meeting was called to order by Chair Thomas. The following members of the Board were present:

MG (Ret) Randal Thomas, Chair
Dr. Donna Manering, Vice Chair
Hon. Don Lowery, Secretary
Mr. Adrian Miller
Mr. Mitch Morecraft
Dr. Shirley Portwood
Mr. Joel Sambursky
Ms. Marquita Wiley

The following member of the Board was absent:

Dr. Roger Herrin

Executive Officers present were:

Dr. Randy J. Dunn, President, SIU
Dr. Julie Furst-Bowe, Chancellor, SIU Edwardsville
Mr. Lucas Crater, Interim General Counsel
Dr. John S. Haller, Jr., Special Assistant to the President
Dr. Duane Stucky, Senior Vice President for Financial and Administrative Affairs and Board Treasurer

Also present was Ms. Misty Whittington, Executive Secretary of the Board.

NOTE: Copies of all background documents furnished to the Board in connection with the following matters have been placed on file in the Office of the Board of Trustees.
Chair Thomas led the group in the Pledge of Allegiance.

The Executive Secretary reported and Chair Thomas determined that a quorum was physically present.

Vice Chair Manering moved that the Minutes of the Meetings held October 28 and 29, 2014, be approved. Trustee Portwood seconded the motion, and the minutes were approved unanimously by voice vote.

The Chair announced that at the prior day’s executive session meeting, the Board reviewed executive session meeting minutes excerpts for a period through October 2014 and determined certain portions no longer required confidential treatment, and those releases would be made available for public inspection on the Board of Trustees website.

Under Trustee Reports, Chair Thomas recounted the unexpected passing of Chancellor Paul Sarvela. He reported that President Dunn would assume the SIUC Chancellor responsibilities in the short term to help SIU Carbondale maintain the momentum initiated by Chancellor Sarvela. Trustee Miller made a motion to affirm that President Dunn would fulfill the SIUC Chancellor duties. The motion was duly seconded by Trustee Wiley. The motion passed unanimously via voice vote.

Under Committee Reports, Chair Thomas reported that the Executive Committee had not met between Board meetings.

Under Executive Officer Reports, President Dunn provided his report for the Southern Illinois University system. He reviewed the January 1 personal and corporate income tax temporary increase expiration would provide severe pressure on the budget going forward. In addition, the University was notified by Governor-Elect
Rauner’s finance and budget team of a possible budget rescission during the fiscal year. The President noted that he hoped the University could utilize pools of funds to get through the spring semester with minimum disruption to ongoing campus operations. Per Governor-Elect Rauner’s finance and budget team, FY16 budget modeling could mean up to a 20 percent reduction or approximately $40 million less than SIU’s FY15 budget. President Dunn further noted that it would be very difficult to implement a 20 percent reduction on an across-the-board basis, and he suggested that during the spring he start working with some broad-based groups with representation of the system’s constituencies to look at priorities and bring some recommendations back to the Board.

President Dunn notified the group that President Obama is moving forward on Executive Orders around immigration which may benefit colleges and universities to employ those such as scientists and scholars. It is proposed that more immigrants with “F” visas could stay in the U.S. to work in STEM fields, along with immigrants in expert fields holding H-1B visas.

The President reviewed discussion on a federal rule of gainful employment. The proposal would have federal regulation that looks at career programs students go through at colleges and universities and estimates career earnings. If the programs are not sufficient to support career earnings then the programs would be under review.

President Dunn noted that due to the 2014 election Senator Lamar Alexander became chair of the committee that oversees all of education including
higher education. He further noted that the Higher Education Act had been stalled for a long time; however, some movement may be seen with the change in leadership.

The President noted that Governor-elect Rauner had been quoted as supporting an increase in state funding for higher education and that he would work with universities to improve management and reduce administrative spending. President Dunn noted that it seems Governor-elect Rauner understands the innovative value of higher education and can see what it adds to growing the State’s economy and creating jobs. President Dunn did estimate that universities would receive cuts in funding, and those may be directed to administration.

President Dunn provided the Chancellor Report for SIU Carbondale. He reported that the Flying Salukis of Aviation/Flight Aviation Management won the National Intercollegiate Flying Association Region VIII title. He noted the need exists to build back the department’s plane stock, and funding options to do so were being reviewed. Mike Selck, a graduate assistant in the Debate Program was named Debate Coach of the Year by the Washburn Debating Union. Senior football players Corey Boemer and Tyler Williamson were named Capital One Academic All-Americans by the College Sports Information Directors of America. Marketing Professor Cheryl Burke Jarvis has been ranked fourth among U.S. scholars and seventh internationally for citations in consumer behavior research. Daotai Nie, professor of medical microbiology, has been awarded a grant from the U.S. Department of Defense to study chemotherapy-resistant lung tumors.

The President provided highlights of programs and operations of the campus. The redesigned Elementary Education Program earned approval from the
Illinois State Board of Education’s Illinois State Educator Preparation and Licensure Board. The campus was ranked 30th in the nation among “Best for Vets: Colleges 2015” by Military Times and ranked among top military-friendly institutions by Military Advanced Education. The Illinois Small Business Development Center marked 30 years of developing and expanding businesses throughout the region. The online MBA Program was ranked highly among programs nationwide by the Online MBA Report and by Top Online MBA Super Ranking. He added that the campus continues to move forward on campus safety initiatives.

The President spoke to the topic of retention in his report to the Board. Mathematics Department Chair Gregory Budzban was named one of 10 Outstanding First-Year Student Advocates in the country by the National Resource Center for The First-Year Experience and Students in Transition. Under his leadership and vision, student success rates in introductory mathematics have risen from 45 to 65 percent in the last three years. SIU Carbondale received the Student Success Collaborative Award from Education Advisory Board for sharing and using best practices in student retention.

President Dunn reported that commencement for the campus would occur on the upcoming Saturday for 1,606 graduates. He noted that former United Nations Ambassador Donald McHenry who holds a master’s degree from SIU would participate.

Dr. Julie Furst-Bowe, Chancellor, SIU Edwardsville, provided highlights from a written report provided to the Board. She provided an enrollment management update for the campus. Total spring registrations are up 4.9 percent or 446 students compared to same date last year. There are currently 11,159 students registered for the
spring term which would be the largest spring term class to date. She noted fall freshman retention was positive with 1,847 or 88.2 percent having registered for the spring term which is 2 percent ahead of last year. The Chancellor spoke to a new pilot program of winter term online courses with 672 students enrolled so far. Freshman applications for fall 2013 are running ahead of last year. Admitted freshmen are up about 116 students with the average ACT for all the admitted freshmen being approximately 23.8. Applications from Missouri are up 46 percent or 285 students over last year and applications from the other states covered under the campus’ new regional tuition strategy have tripled. The Chancellor noted a recent article in the October 2014 issue of *University Business* titled "Tuition Tug of War," which discussed SIUE’s new tuition strategy to attract Missouri students and highlighted its increased enrollment, increased ACT scores and increased retention and positioned Edwardsville with other nationally recognized institutions.

Chancellor Furst-Bowe provided highlights relative to diversity on the campus. The Social Mobility Index has listed SIUE among the top 539 schools in the United States for improving access to higher education and graduating students who are prepared to contribute to their communities. The SIUE community celebrated the opening of a new Multicultural Center in the Morris University Center with an event on November 20. It is the new home of a number of cultural organizations on campus, including the Hispanic Student Association, Black Girls Rock and a Safe Zone.

The Chancellor reported that earlier in the week SIUE received the President’s Community Service Honor Roll award. It is the fifth consecutive year the campus has received the recognition which is reserved for Higher Education institutions
whose community service activities significantly contribute to the wellbeing of their communities.

Chancellor Furst-Bowe reviewed some academic achievements for the campus. The School of Dental Medicine hosted more than 180 children during this year’s Give Kids A Smile Day. The full-day community service event was held on October 13, 2014, in Alton. Children between the ages of 3 and 13 received free dental care with total dental care provided being valued at about $75,000. She noted that one of the dental students, Alexandria Hawkins, was one of only four students nationally recognized at the Hinman Dental Society’s 20th Annual Student Research Symposium. The School of Pharmacy’s Student Society of Health-Systems Pharmacy (SSHP) chapter received the first Outstanding Professional Development Project Award from the American Society of Health-System Pharmacists. Corey Huber, a double major in Philosophy and Applied Communication Studies, was inducted as a student laureate of the Lincoln Academy. The award honors excellence in curricular and co-curricular activities and is given to one outstanding senior from each of the state’s four-year, degree-granting universities. In addition, Dr. T. R. Carr, professor and former chair of the Public Administration and Policy Analysis Program and former mayor of Hazelwood, Missouri, was named to the Ferguson Commission by Missouri Governor Jay Nixon.

The Chancellor concluded her remarks with some student and campus life activities. The *Alestle* student newspaper won a national award during the 93rd annual Associated Collegiate Press/College Media Advisers National College Media Convention in Philadelphia, Pennsylvania. The *Alestle* was in the Top Ten for overall excellence in the “Best of Show — Four-Year Weekly Tabloid” category. She spoke of
the launch of a new initiative on campus. A grant was received for the Campus Kitchen Project whereby volunteers serve meals weekly to 40 children at the Sunshine Cultural Arts Center in East St. Louis. For an athletic highlight, both the men’s and women’s soccer teams won their conference titles, conference tournaments and went on to compete in the NCAA tournaments for their respective conferences this fall.

President Dunn introduced Dr. Harold Bardo to serve as Interim Athletic Director at SIUC during which time a search will be performed to name a permanent Athletic Director. He noted that Mr. Doug Woolard would work with Dr. Bardo as an advisor during the period to review processes, budgets, and related issues within Saluki Athletics.

Dr. Bardo thanked the Board for the opportunity to work with the student athletes again.

President Dunn noted that Dr. Bardo’s appointment did not require Board ratification given the nature of the appointment; however he wanted to introduce him to Board members.

Chair Thomas recognized the contributions of the constituency representatives and thanked them for their efforts. He introduced those representatives who were in attendance.

Under the Application for Appeal item on the agenda, the Chair reported that the Board of Trustees held discussion related to a student appeal of Miss Elizabeth Moore. He continued that this was the first meeting whereby the appeal could be considered. According to Article 6, Section 2 of the Bylaws of the Board of Trustees, if no motion to grant the Application for Appeal is approved, the Board of Trustees Bylaws
provide that the Application for Appeal would be deemed to be denied and the action which was the subject of the grievance would stand.

Secretary Lowery made a motion to grant the appeal. The motion was duly seconded by Chair Thomas. The motion carried by the following recorded vote: aye, Hon. Don Lowery, Dr. Donna Manering, Dr. Shirley Portwood, Mr. Joel Sambursky, Maj. Gen. Randal Thomas, Ms. Marquita Wiley; nay, none.

Secretary Lowery made a motion for Ms. Elizabeth Moore to be reinstated as a student at the School of Dental Medicine. The motion was duly seconded by Trustee Portwood. The motion carried by the following recorded vote: aye, Hon. Don Lowery, Dr. Donna Manering, Dr. Shirley Portwood, Mr. Joel Sambursky, Maj. Gen. Randal Thomas, Ms. Marquita Wiley; nay, none.

Chair Thomas explained the procedures for the public comment and question portion of the Board’s agenda.

Executive Secretary Whittington announced that no persons had registered to speak to the Board.

Chair Thomas explained the procedure for the Board’s omnibus motion. The listing of items proposed for the omnibus motion were as follows:

**REPORTS OF PURCHASE ORDERS AND CONTRACTS, SEPTEMBER AND OCTOBER 2014, SIUC AND SIUE**

In accordance with 3 Bylaws 1 and 5 Policies of the Board C, summary reports of purchase orders and contracts awarded during the months of September and October 2014 were mailed to the members of the Board in advance of this meeting, copies were placed on file in the Office of the Board of Trustees, and these reports are hereby submitted for information and entry upon the minutes of the Board with respect to the actions of the Executive Committee.
CHANGES IN FACULTY-ADMINISTRATIVE PAYROLL – SIUC

The following changes in faculty-administrative payroll are submitted to the Board of Trustees for ratification in accordance with the Board Policy on Personnel Approval (2 Policies of the Board B). Summary

This matter seeks approval of the “Open Access Policy for Faculty Scholarship: Research Articles” which was prepared in compliance with Public Act 098-0295, otherwise known as the Open Access to Research Articles Act by which the Illinois General Assembly intends that “to maximize the social and economic benefits of research to the public, the published research articles produced by faculty at public universities should be made as widely available as possible. . . .” Upon approval the Act requires the policy of each of the state’s public universities to be submitted to the Illinois General Assembly by January 1, 2015.

Rationale for Adoption

In compliance with the aforementioned Act, an SIU Task Force on Open Access to Research Articles was established to prepare an “Open Access Policy for Faculty Scholarship.” The Task Force approached its charge by seeking to blend: (1) the overarching public good of free access to research articles generated by faculty at state universities; (2) with the academic freedom of faculty authors and their rights to publish where they wish; (3) and the rights of publishers of scholarly journals to receive fair remuneration for their enhancements to and publication and distribution research articles.

The SIU Task Force members agree to support the concept of open access to research articles produced by faculty members while employed by SIU, whenever possible. Task Force members encourage faculty to seek favorable licensing terms from their publisher and assert their right to place their research articles in the appropriate SIU institutional repository.
Considerations Against Adoption

Comments to the policy were made by representatives of the Association of American Publishers and Elsevier who participated in several of the Task Force meetings by phone and who offered suggested revisions to some sections. The Task Force gave consideration to those recommendations and acted on several. The policy was subsequently presented and explained to the Faculty Senates of both SIUC (including SOM) and SIUE.

Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in a regular meeting assembled, That:

(1) The Open Access Policy for Faculty Scholarship: Research Articles as attached be and is hereby approved for transmittal by the President to the Illinois General Assembly as required by the Act.

(2) The President of Southern Illinois University be and is hereby authorized to take whatever action may be required in the execution of this resolution in accordance with established policies and procedures.
I. Policy

Southern Illinois University
Open Access Policy for Faculty Scholarship: Research Articles

The faculty\textsuperscript{1} of Southern Illinois University (SIU) is committed to sharing the intellectual benefits of its research and scholarship as widely as possible, while diminishing barriers to its access. As a public university, SIU is dedicated to serving the citizens of the state of Illinois and supporting the public good. In recognition of that commitment and responsibility, the faculty are expected to comply with the following:

- Prior to any contractual arrangement with a publisher, each faculty member grants permission to SIU to make accepted, peer-reviewed journal manuscripts, of which he or she is the author or co-author, publicly available in the appropriate SIU institutional repository. In legal terms, the permission granted by each faculty member is a nonexclusive, irrevocable, royalty-free, worldwide license to exercise any and all rights under copyright relating to each of his or her scholarly articles, in any medium, and to authorize others to do the same, provided that the articles are not sold for a profit. In granting such permission, the SIU faculty author remains the copyright owner.

- The policy applies to all scholarly peer-reviewed articles authored or co-authored while the person is a member of the faculty, except for articles published before the adoption of this policy and any articles for which the faculty member enters into an incompatible licensing or assignment agreement.

Upon submission of a designated form by the faculty member, SIU will waive the license for a particular article or delay access to the article for a specified period of time. It is the responsibility of faculty who have not claimed a waiver to provide an electronic version of the author’s post-peer-reviewed final article to the appropriate university institutional repository within 30 days of publication. The author is encouraged to provide a link to additional data and other materials related to the research but not included in the published article. SIU will not charge fees for depositing an article in the institutional repository.

II. Implementation plan

Distribution of Policy

The approved policy will be posted on each campus’ website. An announcement about the policy will be made and distributed by the provost on each campus. Open

\textsuperscript{1} Although Public Act 093-0295 identifies only faculty, all university staff and students are encouraged to contribute research articles to the institutional repository.
information sessions on the policy will be held at least annually to inform the faculty about the content, intent, and procedures of the policy.

Acceptance of the Policy

A faculty member complies with the terms of the policy in one of two ways: accepting the language below via a click-through agreement at the time of submission of an article into the institutional repository, or signing a one-time authorization form with the same language. The language will read:

_As a faculty member of SIU, this confirms my grant to SIU of a non-exclusive license with respect to my scholarly articles as set forth in the open access policy adopted by the University, found at [link]._

Note that the one-time authorization will not preclude a faculty member from claiming a waiver for any or all of his/her articles.

Waivers

An online form for waivers will be made available by each campus upon approval of the policy.

Infrastructure and Management

The institutional repositories of the campuses will store, preserve, and make available the articles covered by this policy. SIUC’s repository has been in operation since 2008 and is found at _http://opensiuc.lib.siu.edu/_; SIUE’s repository has been in operation since 2014 and is found at _http://spark.siue.edu_. Thus, the necessary technological infrastructure has already been established on the two campuses. The SIU School of Medicine will share the SIUC repository.

Upon approval of the policy, each campus will require a repository coordinator(s). The SIU School of Medicine will designate a repository liaison.

The repository coordinators will create the infrastructure necessary for inclusion of articles for each department, center, or other organizational unit. Coordinators oversee the operation of their repositories.

Submission of articles may be made by faculty authors or a department designate. The designate may be a faculty member, staff member, or student.
Training Sessions

Open training sessions will be offered for faculty and designates on the submission process, as early as possible after the effective date of the policy. Personal training sessions for designates or faculty will be available by appointment.

Other Guidance

Each campus will create a website with these elements:

- Full text of the policy
- Authorizing legislation
- FAQ
- Instructions on compliance
- Recommended author addendum form
- Written authorization form
- Waiver form
- Contact information

Publisher Notification

A letter describing the policy will be distributed to publishers with which the Libraries have a journal contract.

Implementation Oversight

Implementation and communication of this policy will be the responsibility of the provost in consultation with the library dean and repository coordinator.

The Office of the President will be responsible for interpreting the policy, resolving disputes concerning its interpretation and application, and incorporating into the policy any needed revisions. A system-wide committee/task force shall be convened as needed to review and recommend revisions to the policy.

III. Other Considerations

Costs

The Task Force investigated the cost of maintaining a repository. Options for commercial and locally operated open source products were analyzed. There is little difference between the total costs of these two options; commercial repository services carry a subscription fee, while open source products require more investment in personnel to support their operation. Due to staffing issues and the fact that both
cAMPUSES already have in place repositories via a commercial provider, the Task Force recommends maintaining the repositories via the commercial provider.

The costs for start-up and maintaining this service include the following:

Subscription: Approximately $30,000-$40,000 per year per campus, increasing at 5% per year
Staffing: One full-time coordinator at approximately $50,000 per campus
Preservation/Curation, Quality LOCKSS System: $4,000 start-up costs; will incur ongoing costs
Equipment: Will incur ongoing costs

Potential for Collaboration Among Illinois Public Universities

The Task Force investigated the potential for collaboration in the use and maintenance of repositories, determining that three possibilities exist: a single, shared repository; multiple repositories but with shared management and technical support; or multiple repositories with the content aggregated via a distinct interface.

A shared repository between multiple (or indeed all) Illinois higher education institutions faces the following issues: multiple platforms are in use for existing repositories; there is no existing infrastructure for such a service; it would require significant startup costs and time; there are variable levels of readiness among the institutions; institutions may be faced with potentially inferior service due to reduced control and responsiveness; and there would be less institutional branding. However, a shared repository offers these advantages: increased potential use of open source software; the elimination of duplicated technical support; and a single platform/interface for content across institutions.

A shared repository would require a platform change for SIUC and SIUE, because the current commercial provider does not support this type of multisite service. Such a change is undesirable because (1) permanence of location and document URLs have been an essential component of the repository and (2) the set-up of a shared repository would take time and require considerable effort to migrate existing content. Further, the cost and availability of local technical support required for an open source platform, which would be necessary for an SIU-wide (or statewide) repository, is problematic. In addition, a local repository maximizes essential traits for a successful service: responsiveness, branding, flexibility, and control of design and content. Therefore the Task Force does not recommend the pursuit of a shared repository, either at the state level or within the SIU system, at this time.

While we do not recommend a single statewide repository, at this time, we would be willing to consider the possibility of a statewide open access policy.
Fiscal Feasibility, Benefits, and Drawbacks to Researchers of Institutional Support for Gold Open Access Fees (Where Publication Fees are Covered by the Author)

Gold open access carries with it the cost associated with compensating publishers for providing peer review, editing, and manuscript preparation and sometimes hosting the content. Fees are charged for this service and are generally born by the institution, the granting agency sponsoring the research, and/or the author. It is generally not economically feasible for an institution to assume fiscal responsibility for all published research articles through Gold open access licensing. A variety of publishing and licensing conventions, such as those stated above and the use of Creative Commons, shareware, etc., are recommended to achieve the greatest good.

Benefits to researchers are numerous, where there is institutional support for Gold open access fees and publication fees are covered by the author. For example, research indicates that open access increases visibility, readership, citation, and impact of an author’s work. It creates new paths for discovery, nurtures interdisciplinary research, and accelerates the pace of research.

Differences Between and Among Disciplinary Fields

The Task Force recognizes that differences exist among disciplines such that faculty in some disciplines may publish less in scholarly journals and conference proceedings and more in other outlets such as books and monographs. Faculty who might publish less in scholarly journals and conference proceedings are encouraged to publish in outlets subject to open access policies as appropriate to the faculty member and the discipline.

Determination of Which Researchers and Research Should Be Covered by an Open Access Policy

Although the law currently applies to faculty scholarly journal articles, the Task Force recommends that this policy be expanded over time to include scholarly research and creative activity in all forms produced by university personnel and students.
APPROVAL OF PURCHASE:
ATHLETIC CHARTER BUS TRANSPORTATION,
CARBONDALE CAMPUS, SIUC

Summary

This matter seeks approval to provide charter bus transportation for Intercollegiate athletic competitions away from the Southern Illinois University Carbondale campus. The contract for service is based on the maximum value of $975,000 or the contract term ending June 30, 2017, whichever expires first.

Rationale for Adoption

Charter bus transportation is an economic and safe method to transport large athletic squads to most competitions.

In accordance with the Illinois Procurement Code and the Southern Illinois University Board of Trustees policies, a Request for Proposal (RFP) was issued. Seven invitations were issued, and one submission was received. A committee consisting of 6 individuals representing the University reviewed and scored the proposals. The award recommendation was made based on the review of the specific criteria included in the RFP.

This matter seeks to award the contract to Custom Tours & Travel, Incorporated, Herrin, Illinois. This contract is based on the maximum value of $975,000 or for the contract term ending June 30, 2017, whichever expires first.

This matter is recommended for adoption by the Chancellor, SIUC.

Considerations Against Adoption

University officials are aware of none.

Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That:

(1) The contract for athletic charter bus transportation is hereby awarded to Custom Tours & Travel, Incorporated, Herrin, Illinois, in the amount of $975,000 or for the contract term ending June 30, 2017, whichever expires first.
(2) Funding for this service will come from the Athletic Fund account, an unrestricted, non-appropriated current funds account within the regular Intercollegiate Athletics Budget.

(3) The President of Southern Illinois University be and is hereby authorized to take whatever action may be required in the execution of this resolution in accordance with established policies and procedures.

**APPROVAL OF PURCHASE:**

**ELECTRICAL SUPPLIES, CARBONDALE CAMPUS, SIUC**

**Summary**

This matter seeks approval for the purchase of electrical supplies. The purchase order for the electrical supplies is based on the maximum value of $8,000,000 or the contract term ending December 31, 2018, whichever expires first.

**Rationale for Adoption**

This purchase will provide a vendor for an inventory of electrical supplies to be used for the infrastructure improvements scheduled over the next three years. To complete these projects, a responsive, quality supplier will be required. This inventory will be consumed by in-house construction, maintenance, and repairs of electrical systems on the Carbondale Campus. The purchase will provide savings to the University due to a volume discount. The vendor selection was based on pricing submitted for a generic core list of electrical supplies used for typical campus projects. The contract amount of $8,000,000 is requested to permit the University to procure the equipment and supplies necessary to complete the $30,000,000 of infrastructure improvements approved by the Board and funded through the proceeds of the Certificates of Participation.

In accordance with the Illinois Procurement Code and the SIU Board of Trustees Policies, a request for quotation (RFQ) was issued. The award recommendation is based on the lowest bidder meeting specifications.

The purchase will be funded by the Physical Plant Service Account. Recovery of the cost will be billed to the requesting University departments when the items are issued from inventory.

This matter is recommended for adoption by the Chancellor and the Vice Chancellor for Administration and Finance, SIUC.
Considerations Against Adoption

University officers are aware of none.

Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That:

(1) The purchase order for electrical supplies, Carbondale Campus, SIUC, be and is hereby awarded to the Springfield Electric Supply Company, Carbondale, IL, in the amount of $8,000,000 or the contract term ending December 31, 2018, whichever expires first.

(2) The Board of Trustees hereby authorizes the purchase of goods and services associated with this award.

(3) The purchase will be funded by the Physical Plant Service Account. Recovery of the cost will be billed to the requesting University departments when the items are issued from inventory.

(4) The President of Southern Illinois University be and is hereby authorized to take whatever action may be required in the execution of this resolution in accordance with established policies and procedures.

PROJECT AND BUDGET APPROVAL: SCHOOL OF DENTAL MEDICINE STUDENT LAB RENOVATION, SIUE

Summary

This matter seeks project and budget approval to remodel the Student Lab in the Dental Clinic Building on the Alton campus. The estimated cost of the project is $600,000 and will be funded from the Dental Clinic Operations Fund and the Dental Equipment Fee.

Rationale for Adoption

This project will renovate the existing student lab located in the main Dental Clinic. The renovation includes replacement of the existing dental casework including provisions for ADA compliance, replacement of the flooring, replacement of the ceiling pads, replacement of the general illumination lighting, and new electrical, natural gas and compressed air for each lab station. The estimated cost of the project is $600,000 and will be funded from the Dental Clinic Operations Fund and the Dental Equipment Fee.

A Qualifications Based Selection (QBS) process was used to select Bric Partnership, Belleville, Illinois, as the engineering consultant for the design of the project. The Chancellor, the Provost and Vice Chancellor for Academic Affairs, and the Vice Chancellor for Administration, SIUE, have recommended this matter to the President.

Considerations Against Adoption

The work included in this project will cause a temporary inconvenience to students working in the Summer 2015 term. Students will be re-directed to the lab in the new Multi-Disciplinary Lab.

Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That:

(1) The capital improvement project, School of Dental Medicine Student Lab Renovation, SIUE, be and is hereby approved at an estimated cost of $600,000.

(2) The project shall be funded from the Dental Clinic Operations Fund and the Dental Equipment Fee.
(3) The President of Southern Illinois University be and is hereby authorized to take all action required in the execution of this resolution in accordance with established policies and procedures.

PROJECT AND BUDGET APPROVAL:
BOOKSTORE RENOVATIONS, STUDENT CENTER,
CARBONDALE CAMPUS, SIUC

Summary

This matter seeks project and budget approval for the renovations of the University Bookstore at the Student Center. The total project budget is estimated at $675,000.

Rationale for Adoption

In January 2013, the University issued a Request for Proposal (RFP) from qualified vendors to operate its University Bookstore located in the Student Center under a concession fee contractual agreement. This contract was awarded to Follett Higher Education Group, Inc. As part of this agreement, Follett has requested authorization to renovate the Bookstore area and shall bear the expense for such renovations minus the University’s portion. This project is estimated to be $675,000 with Follett’s portion projected to be $575,000 and the University’s portion at $100,000. The renovations address finish upgrades, ceiling replacement, lighting and display fixtures and egress issues. The University Administration shall approve the plans and specifications and provide project over-site during construction. In addition, the Administration shall approve any contract(s) issued by Follett that are necessary to accomplish the renovation.

Funding for the University’s portion of this project will come from the Student Center Repair and Replacement Reserve. This matter is recommended for adoption by the Chancellor and the Vice Chancellor for Administration and Finance, SIUC.

Considerations Against Adoption

The renovation work will temporarily close sections of the Bookstore which may pose an inconvenience to patrons of the Student Center.

Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That:
(1) Project and budget approval for the renovations of the University Bookstore at the Student Center, Carbondale Campus, SIUC, at an estimated cost of $675,000, be and is hereby approved.

(2) The Board of Trustees hereby authorizes the University's commitment up to $100,000 for the Bookstore renovation.

(3) The Board of Trustees hereby authorizes the purchase of goods and services associated with this award.

(4) Funding for this project will come from the Student Center Repair and Replacement Reserve.

(5) The President of Southern Illinois University be and is hereby authorized to take whatever action may be required in the execution of this resolution in accordance with established policies and procedures.

PROJECT AND BUDGET APPROVAL:
SERVING SQUARE IMPROVEMENTS, LENTZ HALL,
CARBONDALE CAMPUS, SIUC

Summary

This matter seeks project and budget approval for serving square improvements at Lentz Hall. Total project budget is estimated at $1,600,000.

Rationale for Adoption

The Lentz Hall Resident Dining Services operates as the primary food service for the 1,256 students at Thompson Point. This project will renovate the serving square area of Lentz Hall where approximately 2,600 meals are served daily. New equipment, finishes, and furniture, along with a new layout, will better serve Thompson Point residents. The last major renovation to this dining area was completed over 20 years ago.

Design will be completed with in-house resources in consultation with the Student Housing Advisory Board and University Housing Administration. Construction is slated for the summer of 2015. Funding for this project will come from the University Housing Repair and Replacement Reserve.

This matter is recommended for adoption by the Chancellor and the Vice Chancellor for Administration and Finance, SIUC.
Considerations Against Adoption

Physical renovations to the dining area will begin May 18, 2015, and must be completed by August 1, 2015. The short time allotted for this project may create challenges in completing the project before the services are required.

Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That:

(1) Project and budget approval for the serving square improvements, at an estimated cost of $1,600,000, for Lentz Hall, Carbondale Campus, SIUC, be and is hereby approved.

(2) The Board of Trustees hereby authorizes the purchase of goods and services associated with this award.

(3) Funding for this project will come from the University Housing Repair and Replacement Reserve.

(4) The President of Southern Illinois University be and is hereby authorized to take whatever action may be required in the execution of this resolution in accordance with established policies and procedures.

PROJECT AND BUDGET APPROVAL:
CAMPUS EXTERIOR LIGHTING AND INFRASTRUCTURE UPGRADES,
CARBONDALE CAMPUS, SIUC

Summary

This matter seeks project and budget approval for campus exterior lighting and infrastructure upgrades. The estimated cost for this project is $2,000,000.

Rationale for Adoption

This project will replace low efficiency high sodium lighting with approximately 400 new LED fixtures along the walkways across the central campus. The installation of LED lighting continues the University’s quest to be a leader in green environmental practices. Improving exterior lighting will help deter criminal activity and provide a safer campus.

The project would include the replacement of certain sections of the electrical infrastructure that supply electricity to the new fixtures. In some of these
sections, the wiring is in excess of 40 years old and experiencing ground failures resulting in the increased potential for electrical shock incidents. The design and the construction will be completed through in-house resources.

The estimated cost of this project is $2,000,000. The work will be funded by $1,500,000 in State appropriations and by $500,000 from the Facilities Maintenance Fee.

The Chancellor, SIUC, and the Vice Chancellor for Administration and Finance recommended this item to the President.

Considerations Against Adoption

This project will require phased work along the walkways across campus which may create a potential for pedestrian inconvenience.

Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That:

(1) Project and budget approval for campus exterior lighting and infrastructure upgrades, Carbondale Campus, SIUC, at an estimated cost of $2,000,000, be and is hereby approved.

(2) The Board of Trustees hereby authorizes the purchase of goods and services required to complete this project.

(3) Funding for this work will come from State appropriations and the Facilities Maintenance Fee.

(4) The President of Southern Illinois University be and is hereby authorized to take whatever action may be required in the execution of this resolution in accordance with established policies and procedures.
PROJECT AND BUDGET APPROVAL:
PARKING LOT RENOVATIONS,
CARBONDALE CAMPUS, SIUC

Summary

This matter seeks project and budget approval for renovations to parking Lot 11 and Lot 13 located east of the Student Center. The estimated cost for this project is $1,500,000.

Rationale for Adoption

With the completion of the Student Services Building, the demand for parking for students, faculty, staff and visitors in the central part of campus has been elevated. This project will enlarge Lot 11 and renovate Lot 13; both lots are located east of the Student Center. Lot 11 will increase capacity by an estimated 154 spaces and Lot 13 will be redesigned for safer pedestrian travel and traffic flow and resurfaced.

The project would also include the redesign of the walkways, replacement of light fixtures, installation of security cameras, and the creation of a green space along Lincoln Drive. The design will be completed through in-house resources and the construction will be bid in accordance with the Illinois Procurement Code and the SIU Board of Trustees Policies.

The estimated cost of this project is $1,500,000. The work will be funded by the Parking Division and Parking Facilities Replacement and Reserve Fund.

The Chancellor, SIUC, and the Vice Chancellor for Administration and Finance recommended this item to the President.

Constituency Involvement

SIUC Traffic and Parking Committee supports the proposed project. The committee, which has constituency representation, consists of members from the Administrative Professional Staff Council, Civil Service Employees Council, Faculty Senate, Graduate Council, Graduate/Professional Student Council, Undergraduate Student Government, Student Center Board, Provost and Vice Chancellor for Academic Affairs, Traffic and Parking Appeals Board and Department of Public Safety.

Considerations Against Adoption

This project will require phased work calling for temporary closures of the parking lots which may create a potential for inconvenience.
Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That:

(1) Project and budget approval for renovations to parking Lot 11 and parking Lot 13, Carbondale Campus, SIUC, at an estimated cost of $1,500,000, be and is hereby approved.

(2) The Board of Trustees hereby authorizes the purchase of goods and services required to complete this project.

(3) Funding for this work will come from the Parking Division and Parking Facilities Replacement and Reserve Fund.

(4) The President of Southern Illinois University be and is hereby authorized to take whatever action may be required in the execution of this resolution in accordance with established policies and procedures.

AWARD OF CONTRACT:
ELEVATOR REPLACEMENT AND RENOVATIONS, LIFE SCIENCES II,
CARBONDALE CAMPUS, SIUC

Summary

This matter seeks to award the contract for the elevator replacement and renovations at Life Sciences II on the Carbondale campus. Bids for construction were received and the award of the contract for a total of $546,548.00 is requested.

Rationale for Adoption

At the October 29, 2014, Board of Trustees meeting, project and budget approval was received for the replacement of the elevators and renovations at Life Sciences II at an estimated cost of $600,000. The passenger elevators in Life Sciences II are original to the structure. This project will include the replacement of the existing equipment in two elevators to meet the requirements of the Illinois Elevator Code. The existing hoist ways, machine room and the associated electrical and ventilation work will be renovated. Construction is slated for the spring of 2015. Funding for this project will come from the Facilities Maintenance Fee.

This matter is recommended for adoption by the Chancellor and the Vice Chancellor for Administration and Finance, SIUC.
Considerations Against Adoption

This project may cause a transitory disruption to the teaching and research being conducted at Life Sciences II.

Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That:

(1) The contract for the replacement of the existing equipment in two elevators and the associated renovations at Life Sciences II, Carbondale Campus, SIUC, be and is hereby awarded to J & L Robinson Development and Construction Company, Inc., Carbondale, IL, in the amount of $546,548.00.

(2) Funding for this project will come from the Facilities Maintenance Fee.

(3) The President of Southern Illinois University be and is hereby authorized to take whatever action may be required in the execution of this resolution in accordance with established policies and procedures.

PLANNING APPROVAL: FOUNDERS HALL AND ALUMNI HALL RENOVATION, SIUE

Summary

This matter seeks approval to develop plans and cost estimates to renovate Founders Hall and Alumni Hall as part of the 21st Century Buildings project. The cost of the work will be finalized once a comprehensive cost estimate is determined and will be funded from the Facilities Fee. Final project and budget approval and award of contracts will require further Board consideration.

Rationale for Adoption

The core campus buildings on the Edwardsville campus were constructed in the 1960s and 1970s. While the buildings have been adequately maintained, the primary electrical, plumbing, window, and mechanical systems are original and the buildings were not designed to current life safety, energy, and seismic codes. Plans will look at designs and costs for a major renovation of the buildings’ systems. The design and renovation will be funded from the Facilities Fee and is consistent with the Facilities Fee plan.

A Qualifications Based Selection (QBS) process will be conducted to select an architectural firm for this project. The architectural firm will help determine the extent of the work and the estimated cost of the work. Final project and budget approval and award of contracts will require further Board action. The Chancellor and the Vice Chancellor for Administration, SIUE, have recommended this matter to the President.

Considerations Against Adoption

Offices and classrooms will be temporarily located in other facilities on campus during the renovation work and will cause a short-term inconvenience to employees and students.

Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That:

(1) Development of plans and cost estimates for Founders Hall and Alumni Hall Renovation, SIUE, be and is hereby approved.

(2) The President of Southern Illinois University be and is hereby authorized to take all action required in the execution of this resolution in accordance with established policies and procedures.
PROJECT AND BUDGET APPROVAL: RESURFACE CIRCLE DRIVE, SIUE

Summary

This matter seeks project and budget approval to resurface Circle Drive on the Edwardsville campus. The estimated cost of the project is $1,200,000 and will be funded from the Facilities Fee.

Rationale for Adoption

This project will resurface Circle Drive, worn down by heavy construction traffic and daily commuter traffic. The work will include new pavement markings and replace accessible curb ramps. The estimated cost of the project is $1,200,000 and will be funded from the Facilities Fee.

A Qualifications Based Selection (QBS) process was used to select Hurste-Rosche, Hillsboro, Illinois, as the civil engineering consultant for the design of the project. The Chancellor and the Vice Chancellor for Administration, SIUE, have recommended this matter to the President.

Considerations Against Adoption

The work included in this project will cause a temporary inconvenience to the vehicular traffic on Circle Drive. Temporary lane closures will occur.

Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That:

(1) The capital improvement project, Resurface Circle Drive, SIUE, be and is hereby approved at an estimated cost of $1,200,000.

(2) The project shall be funded from the Facilities Fee.

(3) The President of Southern Illinois University be and is hereby authorized to take all action required in the execution of this resolution in accordance with established policies and procedures.
AWARD OF CONTRACT: UNIVERSITY HOUSING CLEANING SERVICES, SIUE

Summary

This matter approves a cleaning contract for three residence halls and the Cougar Village Living Units on the SIUE campus. If approved, this award would implement a six-year contract at a total cost of $2,040,000. The contract will be funded from University Housing Operating funds.

Rationale for Adoption

The University retains a cleaning service in order to prepare student apartments for occupancy. While partial cleaning is required after conference housing and short term occupancies, full cleaning is required whenever students move out. In accordance with the State and the University’s Purchasing policies, an RFP was issued. This contract covers cleaning services for Bluff Hall, Prairie Hall, Woodland Hall, and Cougar Village. Evergreen Hall will be bid separately when its current contract expires.

The total cost of the cleaning contract is $2,040,000 and will be funded by University Housing Operating funds. The bid for the cleaning contract is acceptable and the award of contract is now requested. A summary of bids received is attached for review. The Chancellor and the Vice Chancellor for Student Affairs, SIUE, have recommended this item to the President.

Considerations Against Adoption

University officers are aware of none.

Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That:

(1) The six-year University Housing Cleaning contract for Bluff Hall, Prairie Hall, Woodland Hall, and Cougar Village at SIUE be and is hereby approved at a cost of $2,040,000 to ISS Facility Services, Maryland Heights, MO.

(2) The President of Southern Illinois University be and is hereby authorized to take whatever action may be required in the execution of this resolution in accordance with established policies and procedures.

Budget Purpose #752605
APPROVAL OF SALARY AND APPOINTMENT OF EXECUTIVE DIRECTOR OF
TELEHEALTH AND OUTREACH SERVICES,
SPRINGFIELD MEDICAL CAMPUS, SIUC

Summary
The matter presents for approval the salary and appointment of the preferred candidate for the position of Executive Director of Telehealth and Outreach Services at Springfield Medical Campus, SIUC.

Rationale for Adoption

Policies of the Board of Trustees require the approval of salary and appointment of professional staff who have a proposed salary of $150,000 or more. This request follows a national search in which three candidates applied. Ms. Nina Antoniotti was interviewed by campus officials, faculty, and administrative staff. Reporting to the School of Medicine Executive Associate Dean/SIU HealthCare Chief Executive Officer, this critical leadership position serves as the senior administrator for the School of Medicine and SIU HealthCare to significantly expand its telehealth services. The position provides leadership to expand the telehealth service line but will also develop further partnerships and collaborations throughout Central and Southern Illinois for patient care, medical education, medical research and community health.

The Chancellor and the Dean and Provost of the School of Medicine have recommended this matter to the President.

Considerations Against Adoption

None are known to exist.

Constituency Involvement

Campus officials, department chairs, clinical faculty, hospital administrators, and campus administrators were afforded opportunities to participate in the interview process.

Resolution

BE IT RESOLVED, By Board of Trustees of Southern Illinois University in regular meeting assembled, That Nina M. Antoniotti, Ph.D. is appointed to the position of Executive Director of Telehealth and Outreach Services at Springfield Medical Campus, SIUC with an annual salary of $180,000, effective February 2, 2015.
RECOMMENDATION FOR HONORARY DEGREE, SIUC

Summary

The President, on the recommendation of the SIUC Chancellor, requests Board of Trustees approval to bestow the Honorary Degree, Doctor of Humane Arts, on Governor Jim Edgar, at the May 2015 SIUC commencement.

Rationale for Adoption

Jim Edgar dedicated his professional career to the citizens of Illinois. The former student body president at Eastern Illinois University, Edgar’s first job out college was an internship with state Senator Russell Arrington who told his protégé, “We’re not here just to get re-elected. We’re here to solve problems.” That lesson stuck with the impressionable young man throughout his entire career.

After serving briefly as a State Representative for the Charleston area, Edgar became director of legislative affairs for Governor Jim Thompson. Thompson later appointed Edgar as Illinois Secretary of State upon Alan Dixon moving to the U.S. Senate in 1981. Edgar was subsequently twice elected Secretary of State by Illinois voters. As Secretary, he cracked down on drunk driving and served on President Reagan’s Presidential Commission on the issue. He was instrumental in passing the first comprehensive laws against driving under the influence, which took effect in 1983.

In 1990, Edgar was elected governor. He was re-elected in 1994. During his first term, the state faced dire financial conditions due to overspending its resources. Edgar instilled fiscal discipline and was willing to say “no” to more spending and “yes” to many difficult decisions to cut spending. During his tenure as governor, the state saw its substantial deficit turned into a considerable surplus.

Edgar’s commitment to higher education resulted in Illinois rising to the fourth highest state in the nation for financial support to public universities and community colleges. He overhauled the university governing system in Illinois, increased funding for state scholarship grants, and supported and signed into law the nation’s first prepaid tuition program.

He was a national leader on welfare reform and was a champion of women in government and public service, which included appointing more women to cabinet-level positions than any other Illinois governor. He was a proponent of outdoor activities and the environment, which included protecting more acres of natural habitat than any of his predecessors.
Edgar retired from elected office in 1999 but has dedicated himself to working with young people, most notably with college students through his role as Distinguished Fellow at the University of Illinois, and through the creation of the Edgar Fellows program which seeks to foster leadership development and bipartisanship among the state’s up and coming elected officials and community leaders.

Considerations Against Adoption

University officials are aware of none.

RECOMMENDATION FOR HONORARY DEGREE, SIUC

Summary

The President, on the recommendation of the SIUC Chancellor, requests Board of Trustees approval to posthumously bestow the Honorary Degree, Doctor of Commerce, on Mrs. Dixie Fortis, at the May 2015 SIUC commencement.

Rationale for Adoption

A native of southern Illinois, the late Mrs. Dixie B. (Buyen) Fortis became an accomplished and nationally acclaimed advertising and marketing professional who was viewed as a leader in her industry.

Born in Christopher, Illinois, and raised in Dowell, she is a 1951 graduate of Elkville High School. She earned a bachelor’s degree in Speech Communication from SIU Carbondale in 1955 and headed to Chicago to begin her remarkable professional career.

In 1963, armed with several years of considerable ad agency experience, she joined one of the top advertising agencies of its time, Needham Harper and Steers
where she went to work on campaigns for Kraft Foods, General Mills, Lever Brothers and Johnson Wax. In 1972 she was named Creative Director of New Products Group by McCann Erickson, which at the time was the world’s largest advertising agency. In 1980, she and her husband Jerry Fortis, established their own firm, Fortis, Fortis Advertising, Inc. in Chicago. It was recognized and ranked nationally by INC. Magazine as one of the Top 500 fastest growing independently owned businesses in America.

During her notable career, Mrs. Fortis had substantial involvement in advertising for a Who’s Who list of national brands, including Betty Crocker, Butterball Turkey, Caterpillar, Encyclopedia Britannica, Kraft, Morton Salt, Household Finance, Chi Chi’s, Beatrice Foods and many others.

In recognition of her outstanding advertising work, she earned numerous Clio Awards, which is the advertising industry’s equivalent of an Oscar. The international competition recognizes innovation and creative excellence in advertising, design and communication. Mrs. Fortis was also the recipient of numerous other awards, including the Chicago Ad Club, the Los Angeles IBA and Cannes Film Festival.

Mrs. Fortis was a founding member of Chicago Women’s Network and was voted by her peers in the advertising industry as one of the 100 Top Creative People in the United States. In 1976, she was named the Advertising Woman of the Year. She was also voted into Chicago Women’s Hall of Fame.

Mrs. Fortis died in August 2013 in Fairhope, Alabama, where she had retired with her husband Jerry. He survives.

RECOMMENDATION FOR HONORARY DEGREE, SIUC

Summary

The President, on the recommendation of the SIUC Chancellor, requests Board of Trustees approval to bestow the Honorary Degree, Doctor of Aviation Science, on Captain William R. "Bill" Norwood at the May 2015 SIUC commencement.

Rationale for Adoption

William R. "Bill" Norwood, a 1959 SIU Carbondale graduate, is an inspiring trailblazer. Raised in a loving family and surrounded with positive influences and strong guidance from an important life mentor, Bill took advantage of the opportunities life presented him to move beyond the small, segregated southern Illinois town he called home to follow his dream of flying.

His natural athletic ability provided him a football scholarship at Southern Illinois University Carbondale where he became the first black quarterback in school history. As a student, Bill was among the first classes to participate in the University’s flight training program as part of the ROTC. This training provided Bill with the opportunity to earn his pilot’s license and led to his service as an officer in the U.S. Air Force from 1959-1965 where he piloted B-52s.

In 1965, thanks in part to the Civil Rights Act of 1964, Bill was hired by United Airlines, making him the first African-American pilot in the company’s history. He later became the first African American to achieve the rank of Captain for the airline as well. His more than 30-year career with United resulted in the airline honoring him by painting his name on the side of a 727 airplane that is part of the “Take Flight” exhibit in the Chicago's Museum of Science and Industry. He is also part of the “Black Wings,” a permanent exhibit at the Smithsonian Institution National Air and Space Museum.

Bill is a founding member of the Organization of Black Airline Pilots and served as president of the State Universities Retirement System Board. He served for more than 25 years as part of the SIU Board of Trustees and more than 15 years on the SIU Alumni Association Board. He has served on the University’s Paul Simon Public Policy Institute Board of Counselors since 2003.

He has been inducted into the Illinois Aviation Hall of Fame, the SIU Athletics Hall of Fame and the SIU ROTC Hall of Fame and has received numerous honors from the SIU Alumni Association. In 2008, he was named a Lincoln Laureate, the state’s highest civilian honor.
In retirement, Bill devoted his time to mentoring young people and giving back to his community and University. He also recently published his memoir, “Cleared for Takeoff: A Pilot’s Story of Challenges and Triumphs.”

RECOMMENDATION FOR DISTINGUISHED SERVICE AWARD, SIUC

Summary

The President, on the recommendation of the SIUC Chancellor, requests Board of Trustees approval to bestow the Distinguished Service Award on Mr. Michael J. “Mike” Lawrence at the May 2015 SIUC commencement.

Rationale for Adoption

As a dedicated and talented journalist, Mike Lawrence covered the Illinois statehouse, politics and government for nearly two decades. He was managing editor and editorial page editor of the Quad-City Times and wrote a political column that was syndicated to more than 40 newspapers in Illinois. Mike capped his newspaper career as chief of the state capital bureaus for Lee Enterprises and the Chicago Sun-Times. Mike’s in-depth investigative journalism won him substantial accolades – and a few enemies -- for exposing greed, corruption and mismanagement in Illinois government. As a reporter, he served the public good by holding our elected officials and our state's managers accountable.
He left the newspaper business to go to work for an up-and-coming politician, the then-Illinois Secretary of State, Jim Edgar. Mike worked for Edgar for nearly a decade, during which Edgar built a legacy as being one of the most respected and highly regarded governors in Illinois history. As press secretary and senior policy adviser to Edgar, first in the secretary of state’s office and then in the governor’s office, Mike was an instrumental figure in the Edgar legacy, which includes being credited for salvaging the state’s economy, restoring its fiscal footing and positioning the state for future growth. Mike was well-regarded by politicians and staff on both sides of the aisle for his loyalty, his integrity, his passion for helping the disadvantaged and his commitment to making good long-term decisions even at the risk of negative short-term consequences on the political front.

His reputation as an outstanding journalist and ethical public servant generated interest in his next career move from U.S. Senator Paul Simon. Simon, who earlier announced he would not be a candidate for a third term, had established the Public Policy Institute in January 1997 at SIU Carbondale. He soon went to work recruiting Mike to serve as his associate director, which Mike did on July 1, 1998. Together, they made a significant difference not only to the campus and community but to our state. Mike taught classes in journalism and politics, mentored countless students, led efforts to craft the most sweeping campaign finance laws in our state in nearly a quarter of a century and helped Simon put his institute on the map. The entire University community and southern Illinois region benefitted tremendously from the impact created by the team of Simon and Lawrence at SIU. Countless state, national and world leaders, notable alumni, national icons in journalism, theater, the arts, public policy and other fields were drawn to campus to be part of the Simon and Lawrence work.

Following Simon’s untimely death in 2003, Mike was named director of Simon’s institute, which he continued to guide until his retirement from SIU in 2009. The impact Mike made through his work with hundreds of students and on scores of substantial public policy initiatives continues to be felt by students and Illinois residents today. Notably, Mike remains connected to dozens of his former students and continues to mentor them through career, professional and personal decisions. He is fully invested in the future of young people and never passes up the opportunity to be engaged with those who need guidance or are seeking direction.

Mike’s lifetime of achievements and commitment to service has already been acknowledged by many notable groups. He was honored by the Associated Press Editors Association in 2003 for exemplary service to other journalists and newspapers in Illinois, and he received the Paul Simon Award for Public Service from the Illinois Campaign for Political Reform in 2006. In 2008, Mike received the Illinoisan of The Year award from the Illinois News Broadcaster Association. Mike was awarded an honorary Doctor of Laws degree in 1998 from Knox College, his alma mater.
After leaving the governor’s office, he was appointed to the Illinois Courts Commission, which decides cases in which disciplinary charges have been brought against judges. He and Paul Wolff, the former president of Governors' State University, were the first non-judges appointed to serve on that commission.

Mike is not one to rest easy, however. After retiring from the Institute, Lawrence wrote regular opinion pieces that appeared in newspapers throughout Illinois. He continues to comment occasionally on state government and politics. He also is working again with Governor Edgar in the ongoing development of the Edgar Fellows program at the University of Illinois' Institute of Government and Public Affairs to prepare young leaders of today for the challenges of tomorrow.

RECOMMENDATION FOR DISTINGUISHED SERVICE AWARD, SIUC

Summary

The President, on the recommendation of the SIUC Chancellor, requests Board of Trustees approval to bestow the Distinguished Service Award on Dr. Marsha G. Ryan at the May 2015 SIUC commencement.

Rationale for Adoption

Dr. Marsha G. Ryan has been deeply devoted to her community and to Southern Illinois University Carbondale since moving to the region in 1981 to establish her private practice. During her remarkable career in southern Illinois, she has served as Chief of Staff at Memorial Hospital of Carbondale, taught on medical malpractice at the SIU Law School, served as assistant professor of general surgery at the SIU School
of Medicine and is currently the Medical Co-Director of Cancer Services at Southern Illinois Healthcare in addition to maintaining her private practice.

Beyond her meaningful professional impact are many notable community, volunteer and philanthropic activities. She has been a tireless advocate of promoting culture, the arts and education including being substantially involved in the Carbondale Community Arts, Varsity Center for the Arts, the speech and theater programs at Carbondale Community High School and in many aspects of SIU Carbondale. She is currently a board member of Southern Illinois Healthcare and serves as the physician co-chair of the SIH Hope is Home Campaign for the new SIH Cancer Center. She has also been active with the Carbondale Chamber of Commerce.

Dr. Ryan served on the SIU Foundation board of directors from 1992-2013, which included serving as the board chair and as chair of SIU Carbondale’s first-ever comprehensive capital campaign, Opportunity through Excellence, which raised more than $106 million for the campus. A 1987 graduate of the SIU Law School, Dr. Ryan also has served on the SIU Alumni Association Board, the School of Law Board of Visitors, and the School of Art and Design Board.

Along with her husband, John, Dr. Ryan established the Bioethicist-in-Residence at the SIU School of Law’s Center for Health Law Policy which provides for an annual event with a nationally renowned speaker on the topic of law or medicine ethics.

She has numerous accolades, including being named one of the 2012 “Leaders Among Us” by the Southern Illinoisan, inducted as an “Inspiring Woman of Achievement” by the University in 2007, and presented the SIU Alumni Achievement Award in 1998. Additionally, the Carbondale Chamber of Commerce named her a Business Leader of the Year in 2003 and had previously presented her its Athena Award for her commitment to the community.

RECOMMENDATION FOR HONORARY DEGREE, SIUE

Summary

The President, on the recommendation of the SIUE Chancellor, requests Board of Trustees approval to award an Honorary Doctor of Humane Letters degree to Ms. Lauren E. Metcalf at the May 2015 SIUE commencement.

Rationale for Adoption

Lauren Elizabeth “Laurie” Metcalf is a distinguished American stage, screen, and television actress. Born in Carbondale, Illinois and raised in Edwardsville, Illinois, she is a graduate of Edwardsville High School and Illinois State University (B.A. in Theatre, 1976).

In 1976, along with fellow Illinois State students John Malkovich, Gary Sinise and others, Ms. Metcalf helped found the Steppenwolf Theatre Company in Chicago. Ms. Metcalf performed regularly at Steppenwolf between 1976 and 1984, and it was there that her professional career truly began. She later moved to New York City, where she appeared in a variety of productions, both on- and off-Broadway. Her work in the plays November and The Other Place earned her two Tony Award nominations in 2008 and 2013.

In addition to her acclaimed career on the stage, Ms. Metcalf has also had a prominent presence in film and television. Among her film credits are Desperately Seeking Susan, Uncle Buck, Internal Affairs, JFK, The Secret Life of Houses, Toy Story, and Meet the Robinsons. From 1988 to 1997 she appeared as “Jackie Harris” on the hit television series Roseanne, starring in 221 episodes and receiving three Emmy Awards for Most Outstanding Supporting Actress in a Comedy Series. Ms. Metcalf was also nominated for two Golden Globes for her appearances in Roseanne. More recently, her recurring role as “Carolyn Bigsby” on the show Desperate Housewives earned her both Emmy and Satellite Award nominations.
Her current performances include a recurring role as “Mary Cooper” on the popular CBS show The Big Bang Theory and a series regular on the recently airing shows The McCarthys as “Marjorie McCarthy” and Getting On as “Dr. Jenna James.”

Laurie Metcalf is the daughter of the late James F. Metcalf, who served as the Budget Director of SIUE from 1971 until his death in 1984. The Metcalf Student Experimental Theater on the Edwardsville campus is named in James Metcalf’s memory.

RECOMMENDATION FOR HONORARY DEGREE, SIUE

Summary

The President, on the recommendation of the SIUE Chancellor, requests Board of Trustees approval to award an Honorary Doctor of Humane Letters degree to Dr. David Werner at the May 2015 SIUE commencement.

Rationale for Adoption

David Werner has been a significant contributor to the growth of Southern Illinois University Edwardsville, remaining a part of the community for over 36 years—from his initial hiring at the age of 26, in 1968, as an assistant professor, to his retirement as chancellor emerita in 2004. During his tenure, he held several positions within the University: Associate Professor of Management Science; Dean of the School of Business; Provost and Vice Chancellor for Academic Affairs; and finally, Chancellor.
It was while Werner was the Dean of the School of Business that the Accounting department obtained its first accreditation, becoming the only accredited school of Accounting in the St. Louis area prior to 1996. Up until his appointment as Provost, Werner spent the majority of his career at SIUE in the School of Business, and he was responsible for significant advances: achieving master’s level accreditation; developing a new system for faculty evaluation and salary increase determination; and initiating a curriculum review process which led to a major reform of the School's undergraduate program.

Dr. Werner was appointed as the sixth Chancellor of SIUE in 1997. During Werner’s tenure as Chancellor, he shifted the perception of the school as a commuter college to a residential one. For the first time in Fall 1998, the number of residential students outnumbered those who commuted. To accommodate the growing number of residential students, two residential halls were built while Werner was Chancellor: Prairie Hall in Fall 1998, and Bluff Hall in Fall 2001. Additional milestones marking Werner’s tenure as Chancellor included the expansion of the health sciences curriculum with the construction of the School of Pharmacy, and improved the ACT scores of incoming freshmen, increasing to 21.9 in 2003, above the national ACT average of 20.

Dr. Werner retired as Chancellor in 2004. After leaving SIUE, Werner continued his efforts on behalf of higher education: serving as a visiting researcher in human resources and public policy development at Ryukoku University in Kyoto, Japan; serving as Interim President at Mansfield University of Pennsylvania; and becoming the Interim Provost—and later the Interim President—of Indiana University of Pennsylvania.

David Werner has over 40 years of experience and expertise in higher education; his achievements while at SIUE are pivotal to the University’s history. It was during one of his annual addresses to the University that Werner best described his motivation. “My first students in an evening class were, to me, shockingly different and diverse,” Werner said. “But beneath the diversity, they were united in their quest for education. And, in the words of our Alma Mater, they saw SIUE as their ‘fount of opportunity.’ I was drawn to the faculty and the staff who had left secure positions at other institutions to come to Alton or East St. Louis or Edwardsville—not just because of what was here, but because of their common vision of what this place would become, and because of their determination to be a part of making the vision a reality.”

Dr. Werner has contributed a great deal toward making SIUE’s reality one of increasing distinction.
Constituency Involvement

SIUE’s Committee for Honorary Degrees and Distinguished Service Awards and the Chancellor of Southern Illinois University Edwardsville have recommended this matter to the President.

Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, that the Honorary Degree, Doctor of Humane Letters be presented to Dr. David Werner at the May 2015 commencement, or some commencement thereafter, of Southern Illinois University Edwardsville.

RECOMMENDATION FOR DISTINGUISHED SERVICE AWARD, SIUE

Summary

The President, on the recommendation of the SIUE Chancellor, requests Board of Trustees approval to bestow the Distinguished Service Award on Kay Werner at the May 2015 SIUE commencement.

Rationale for Adoption

Kay Werner has left an indelible mark on Southern Illinois University Edwardsville and its community, serving as a teacher and a community leader for over 30 years. Retired as the manager of Information Technology at the SIUE East St. Louis Center, Werner is also the wife of David Werner, Chancellor Emeritus and fellow community leader.
Ms. Werner earned degrees from the University of Missouri, Columbia; University of Missouri, St. Louis; and Southern Illinois University Edwardsville. Among Werner's professional achievements: taught history and political science at McCluer High School in St. Louis County; served as coordinator of staff development for the Ferguson-Florissant School District in St. Louis County; taught for the School of Business at SIUE; managed the Faculty Technology Center at the Edwardsville campus at SIUE; and served as the manager of Information Technology at the SIUE East St. Louis Center.

Kay Werner became the First Lady of SIUE in 1997, following her husband's appointment as Chancellor. As First Lady, Ms. Werner was significantly involved in important conversations, events and planning regarding the University. She also served on many boards in the community, including: Anderson Hospital; River Bluffs Council of the Girl Scouts of America; the Board of Trustees of the Children's Museum; and the Meridian Society. Werner also served as the chair from 1997-2004 for A Book in Every Home, a campaign that placed books in the homes of over 4,000 children in Madison and St. Clair Counties.

**AUTHORIZATION FOR THE SALE OF BONDS:**
“MEDICAL FACILITIES SYSTEM REVENUE BONDS SERIES 2015A”
TO REFUND THE BOARD’S OUTSTANDING MEDICAL FACILITIES SYSTEM REVENUE BONDS, SERIES 2005

**Summary**

This matter requests Board authorization to issue refunding revenue bonds; authorize the distribution and execution of required documents as needed; name related parties who will participate in the sale; and authorize the Board Treasurer and authorized officers to take actions necessary to complete the proposed bond sale.

**Rationale for Adoption**

A preliminary review indicates that it may be desirable to refund all or a portion of the Board’s $14,455,000 outstanding Medical Facilities System Revenue Bonds, Series 2005, by authorizing the issuance of additional new Medical Facilities System Revenue Bonds. Based on market conditions as of November 24, 2014, present value savings of approximately $1.4 million, or 10.5% of the anticipated refunded bond principal, are anticipated from refinancing the Medical Facilities System Revenue Bonds Series 2005. These savings are planned to be made available for debt service reduction. The Board Treasurer will assess market conditions at the time of sale and will adjust the refunding accordingly.

Funding for the refunding will come from local funds and the sale of Medical Facilities System Revenue Bonds, Series 2015A (the “Bonds”), in the estimated sum not to exceed $15,000,000; such sum to include allowable amounts for the cost of the sale. Funds to repay the Bonds will come from clinic revenues. The Bonds will be additionally secured by a pledge of all University Tuition that is secondary to the tuition pledge to the revenue bonds of the Housing and Auxiliary Facilities System.

The Board Treasurer has recommended this matter to the President.

**Considerations Against Adoption**

University officers are aware of none.

**Constituency Involvement**

SIU Physicians and Surgeons, Inc., doing business as SIU HealthCare (“SIUHC”), Board of Directors was provided information regarding the financial arrangements for the Series 2005 refunding.
BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That:

(1) It is hereby determined to be desirable that the Board of Trustees of Southern Illinois University (the “Board”) authorize the issuance of its Southern Illinois University Medical Facilities System Revenue Bonds, Series 2015A (the “Bonds”), in order to provide funds to refund all or a portion of the Board’s outstanding Medical Facilities System Revenue Bonds, Series 2005, and pay the cost of issuance of the Bonds. Such bonds shall only be refunded if the present value savings attributable to such refunding is at least three percent of the principal amount of the callable bonds refunded.

(2) Pursuant to the University’s existing contract, the firm of Chapman and Cutler LLP, Chicago, Illinois, be and is hereby retained to act as Bond Counsel and, if necessary, Disclosure Counsel, with respect to the authorization and issuance of the Bonds.

(3) Pursuant to the University’s existing contract, the firm of John S. Vincent and Company LLC, Chicago, Illinois, be and is hereby retained as Financial Advisor for the preparation of necessary or desirable offering documents, notices of sale and bid forms and other matters related to the sale.

(4) U.S. Bank National Association, Chicago, Illinois, be and is hereby authorized to serve as Bond Registrar and Paying Agent for the Bonds, and as Escrow Agent for the refunded Series 2005 Bonds pursuant to an Escrow Agreement to be entered into between the Board and such bank. The Board Treasurer or his designee is hereby authorized to execute and deliver the Escrow Agreement¹.

(5) Approval is given for the sale of the Board’s Medical Facilities System Revenue Bonds, Series 2015A via either (i) a solicitation of competitive bids from institutional investors for the direct purchase of the Bonds or (ii) a competitive bidding process for the public sale of the Bonds, as determined by the Board Treasurer to be in the best financial interest of the Board. The Bonds shall be issued in an amount not to exceed $15,000,000 with a final maturity not later than April 1, 2025. The price at which the Bonds will be sold will not be less than 99% of the par amount of the Bonds and the purchaser’s discount will not exceed 1.8% of the par amount of the Bonds. The true interest cost (TIC) of borrowing for the Bonds will not exceed 4.75%. The Board hereby approves the execution and delivery of the Bond Resolution, with such necessary changes as shall be approved by the Board Treasurer¹.
(6) If the Bonds are sold via a solicitation of competitive bids from institutional investors, the Board approves the preparation and distribution of informational materials relating to the Bonds, a Notice of Direct Sale and Official Bid Form and the execution and delivery of the Official Bid Form and a Purchase Agreement. If the Bonds are sold via a competitive bidding process for a public sale, the Board approves the preparation and distribution of a Preliminary Official Statement and the execution and delivery of the Final Official Statement and Official Bid Form¹.

(7) In the event that the purchaser determines that the acquisition of bond insurance for the Series 2015A Bonds is economical, the Treasurer is hereby authorized to agree to such standard covenants with a bond insurer as are deemed by the Treasurer to be in the best interest of the Board.

(8) The members, officers, agents and employees of this Board are hereby authorized and directed to do all such acts and to execute all such documents as may be necessary to carry out and comply with the provisions of these Resolutions and with the acts and doings of the members, officers, agents, and employees of the Board which are in conformity with the intent and purposes of these Resolutions, whether heretofore or hereafter taken or done, shall be and are ratified, confirmed and approved.

¹ Copies are on file with the Executive Secretary of the Board of Trustees for recording and the appropriate officers of the Board are hereby authorized and directed to execute the same in the name and on behalf of the Board in substantially the form presented to this meeting, or with such changes as may be approved by the officer or officers of the Board executing the same, his/her or their execution thereof to constitute conclusive evidence of the Board’s approval of all changes from the form thereof presented to this meeting.
Trustee Portwood made a motion to approve the item. The motion was duly seconded by Trustee Manering. The motion carried by the following recorded vote: aye, Hon. Don Lowery, Dr. Donna Manering, Dr. Shirley Portwood, Mr. Joel Sambursky, Maj. Gen. Randal Thomas, Ms. Marquita Wiley; nay, none.

Sarvela, in addition to his love of music, his enjoyment in sharing stories about his Finnish ancestry, and his unending commitment to all things SIU, leaves a legacy of community service which includes serving as the chairman of the Boy Scouts Greater St. Louis Area Council, trumpeter for the Southern Illinois Symphony Orchestra and the SIUC Civic Orchestra as well as board member of the Southern Illinois Children’s Choir, advisory council for the Illinois Center for Health Workforce Studies, judge for the Illinois Junior Academy of Science, volunteer for the Muscular Dystrophy Association, and many other professional and community service roles; and

WHEREAS, Dr. Paul D. Sarvela never lost sight that his finest achievements were realized in partnership with his wife Debbie, an environmental engineer at SIU, who he married in 1985, and included their two children, Kristin, who is a Ph.D. student at the University of Illinois, and John, who is pursuing a baccalaureate degree at Eastern Illinois University, of whom he always spoke with enormous pride and devotion; and

WHEREAS, Dr. Paul D Sarvela, while preceded in death by his father and a daughter, Lisa Kathleen Sarvela, also leaves his mother, a brother, several nieces, a nephew, and many colleagues and friends to mourn his passing;

THEREFORE BE IT RESOLVED BY THE BOARD OF TRUSTEES OF SOUTHERN ILLINOIS UNIVERSITY, in regular meeting assembled, that we celebrate the life, legacy, and contributions to learning and living of Interim Chancellor Paul D. Sarvela; and
BE IT FURTHER RESOLVED that the Board expresses to the family of Dr. Paul D. Sarvela its most sincere condolences and sympathy for their loss, which the members of the Board and all who knew him share.

A motion was made by Trustee Miller to approve the resolution. The motion was duly seconded by Trustee Sambursky. Advisory votes were recorded as follows: aye, Adrian Miller, Mitch Morecraft; nay, none. The motion carried by the following recorded vote: aye, Hon. Don Lowery, Dr. Donna Manering, Dr. Shirley Portwood, Mr. Joel Sambursky, Maj. Gen. Randal Thomas, Ms. Marquita Wiley; nay, none.

Chair Thomas announced that the next Board of Trustees meeting would be held March 19, 2015, at the Carbondale campus. The Chair reported that a news conference would be held upon adjournment of the meeting at the Board table.

Trustee Sambursky made a motion to adjourn the meeting. Trustee Portwood seconded the motion. The motion passed unanimously by voice vote.

The meeting adjourned at 10:55 a.m.

Pursuant to notice, a special meeting was called by the Chair of the Board of Trustees of Southern Illinois University, and the meeting convened at 3:02 p.m., Wednesday, March 18, 2015, in the Large Dining Room of the Stone Center, Southern Illinois University System Office, Carbondale, Illinois. The meeting was called to order by Chair Thomas. The following members of the Board were present:

MG (Ret) Randal Thomas, Chair
Hon. J. Phil Gilbert
Dr. Roger Herrin
Mr. Adrian Miller
Mr. Mitch Morecraft
Dr. Shirley Portwood
Mr. Joel Sambursky
Ms. Amy Sholar

The following member was absent:

Dr. Donna Manering, Vice Chair

The Executive Secretary reported and the Chair determined that a quorum was physically present.

Also present for the duration of the meeting were Dr. Randy J. Dunn, President; Mr. Lucas Crater, Interim General Counsel; and Ms. Misty Whittington, Executive Secretary of the Board.

Chair Thomas welcomed newly appointed Trustees J. Phil Gilbert and Amy Sholar.

Chair Thomas explained the procedures for the public comment and question portion of the Board’s agenda.
Executive Secretary Whittington announced that no speakers were present.

President Dunn distributed handouts to the Board regarding tuition and fee funding options for FY 2016 for SIU Carbondale and SIU Edwardsville. Campus Budget Officers Judy Marshall, SIUC; Bill Winter, SIUE; and School of Medicine Dean and Provost Kevin Dorsey spoke to the funding needs of the respective campuses.

President Dunn reviewed with the Board the impact the state budget proposal could have on the SIU system and discussed the need to start considering areas that are closer to the University’s core mission for funding priority.

At 4:02 p.m., Trustee Miller made a motion to recess the meeting and reconvene the meeting in the Board Room, Room 203, for the executive session meeting. The motion was duly seconded by Trustee Portwood. The motion passed unanimously via voice vote.

At 4:20 p.m., Trustee Herrin moved that the Board go into closed session to consider pending, probable or imminent court proceedings against or on behalf of the Board; information regarding appointment, employment, compensation, discipline, performance or dismissal of specific employees of the public body; the placement of individual students in special education programs and other matters relating to individual students; and review of minutes of meetings lawfully closed under the Open Meetings Act. The relevant sections of the Open Meetings Act Statute that allow for the closed session are 5 ILCS 120/2(c) (1), (10), (11), and (21). The motion was duly seconded by Trustee Morecraft. Advisory votes were recorded as follows: aye, Mr. Adrian Miller; Mr. Mitch Morecraft; nay, none. The motion carried by the following
recorded vote:  aye, Hon. Phil Gilbert; Dr. Roger Herrin; Dr. Shirley Portwood; Mr. Joel Sambursky; Ms. Amy Sholar; Maj. Gen. Randal Thomas; nay, none.

At 6:55 p.m., a motion was made by Trustee Herrin and seconded by Trustee Miller to adjourn the meeting. The motion passed by a voice vote. No action was requested or taken during the closed session.

Misty Whittington, Executive Secretary

Also present was Ms. Misty Whittington, Executive Secretary of the Board.

NOTE: Copies of all background documents furnished to the Board in connection with the following matters have been placed on file in the Office of the Board of Trustees.
Chair Thomas led the group in the Pledge of Allegiance.

The Executive Secretary reported and Chair Thomas determined that a quorum was physically present.

Chair Thomas welcomed new Trustees J. Phil Gilbert and Amy Sholar to the Board meeting.

Chair Thomas stated that the next item of business on the agenda was the election of officers, Executive Committee, and Board representatives, and annual appointments by the Chair. He requested nominations for the office of Chair of the Board of Trustees.

Chair Thomas recognized Trustee Herrin who stated that he believed the Board should not change its leadership, and he nominated Maj. Gen. Randal E. Thomas for Chair. Trustee Gilbert seconded the nomination. Hearing no further nominations, a motion was made, seconded, and passed. Trustee Portwood moved that the nominations be closed. The motion was duly seconded by Trustee Sambursky. The motion carried unanimously via voice vote.

The motion to elect Maj. Gen. Randal E. Thomas as Chair passed by the following recorded vote: aye, Hon. Phil Gilbert; Dr. Roger Herrin; Dr. Shirley Portwood; Mr. Joel Sambursky; Ms. Amy Sholar; Maj. Gen. Randal E. Thomas; nay, none.

Trustee Gilbert nominated Dr. Donna Manering for Vice Chair and Mr. Joel Sambursky for Secretary, and for them both to serve as members of the Executive Committee of the Board of Trustees. The motion was duly seconded by Trustee Sholar. Hearing no further nominations, Chair Thomas moved that the nominations be closed. The motion was duly seconded by Trustee Portwood. The motion to elect Dr. Donna
Manering for Vice Chair and Mr. Joel Sambursky for Secretary, and for them both to serve as members of the Executive Committee of the Board of Trustees passed by the following recorded vote: aye, Hon. Chair Thomas moved that the full Board meeting recess and reconvene at the conclusion of the Board's Committee meetings. The motion was duly seconded by Trustee Herrin. The motion passed unanimously via voice vote.

At 10:40 a.m. the full Board meeting reconvened.

Chair Thomas recognized constituency representatives in attendance.
Trustee Miller moved that the Minutes of the Meetings held December 10 and 11, 2014, be approved. Trustee Portwood seconded the motion, and the minutes were approved unanimously by voice vote.

Under Trustee Reports, Chair Thomas provided a report of the March 3 meeting of the Joint Trustee Committee for Springfield Medical Education held at the SIU School of Medicine and chaired by Dean Kevin Dorsey. The Chair reported a short and focused meeting where the Committee received an update on the educational evaluation of the Medical School.

Dean Dorsey reported that the SIU School of Medicine did well during its accreditation review with the Liaison Committee on Medical Education which is the accrediting body for the 140 medical schools in the United States. Dr. Dorsey stated that the preliminary report had no citations of any sort. He further reported that the SIU School of Medicine did as well during its review eight years prior; however, such successful reviews with no citations occur very infrequently for medical schools.

Chair Thomas reported that the Board had asked President Dunn to undertake a review that could lead to changes in the reporting lines for the four first professional schools across the system, the Schools of Medicine, Law, Dental Medicine and Pharmacy. The Chair noted that the Board wished to receive comments from interested individuals or groups and constituency groups and constituency bodies with the deadline of March 20. Approximately 25 letters and emails have been received to date. The Chair further noted that recently SIU Carbondale Faculty Senate and Graduate Council formed a joint task force to weigh in on the issue; therefore, he and
President Dunn agreed to extend the comment deadline to May 1. The intent of the Board is to discuss the reporting line subject at its May 14 meeting.

Trustee Miller reported that he joined President Dunn and others of the SIU delegation in Springfield as the Flying Salukis were honored with a House Resolution from Representative Phelps. He observed it was pleasing to see the team from SIU Carbondale and Edwardsville go in front of Senate and House committees to testify on behalf of the system.

Under Committee Reports, Chair Thomas reported that the Executive Committee met on January 21, 2015; however, no action was taken.

Under Executive Officer Reports, President Dunn provided his report for the Southern Illinois University system. He noted attending the recent state appropriations hearings. The President further noted that the SIU system faced a crisis if the reductions in state support for SIU contained in the current state budget proposal were not mitigated. He reviewed that the SIU System received approximately flat funding for Fiscal Years 2014 and 2015 after years of declining appropriations. In Fiscal Year 2015, SIU did receive direct appropriations of $1.2 million for the Simmons Cancer Institute at the SIU School of Medicine and $1.25 million for the SIUE School of Pharmacy.

For Fiscal Year 2016, the current proposal includes a 31.5 percent cut in state support or $63.6 million to the SIU system, $44 million to the combined SIUC/School of Medicine budget, and $19.6 million to SIUE including the total loss of School of Pharmacy funding. He noted the level of funding proposed was comparable to that of the mid 1980s. President Dunn reported that the SIU team articulated in the
committee hearings the impact such reductions in funding would have, and the University will need to start publicly talking about concrete changes that would take place if the planned budget reductions remain. Further, the SIU team discussed at the committee hearings the themes of affordability and accessibility and specific impact examples on the region. The President reported that such cuts were calculated to mean the loss of as many as 700 positions across the SIU system. He noted that the SIU team also communicated information from recent impact studies for the campuses. For SIU Carbondale, Economics Professor Subhash Sharma recently led its study. Edwardsville’s impact study was also recently completed by experts in house. President Dunn reported that for every dollar the University spends, seven to eight times that is stimulated in the regional economy. For the proposed budget reductions equates to an approximate half a billion dollar impact on the regional economy. President Dunn reported he and staff would continue to tell the University’s story and seek to work with the Governor’s Office and elected officials to mitigate the proposal but also be part of the solution to help fix the state’s economy. He noted that higher education is an investment and part of getting the solution of job creation and of economic well being, not a cost center only.

Mr. John Charles, Executive Director for Governmental and Public Affairs, spoke to the Board. He noted that he and staff were following very closely about 600 of the 6,000 bills that have been introduced. He shared briefly several bills of interest. One bill could impact the employees who work for the University system for seven or more years that eliminates the 50 percent tuition waiver for their children. He reported the bill had been heard in committee, reported favorably from committee in the House,
and would be going to the floor of the House where the University will be working with campus legislators and other legislators who understand the issue to try and defeat it there. If the bill is not defeated in the House, more work will be done to defeat the bill in the Senate.

Mr. Charles reviewed two bills of interest to professors and academic staff. One related to the Advanced Placement (AP) test. A high school student can take the AP test to receive college credit. He explained that most of the University’s classes require a score of three to get college credit, but there are some that require a four or a five such as a student moving from the first level of calculus to the second level of calculus. A higher score is required to ensure that the student has a better foundation to do well in the second course. The proposed bill diminishes the requirement, and the University will oppose the bill. The other bill proposes replacement of the ACT test with the Partnership for Assessment of Readiness for College and Careers (PARCC) test to assess students as they move forward. He reported that the University is working to defeat the bill as it is believed that the ACT is currently a better indicator of student success.

Mr. Charles noted a bill of interest to the students is one that would allow campus newspapers a procurement exemption to get their newspaper printed within the community where they reside. Part of the bill eliminates the Governor’s decision to choose a voting student Trustee and would automatically give both student Trustees voting rights. In addition, Mr. Charles noted Lobby Day would be held on March 24 in Springfield where legislators would welcome students from each campus to tell SIU’s story.
Dr. John Haller, Special Assistant to the President, provided an update to the Board on the SIU Carbondale Chancellor search. Dr. Haller reported the composition of the Search Committee was outstanding and the members were dedicated. The Committee was serving as a search firm and had identified more than 100 or so individuals from peer and aspirational institutions. Out of that group, 44 individuals who looked to be matches for SIU Carbondale were sent letters from Board Chair Thomas. He reported that the Committee is looking at 25 very strong applications from those who were nominated or who have otherwise applied. Dr. Haller reported the Committee has been meeting weekly and are within two weeks of the stage of holding Skype interviews of some semifinalists. He anticipated that following two or three finalists would be brought to the campus for several days of public interviews with constituencies and the whole community. He reported the search was on time, and he expected the job to be finished by the academic year.

President Dunn provided the Chancellor Report for SIU Carbondale. He provided some achievements of the campus. The President reported that political science major Christopher M. Wheetley was named Outstanding Moot Court Attorney at the annual Model Illinois Government Simulation in Springfield. Engineering Professor Yoginder “Paul” Chugh and researchers Harrold Gurley and John Pulliam received a safety award from the Society for Mining, Metallurgy and Exploration. Linda Toth of the School of Medicine was appointed chair of the Research Advancement and Development Steering Committee of the Association for American Medical Colleges. For athletic achievements, the men’s and women’s swimming and diving programs were
named Scholar All-America teams, and Raven Saunders was the first true freshman to win a national NCAA title in the shot put.

President Dunn reviewed highlights of programs and operations on the campus. He reported spring enrollment was 16,684, an increase of 65 students from spring 2014; sophomore enrollment increased 19.6 percent year-to-year. Programs in education, rehabilitation counseling and law earned recognition in U.S. News & World Report’s “2016 Best Graduate Schools” guide. A new “Soldiers Among Us” initiative exploring the relationship between civilian and military life launches during the month that will include readings, films, and speakers on the campus. In addition, the University earned Silver Level recognition for sustainability efforts during the fall semester from myActions on Campus.

The President announced that the Aviation Program has been reaccredited through February 2019 by the Aviation Accreditation Board International (AABI). The Aviation Technologies Program received a donated U.S. Navy Gulfstream to be used by the students for teaching and lab purposes. In addition, the Illinois House of Representatives honored the Flying Salukis with a resolution honoring their 2014 national championship.

President Dunn reported that Carbondale in 2017 will be at the center of a world event of a total eclipse of the sun. The campus will be assisting on a large scale steering committee, and more information on the event will be forthcoming as the date draws near.
Dr. Julie Furst-Bowe, Chancellor, SIU Edwardsville, provided highlights from a written report provided to the Board. She provided an enrollment management update for the campus. Very positive feedback was received on a four-week pilot winter session online program with 581 students participating. Spring enrollment was an all-time record high of 13,178 students or an increase in 300 students over the previous spring, and a record for African American and Hispanic students as well. She reported more than 800 students are taking online courses which is a 75 percent increase over last year. Freshman applications and admissions are both at record highs, so a record freshman class is expected for the fall. She reported increased applications across several geographic regions including Springfield and Missouri, and international student enrollment is up 12 percent this spring.

The Chancellor provided some academic highlights for the Board. The Higher Learning Commission provided the campus a very positive review. The campus is fully accredited for the next eight years without any type of follow up. She reported the School of Pharmacy had also received continuing accreditation through 2023 by the Accreditation Council on Pharmacy Education. The School of Nursing recently received the Arcus Award for achievement in educational attainment and that award is sponsored by Edward Jones. The school’s online RN to B.S. degree program geared toward working adults was recognized for meeting regional needs and helping to meet the demand for degree educated nursing. The Phillips 66 Wood River refinery will sponsor the School of Engineering engineering summer camps. The campus received a Model of Excellence Award for a new program for at-risk freshmen called SIUE First. In
addition, SIUE’s Marketing Department received four awards in the 2014 Collegiate Advertising Awards competition.

Chancellor Furst-Bowe reviewed that School of Business faculty recently updated the campus’ economic impact study, and she provided copies to Board members. Impact to the regional economy is approximately $514 million, up significantly from the last study completed in Fiscal Year 2010. She went on to say that every state dollar spent on the University generates $8.60 of economic impact for the local economy. The campus has nearly 2,500 full-time employees being the second largest employer in the region.

Chair Thomas explained the procedures for the public comment and question portion of the Board’s agenda.

Executive Secretary Whittington called on Mr. Cameron Shulak.

Mr. Shulak, President of SIUC Undergraduate Student Government, made his presentation to the Board. He spoke of undergraduate and graduate student support at SIU Carbondale for the Affordable Care Act compliant healthcare plan proposed for Board action at its April meeting.

Executive Secretary Whittington called on Ms. Amanda Barnard.

Ms. Barnard made her presentation to the Board. Ms. Barnard noted that she was the Vice President for Graduate School Affairs with the Graduate and Professional Student Council at SIU Carbondale, and she was one of three student representatives who sat on the Student Health Insurance Task Force who were charged with evaluating responses from insurance companies to the request for proposal for the proposed Affordable Care Act compliant healthcare plan. She reported that the Task
Force was made up of six people, three being students. She noted benefits the Task Force considered for students. She reported that students could not obtain insurance through the Marketplace in Illinois with deductibles and max out-of-pockets as low. In addition, the proposed plan offered a new option for covered students to cover their spouses and dependents. She remarked that such a plan could be a recruitment and retention tool for students, and she was in favor of the proposed plan.

Executive Secretary Whittington called on Mr. Charles DiStefano.

Mr. DiStefano made his presentation to the Board. Mr. DiStefano noted that he represented the Graduate Assistants United (GAU) on the Student Health Insurance Task Force. He reported that the GAU supported the insurance recommendations, and he asked for the Board's support. He reviewed coverage in the new plan that would be an improvement for students.

Executive Secretary Whittington called on Mr. Michelson Dorime.

Mr. Dorime made his presentation to the Board. He noted he was a graduate student at SIU Carbondale and was the Chair of the Student Health Advisory Board. He reported on receiving positive feedback on enhanced coverage for the price contained in the proposed health insurance plan from a large cross-section of students. He asked for the Board's support of the plan.

Chair Thomas explained the procedure for the Board’s omnibus motion. The listing of items proposed for the omnibus motion were as follows:
REPORTS OF PURCHASE ORDERS AND CONTRACTS, NOVEMBER AND DECEMBER 2014, AND JANUARY 2015, SIUC AND SIUE

In accordance with 3 Bylaws 1 and 5 Policies of the Board C, summary reports of purchase orders and contracts awarded during the months of November and December 2014 and January 2015 were mailed to the members of the Board in advance of this meeting, copies were placed on file in the Office of the Board of Trustees, and these reports are hereby submitted for information and entry upon the minutes of the Board with respect to the actions of the Executive Committee.

CHANGES IN FACULTY-ADMINISTRATIVE PAYROLL – SIUE

The following changes in faculty-administrative payroll are submitted to the Board of Trustees for ratification in accordance with the Board Policy on Personnel Approval (2 Policies of the Board B). Additional detailed information is on file in the Office of the Chancellor. Where appropriate, salary is reported on a monthly basis and on either an academic year (AY) or fiscal year (FY) basis.

A. Continuing Appointment (If the person previously had a University appointment, it is so noted. Otherwise, the person is a new University employee.)

**AMENDMENT TO 5 POLICIES OF THE BOARD SECTION B2C, FUNCTIONS OF THE TREASURER**

**Summary**

This matter seeks approval by the SIU Board of Trustees to amend 5 Policies of the Board B2c – Functions of the Treasurer – regarding reporting of cash and investment activity.

**Rationale for Adoption**

From time to time, review of Board Policies suggests changes to clarify or improve the Policies or practices thereunder.
Pursuant to the Public Funds Investment Act (30 ILCS 235/2.5(a)10), a written report of investment activities should be submitted to the governing body and Chief Executive Officer at least quarterly. Although historical practice has been to provide quarterly cash and investment reports to the President and Board of Trustees, Board Policy currently only requires semi-annual reports of investment activity to the Finance Committee. This matter would amend Board Policy from semi-annual reporting to the Finance Committee to quarterly reporting to the Board and President in order to be consistent with State statutory requirements and to reflect current practice.

Considerations Against Adoption

University officers are aware of none.

Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That:

5 Policies of the Board B2c is hereby amended as follows:

Section 5B  Functions of the Treasurer

2.  Investments

   c.  A report on cash and investment activity shall be made at least semi-annually quarterly to the Finance Committee President and the Board of Trustees.
PROPOSED BOARD OF TRUSTEES INVESTMENT POLICY [ADDITION OF 5 POLICIES OF THE BOARD SECTION O]

Summary

This matter seeks approval by the SIU Board of Trustees to incorporate the Investment Policy into Board Policy as 5 Policies of the Board O. The Investment Policy serves as a guide for the Board Treasurer with respect to all investment decisions.

Rationale for Adoption

The University first adopted an Investment Policy in 1999. The Investment Policy, and subsequent revisions, were approved by the Finance Committee and incorporated into University Guidelines. Due to the importance of the Investment Policy in establishing the Board’s direction for the investment of public funds, it is recommended at this time that the Investment Policy be approved by the full Board and be made a part of Board Policy. The Investment Policy serves as the Board’s directive to the Treasurer with respect to the University’s investment risk profile. It provides guidance on eligible securities, assigns responsibilities for investment-related activities and establishes procedures and internal controls consistent with the Public Funds Investment Act (30 ILCS 235).

In addition, the Board Policy will update the Investment Policy to incorporate recent changes to the Public Funds Deposit Act, to address banking industry changes, and to provide clarification as needed.

Considerations Against Adoption

University officers are aware of none.

Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That:

(1) 5 Policies of the Board is hereby amended with the addition of the attached Investment Policy as Section O.

(2) The President of Southern Illinois University be and is hereby authorized to take whatever action may be required in the execution of this resolution.
STATEMENT OF INVESTMENT POLICY
SOUTHERN ILLINOIS UNIVERSITY
BOARD OF TRUSTEES

I. STATEMENT OF OBJECTIVES

It is the policy of Southern Illinois University to invest funds in a manner which will provide investment returns and security consistent with good business practices, while meeting the daily cash flow demands of the University, and conforming to all statutes governing the investments of funds. Funds of Southern Illinois University will be invested in accordance with the provisions of the Illinois Compiled Statutes, Chapter 30, Sections 235/0.01 - 235/8, "The Public Funds Investment Act", the Policies of the Board of Trustees of Southern Illinois University, and covenants provided from the University's bond and Certificate of Participation issuance activities.

As provided in Illinois Compiled Statutes, Chapter 30, Sections 225 "The Public Funds Deposit Act," public funds of the University will be deposited in savings and loan associations, savings bank, or State or national banks in Illinois.

A. Overall Risk Profile

The three basic objectives of Southern Illinois University's Investment Program are:

1. Safety of invested funds;
2. Maintenance of sufficient liquidity to meet cash flow needs;
3. Attainment of the maximum investment returns possible consistent with the first two objectives.

The achievement of these objectives shall be accomplished in the manner described below:

1. Safety of Invested Funds

The University will insure the safety of its invested funds by limiting credit and interest rate risks. Credit risk is the risk of loss due to the failure of the security issuer or backer to meet promised interest or principal payments on required dates. Interest rate risk is the risk that the market value of portfolio securities will fall or rise due to changes in general interest rates. The physical security of the University's investments is also an important element of safety. Detailed safekeeping requirements are defined in Section IV of this policy.
a. Credit risk will be mitigated by:
   i) Limiting investments to those specified in the Illinois Public Funds Investment Act, which prohibits investment in corporate bonds with maturity dates longer than 270 days from the date of purchase;
   ii) Prequalifying the financial institutions with which we will do business; and
   iii) Diversifying the investment portfolio so that the failure of any one issue or backer will not place an undue financial burden on the University.

b. Interest rate risk will be mitigated by:
   i) Maintaining significant balances in cash equivalent and other short maturity investments as changing interest rates have limited impact on these securities’ prices;
   ii) Establishing maturity diversification targets, as outlined in section B below, that are consistent with the expected cash flows of the University.

2. **Liquidity**

The University's investment portfolio will be structured in such a manner that securities mature at the same time as cash is needed to meet anticipated demands. Additionally, since all possible cash demands cannot be anticipated, the portfolio should consist largely of securities with active secondary or resale markets.

3. **Investment Returns**

Investment returns on the University's investment portfolio is a priority after the safety and liquidity objectives described above. Investments are limited to relatively low risk securities in anticipation of earning a fair return relative to the risk being assumed.

**B. Maturity Diversification**

The University's investment portfolio will be structured to provide that sufficient funds from investments are available every month to meet the University's anticipated cash needs. Subject to the safety provisions outlined above, the choice in investment instruments and maturities will be based upon an analysis of anticipated cash needs, existing and anticipated revenues, interest rate trends, and specific market opportunities.
Based on a review of the University’s cash flows, assets (excluding debt financing funds) will be invested according to the following schedule:

<table>
<thead>
<tr>
<th>Portfolio</th>
<th>Approximate Average Maturity Range</th>
<th>Target</th>
</tr>
</thead>
<tbody>
<tr>
<td>Cash &amp; Cash Equivalents</td>
<td>Less than one year; typically less than 30 days</td>
<td>Minimum $40 million</td>
</tr>
<tr>
<td>Short Term</td>
<td>Up to 3 years;</td>
<td>$0 - $160 million</td>
</tr>
<tr>
<td>Intermediate Term</td>
<td>Up to 10 years</td>
<td>$65 - $125 million</td>
</tr>
</tbody>
</table>

The Treasurer will manage the investments to fall within the maturity ranges and target balances as listed in the table above. However, circumstances may occur that cause the allocations to temporarily fall outside the prescribed ranges.

C. Definition of Funds

Funds for the purpose of this policy are all University funds which are available for investment at any one time. Funds include those in the University's general operation and debt financing activities.

D. Prudence

Investments shall be made with judgement and care - under circumstances then prevailing - which persons of prudence, discretion and intelligence exercise in management of their own affairs, not for speculation but for investment, considering the probable safety of their own capital as well as the probable income to be derived.

The standard of prudence to be used by investment officials shall be the "prudent person" standard and shall be applied in the context of managing an overall portfolio.

II. INVESTMENTS

This section of the Investment Policy identifies the types of instruments in which the University may invest its funds.

A. Eligible Securities

Southern Illinois University will make investments under the Public Funds Investment Act (Illinois Compiled Statutes Chapter 30, sections 235/0.01 - 235/8). This affords the University a number of investment opportunities including:
Securities of the United States of America, its agencies, and its instrumentalities;
Interest bearing savings accounts, certificates of deposit, interest bearing time deposits, other direct obligations of any bank defined in the Illinois Banking Act;
Certain short term obligations of U.S. Corporations rated in the highest rating classification by at least two standard rating services provided such obligations do not mature in longer than 270 days from the time of purchase and the issuing entity has at least $500 million in assets (limited to 33% of portfolio);
Money market mutual funds provided they are comprised of only U.S. Treasuries, Agencies, and instrumentalities;
Public Treasurer's Investment Pool-State Treasurer's Office;
Repurchase agreements of Government securities;
Other specifically defined repurchase agreements.

B. Diversification

Southern Illinois University will diversify its investments by security type, issue and maturity in order to reduce overall portfolio risks while striving to meet or exceed the benchmark average rate of return. Obligations of the United States of America, its agencies, and its instrumentalities are eligible without limit. No more than one-third of Southern Illinois University’s funds may be invested in short term obligations of corporations.

C. Collateralization Requirements

In accordance with the State Finance Act (30 ILCS 105/6a-1), deposits that exceed the amount of federal deposit insurance coverage shall be collateralized using eligible securities as listed in the Deposit of State Moneys Act (15 ILCS 520/11). The collateral for various investments shall be held by third parties or in a separate trust department of a participating bank. The collateralization level must be in an amount equal to at least market value of that amount of funds deposited exceeding the insurance limitation provided by the Federal Deposit Insurance Corporation or the National Credit Union Administration or other approved share insurers.

D. Release of Collateral

Only the Treasurer and his designees shall be authorized to release securities pledged as collateral. All requests for the release of collateral shall be confirmed in writing.
E. **Confirmation**

Receipts for confirmation of purchase of authorized securities should include the following information: trade date, par value, rate, price, yield, settlement date, description of securities purchased, agency's name, net amount due, and third party custodial information. These are minimum information requirements.

F. **Pooling**

The University will pool all operating cash for investment purposes to provide for efficiencies and economies in their management. Proceeds related to revenue bond and certificate of participation financing activities will be pooled to the extent allowed under the covenants.

III. **SELECTION OF INVESTMENT ADVISORS, INVESTMENT MANAGERS, AND FINANCIAL INSTITUTIONS**

A. **Investment Advisors and Investment Managers**

Investment advisors and investment managers who manage University funds must be registered with the Securities and Exchange Commission and carry adequate levels of insurance. The University will annually send a copy of the Investment Policy to investment advisors and investment managers who manage University funds. The University will follow the State’s Procurement Policy when issuing public Requests For Proposal in selecting its advisors and managers.

B. **Qualification of Brokers, Dealers, and Financial Institutions**

The University will only transact business with banks, savings and loan associations, and broker dealers who have been approved by the University.

IV. **INTERNAL CONTROL PROCEDURES**

A. **Purchase of Securities**

The Treasurer will delegate authorization to purchase investment securities to employees, as needed. A list of these authorized employees will be provided to each investment broker/dealer. A confirmation of the purchase of authorized securities will be provided to the Treasurer. All security transactions will be conducted “delivery versus payment.”
On occasion, there will be a need for the Treasurer to delegate authorization to a third party to purchase securities on behalf of the University. In these instances, a one-time delegation will be executed that clearly states the type of security, the amount to be purchased, the maturity date, and the purchase date.

B. **Safekeeping of Assets**

All securities (except collateral) owned by the University will be held by its safekeeping agents. The University will contract with a bank or banks for the safekeeping of securities which are owned by the University as a part of its investment portfolio or which have been transferred to the University under the terms of any repurchase agreements. Safekeeping reports shall be provided.

C. **Sale of Securities**

The Treasurer will delegate authorization to initiate the sale of investment securities to employees, as needed. A list of these authorized employees will be provided to each broker/dealer. The proceeds of all sales transactions will be deposited into a University account.

D. **Wire/ACH Transactions**

Where possible, the University will use repetitive wire transfers and preformatted ACH transfers to restrict the transfer of funds to preauthorized accounts only. When transferring funds to an account using a non-repetitive wire or a non-preformatted ACH transfer, the bank is required to call back a second pre-established employee for confirmation that the transfer is authorized.

V. **STRUCTURE AND RESPONSIBILITY**

This section of the Policy defines the overall structure of the investment management program.

A. **Responsibilities of the Finance Committee of the Board of Trustees**

The Finance Committee of the Board of Trustees will, upon recommendation of the Treasurer:

1. review and recommend to full Board a written investment policy, consistent with the requirements of the Public Funds Investment Act including:
   a. the definition of maturity ranges;
   b. the allocation of funds;
   c. the setting of benchmarks for evaluating investment performance.
2. review quarterly investment reports.

3. approve the selection and assess the performance of investment managers.

B. Responsibilities of the Treasurer

The Treasurer is appointed by the Board of Trustees and is chief custodian of all funds held in the name of the Board of Trustees. The Treasurer is responsible for recommending, as necessary, financial policies and procedures to ensure compliance with State and Federal laws, Board Policies and University Guidelines. Investment oversight and banking relations are also responsibilities of the office. The Treasurer is responsible for providing the President and Board a quarterly report of cash and investment activities.

C. Investment Managers

The investment managers are accorded full discretion, within the limits set forth in this Statement of Investment Policy and investment guidelines, to (1) select individual securities, (2) adjust the maturity mix, where applicable, and (3) diversify their portfolios so as to limit the impact of large losses in individual investments on the total portfolio.

The investment managers will provide the Treasurer with a monthly report of investment activity and investment performance.

D. Ethics and Conflicts of Interest

Officers, employees and agents, including, but not limited to, investment managers, involved in the investment process shall refrain from personal business activity that conflicts with the proper execution of the investment program, or impairs their ability to make impartial investment decisions. They shall disclose any material financial interests that could be related to the performance of the University's investment portfolio. They shall also comply with all applicable Federal and State laws governing ethics and conflict of interest.

VI. PERFORMANCE EVALUATION

The Treasurer will perform periodic reviews of the cash and investment activity to ensure that the safety, liquidity and performance of the investment portfolio is appropriate.

The Treasurer will provide a quarterly report of cash and investment activity to the President and Board of Trustees.
The Finance Committee of the Board of Trustees will review the performance of each portfolio and Total Fund relative to appropriate benchmarks on a quarterly basis.

The following benchmarks are currently being utilized:

<table>
<thead>
<tr>
<th>Portfolio</th>
<th>Benchmark</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td>Short Term</td>
<td>BofA Merrill Lynch US 3-Month Treasury Bill Index</td>
<td>An index that is comprised of the rolling 3-Month Treasury Bill.</td>
</tr>
<tr>
<td>Total Fund</td>
<td>Performance Benchmark</td>
<td>A weighted-average return of the above portfolio benchmarks. The weights assigned to each benchmark are based on the actual monthly allocations to each portfolio.</td>
</tr>
</tbody>
</table>

Results will be evaluated relative to the above benchmarks and relative to the risks incurred in generating the results.

VII. STATEMENT OF INVESTMENT POLICY REVIEW

This Statement will be reviewed as governing Statutes are modified or when there is a material change in University circumstances that may warrant a new asset allocation policy. Absent these changes, this policy statement will be reviewed and modified, if appropriate, no less than every five years.

VIII. PUBLIC NOTICE

A. Investment Policy

Pursuant to the Public Funds Investment Act (30 ILCS 235/2.5(c)), the investment policy shall be made available to the public at the University’s main administrative office. Further, a copy of the investment policy will be posted on the web site of the Treasurer.
B. **Investment Performance**

Pursuant to the Accountability for the Investment of Public Funds Act (30 ILCS 237), the University will post monthly investment performance on the Treasurer’s web site by the 15th day following the end of the month.

C. **GASB 3 and GASB 40**

In reporting investments on its financial statements, the University follows the reporting requirements of GASB 3 and GASB 40.

**AUTHORIZATION TO PAY FOR UNPAID CLOSURE DAYS**

**Summary**

This matter seeks approval by the SIU Board of Trustees to pay eligible current and former/separated SIUC employees for unpaid closure or furlough days taken by those employees during Fiscal Year 2011. Employees and many of the University’s collective bargaining groups took four (4) unpaid furlough days to assist the University in managing a budgetary shortfall for Fiscal Year 2011.

**Rationale for Adoption**

Adoption of the proposed resolution would provide authority for the President to pay employees who are not covered by an applicable collective bargaining agreement for unpaid closure days taken in FY11. In addition, adoption of the proposed resolution would provide authority for the President to engage in bargaining with unions whose employees took unpaid closure days in FY11 (i.e., not receiving payment for those days) to effectuate payment for those days.

A payment of these days would recognize the sacrifice of the employees during a difficult financial period for the University. On December 18, 2014, the Illinois Educational Labor Relations Board (IELRB) ordered the University to “make whole” (i.e., payment for furlough days taken, with interest as defined by the IELRB) employees in three SIUC collective bargaining units (Non-Tenure Track Faculty Association; Association of Civil Service Employees; and the Tenure/Tenure-Track Faculty Association) who were also required to take unpaid furlough days during the same period. The University determined not to appeal the IELRB ruling after consultation with the Board of Trustees’ Executive Committee.
The recommended resolution would thus provide the same “make whole” remedy for all other employees not covered by the IELRB Order—including interest payment at the same level as prescribed by the Order. The payment authorized by this resolution would provide equal treatment for all other 2,100 current and former impacted employees beyond the 1,425 current and former tenure/tenure-track faculty, non-tenure faculty, and civil service employees covered by the IELRB ruling. Equitable treatment for all employees of SIUC in this instance is viewed as a basic fairness issue covering all staff who were treated in the same fashion under the furlough days requirement.

Considerations Against Adoption

The present budget concerns for FY16 provide the largest consideration against the proposed action. The cost to extend this authorization to all other impacted employees—beyond only those in the IELRB-covered unions—would be approximately $2,147,727, which includes $1.097 million in state funds. (The cost just for those employees covered by the Order is $1,890,369, with about $1.764 million of that comprised of state funds.) Funds had been set aside in the current fiscal year budget, utilizing reserves and carryforward monies, that can be made available for this purpose. However, by not providing this compensation to employees, the University could better conserve a significant amount of cash to deal with anticipated lower state funding in FY16. Another item for the Board’s consideration could be to limit payments for the employees covered by this authorization solely to current employees, and/or to not grant the interest payment as required for the three unions subject to the IELRB Order.

Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That the President is authorized to take action to pay all eligible current and former/separated non-bargaining unit employees with interest at a rate specified by the IELRB who took unpaid closure days during Fiscal Year 2011 for those closure days.

BE IT FURTHER RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That the President is authorized to request to bargain with all unions who represent employees who took unpaid closure days during Fiscal Year 2011 and who have not otherwise or will not otherwise receive payment of those days regarding the appropriate method of payment of those days or an alternative compensation.

BE IT FURTHER RESOLVED, That the President of Southern Illinois University be and is hereby authorized to take whatever necessary and reasonable action that may be required in the execution of this Resolution.
PROPOSED REVISIONS TO THE BOARD OF TRUSTEES POLICY
ON INTERNAL AUDIT
[AMENDMENTS TO 5 POLICIES OF THE BOARD E]

Summary

This matter seeks approval by the SIU Board of Trustees to revise the Board of Trustees Policy regarding Internal Audit (5 Policies E).

Rationale for Adoption

A revision to the Policy is necessary to comply with the International Standards for the Professional Practice of Internal Auditing (Standards) developed by the Institute of Internal Auditors as amended. Specifically, the Standards require certain language be included in the Internal Audit Charter. The Internal Audit Charter for Southern Illinois University is included in 5 Policies E.3. The revision includes a statement regarding governance activities and processes, which should be explicitly stated as part of the scope of internal audit activities.

Considerations Against Adoption

None. The current Policy does not include the language in regards to governance activities, as recommended by current guidance.

Constituency Involvement

Not applicable.

Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University, in regular meeting assembled, That:

The proposed revision to the Board of Trustees Policy on Internal Audit is hereby adopted, and the newly adopted Policy shall replace the current Policy of the Board.
E. Internal Audit Policy

1. The President, as the chief executive officer of Southern Illinois University, is responsible for the development and implementation of a program of internal audit.

2. The President will promulgate guidelines which give direction to the overall internal audit function of the University; these guidelines, as they are developed and amended, will be transmitted to members of the Board of Trustees.

3. Internal Audit Charter: This charter identifies the purpose, authority, and responsibility of the Internal Audit function at Southern Illinois University. The Internal Audit function resides within the Office of Internal Audit, Compliance and Ethics. (9/13/12)

   a. Purpose: The Internal Audit function was established within Southern Illinois University to conduct assurance reviews of operations and procedures and to report findings and recommendations to the institution's administration and to the Board of Trustees. All Internal Audit endeavors are to be conducted in accordance with applicable law, institutional objectives and policies, as well as professional ethics and standards. Specifically, activities of the Internal Audit function will be carried out in accordance with the mandatory nature of the Definition of Internal Auditing, the Code of Ethics, and the Standards established by the Institute of Internal Auditors (International Standards for the Professional Practice of Internal Auditing (Standards)). The Internal Audit function may report that its operations are conducted in conformance with the International Standards for the Professional Practice of Internal Auditing, only if the results of the quality assurance and improvement program support the statement. (11/9/06, 4/14/11, 9/13/12)

   b. Authority

   1. The Internal Audit function reports administratively to the President, whose authority as chief executive officer is sufficient to assure a broad range of audit coverage and adequate consideration of effective action on internal audit findings and recommendations. The Internal Audit function has an independent, functional responsibility to the Audit Committee of the Board of Trustees for reporting on the adequacy and effectiveness of internal controls. (5/14/98, 3/13/03, 9/11/08, 9/13/12)

   2. While the Internal Audit function is an integral part of Southern Illinois University and functions in accordance with the policies established by the President and the Board of Trustees, it is essential for the internal audit activity to be independent of the activities audited. To enhance and ensure this independence, and with strict accountability for safekeeping and confidentiality, internal audit staff are authorized unlimited access to all records,
personnel, and physical properties which the Executive Director of
Audits has determined to be relevant to the performance of
assigned audits. Consulting services may be performed, if
conducted in accordance with applicable standards. (11/09/06,
4/14/11, 3/22/12, 9/13/12)

3. In performing its work, the Internal Audit function shall assert no
direct responsibility nor authority over activities reviewed.
Therefore, its appraisal of activities does not relieve other persons
in the organization of any responsibilities assigned to them.
Furthermore, when assisting management in establishing or
improving risk management processes, internal auditors must
refrain from assuming any management responsibility by actually
managing risks. (4/14/11, 9/13/12)

c. Responsibility

1. The Internal Audit function is responsible for providing Southern
Illinois University's administrators and Board members with
information about the adequacy and the effectiveness of its system
of internal controls and quality of operating performance. To
accomplish this responsibility, all institutional activities are subject
to audit, including all governance activities and processes.
(9/13/12, 2/2/15)

2. The scope of internal auditing encompasses examining and
evaluating the University's governance, operations and information
systems against established standards in carrying out assigned
responsibilities. Areas of review include (04/14/11, 2/2/15):

   a. reliability and integrity of financial and operating
      information;
   b. compliance with policies, plans, procedures, laws, and
      regulations;
   c. safeguarding assets;
   d. effectiveness and efficiency of operations and programs;
   e. accomplishment of institutional goals and strategic
      objectives;
   f. evaluation of the potential for the occurrence of fraud and
      how the organization manages fraud risk;
   g. assessment of whether the Information Technology
governance supports the University's strategies and
   objectives; and
   h. evaluate the effectiveness and contribute to the
      improvement of the risk management process.

3. The Executive Director of Audits is generally responsible for the
administration of this policy and for functionally directing and
effectively managing the internal audit activities throughout
Southern Illinois University. Specifically, the Executive Director of Audits (04/14/11):

a. is responsible for communicating directly and interacting with the Audit Committee regarding the results of activity of the Internal Audit function. The Chief Audit Executive must report periodically to senior management and the Audit Committee on the internal audit activity's purpose, authority, responsibility, and performance relative to its plan. Reporting must also include significant risk exposures and control issues, including fraud risk, governance issues, and other matters needed or required by the Audit Committee or senior management. (9/13/12)

b. must develop and maintain a quality assurance and improvement program that covers all aspects of the internal audit activity. The results of external assessments must be reported to senior management and the Audit Committee.

c. must have direct and unrestricted access to senior management and the Audit Committee, and must identify and consider the expectations of senior management, the board and other stakeholders for internal audit opinions and other conclusions. When an overall opinion is issued, it must take into account the expectations of senior management, the board, and other stakeholders and must be supported by sufficient, reliable, relevant, and useful information.

4. Southern Illinois University administrators are responsible for providing internal auditors with timely access to records, personnel, and physical properties which the Executive Director of Audits has determined to be relevant and for making sure that prompt, pertinent, and comprehensive responses are made to audit recommendations.
APPROVAL OF PURCHASE:
BOOK DISTRIBUTION SERVICES,
CARBONDALE CAMPUS, SIUC

Summary

This matter seeks to award the concessions contract for the book distribution services for the Southern Illinois University Press to the University of Chicago dba University of Chicago Press. The contract will be for five years with an option for one five-year renewal. The total cost for this contract and all renewals will be approximately $2,255,000.

Rationale for Adoption

Southern Illinois University (SIU) Press supports the mission of SIUC by publishing research and scholarship material in a variety of disciplines, and its current book inventory consists of 920 active titles. SIU Press books are shipped worldwide to brick and mortar stores, online retailers, wholesalers, college bookstores, libraries, individuals, and various other customers.

On July 1, 2006, the University of Chicago Press began providing distribution services to SIU Press. These services include warehousing, customer service, accounting services, order fulfillment, returns management, collections, short run digital printing, and all attendant information technology.

The University of Chicago Press provides SIU Press with a monthly accounts receivable and cash receipts reconciliation report. SIU Press is reimbursed each month for monies collected from the sale of materials. In turn, SIU Press compensates the University of Chicago Press for services rendered at the rate of 13% on net sales of print books and 7% on net sales of eBooks. Since partnering with the University of Chicago Press, SIU Press net sales have averaged $1.1 million per year, with average distribution fees of $225,000 per year.

In accordance with the Illinois Procurement Code and the Southern Illinois University Board of Trustees policies, a concessions award was submitted to the Illinois Higher Education Procurement Bulletin for review.

This matter seeks to award a contract to the University of Chicago dba University of Chicago Press. This award includes a five-year contract with an option to renew for one five-year period. The contract will be funded by proceeds from the sale of books and educational material.
This matter is recommended for adoption by the Acting Provost and Vice Chancellor for Academic Affairs, SIUC.

Considerations Against Adoption

University officials are aware of none.

Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That:

(1) The concessions contract for book distribution services for a period of five years beginning on September 1, 2015, with an option for one five-year renewal, be and is hereby awarded to the University of Chicago dba University of Chicago Press for a total cost of $2,255,000.

(2) The Board of Trustees hereby authorizes the purchase of goods and services associated with this award.

(3) Funding for this purchase will come from the proceeds from the sale of books and educational material.

(4) The President of Southern Illinois University be and is hereby authorized to take whatever action may be required in the execution of this resolution in accordance with established policies and procedures.
APPROVAL OF PURCHASE:
MICROSOFT ENROLLMENT FOR EDUCATION SOLUTIONS,
CARBONDALE CAMPUS, SIUC

Summary

This matter seeks approval to enter into a three-year agreement with EnPointe Technologies Sales, Inc. for Microsoft Enrollment for Education Solutions (EES) software to be used at the Southern Illinois University Carbondale and School of Medicine campuses. The total cost for this agreement is $1,046,305.65.

Rationale for Adoption

The Board of Trustees of Southern Illinois University has an existing Microsoft Campus Agreement which covers the use of Microsoft Office and various desktop and server operating systems. This software is utilized on student, faculty and staff computers, lab environments, and on production servers.

The EES agreement provides client-access licenses enabling connection to production servers and systems such as: SharePoint, Exchange and virtualized environments. In addition, this agreement covers the following:

- Installation of the Microsoft Operating Systems and Office products
- Work at Home use
- Software Assurance

Without this agreement, SIU Carbondale and School of Medicine would have to discontinue coverage and be required to remove Windows Operating Systems and Office products from all computer systems on campus and inform faculty and staff that they must remove the products from personally owned computers if utilizing the Work At Home agreement.

The contract will be funded from the SIUC and SIU School of Medicine Information Technology Fee Accounts.

This matter is recommended for adoption by the Acting Provost and Vice Chancellor for Academic Affairs, SIUC.

Considerations Against Adoption

University officials are aware of none.
Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That:

(1) The contract for Microsoft Enrollment for Education Solutions software be and is hereby awarded to EnPointe Technologies Sales, Inc. for a period of three years, beginning July 1, 2015, at a total cost of $1,046,305.65.

(2) The Board of Trustees hereby authorizes the purchase of goods and services associated with this award.

(3) Funding for this purchase will come from the SIUC and the SIU School of Medicine Information Technology Fee accounts.

(4) The President of Southern Illinois University be and is hereby authorized to take any action that may be required in the execution of this resolution in accordance with established policies and procedures.

APPROVAL OF PURCHASES:
FURNITURE, ADMINISTRATIVE OFFICE BUILDING, SCHOOL OF MEDICINE CAMPUS, SIUC

Summary

This matter seeks approval to purchase furniture for the Administrative Office Building. The total cost for this purchase is $932,819.56 and will be funded with SIU School of Medicine non-appropriated funds and funds derived from patient revenue sources.

Rationale for Adoption

The SIU School of Medicine and SIU HealthCare have multiple supporting departments that provide assistance for the operations of the school and the practice. These departments, totaling approximately 300 staff, provide administrative, clinical quality, information technology, patient billing services, compliance, clinical research, and community healthcare support. The departments work closely with the School of Medicine Campus and the two main hospitals in Springfield.

As there is a need for consolidation of services and a lack of space on the School of Medicine Campus, these departments will be relocating into a newly renovated leased space and will require more efficient furniture as an open landscape space will be utilized with partition walls, small and large conference rooms and training
areas, and include an employee lunchroom, work areas and support space. This space was identified through a Request for Information (RFI) bidding process in October 2014.

This matter seeks to award contracts to Kimball International Marketing, Inc., Jasper, IN, Allsteel Headquarters, Muscatine, IA, Kruger International (KI) Green Bay, WI, and Herman Miller in care of Wiley Office Furniture, Springfield, IL. This purchase will be made in accordance with the Illinois Public Higher Education Consortium (IPHEC) state procurement contract with the exclusion of the Herman Miller furniture (a non IPHEC Vendor) and will be funded from School of Medicine non-appropriated funds and funds derived from patient revenue sources.

This matter is recommended for adoption by the Dean and Provost of the School of Medicine.

Considerations Against Adoption

University officers are aware of none.

Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That:

(1) The purchase of furniture for the Administrative Office Building is hereby awarded to Kimball International Marketing, Inc., Jasper, IN, in the amount of $194,217.30.

(2) The purchase of furniture for the Administrative Office Building is hereby awarded to Allsteel Headquarters, Muscatine, IA, in the amount of $638,688.78.

(3) The purchase of furniture for the Administrative Office Building is hereby awarded to Kruger International (KI), Green Bay, WI, in the amount of $77,981.76.

(4) The purchase of furniture for the Administrative Office Building is hereby awarded to Herman Miller in care of Wiley Office Furniture, Springfield, IL, in the amount of $21,931.72.

(5) Funding for this purchase will come from School of Medicine non-appropriated funds and funds derived from patient revenue sources.

(6) The President of Southern Illinois University be and is hereby authorized to take whatever action may be required in the execution of this resolution in accordance with established policies and procedures.
APPROVAL OF PURCHASE:
ADMINISTRATIVE OFFICE BUILDING LEASE
SCHOOL OF MEDICINE CAMPUS, SIUC

Summary

This matter seeks approval for the purchasing contract for leased space. The purchase order for the lease is based on the annual lease rate maximum value of the first year contract of $1,491,105.00.

Rationale for Adoption

The SIU School of Medicine and SIU HealthCare have multiple supporting departments that provide assistance for the operations of the school and the practice. These departments, totaling approximately 300 staff, provide administrative, clinical quality, information technology, patient billing services, compliance, clinical research, and community healthcare support. The departments work closely with the School of Medicine Campus and the two main hospitals in the city.

As there is a need for consolidation of services and a lack of space on the School of Medicine Campus, these departments will be relocating into 58,000 square feet of newly renovated leased space located at 201 East Madison, Springfield, Illinois, located in Springfield’s medical district.

In accordance with the Illinois Procurement Code and the SIU Board of Trustees Policies, a Request for Information (RFI) was issued. The award recommendation is based on the lowest bidder meeting specifications and has been posted in the State Procurement Bulletin with no contest.

This matter is recommended for adoption by the Dean and Provost of the School of Medicine.

Considerations Against Adoption

University officers are aware of none.

Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That:
(1) The purchase order for leased space, School of Medicine Campus, SIUC, be and is hereby awarded to Memorial Health Systems, Springfield, IL for a five year term with one option to renew for an additional five years.

(2) The Board of Trustees hereby authorizes the purchase of goods and services associated with this award.

(3) The purchase will be funded by School of Medicine non-appropriated funds and funds derived from patient revenue sources.

(4) The President of Southern Illinois University be and is hereby authorized to take whatever action may be required in the execution of this resolution in accordance with established policies and procedures.

AWARD OF CONTRACT:
STEAM TUNNEL REPAIRS,
CARBONDALE CAMPUS, SIUC

Summary

This matter seeks to award the contract for the steam tunnel repairs on the Carbondale campus. Bids for construction were received and the award of the contract for a total of $530,060 is requested.

Rationale for Adoption

The Carbondale campus utilizes a network of approximately eight miles of underground reinforced concrete tunnels for utility distribution to most of the central campus buildings. Referred to as the steam tunnels, some are in excess of fifty years old and have shown signs of deterioration and failure. The top of certain sections of the tunnels have begun to deteriorate in some areas causing the steam line anchors to break loose. In July 2012, the SIU Board of Trustees approved the project for the repair of the steam tunnels at an estimated cost of $1,000,000.

This project will provide structural improvements and the replacement of pipe stanchions, expansion joints, and steam line anchors. The areas of concern were identified in the Steam Tunnel Investigation Report completed by an outside consultant. The work will be funded from the proceeds of Certificates of Participation (COPs) that were issued on February 13, 2014. The debt payment is repaid from the Facilities Maintenance Fee.

This matter is recommended for adoption by the Vice Chancellor for Administration and Finance, SIUC.
Considerations Against Adoption

This project will require the temporary shut-down of steam to several facilities and will also create temporary closures of some walkways south of the Student Center both of which may produce an inconvenience for students, faculty, and staff.

Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That:

(1) The contract for steam tunnel repairs, Carbondale Campus, SIUC, be and is hereby awarded to A & W Plumbing and Heating, Murphysboro, IL, in the amount of $530,060.

(2) Funding for this work will come from proceeds of Certificates of Participation (COPs) that were issued on February 13, 2014. The debt payment is repaid from the Facilities Maintenance Fee.

(3) The President of Southern Illinois University be and is hereby authorized to take whatever action may be required in the execution of this resolution in accordance with established policies and procedures.

PROJECT AND BUDGET APPROVAL:
GREENHOUSE DEMOLITION, CONSTRUCTION AND RENOVATIONS,
AGRICULTURAL SCIENCES AND BOTANY TEACHING,
CARBONDALE CAMPUS, SIUC

Summary

This matter seeks project and budget approval for the demolition, construction, and renovations to the Agricultural Sciences and Botany Teaching greenhouses. This project will be administered by the Illinois Capital Development Board (CDB). The total project budget is estimated at $4,600,000.

Rationale for Adoption

The Agricultural Sciences and Botany Teaching greenhouses were constructed in the 1950’s and each has moderate to severe structural deficiencies, mechanical problems, and/or utility failures because of their age and deferred maintenance. Each facility has very limited environmental controls, meaning that stable lighting, humidity, and temperature cannot be maintained over time.

The Ag greenhouse work will consist of asbestos abatement, demolition of existing greenhouse, renovation of the head house and construction of a new greenhouse. The Botany Teaching greenhouse work will include abatement, repairs to the structures and renovations to the head house and the greenhouse.

CDB has retained the design consultants and solicited bids for the project. The contracts will be awarded and held by CDB. Construction is slated to begin the summer of 2015 with completion in 2016.

Funding for the project will come from the Illinois Capital Development Board estimated at $2,425,428, the Facilities Maintenance Fee estimated at $1,264,572, the College of Science estimated at $455,000, and the College of Agricultural Sciences estimated at $455,000.

This matter is recommended for adoption by the Vice Chancellor for Administration and Finance, SIUC.
Considerations Against Adoption

This project will require temporary relocation of all scholastic and research activities located in the facilities until the phased work is completed. This work also presents a risk to the College of Science for the potential of additional costs associated with the protection and storage of the valuable plant collection located in the Botany greenhouse.

Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That:

1. Project and budget approval for the demolition, construction, and renovations to the Agricultural Sciences and Botany Teaching greenhouses, Carbondale Campus, SIUC, at an estimated cost of $4,600,000, be and is hereby approved.

2. Funding for this project will come from Illinois Capital Development Board estimated at $2,425,428, the Facilities Maintenance Fee estimated at $1,264,572, the College of Science estimated at $455,000, and the College of Agricultural Sciences estimated at $455,000.

3. The Board of Trustees hereby authorizes the expenditure of funds for the University’s share of goods and services associated with this project.

4. The President of Southern Illinois University be and is hereby authorized to take whatever action may be required in the execution of this resolution in accordance with established policies and procedures.

PROJECT AND BUDGET APPROVAL:
LAWSON HALL RENOVATIONS,
CARBONDALE CAMPUS, SIUC

Summary

This matter seeks project and budget approval for renovations to Lawson Hall. Total project budget is estimated at $1,500,000.

Rationale for Adoption

Lawson Hall serves as one of the major lecture halls on campus. The classrooms were recently renovated with new equipment, finishes, and furniture, along with smart technology. This project will focus on the restrooms including ADA accessibility, new entries and replacement of the glass facades.
Design will be completed with in-house resources and the work will be completed with a combination of in-house labor and through the external bid process. Construction is slated to begin the summer of 2015 with completion in 2016. Funding for this project will come from the Facilities Maintenance Fee.

This matter is recommended for adoption by the Vice Chancellor for Administration and Finance, SIUC.

Considerations Against Adoption

This project will require phased work calling for temporary closures of the restrooms and entries which may create a potential for inconvenience.

Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That:

(1) Project and budget approval for the renovations to Lawson Hall, Carbondale Campus, SIUC, at an estimated cost of $1,500,000, be and is hereby approved.

(2) The Board of Trustees hereby authorizes the purchase of goods and services associated with this project.

(3) Funding for this project will come from the Facilities Maintenance Fee.

(4) The President of Southern Illinois University be and is hereby authorized to take whatever action may be required in the execution of this resolution in accordance with established policies and procedures.
Summary

This matter seeks project and budget approval for Phase II of the renovations to McLafferty Annex to create research space. The cost for the second phase of the work is estimated at $1,000,000.

Rationale for Adoption

At the July 12, 2012, Board of Trustees meeting, project and budget approval was received for the first phase of renovation of McLafferty Annex. Phase I encompasses approximately 20,000 square feet of the building. The estimated cost of the first phase is $3,000,000 and the work is being funded from indirect costs collected from research activities and Plant funds. When the Board of Trustees approved the project and budget for Phase 1, it was noted that requests for subsequent renovation phases would be presented to the Board for consideration.

Phase II of this project will continue the build out of lab and office space for departments requiring research space. Phase II will also include work in the common use zones to enhance the collaboration of researchers. Two other researchers have been identified as new additions to the facility. Fermentation Science Institute will occupy approximately 4,560 square feet and the Department of Chemistry and Biochemistry will require approximately 2,225 square feet for the development of the first phase of a laser laboratory. The Phase II renovations will continue to build flexible space to meet today’s needs of faculty and researchers. The renovated space will improve research opportunities for the University.

McLafferty Annex, built in 2005, is approximately 65,500 square feet. The facility was originally built to provide storage and surge space during the renovation and addition to Morris Library. With the completion of construction at Morris Library and the relocation of the books held in storage, McLafferty Annex was available for re-assignment.

This matter is recommended for adoption by the Vice Chancellor for Administration and Finance and the Interim Vice Chancellor for Research, SIUC.

Considerations Against Adoption

This project will require phased work and may cause a disruption to the teaching and research being conducted in the areas that will be completed.
Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That:

(1) Project and budget approval for Phase II of the renovations to McLafferty Annex, Carbondale Campus, SIUC, at an estimated cost of $1,000,000 be and is hereby approved.

(2) The Board of Trustees hereby authorizes the purchase of goods and services required to complete Phase II of this project.

(3) Non-appropriated funds for Phase II of this project will come from the Office of the Chancellor, the Office of the Vice Chancellor for Research and Plant funds.

(4) The President of Southern Illinois University be and is hereby authorized to take whatever action may be required in the execution of this resolution in accordance with established policies and procedures.

AWARD OF CONTRACT: SCHOOL OF DENTAL MEDICINE STUDENT LAB RENOVATION, SIUE

Summary

This matter approves award of a construction contract in the amount of $475,000 to remodel the Student Lab in the Dental Clinic Building on the Alton campus.

Rationale for Adoption

On December 11, 2014, the SIU Board of Trustees approved the project: School of Dental Medicine Student Lab Renovation, SIUE. The project will renovate the existing student lab located in the main Dental Clinic.

The project would include the replacement of the existing dental casework including provisions for ADA compliance, replacement of the flooring, replacement of the ceiling pads, replacement of the general illumination lighting, and new electrical, natural gas and compressed air for each lab station.

The approved budget for the project is $600,000 and will be funded from the Dental Clinic Operations Fund and the Dental Equipment Fee.

The bids received for the project are favorable and the award of a contract is now requested. A summary of bids received is attached for review. The Chancellor,
the Provost and Vice Chancellor for Academic Affairs, and the Vice Chancellor for Administration, SIUE, have recommended this matter to the President.

Considerations Against Adoption

The work included in this project will cause a temporary inconvenience to students working in the Summer 2015 term. Students will be re-directed to the new Multi-Discipline Lab during the renovation.

Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That:

(1) The contract to perform construction work required for the School of Dental Medicine Student Lab Renovation, SIUE, be and is hereby awarded to the following:

   a. General Contractor

      R & W Builder’s Inc., Belleville, IL

      Base Bid $475,000

(2) The President of Southern Illinois University be and is hereby authorized to take all action required in the execution of this resolution in accordance with established policies and procedures.

PLANNING APPROVAL: EDWARDSVILLE CAMPUS DENTAL CLINIC RENOVATION,
SIUE

Summary

This matter seeks approval to develop plans and cost estimates to renovate 195 University Park Drive in order to develop an Edwardsville Campus Dental Clinic for the School of Dental Medicine. The cost of the work will be finalized once a comprehensive cost estimate is determined. Final project and budget approval and award of contracts will require further Board consideration.

Rationale for Adoption

The Edwardsville Campus Dental Clinic will be primarily used to accommodate the newly approved “International Advanced Placement Program” at the School of Dental Medicine. The laboratory space in the clinic will accommodate the international students for their Clinical Certification Course, a 12 week intensive program prior to their matriculation as a Year 3 dental student.

The clinical space in the Edwardsville Campus Dental Clinic will accommodate various clinical rotations, primarily for graduate students. This usage will free necessary chair space in the main clinic in Alton to accommodate the International Program students with their cohort class. Additionally, this space will accommodate expansion of our existing postdoctoral training programs as well as the addition of new programs.

The design and renovation will be funded from University Plant funds, facility equipment revenues, and private donations.

A Qualifications Based Selection (QBS) process selected AAIC Architects to help determine the extent of the work and the estimated cost of the work. Final project and budget approval and award of contracts will require further Board action. The Chancellor, the Provost and Vice Chancellor for Academic Affairs, and the Vice Chancellor for Administration, SIUE, have recommended this matter to the President.

Considerations Against Adoption

The building is currently leased to three private tenants. The tenants will be displaced but the University will work with the tenants to identify space for them to rent off campus.
Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That:

(1) Development of plans and cost estimates for Edwardsville Campus Dental Clinic Renovation, SIUE, be and is hereby approved.

(2) The President of Southern Illinois University be and is hereby authorized to take all action required in the execution of this resolution in accordance with established policies and procedures.

AWARD OF CONTRACTS: STUDENT FITNESS CENTER WEIGHT ROOM EXPANSION AND VADALABENE CENTER ENTRANCE RENOVATION, SIUE

Summary

This matter approves award of construction contracts in the amount of $1,618,243 to expand the Student Fitness Center weight room and renovate the Vadalabene Center entrance on the Edwardsville campus.

Rationale for Adoption

On February 13, 2014, the SIU Board of Trustees approved the project: Student Fitness Center Weight Room Expansion and Vadalabene Center Entrance Renovation, SIUE. The project will construct an addition to the Free-Weight Room in the Student Fitness Center.

This project would include an expansion of approximately 5,400 square feet of space onto the existing Free-Weight Room. This project would require rebuilding the south entrance of the Vadalabene Center where the Student Fitness Center connects to the Vadalabene Center.

The approved budget for the project is $2,600,000, of which, $1,050,000 will be funded from Student Fitness Center Non-Instructional Facilities Reserve Account funds and up to $1,550,000 will be funded from the sale of revenue bonds to be re-paid from Student Fitness Center Fee revenues.

The bids received for the project are favorable and the award of contracts is now requested. A summary of bids received is attached for review. The Chancellor, the Vice Chancellor for Student Affairs, and the Vice Chancellor for Administration, SIUE, have recommended this matter to the President.
Considerations Against Adoption

The work included in this project will cause a temporary inconvenience to students working out in the existing weight room and those who use the south entrance to the Vadalabene Center. Pedestrians will be routed to the west and east entrances.

Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That:

(1) The contracts to perform construction work required for the Student Fitness Center Weight Room Expansion and Vadalabene Center Entrance Renovation, SIUE, be and are hereby awarded to the following:

a. General Contractor
   Interior Construction Services Ltd., St. Louis, MO
   Base Bid $1,276,000
   Alternates #1 & #2 $103,000

b. Electrical Contractor
   J.F. Electric Inc., Edwardsville, IL
   Base Bid $83,917
   Alternates #1 & #2 $2,984

c. Heating Contractor
   France Mechanical Corp., Edwardsville, IL
   Base Bid $105,700

d. Ventilation Contractor
   Bel-O Sales & Service, Inc., Belleville, IL
   Base Bid $46,642

(2) The President of Southern Illinois University be and is hereby authorized to take all action required in the execution of this resolution in accordance with established policies and procedures.

CHANGE IN PROJECT BUDGET AND AWARD OF CONTRACTS: VADALABENE CENTER WATERPROOFING, SIUE

Summary

This matter seeks approval to change the project budget to $3,374,760 and approves award of construction contracts in the amount of $2,632,400 to install architectural metal panels, limestone, and brick veneer on the exterior walls of the Vadalabene Center on the Edwardsville campus. The increase in the project budget is requested to cover the actual bid amounts and protect the project contingency. The original project budget was $3,070,000. This project would be funded from $3,070,000 in University Plant funds and $304,760 in Facilities Fee revenues.

Rationale for Adoption

On May 8, 2014, the SIU Board of Trustees approved the project: Vadalabene Center Waterproofing, SIUE, to install architectural metal panels, limestone, and brick veneer on the exterior walls of the Vadalabene Center. The building has suffered from chronic water leaks through the exposed aggregate cement plaster wall finish which, although structurally sound, has developed extensive cracks allowing rainwater to pass through. Previous attempts at sealant coatings have not been successful. A study of alternatives found installing a combination of new architectural metal panels over the existing plaster, limestone, and brick to be the most cost effective solution. The new exterior finishes will be compatible with the adjacent Student Fitness Center and the Edwardsville core campus buildings.

The approved budget for the project is $3,070,000 and is to be funded from University Plant funds. However, the actual bid amounts came in higher than expected and an increase to the budget is requested in order to cover the actual bid amounts and protect the project contingency. The revised budget would be $3,374,760 and would be funded from $3,070,000 in University Plant funds and $304,760 in Facilities Fee revenues.

A summary of bids received is attached for review. The Chancellor and the Vice Chancellor for Administration, SIUE, have recommended this matter to the President.

Considerations Against Adoption

The work included in this project will cause a temporary inconvenience to pedestrians who use the east entrance to the Vadalabene Center during the time that work is done above the entrance. Pedestrians will be routed to the north and west entrances, and a construction entrance will be erected where feasible.
Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That:

(1) The project budget for the capital project, Vadalabene Center Waterproofing, SIUE, be and is hereby increased to $3,374,760 and will be funded from $3,070,000 in University Plant funds and $304,760 in Facilities Fee revenues.

(2) The contracts to perform construction work required for the Vadalabene Center Waterproofing, SIUE, be and are hereby awarded to the following:

   a. General Contractor
      River City Construction LLC, East Peoria, IL

      Base Bid          $2,555,000
      Alternates #      $   6,900

   b. Electrical Contractor

      Base Bid          $  54,250
      Alternates #1     $  16,250

(3) The President of Southern Illinois University be and is hereby authorized to take all action required in the execution of this resolution in accordance with established policies and procedures.

PROJECT AND BUDGET APPROVAL: ART & DESIGN EAST WINDOW REPLACEMENT, SIUE

Summary

This matter seeks project and budget approval to replace the windows in the Art & Design East building, SIUE. The estimated cost of the project is $3,320,000 and will be funded from Facilities Fee revenues.

Rationale for Adoption

On September 12, 2013, the SIU Board of Trustees approved planning for the capital project, Art & Design East Window Replacement, SIUE. The project will replace the original glass block windows, many of which are cracked, damaged, and/or leaking. The project will use a combination of windows, metal panels, and limestone to replace the window systems and will be similar in appearance to the new Art & Design West building. The result will improve the building’s energy efficiency and comfort.

The estimated cost of the project is $3,320,000 and will be funded from Facilities Fee revenues. The Chancellor and the Vice Chancellor for Administration, SIUE, have recommended this matter to the President.

Considerations Against Adoption

The work included in this project will cause a temporary inconvenience to the building occupants. Interior construction walls will be erected to reduce dust, noise, and temperature fluctuations.

Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That:

(1) The capital improvement project, Art & Design East Window Replacement, SIUE, be and is hereby approved at an estimated cost of $3,320,000.

(2) The project shall be funded from Facilities Fee revenues.

(3) The President of Southern Illinois University be and is hereby authorized to take all action required in the execution of this resolution in accordance with established policies and procedures.
APPROVAL TO ESTABLISH THE SIUE CHARTER SCHOOL AS A UNIVERSITY RELATED ORGANIZATION (URO)

Summary

This matter seeks Board approval to establish the SIUE Charter School as a University Related Organization (URO) as required by the Illinois State Board of Education and Illinois State Statutes.

The SIUE Charter School was founded in 1999 and has been a school-of-choice for families in the East St. Louis School District 189. The mission of the SIUE Charter School is to prepare students to be career- and college-ready upon graduation. To achieve this mission, the school and its staff positively impact the educational and economic lives of East St. Louis, Illinois, youth through individualized instruction in core academic subjects, exploration of career interests and aptitudes, assistance in realizing students’ talents, high academic goals, and expectations that graduates will become competitive employees for the 21st century. The school currently serves a total of 115 students from grades 9-12.

Rationale for Adoption

To ensure full compliance with the Illinois State Board of Education’s requirements, Charter Schools must be organized as a URO under Illinois Statute 105 ILCS 5/27A-5 (a) and (b).

The Illinois State Board of Education (“ISBE”) informed SIUE that it requires the SIUE Charter School to incorporate itself as an independent nonprofit organization rather than being wholly under the umbrella of the university. ISBE instructed this should be accomplished by recognizing the charter school as a university related organization.

In order to be recognized as a URO, the SIUE Charter School must take several steps, including being recognized as a URO and executing a written agreement with the SIU Board of Trustees, as well as filing and requesting status as a nonprofit entity with the State of Illinois and the United States Internal Revenue Service.

Considerations Against Adoption

University officials are aware of none.

Constituency Involvement

The Chancellor of SIUE has recommended this matter to the President.
Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University, That:

(1) The SIUE Charter School, shall, upon full execution of the written agreement and other final documents herein referenced, be duly organized, accepted and recognized as a University Related Organization.

(2) The President of Southern Illinois University be and is hereby authorized to take all actions necessary pursuant to this resolution in accordance with established policies and procedures. Such actions shall include, but are not limited to, execution of required documents and agreements related to this matter.

MEMORANDUM OF UNDERSTANDING BETWEEN THE BOARD OF TRUSTEES OF SOUTHERN ILLINOIS UNIVERSITY AND SIUE CHARTER SCHOOL

This Memorandum of Understanding ("MOU") is entered into by and between The Board of Trustees of Southern Illinois University, a body politic and corporate of the State of Illinois ("University" or "SIUE"), and SIUE CHARTER SCHOOL, Inc., an Illinois not-for-profit corporation, ("CHARTER SCHOOL"). SIUE and CHARTER SCHOOL may be referred to herein collectively as "Parties," or separately as a "Party."

WHEREAS, both Parties agree and understand that quality education and access to that education is critical for the educational and economic success of individuals and of the State of Illinois; and

WHEREAS, CHARTER SCHOOL was incorporated by SIUE as a University-related not-for-profit corporation, to undertake programs to improve the quality and access of a high school education in the East St. Louis metropolitan area in the State of Illinois, and

WHEREAS, both Parties support efforts to ensure the prospect for successful completion of CHARTER SCHOOL project goals; and

WHEREAS, both parties understand and agree that the CHARTER SCHOOL must be organized as a University Related Organization ("URO") and to ensure full compliance with the statute requiring a charter school to be organized as a nonprofit corporation or other discrete, legal, nonprofit entity (501(c)3).
NOW, THEREFORE, in consideration of the mutual covenants and representations set forth below, the parties agree as follows:

1. To the extent necessary, CHARTER SCHOOL shall draft its charter and bylaws to allow it to act as an independent entity, including removal of SIUE as a performing partner of CHARTER SCHOOL, and removal of all required SIUE action and/or approvals. SIUE hereby approves of such amendments.

2. CHARTER SCHOOL shall continue to solely assume its obligations under any contracts it has or will enter into. CHARTER SCHOOL shall continue to abide by terms and conditions of any applicable grants issued to or for CHARTER SCHOOL from the federal or state governments or any other funding or granting source.

3. CHARTER SCHOOL shall defend, indemnify, and hold SIUE, its trustees, officers, employees, and agents, harmless from and against any and all claims, demands, damages, judgments, losses, or costs, including reasonable attorneys’ fees, related to any act or omission of CHARTER SCHOOL or its directors, officers, employees or agents, whether before or after the Effective Date indicated below, including, without limitation those acts or omissions connected to CHARTER SCHOOL’s contracts and funding grants. SIUE and CHARTER SCHOOL acknowledge that CHARTER SCHOOL is dependent for funding upon various grants and donations, and the officers, employees, and directors of CHARTER SCHOOL shall not be personally liable for the obligations of CHARTER SCHOOL set forth herein.

4. Neither Party may utilize the logo or name of the other Party without written permission from the other Party. Such permission shall not be unreasonably withheld. Neither Party shall be, nor may either Party hold itself out as, an affiliate, partner, subsidiary, or related entity of the other without permission from the other Party. Each Party shall maintain its separate and independent entity status. Nothing in this MOU is intended, or shall be construed, to create a partnership, joint venture, or any other similar relationship. No Party shall have the right to bind, or act as agent for, the other Party. Each Party shall be free to enter into relationships or negotiations with third parties and this MOU shall, in no way, affect existing third party relationships and/or the ability to enter into third party relationships.

5. This MOU hereby terminates all other previous agreements between SIUE and the CHARTER SCHOOL entered into between them. As of the Effective Date of this Agreement below, CHARTER SCHOOL shall be considered a University Related Organization of SIUE. As a URO, the Charter School is willing to be treated as a URO pursuant to the 1982 Illinois Legislative Audit Commission University Guidelines, as amended now and in the future (“Guidelines”), for the limited purposes set forth in the Guidelines.
6. The terms of this MOU shall be binding on the Parties.

7. This MOU shall be governed by, and construed in accordance with, the laws of the State of Illinois. In the event that there is change in Illinois statutes, regulations, rules or interpretations thereof, that renders any of the terms, or implementation of the terms, of this MOU unlawful, the Parties agree to undertake best efforts to renegotiate the affected terms and/or modify the method of implementation of such terms as necessary to achieve legal compliance.

8. This MOU represents the complete understanding of the Parties and supersedes all prior agreements, negotiations, discussions, and/or understandings, whether written or oral, related to the subject matter of this MOU.

Randy J. Dunn
President: Southern Illinois University
AGREEMENT

This Agreement is intended to set forth the terms of an understanding between The Board of Trustees of Southern Illinois University, a body politic and corporate of the State of Illinois, governing Southern Illinois University Edwardsville hereafter called the "University," and the SIUE CHARTER SCHOOL, an Illinois not-for-profit corporation having its principal offices at SIUE East St. Louis Center, 601 James R. Thompson Blvd. East St. Louis, IL 62201, hereafter referred to as "Parties,"

WHEREAS, the University has an interest in such projects due to its support of regional and statewide educational and community development efforts, and especially those initiatives that in order to undertake programs to improve the quality of high school education and access to a quality education in the East St. Louis metropolitan area in the State of Illinois, and

WHEREAS, the University has received notification of the SIUE CHARTER SCHOOL tax exempt status from the Internal Revenue Service under Section 501(c)(3) of the Internal Revenue Code effective January 16, 2014; and,

WHEREAS, the SIUE CHARTER SCHOOL and University, through its School of Education, Health and Human Behavior, have interest in managing, operating, and administering Charter School(s) to improve the quality of high school education and access to a quality education in the East St. Louis metropolitan area in the State of Illinois

NOW THEREFORE, with these objectives and under these circumstances and in consideration of the mutual covenants herein set forth, the parties agree as follows:

1. As such, the University’s School of Education, Health and Human Behavior (hereinafter, “SEHHB”) will act on behalf of the University in any activities requested of the University by the SIUE CHARTER SCHOOL in a manner consistent with the terms of this Agreement, the terms of existing agreements among the project partners, and such other terms as may be specified by the University.
2. The University may transfer to the SIUE CHARTER SCHOOL each year such funds as the parties may mutually determine to be necessary to support the activities of the SIUE CHARTER SCHOOL; provided, however, that if the actual costs of providing services pursuant to this Agreement are less than the amounts so transferred, the SIUE CHARTER SCHOOL will, at the end of each year or at such other time as may be specified by the University, refund the difference and any additional net income to the University. The SIUE CHARTER SCHOOL agrees to make monthly accounting to the SEHHB of its income and expenses.

3. The University, through the SEHHB, will assign to the SIUE CHARTER SCHOOL, a management entity who shall be employed by the University. All support staff reasonably required to assist the assigned manager in the performance of the manager's duties shall also be employed by Southern Illinois University and assigned to the SIUE CHARTER SCHOOL. This assignment shall be on a year-to-year basis and shall be revocable by either the SIUE CHARTER SCHOOL or the University upon one month’s notice to the other.

4. The parties agree that the SIUE CHARTER SCHOOL is a University-Related Organization (URO) as defined by the Legislative Audit Commission Guidelines of the Illinois General Assembly. The relationship between the parties will be conducted in accordance with the Guidelines.

5. The University may allow the SIUE Charter School to use University facilities, assets, services, and resources, provided that such use is supported by consideration at rates charged other university users, if such charges are regularly made, or at the cost of furnishing such services if no internal charges are in existence. SIUE may provide other services to CHARTER SCHOOL on a contractual basis under terms mutually agreed to by the Parties.

6. The SIUE Charter School shall maintain sufficient records to enable a post audit review of this contract.
7. The parties agree that the University, SEHBB and SIUE CHARTER SCHOOL will in all respects conduct themselves and all of their duties and obligations under this Agreement in such a manner as to further the best interests of the University, the SEHBB, and the SIUE CHARTER SCHOOL. The terms of this Agreement shall be subject to modification at any time through a written amendment signed by all parties.

8. This Agreement shall not be assigned by the Parties without the express written consent of all parties.

9. This agreement shall commence upon full execution of this agreement; provided, however, that the agreement shall automatically renew for successive one year periods unless terminated upon written notice from either party to the other within ninety (90) days of the end of any renewal period.

10. This Agreement expresses the entire agreement between the parties and no other agreements or representations either oral or written form any part of the agreement between the parties.

11. The financial reporting of the SIUE CHARTER SCHOOL as a URO will commence on July 1, 2015 for accounting purposes only. All other responsibilities and requirements shall commence on the date of execution below.

IN WITNESS WHEREOF, the parties have signed this Agreement on the _ day of , 2015.

**Purpose:** Professor Abdul-Musawwir’s planned activities include creating a series of approximately 40 abstract forms discussing the relationship between African stringed instruments and the American banjo, Africa’s contribution to America. In collaboration with the Rosemary Berkel and Harry L. Crisp II Museum, (Cape Girardeau, MO), the Smithsonian Museum (Washington, DC) and the University of Chicago’s Logan Art Center, he will develop a 2017 traveling exhibition, conduct creative fieldwork, and develop and present three expositions on his creative works and philosophy. Professor Abdul-Musawwir also intends to adapt the three lectures into book-length manuscripts for publication.

**Purpose:** Professor Albuixech will spend the sabbatical period in Spain in order to complete a master’s degree in translation (Máster Europeo de Traducción Audiovisual) at the Universitat Autònoma de Barcelona. Once completed, Dr. Albuixech will develop an innovative Translation Certification Program to be offered at SIUC, one of the few translation programs in the United States to focus on audiovisual and multimedia translation. In addition, she will prepare a proposal for a National Endowment for the Arts (NEA) grant to translate literary works.
3. Anton, Philip  

**Sabbatical**  

Kinesiology  

100%  

01/01/2016 – 05/15/2016  

**Purpose:** Professor Anton will use his sabbatical leave to further develop the collaborative relationships between SIUC, the Rocky Mountain Cancer Rehabilitation Institute (RMCRI; Greeley, CO), and the University of Alabama-Birmingham. This collaboration will include data sharing, site visits, and focused discussions related to the Strong Survivors program presented in collaboration with Southern Illinois Healthcare (SIH). Dr. Anton expects, in addition to the practical applications of the data and collaboration, to develop at least one manuscript for peer-reviewed journal publication, as well as presentations at regional and national conferences.

4. Baertsch, Karen  

**Sabbatical**  

Linguistics  

100%  

01/01/2016 – 05/15/2016  

**Purpose:** Professor Baertsch will use the sabbatical period to prepare a book manuscript outlining and expanding upon her Split Margin approach, an original theory of the syllable that builds on Optimality Theory (OT), the dominant theory in phonology, which capably handles interactions between consonants and vowels in languages where a syllable can have one consonant and one vowel but cannot deal with the many languages that allow more than one consonant and/or vowel. Dr. Baertsch’s earlier research and presentation on her theory has garnered interest from Oxford University Press for a book-length monograph on the details and practical applications of the Split Margin approach.

5. Bean, Jonathan  

**Sabbatical**  

History  

100%  

08/16/2015 – 12/31/2015  

**Purpose:** Professor Bean, in collaboration with SIUC’s Center for Teaching Excellence, will utilize the sabbatical period by developing two new online courses, HIST110: Twentieth Century America and HIST301: Modern America, both University Core Courses. In addition, Dr. Bean will further develop and enhance an existing class, HIST393: Military History, which is part of the Federal requirement for all Army ROTC students and has proven popular with non-ROTC students as well.

6. Benti, Getahun  

**Sabbatical**  

History  

100%  

01/01/2016 – 05/15/2016  

**Purpose:** Professor Benti plans to conduct two projects during his sabbatical leave. The first is to complete the revision of his book manuscript and submit the final product for publication, which will include travel to Michigan State University (East Lansing, MI) to consult with relevant collections in the university library. The second project will be to complete the first English translation of Guida Dell’ Africa Orientale Italiana (Guide to Italian East Africa). The manuscript is a complete account on Ethiopia by the Italians during the first three years (1935-1938) of their occupation. The translation will enhance the understanding of both Italian occupation in Africa and the developments of Ethiopia during the period, a valuable project in several academic disciplines.
7. Boulukos, George  
Sabbatical  
English  
50%  
07/01/2015 – 06/30/2016

**Purpose:** Professor Boulukos will use the sabbatical leave to complete a monograph on Human Rights in Eighteenth-Century literature. The leave will entail travel to such libraries as the Newberry Library (Chicago, IL), the Huntington Library (San Marino, CA), the William Andrews Clark Library (UCLA), The Houghton Library (Cambridge, MA), and the American Antiquarian Society (Worcester, MA) in order to conduct primary source research from the available collections. The intended outcome of the leave is the publication of a high-impact monograph with significant interdisciplinary impact with a top academic University press.

8. Bravo, Rolando  
Sabbatical  
Civil and Environmental Engineering  
100%  
01/01/2016 – 05/15/2016

**Purpose:** Professor Bravo intends to devote the sabbatical period to the development of a textbook for use in Hydraulic Engineering design courses. The current textbook recognized as the most used in the field was written in 1996. Dr. Bravo expects the textbook to include the integration of presentation of theory and real problems solutions and simulations using tools like spreadsheets as an enhancement teaching tool.

9. Burnside, Randolph  
Sabbatical  
Political Science  
100%  
08/16/2015 – 12/31/2015

**Purpose:** Professor Burnside will spend the sabbatical period working towards completion of a book-length manuscript on cultural competency and public service delivery and finalizing several other manuscripts that are at various stages of completion. This will include multiple case studies inclusive of areas like disaster preparation and recovery, services provided by the police, as well as universities, and include travel and research in travel to Southwest Missouri and New Orleans, Louisiana.

10. Che, Dunren  
Sabbatical  
Computer Science  
100%  
01/01/2016 – 05/15/2016

**Purpose:** Professor Che proposes to use the sabbatical period to study new recommendation models and develop advanced recommendation algorithms in the area of human-machine collaboration known as crowdsourcing or crowd-computing. Research in this area may include visits to leading researches at institutions including University of California-Berkley and Université Claude Bernard Lyon 1 (France). Expected outcomes include publication of the results to be obtained during the leave, and a new National Science Foundation (NSF) grant proposal.
11. Crosby, Garth  
Sabbatical  
Technology  
100%  
01/01/2016 – 05/15/2016

**Purpose:** Professor Crosby will utilize the sabbatical period to develop innovative ideas into a marketable product combining robotics, sensing, and communication technologies that will serve as an educational tool for the social and cognitive development of children of ages 1 to 6 years old. Dr. Crosby will meet with other experts in the field and utilize consultants to develop fully a successful proposal for a federal funding agency and a complete business/marketing plan, including the development of a prototype. He will work with staff locally at the SIU Research Park and potentially regionally/nationally with some yet-to-be-identified collaborators.

12. Davis, Joan M  
Sabbatical  
Allied Health  
100%  
01/01/2016 - 05/15/2016

**Purpose:** Professor Davis will use the sabbatical leave to address identified barriers for healthcare providers related to tobacco cessation treatment. As a Fulbright Specialist Scholar, she will collaborate with University of Ljubljana (Slovenia) healthcare faculty to assess, develop, and provide In-service training on tobacco dependence education. Dr. Davis will also collaborate with Dr. Ramseier, University of Bern Dental School (Switzerland), to host an international workshop in Germany to promote tobacco dependence education (TDE). Both of these activities will assist in informing a 50-year historical overview of tobacco education, which Professor Davis will write.

13. DeRuntz, Bruce  
Sabbatical  
Technology  
100%  
01/01/2016 – 05/15/2016

**Purpose:** Professor DeRuntz will be conducting and publishing a longitudinal study, using SIUC Engineering graduates over the past 7 years, to determine the level of positive impact the early leadership development program has had on engineering students’ academic performance at SIUC and early career success as part of the final year of an NSF STEM grant. In addition, he will validate his new psychometric instrument that will determine the strength/weakness of an engineer’s leadership characteristics early in their career. Several companies have agreed to provide access for onsite data including Advanced Technology Services (Carbondale), John Deere (Peoria, IL; Evansville, IN; Davenport, IA), and Magna International (Nashville, IL). Dr. DeRuntz expects to present the findings at two national conferences, publish at least two journal articles, and use the findings to further refine the program at SIUC and seek additional grant funding to sustain the program.

14. Dervan, Lucian  
Sabbatical  
Law  
100%  
08/16/2015 – 12/31/2015

**Purpose:** Professor Dervan will engage in research and writing related to several ongoing projects in the area of criminal law. Two projects, one regarding the historical rise of plea bargaining in the United States, to be presented in a book entitled Bargained Justice, and a second that will allow him to complete the fourth edition of the textbook International Criminal Law: Cases and Materials (LexisNexis), will be conducted in Washington, DC and Melbourne, FL.

19. Ferré, Eric  
Sabbatical  
Geology  
50%  
08/16/2015 – 08/15/2016

**Purpose:** Professor Ferré will pursue three projects while being hosted at the Swiss Federal Institute of Technology (ETH; Zürich, Switzerland). He will collect oriented pseudotachylyte in the field, in Corsica and the Italian Alps; perform testing and measurement using ETH’s paleomagnetic instrumentation; and present the research findings through seminars at ETH and manuscripts to be submitted to high impact factor journals. Dr. Ferré will also co-author a graduate-level reference text on magnetic fabrics. The high-quality data will be used as preliminary data for two new National Science Foundation (NSF) proposals.

20. Fletcher, Anne  
Sabbatical  
Theater  
100%  
08/16/2015 – 12/31/2015

**Purpose:** Professor Fletcher will work on an invited volume on American playwrights of the 1930s, in Methuen’s (Bloomsbury) new 8-book series entitled Decades of Modern American Playwriting edited by Brenda Murphy and Julia Listengarten. The volume (v. 1) is a stand-alone book, divided into six chapters, three of which will be authored by Fletcher, three by authors Fletcher has commissioned (one author in Copenhagen, one in Connecticut, one in Missouri) with Fletcher responsible for editing the entire volume.

21. Franca, Maria  
Sabbatical  
Rehabilitation Institute  
100%  
08/16/2015 – 12/31/2015

**Purpose:** Professor Franca plans to use the sabbatical period to conduct studies involving the identification and organization of extant data regarding the incidence of voice disorders in individuals affected by immune deficiency and infectious diseases, in order to develop a databank to support further studies involving best practice methods to serve this population. This research will be conducted at Universidade Federal do Rio de Janeiro (UFRJ; Brazil). Dr. Franca expects several outcomes from this research, including presentations at professional meetings, development of manuscripts for publication, and generation of resources to be used in seeking funds for further research, as well as in development of future collaborative works.

22. Gao, Yong  
Sabbatical  
Chemistry and Biochemistry  
100%  
01/01/2016 – 05/15/2016

**Purpose:** Professor Gao will spend the sabbatical leave period collaborating at the National Research Council of Canada Vancouver (NRC Vancouver; Canada) on development of fuel cells and flow batteries, with a focus on utilizing his polymer synthesis expertise. The tangible results could include: (1) potential research grants from the DOE, NSF or even NRC Vancouver; (2) peer-reviewed papers; and (3) patents.
Purpose: Professor Goodale will use the sabbatical period to develop further a workforce-scheduling project that examines the effects of individual incentives on employee schedules. This is a continuation of current research, in which he has been able to analyze preliminary relationships with promising results for small environments. The sabbatical will be used to develop the model and the means to analyze large problems, involving computer programming and using large-scale optimization software, which will generate a substantial research archive that will become a source for high-level, publishable manuscripts for several years.

Purpose: Professor Gupta’s sabbatical leave period will be used to enhance his contributions in the field of biomedical signal processing by developing new models to fuse information from multimodal physiological signals. These models will have a major impact on improving (a) medical diagnostics and (b) the design of novel human-machine interfaces to aid severely disabled individuals to function more effectively in their daily lives. Dr. Gupta will be collaborating closely with a research group at Imperial College (London, England), to work on projects involving multimodal biomedical signals, allowing him to validate his models in real-world applications. Outcomes of this collaboration are expected to include several journal articles and conference presentations, as well as bases for grant-funding applications through agencies such as NIH and NSF.

Purpose: Professor Imboden intends to use the sabbatical period to learn a new set of skills necessary to develop a course in computer forensics. His research will include research of print and online sources, as well as professional training classes and consultation with colleagues at other colleges and universities to collaborate and seek input on the course development. The outcomes will include a list or guide of materials faculty may use to develop a skill set necessary to teach an introductory course in computer forensics and a complete set of course materials needed to offer a computer forensics course at SIUC.

Purpose: Professor Johnson will use his sabbatical leave to complete a substantial revision and finalization of his book manuscript on Xenophon’s Socrates. In addition, Dr. Johnson will co-edit a volume of essays on Xenophon and Plato with colleagues from Rice University (Houston, TX) and Bar-Ilan University (Tel Aviv, Israel). Completed manuscripts will be submitted for publication to major university presses by the conclusion of the sabbatical period.
27. Jordan, Judy  
Sabbatical  
English  
100%  
08/16/2015 – 12/31/2015

Purpose: Professor Jordan will utilize the sabbatical period to complete a 5th manuscript of narrative poetry and begin a 6th manuscript. Professor Jordan’s poetry examines issues of identity as determined by class, race, and gender, and the way that memory works, how memory revisits and rewrites history thus changing the present and the future. In addition, she will spend the leave completing the final phases of publication for her 3rd and 4th manuscripts, as necessary.

28. Kagaris, Dimitrios  
Sabbatical  
Electrical and Computer Engineering  
100%  
01/01/2016 – 05/15/2016

Purpose: Professor Kagaris, in collaboration with faculty at Indiana University School of Public Health (Indianapolis, IN), will investigate and develop new efficient differentiation/classification criteria based on a combination of statistical and data-mining principles in microarray-based DNA analysis. Bioinformatics is a new research area for the applicant and it is a non-traditional area for Electrical/Computer Engineering. Professor Kagaris expects outcomes of the research to be published in journals indexed by the intensely referenced PubMed database of the NIH National Center for Biotechnology Information (NCBI).

29. Kato, Yuko  
Sabbatical  
Music  
100%  
08/16/2015 – 12/31/2015

Purpose: Professor Kato, in collaboration with Dr. David Dillard (SIUC), will use the sabbatical period to research compositions for baritone voice and piano by living composers. This research will include preparing selections from the works of carefully chosen composers, discussion and performance of selections with the original composers in order to refine their interpretation, and performing the finalized selections in music venues in North America.

30. Kochel, Tammy  
Sabbatical  
Criminology and Criminal Justice  
100%  
08/16/2015 – 12/31/2015

Purpose: Professor Kochel will utilize the sabbatical period to conduct analyses and prepare a series of manuscripts to be submitted to quality, peer-reviewed journal outlets. The data source for these journal articles is work conducted over the preceding 2.5 years, funded in large part through a grant from the National Institute of Justice (NIJ) and focusing on the antecedents and consequences of police legitimacy and the efficacy and implementation of policing strategies. In addition to the expected manuscripts, Dr. Kochel will be collaborating with faculty from the University of Queensland (Australia), George Mason University (Virginia) and Hebrew University of Jerusalem (Israel) in the analysis and writing of the manuscripts.
31. Lefticariu, Liliana  
**Sabbatical**  
Geology  
100%  
01/01/2016 – 05/15/2016

**Purpose:** Professor Lefticariu intends to use her sabbatical leave as a visiting scientist at the Argonne National Laboratory (Lemont, IL) to extend her learning of synchrotron X-ray microanalysis and its current applications in geosciences and environmental management. She will collaborate with scientists from both the Biogeochemistry & Microbial Ecology at ANL and University of Chicago. She will analyze environmental samples prepared during laboratory experiments and collected at different contaminated field sites. The data collected at the synchrotron facility will be incorporated into publications and grant proposals as well as used to create new materials to be integrated into her existing courses.

32. Lind, Douglas  
**Sabbatical**  
Law  
100%  
07/01/2015 – 12/31/2015

**Purpose:** Professor Lind will use the sabbatical period to complete the second monograph of a multivolume set of annotated sources containing the state legislative debate surrounding the secession of southern states during the Civil War, specifically addressing the constitutional issues faced by Lincoln during his presidency. He will also complete a lengthy biographical piece on Judge Andrew Duncan Duff - an early legal educator in southern Illinois. Research will be conducted at the Lincoln Library and State Archives (Springfield, IL) and McKendree University (Lebanon, IL), in addition to local resources.

33. McIntyre, Christie  
**Sabbatical**  
Curriculum and Instruction  
100%  
08/16/2015 – 12/31/2015

**Purpose:** Professor McIntyre intends to use her sabbatical period to work collaboratively with the Illinois Migrant Council (IMC) and the Cobden Elementary School on a mixed methods research study focused on the coordination between the IMC and elementary teachers and teacher candidates to support the literacy development of English Language Learners. Dr. McIntyre is also exploring visiting other rural communities to observe and converse with similar agencies in order to better support a model for meaningful partnerships between public schools, migrant families, and university faculty. The expected outcomes include peer-reviewed journal publications, development of sustainable collaborative relationships in the community, and application of findings in classroom settings, both at the elementary and college levels.

34. Metz, Walter  
**Sabbatical**  
Cinema and Photography  
100%  
08/16/2015 – 12/31/2015

**Purpose:** Professor Metz intends to use the sabbatical period to research and write a book entitled Molecular Cinema. He will utilize his degree in materials science and engineering, as well as his degrees in film and literature, to attempt to revolutionize how society thinks about chemistry in the cinema. The book will explore how chemistry’s understanding of how the world works finds its way into the cinematic representation of that world, at the literal and allegorical levels, as they grapple representationally with the basic building blocks of matter, such as salt, water, crystal methamphetamine, and other such important molecules that appear in various ways in mass media.
35. Nielsen, Clayton  
Sabbatical Forestry  
50%  
08/16/2015 – 08/15/2016  

**Purpose:** Professor Nielsen will utilize his sabbatical to further his knowledge in the field of wildlife conservation in Latin America. He will spend time in several Latin American countries, working with organizations in Brazil, Paraguay, and Mexico, as well as the Smithsonian Conservation Biology Institute (Virginia). Specific activities will include delivering short courses, developing research collaborations, and gathering experiences for use in his SIU courses. Professor Nielsen expects to develop new collaborations with supporting institutions, submission of several journal manuscripts, development of new short courses, preparation and submission of at least 3 new research proposals, and delivery of a special seminar on the sabbatical activities upon his return to SIU.

36. Noble-Allgire, Alice  
Sabbatical Law  
100%  
08/16/2015 – 12/31/2015  

**Purpose:** Professor Noble-Allgire will co-author a textbook on Property Law with a colleague at the University of Arkansas – Little Rock during the sabbatical period. This will include research and travel in order to develop a team-based learning approach for the subject matter. In addition, she will complete a law review article on the Revised Uniform Residential Landlord and Tenant Act, as a continuation of her work as a co-reporter for the act's drafting committee, and will document the changes that were made to the landlord and tenant act while providing an analysis of the policy choices underlying the changes. The article will be submitted to both student-edited and peer-reviewed law reviews.

37. Padovani, Cinzia  
Sabbatical Radio, Television, and Digital Media  
50%  
08/16/2015 – 12/31/2015  

**Purpose:** Professor Padovani will use the sabbatical period to complete field research on the continuous presence, visibility, and electoral success, of the European ultra-right. She will conduct this ethnographic research through observations and in-depth interviews with key players of the ultra-right groups Casa Pound Italia (CPI) and Forza Nuova in Italy; and the English Defense League (EDL) and the United Kingdom Independent Party (UKIP). She will utilize the resources at the University of Loughborough (United Kingdom) and the European University Institute (Florence, Italy). The outcomes of her research are to include a manuscript for peer-reviewed publication and presentation at international conferences, as well as informing her classes at SIUC.

38. Pearson, John  
Sabbatical Management  
100%  
01/01/2016 – 05/15/2016  

**Purpose:** Professor Pearson will work to develop a survey approach and solicit responses from knowledge workers in the U.S. and other countries. His primary focus will be to investigate how a specific coping mechanism (i.e., non-work related computing) influences the relationship between various predictors of job stress. Recent studies have suggested that short breaks, e.g. checking personal email, can increase worker productivity and lead to lower levels of counterproductive behavior. The anticipated outcomes produced from this research include presentations at national conferences, publication of peer-reviewed journal articles, and incorporate research conclusions into existing and new Management coursework.
39. Porter, Jared  
**Sabbatical**  
Kinesiology  
100%  
08/16/2015 – 12/31/2015  

**Purpose:** Professor Porter will travel to School of Exercise and Heath Sciences at Edith Cowan University (Perth, Australia) during his sabbatical period to work collaboratively with faculty and gain knowledge and experience in new research techniques related to biomechanics and motor behavior. In addition, he will conduct research at the biomechanics laboratory at Edith Cowan to be used in the development of grant proposals for further research at SIUC, as well as develop multiple manuscripts for submission to high impact journals.

40. Rahimi, Shahram  
**Sabbatical**  
Computer Science  
100%  
01/01/2016 – 06/30/2016  

**Purpose:** Professor Rahimi, in collaboration with colleagues at the United States Department of State (DoS), will design and develop a theory and application of Game Theory Based Predictive Analytics. This research will utilize game theory, expected utility theory, Median voter theory, probability distribution and reinforcement learning to develop the next generation predictive analysis tool. In addition to the expansion of a collaborative relationship with the DoS, this research will lead to a proposal that will be submitted to the United States Department of Defense (DoD) and/or the National Science Foundation (NSF), as well as a journal article and a conference presentation.

41. Reichert, Elisabeth  
**Sabbatical**  
Social Work  
100%  
08/16/2015 – 12/31/2015  

**Purpose:** Professor Reichert intends to use the sabbatical period to complete the writing of her contracted chapter for the book, Rethinking Values and Ethics in Social Work, by Palgrave-MacMillan. In addition, she expects to utilize practice techniques and case studies to further advance and expand the chapter in order to develop a full-length manuscript in the area of human rights and social work ethics.

42. Schafer, Joseph  
**Sabbatical**  
Criminology and Criminal Justice  
100%  
01/01/2016 – 06/30/2016  

**Purpose:** Professor Schafer, in partnership with the Behavioral Research and Instructional Unit (BRIU) of the Federal Bureau of Investigation, will focus on analysis and interpretation of data previously collected, which will provide the basis for a book-length manuscript and at least two journal articles on organizational changes in policing agencies. In addition, Dr. Schafer will co-develop a new research project, studying how agencies sustain organizational change efforts and a third research initiative investigating the relationship between climate and crime. These two additional foci are expected to produce an additional 2-4 peer-reviewed journal articles.
43. Schlesinger, Matthew  
Sabbatical  
Psychology  
50%  
08/16/2015 – 08/15/2016  

**Purpose:** Professor Schlesinger will spend the sabbatical period gaining hands-on training experience in a commercial setting (San Francisco, CA) through collaboration with engineers in the design of a new product for monitoring infants. The collaborative research project will utilize the host company’s biometric infant-monitoring device and Dr. Schlesinger will also conduct a longitudinal, in-home study with young infants to test the device. This study will result in one or more peer-reviewed journal articles and a grant submission to NIH. In addition, the knowledge gained through this experience will allow for further refinement of a monitoring product currently in development in collaboration with Dr. Ada Chen and Dr. Jun Qin (SIUC).

44. Sherkat, Darren  
Sabbatical  
Sociology  
50%  
08/16/2015 – 08/15/2016  

**Purpose:** Professor Sherkat will conduct research, through a General Social Survey, in three areas: (1) the relationship between religious commitments and beliefs about and fluency in science; (2) the effects of religious and political commitments on support for same sex marriage; and (3) the influence of sexuality on religious commitments. This research will be the basis for 3 to 5 peer-reviewed journal manuscripts, as well as a book prospectus on religion and science in the contemporary world.

45. Wang, Lichang  
Sabbatical  
Chemistry and Biochemistry  
50%  
08/16/2015 – 08/15/2016  

**Purpose:** Professor Wang, in collaboration with research groups at Oxford University (United Kingdom), University of Copenhagen (Denmark), and Tianjin University (China), will use the sabbatical period to advance his current research in solar cell materials and in the studies of catalysts for renewable materials. This work will include the development of a new model and computational software to study the dynamics of excitons of organic materials that are generated upon absorption of light. Additional outcomes of the research include up to four manuscripts for publication in peer-reviewed venues and at least two independent proposals for research funding to the National Science Foundation (NSF) and the Department of Energy (DOE).

46. Watson, Dennis  
Sabbatical  
Plant, Soil, and Agricultural Systems  
100%  
08/16/2015 – 12/31/2015  

**Purpose:** Professor Watson will use the sabbatical leave period to obtain advanced training in analytical methods for hyperspectral and terahertz spectroscopy technologies for the purposes of developing software tools, training graduate students in their use, expanding his research program, and preparing manuscripts based on these technologies. Outcomes include software tools and refereed manuscripts. Part of the sabbatical will be spent at the Experimental Semiconductor Physics lab at Philipps University (Marburg, Germany), a leading research center on terahertz spectroscopy.

The following item was presented:

**AUTHORIZATION FOR THE SALE OF BONDS:**
“SERIES 2015A HOUSING AND AUXILIARY FACILITIES SYSTEM REVENUE BONDS” CAPITAL IMPROVEMENT PROJECTS

**Summary**

This matter requests Board authorization to: issue System Revenue Bonds to fund three projects; execute and deliver the Sixteenth Supplemental Bond Resolution and Bank Bond Purchase Contract; appoint the following: Bond Counsel, Purchaser, Financial Advisor, Bond Registrar and Paying Agent; and authorize the Board Treasurer and authorized officers to take actions necessary to complete the proposed bond sale.

**Rationale for Adoption**

The following projects have received approval from the Board and the Illinois Board of Higher Education:

At its April 17, 2014, meeting, the Board approved the Parking Lot Improvement project at the Edwardsville campus for a total estimated cost of $3,600,000. Total project construction costs came in under budget at approximately $3,280,000 and were funded with Parking Repair, Replacement Reserve (RRR) funds. The proposed financing would reimburse SIUE Parking’s RRR account, and debt service on the bonds would be repaid with operating funds available to the Parking Division.

At its February 13, 2014, meeting, the Board approved the Student Fitness Center Weight Room Expansion and Vadalabene Center Entrance Renovation project at the Edwardsville campus. The total estimated cost of $2,600,000 will be funded with approximately $1,050,000 of Non-Instructional Facility Reserve Funds and $1,550,000 with the issuance of System Revenue Bonds. Debt service on the bonds would be repaid with operating funds available to the Student Fitness Center. Approval for this project by the Illinois Board of Higher Education was received on April 1, 2014.

At its December 13, 2012, meeting, the Board approved the Richard “Itchy” Jones Stadium Renovation project at the Carbondale campus for a total estimated cost of $5,000,000. The project came in under budget at approximately $4,372,000 and was funded with $640,000 in private donations and an internal loan of $3,732,000. Approval for this project by the Illinois Board of Higher Education was received on April 2, 2013. The proposed financing would reimburse the $3,732,000 of charges funded with the internal loan. Debt service on the bonds would be repaid with private donations and operating funds available to the Athletics Department.
Funding for the projects will come from the sale of Housing and Auxiliary Facilities System Revenue Bonds in the estimated sum not to exceed $9,000,000; such sum to include allowable amounts for the cost of the sale. Funds to repay the Revenue Bonds will come from revenues of the Housing and Auxiliary Facilities System on parity with existing Housing and Auxiliary Facilities System Revenue Bonds.

Considerations Against Adoption

University officers are aware of none.

Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That:

(1) It is hereby determined to be desirable that the Board of Trustees of Southern Illinois University (the “Board”) authorize the issuance of its Southern Illinois University Housing and Auxiliary Facilities System Revenue Bonds, Series 2015A (the “Bonds”) in order to provide funds to: (a) reimburse SIU Parking for costs paid to reconstruct parking lots, install new light poles and pay-by-space equipment, improve drainage, and replace related sidewalks, curbs, signs and pavement markings, and related facilities and equipment, all on the Edwardsville campus, (b) construct a 5,400 square foot expansion to the existing Student Fitness Center weight room, including rebuilding of the south entrance to the Vadalabene Center, and related facilities and equipment, on the Edwardsville campus, (c) reimburse the University for construction costs related to the renovation of Richard “Itchy” Jones Stadium which included new grandstands, an artificial turf playing surface, and lighting and infrastructure improvement, and (d) pay the costs of issuance of the Bonds. The description of the projects may be supplemented or amended at any time by resolution of the Board upon receipt of an opinion of Bond Counsel to the effect that such supplement or amendment does not adversely affect the tax-exempt status of interest on the Bonds.

(2) Pursuant to the University’s existing contract, the firm of Chapman and Cutler LLP, Chicago, Illinois, be and is hereby retained as Bond Counsel to the Board for all legal matters incidental to the authorization and issuance of the Bonds.

(3) Pursuant to the University’s existing agreement, the firm of Raymond James Capital Funding, Inc. (the “Purchaser”), Memphis, Tennessee, be and is hereby authorized to purchase all of the Bonds.

(4) Pursuant to the University’s existing contract, the firm of Blue Rose Capital Advisors, Chicago, Illinois, be and is hereby retained as Financial Advisor.

(5) U.S. Bank National Association, Chicago, Illinois, be and is hereby authorized to serve as Bond Registrar and Paying Agent for the Bonds.
(6) The Treasurer of this Board or his designee is hereby authorized to enter into a Bank Bond Purchase Contract with Raymond James Capital Funding, Inc., for the purchase of the Bonds in substantially the form which is before the Board at this meeting.1

(7) In order to provide for the payment of the costs of the projects, capitalized interest (if any), and the payment of expenses, it is necessary that this Board authorize the issuance of its Southern Illinois University Housing and Auxiliary Facilities System Revenue Bonds, Series 2015A, in an aggregate original principal amount not to exceed $9,000,000 and to have a final maturity not later than April 1, 2030. The price at which the Bonds will be purchased by the Purchaser shall not be less than 99% and the true interest cost (TIC) of borrowing for the Bonds will not exceed 4.00%; provided, however, that (1) upon the occurrence of an event that causes interest on the Bonds to be taxable to the owners thereof for federal income tax purposes as described in the Sixteenth Supplemental Resolution, the interest rate on the Bonds will increase to a taxable interest rate that will not exceed 6.00% per annum; and (2) upon the occurrence of certain defaults described in the Sixteenth Supplemental Resolution, the interest rate on the Bonds will increase to a default rate calculated pursuant to a formula set forth in the Sixteenth Supplemental Resolution that will not exceed the lesser of 7.00% per annum or the maximum rate permitted by law. The Bonds may be redeemed at such times and at such prices not exceeding 100% of the principal amount being redeemed. The Board hereby approves the Sixteenth Supplemental Bond Resolution, with such necessary changes as shall be approved by the Board Treasurer.1

(8) The members, officers, agents and employees of this Board are hereby authorized and directed to do all such acts and to execute all such documents as may be necessary to carry out and comply with the provisions of these resolutions and with the acts and doings of the members, officers, agents, and employees of the Board which are in conformity with the intent and purposes of these Resolutions, whether heretofore or hereafter taken or done, shall be and are ratified, confirmed and approved.

1 Copies are on file with the Executive Secretary of the Board of Trustees for recording and the appropriate officers of the Board are hereby authorized and directed to execute the same in the name and on behalf of the Board in substantially the form presented to this meeting, or with such changes as may be approved by the officer or officers of the Board executing the same, his/her or their execution thereof to constitute conclusive evidence of the Board's approval of all changes from the form thereof presented to this meeting.
Trustee Portwood made a motion to approve the item. The motion was

[Amendments to Statutes of the Board, Article II, Section 5] ........................................ 375
Pursuant to notice, a special meeting was called by the Chair of the Board of Trustees of Southern Illinois University, and the meeting convened at 3:48 p.m., Wednesday, April 15, 2015, in the Board Room of Birger Hall, Southern Illinois University Edwardsville, Edwardsville, Illinois. The meeting was called to order by Chair Thomas. The following members of the Board were present:

MG (Ret) Randal Thomas, Chair  
Dr. Donna Manering, Vice Chair  
Mr. Joel Sambursky, Secretary  
Hon. J. Phil Gilbert  
Dr. Roger Herrin  
Mr. Adrian Miller  
Mr. Mitch Morecraft  
Dr. Shirley Portwood  
Ms. Amy Sholar  

The Executive Secretary reported and the Chair determined that a quorum was physically present.

Also present for the duration of the meeting were Dr. Randy J. Dunn, President and Ms. Misty Whittington, Executive Secretary of the Board. Mr. Lucas Crater, General Counsel; attended a portion of the meeting.

Chair Thomas explained the procedures for the public comment and question portion of the Board’s agenda.

Executive Secretary Whittington notified the Board that no persons had registered to speak.
At 3:49 p.m., Trustee Gilbert moved that the Board go into closed session to consider pending, probable or imminent court proceedings against or on behalf of the Board; information regarding appointment, employment, compensation, discipline, performance or dismissal of specific employees of the public body; and review of minutes of meetings lawfully closed under the Open Meetings Act. The relevant sections of the Open Meetings Act Statute that allow for the closed session are 5 ILCS 120/2(c) (1), (11), and (21). The motion was duly seconded by Trustee Sholar. The motion carried by the following recorded vote: aye, Hon. J. Phil Gilbert; Dr. Roger Herrin; Dr. Donna Manering; Dr. Shirley Portwood; Mr. Joel Sambursky; Ms. Amy Sholar; and Maj. Gen. Randal Thomas; nay, none.

At approximately 6:45 p.m. the Board returned to open session.

In open session, Trustee Herrin made a motion for the Board to discuss a current and pending matter regarding a finance discussion of tuition and fees. The motion was duly seconded by Trustee Sholar. The motion carried by the following recorded vote: aye, Hon. J. Phil Gilbert; Dr. Roger Herrin; Dr. Donna Manering; Dr. Shirley Portwood; Mr. Joel Sambursky; Ms. Amy Sholar; and Maj. Gen. Randal Thomas; nay, none.

The Board held a discussion regarding the proposed six percent tuition increase for undergraduate students for the Carbondale and Edwardsville campuses for the next year. Board members expressed the need to hold tuition prices as low as possible while being mindful of state budget funding constraints. Board members expressed consensus for a five percent increase in undergraduate tuition for the Carbondale and Edwardsville campuses.
At 7:14 p.m., a motion was made by Trustee Portwood and seconded by Trustee Sholar to adjourn the meeting. The motion passed by a voice vote. No action was requested or taken during the closed session.

Joel Sambursky, Secretary
The regular meeting of the Board of Trustees of Southern Illinois University convened on Thursday, April 16, 2015, at 10:55 a.m. in the Conference Center of the Morris University Center, Southern Illinois University Edwardsville, Edwardsville, Illinois. The meeting was called to order by Chair Thomas. The following members of the Board were present:

MG (Ret) Randal Thomas, Chair  
Dr. Donna Manering, Vice Chair  
Mr. Joel Sambursky, Secretary  
Hon. J. Phil Gilbert  
Dr. Roger Herrin  
Mr. Adrian Miller  
Mr. Mitch Morecraft  
Dr. Shirley Portwood  
Ms. Amy Sholar

Executive Officers present were:

Dr. Randy J. Dunn, President, SIU  
Dr. Julie Furst-Bowe, Chancellor, SIU Edwardsville  
Mr. Lucas Crater, General Counsel  
Dr. Duane Stucky, Senior Vice President for Financial and Administrative Affairs and Board Treasurer

Also present was Ms. Misty Whittington, Executive Secretary of the Board.

**NOTE:** Copies of all background documents furnished to the Board in connection with the following matters have been placed on file in the Office of the Board of Trustees.
Chair Thomas led the group in the Pledge of Allegiance.

The Executive Secretary reported and Chair Thomas determined that a quorum was physically present.

Trustee Morecraft moved that the Minutes of the Meetings held March 18 and 19, 2015, be approved. Trustee Portwood seconded the motion, and the minutes were approved unanimously by voice vote.

Under Committee Reports, Chair Thomas reported that the Executive Committee met on the prior day. It approved open meeting minutes, the proposed Smoke Free Campus Policy, and proposed revisions to the Board of Trustees Policy on Evaluation of the President and Chancellors. Then the Executive Committee went into closed session for the purpose of approving closed session minutes.

Chair Thomas appointed members to the Ad Hoc Legal Affairs Committee to serve until dismissed or the end of the calendar year. He appointed the following members: Trustee Gilbert, Trustee Portwood and Trustee Sambursky.

Under Executive Officer Reports, President Dunn provided an update on the state budget. He noted approximately $4 million was being held in capital development funding. Recent state grant suspensions include $3.5 million for the Illinois Clean Coal Institute and monies for the Autism Project. The President reviewed that termination and layoff notices for the Clean Coal Institute and Autism Project had been distributed, and direct services to children had come to an end through the Autism Project. He noted efforts of campus budget groups continued by looking at reductions that can take place around regional services first, moving in to academic support
programs and then going to the academic core with the intent of having a number of prioritized lists to reference once budget reductions are known.

The President reported that a number of town hall meetings would be held at the various campus locations to talk about the budget planning and reductions taking place with the loss of state money. He added that Chancellor Furst-Bowe had also presented specifics for the Edwardsville campus. The President noted that once budget reductions are known, a reduction plan will come to the Board for review.

President Dunn invited Mr. John Charles, Executive Director for Governmental and Public Affairs, to provide an update to the Board on a few key bills.

Mr. Charles reviewed that work was successful with the sponsor who decided to not call the bill regarding the elimination of the 50 percent tuition waiver for children of university employees. He reported negotiations were ongoing for the bill which sets acceptable scores for AP credit for students. President Dunn noted that universities were tracking the bill because it is believed that the decision making on the fulfillment of curriculum needs to reside with the academicians rather than with legislators.

Mr. Charles reported that over 50 students from Edwardsville and Carbondale visited the state capitol on March 24 for Lobby Day. He reviewed new bills of interest. One bill that is not moving would set a six-year timeframe for all public universities to become private institutions. A bill that is not being called would have taken Public Safety departments out of the investigation for sexual assaults on campus and would have left it with the municipal authority or the sheriff’s department if it was in a county. Mr. Charles noted that discussions are taking place with the Attorney
General’s office to hold hearings on sexual assaults on campuses, and one such hearing had been scheduled at SIU Edwardsville on April 27.

Mr. Charles reported that the Senate Appropriations Committees had held a hearing at Carbondale, and hearings were scheduled for Edwardsville and Champaign. Discussion will include the economic impact of the proposed 31.5 percent budget cut to universities, health care and to local governments.

President Dunn spoke to items of interest in the FY16 federal budget. He reviewed that one of President Obama’s proposals is for two years of free community college nationally. Another proposal is to pay as you earn with regard to paying off student loans. A proposal for support of Alzheimer’s research for the School of Medicine in terms of both the research and clinical service has been zeroed out for Illinois. The President reviewed that the University had not been active in federal visibility and that some sister universities make rounds in Washington, D.C., monthly. He reported that an SIU delegation would travel to Washington, D.C., at the end of April to advance the University’s needs. In closing, Dr. Dunn spoke to the renewal moving forward of a bipartisan bill on Campus Accountability and Safety which would attach up to 1 percent of the University’s operating budget per incident for its failure to provide certain students assistance and support.

President Dunn provided the Chancellor Report for SIU Carbondale. He reported that the search committee forwarded four names of finalists for the SIUC Chancellor search, and itineraries are being planned for the individuals to make campus visits.
President Dunn provided student highlights. Josh Rivera and Zach Schneider won the National Parliamentary Tournament of Excellence, making them national champions in collegiate parliamentary debate. Tayler Hill, doctoral student in chemistry, received a prestigious three-year fellowship from the National Science Foundation. Seniors Brandon Nolte and Alex Hutchinson were named fellows in the National Center for Engineering Pathways to Innovation program.

The President reviewed faculty highlights for the campus. Sosanya Jones, an assistant professor in the Department of Educational Administration and Higher Education, won a J. William Fulbright Scholar award to serve as a visiting research chair at the University of Alberta in Canada. Andrzej Bartke, professor and director of geriatric medicine at the School of Medicine, received the Fred Conrad Koch Lifetime Achievement Award from the Endocrine Society.

The President reported that College of Applied Sciences and Arts and the Automotive Technology Program dedicated the Bosch Automotive Parts Center in recognition of a gift from the Robert Bosch LLC, Automotive Aftermarket North America. The School of Law was ranked in the top 50 nationally for practical training according to the *Natural Jurist* magazine. In close, the President noted that the Department of Public Safety had joined the national “Coffee with a Cop” program to build positive relationships between police and citizens.

Dr. Julie Furst-Bowe, Chancellor, SIU Edwardsville, provided highlights from a written report provided to the Board. She provided an enrollment update. Summer and fall registrations are running approximately 300 students ahead of the same dates last year. The campus had a record 10,124 freshman applications for its
fall class. Nearly 900 students have registered for the freshman orientation program and their average ACT score is approximately 24.

The Chancellor reviewed achievements for the campus. An agreement was recently signed with Hong Kong University for a 2+2 program in business, its first international 2+2 collaboration. Students from Hong Kong University will transfer to SIUE for the third and fourth year of their degree with the first cohort arrive in the fall of 2016. The School of Nursing was ranked among the top nursing schools in the U.S. News & World Report’s 2016 edition of Best Graduate Schools. The School has also secured a corporate agreement with Hospital Sisters Health System for their Accelerated Online RN-BS program which allows working RNs to complete a Bachelor of Science degree. With this agreement, the School will be the provider of RN-BS completion to nurses from 33 hospitals in four states. In addition, the School of Dental Medicine is partnering with St. Louis-based Operation Reveille to provide dental care to homeless veterans primarily at the East St. Louis clinic.

Chancellor Furst-Bowe reviewed some recent grant activity for the campus. Dr. Venessa Brown, Associate Chancellor for Institutional Diversity and Inclusion, received a $110,000 grant from the Illinois Department of Children and Family Services. The School of Engineering recently received two grants. Dr. Yan Qi received a $100,000 grant from the Minnesota Department of Transportation. Dr. Abdolreza Osouli received a $100,000 grant from the Illinois Center for Transportation at the University of Illinois. The Lovejoy Library was awarded an “Illinois History – Digital Imaging” grant of $42,000 from Illinois Secretary of State and State Librarian Jesse White.
The Chancellor reviewed highlights for student life on the campus. Attorney General Lisa Madigan designated the campus as one of three locations where she will be holding a summit to raise awareness about sexual assault on campuses. She noted the public is welcome to attend the SIUE event on April 27, 9:30 a.m. to 4:00 p.m. in the Morris University Center. The *Alestle* student newspaper competed with 37 other college newspapers and won 13 awards including four first-place awards at the recent Illinois College Press Association conference. In addition, to prepare for the July 1, 2015, Tobacco Ban, Health Services is partnering with the Madison County Health Department to create smoking cessation classes for students and employees to start in the summer and continue to be offered in the fall as long as there is demand.

The Chancellor provided some highlights of Foundation activity. She reported total giving for the current fiscal year was up almost 20 percent compared to a year ago with total of gifts to be more than $2 million. She also noted that a new strategic plan had been worked on over the past few months for the SIUE Alumni Association. In addition, for the third year the Cougars on the Move traveling alumni program will be held this year in Tampa, Florida, hosted by Walt and Stephanie Knepper. In conclusion, Chancellor Furst-Bowe reported that Employee Appreciation Day was held on the prior day where 800 faculty and staff participated in food events, games and won prizes.

Chair Thomas recognized constituent representatives and thanked them for their attendance.
Chair Thomas explained the procedures for the public comment and question portion of the Board’s agenda.

Dr. Jim MacLean, Physiology Department, School of Medicine, and President of the Faculty Senate, SIUC, made a presentation to the Board. He provided a joint resolution to the Board regarding the proposed change in reporting lines for the first professional schools on behalf of the Faculty Senate and Graduate Council at SIUC. He added that the resolution was also approved by the Faculty Council at the School of Medicine. He spoke to concerns of the proposed changes and requested more information regarding the impact on Carnegie research, Carnegie community engagement status, accreditation and academic affairs associated with the proposed changes. He noted that the resolution recommended the formation of a task force to undertake an impact study on the proposed change in reporting structure. Dr. MacLean further noted that the President asked the task force to submit a report by May 1, and constituencies were working to meet the deadline so it may be discussed at the Board’s May meeting.

Dr. Judy Davie, Biochemistry and Molecular Biology Department, School of Medicine, and Chair of the Graduate Council, SIUC, continued the presentation to the Board. She reported that the topic had been shared with the nine SIUC Chancellor semifinalist candidates and shared comments received from those candidates. She noted each semifinalist expressed concern about the proposed changes desiring to know the rationale on the part of the Board of Trustees and the intended benefits of the change. She reported that the constituency groups agreed in principle with what was indicated in the white paper – that there needs to be greater communication and
Ms. Amanda Barnard, Vice President for Graduate School Affairs with the Graduate and Professional Student Council (GPSC) at SIUC, made a presentation to the Board. She reported that the GPSC had worked on the issue of student health insurance for three years. She expressed student support for the fee increase so that the students could obtain quality health insurance.

Mr. Cameron Shulak, President of the Undergraduate Student Government, SIUC, made a presentation to the Board. He expressed continued support from undergraduate students for the student health fee insurance increase. He asked for the Board’s support of the increase in the interest of student welfare and approve the item before the Board. In addition, Mr. Shulak spoke to support the recreation of Student Affairs at SIUC.

Ms. Cheryl Anderson, School of Law, SIUC, made a presentation to the Board. She reported that the School of Law faculty unanimously supported changing reporting lines to the SIU President. She reviewed former Law School Dean Tom Guernsey’s attempt to expand the School’s clinical legal education program but was unable to do so due to reporting obstacles at the time. Ms. Anderson noted that in recent times, Judge David Herndon, Chief Judge of the Federal Court for the Southern District of Illinois has been interested in the law students establishing a legal clinic, but the Law School has faced the same issues with establishing the clinic. She noted that the change in reporting lines would not impact the Law School’s accreditation or its
Carnegie designation because it would continue to be a unit of the Carbondale campus. She spoke of the Law School’s support of the reporting line change to be able to compete in a different educational market.

Mr. Mark Schultz, School of Law, SIUC, made a presentation to the Board. He noted the Law School faculty had unanimously asked him and Ms. Anderson to convey their interest to the Board on the reporting line matter and that they view the Southern Illinois University School of Law as a system-wide asset. He went on to say that the faculty wished to expand opportunities to the Edwardsville and Springfield campuses, and he noted work was underway for a joint degree program with the School of Pharmacy. He reported such collaborative efforts had been discouraged from SIU Carbondale administrators. Mr. Schultz spoke to the Law School’s unique accreditation requirements whereby the Law School must duplicate many functions of the university, and noted services offered by the SIUC Provost’s Office, while welcome, were not relevant to the School. He provided an example of funding denied by the Provost’s Office two years prior that the Law School had budgeted to prepare students for the bar, and noted that was a case where SIUC administrators did not understand the School's needs as a professional school.

Mr. Nasir Almasri, Student Senate President, SIUE, made a presentation to the Board. He spoke to concerns of Governor Rauner’s proposed budget. He noted that the Student Senate was reviewing a resolution regarding budget concerns and how it affects the University, students, faculty, staff, and region. He offered to forward it to the Board upon the Student Senate’s passage.
Dr. Howard Rambsy, Associate Professor of Literature, SIUE, made a presentation to the Board. He provided the Board a proposal for an academic program titled, “The Leadership Forum” for undergraduates at SIUE and asked the Board of Trustees for assistance to fund the program. He noted the program sought to alleviate exclusion of African American students from honors programs and special academic activities and support at SIUE. Dr. Rambsy spoke of exclusion and absence of African American students from academic programming that he had observed as a faculty member. He went on to express concerns about being one of a low percentage of African American professors at the university. Dr. Rambsy reported that The Leadership Forum would seek to provide large groups of African American students with special leadership, public programming and extracurricular learning opportunities to enrich their academic and intellectual experiences at SIUE and beyond.

Chair Thomas explained the procedure for the Board’s omnibus motion. The listing of items proposed for the omnibus motion were as follows:

**REPORTS OF PURCHASE ORDERS AND CONTRACTS, FEBRUARY 2015, SIUC AND SIUE**

In accordance with 3 Bylaws 1 and 5 Policies of the Board C, summary reports of purchase orders and contracts awarded during the month of February 2015 were mailed to the members of the Board in advance of this meeting, copies were placed on file in the Office of the Board of Trustees, and these reports are hereby submitted for information and entry upon the minutes of the Board with respect to the actions of the Executive Committee.

RESOLUTION IN SUPPORT OF A DEGREE COMPLETION PROGRAM IN AVIATION MANAGEMENT, SIUC

Summary

This matter proposes Board of Trustee approval of SIU Carbondale’s baccalaureate degree completion program in Aviation Management, which is to be offered through the University’s Extended Campus at the Community College of Beaver County (CCBC) in Monaca, Pennsylvania.

Rationale for Adoption

The SIUC Department of Aviation Management and Flight (AVM) currently offers degree completion programs at four different locations across the country. It intends to add a fifth location at the Community College of Beaver County. This site is one of the top two-year collegiate aviation institutions, offering A.A.S. degrees in Air Traffic Control, Flight Management and Flight Training. Upon approval from the State of Pennsylvania, the SIUC AVM off-campus program will be the first of its kind in the state.
A Memorandum of Agreement (MOA) has been signed by the CCBC and SIUC for the delivery of this program, contingent on approval of this matter by the SIU Board of Trustees. The agreement calls for SIUC Extended Campus to rent space at the CCBC for weekend courses and for an SIUC Site Liaison to provide on-site advisement and oversight of the program.

To fulfill a requirement of the State of Pennsylvania, regulation 22 Pa. Code Section 36.3 (a), SIUC must apply for approval to operate an Education Enterprise in the state and provide a copy of the SIU Board of Trustees minutes providing explicit approval for the University to provide such a program in Pennsylvania.

Considerations Against Adoption

University officials are aware of no considerations against the adoption of the matter.

Constituency Involvement

The proposed request to operate an Education Enterprise in the state of Pennsylvania was developed by program faculty and administration after a thorough review of the compliance requirements of the program.

Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That:

1. The degree completion BS in Aviation Management is approved to be offered by the Department of Aviation Management and Flight at the Community College of Beaver County in Monaca, Pennsylvania, beginning Summer 2015.

2. The President of Southern Illinois University be and is hereby authorized to take whatever action may be required in the execution of this resolution in accordance with established policies and procedures.
PROPOSED TUITION RATES AND FEE MATTERS, SIUC
[AMENDMENT TO 4 POLICIES OF THE BOARD APPENDIX A]

Summary

This matter proposes changes to the previously approved tuition schedule and various fee matters.

Rationale for Adoption – Tuition

Undergraduate and Graduate Student Tuition Rates

Historically, Southern Illinois University has been a leader in delivering a high quality educational experience to its students at an affordable price. It remains the intent of the Board and University administration to continue with that policy and to honor the tradition of providing an accessible education regardless of financial need or other economic barriers.

Proposed tuition rates for undergraduates, graduate students, physician assistant students, and for students enrolled in the professional schools of Law and Medicine are shown in Table 1. The proposed rates, which include an increase of 6% in Undergraduate tuition rates, are needed to fund additional cost obligations of the University. Without this additional funding, the quality of educational opportunities for students would be diminished.

Accordingly, the University hereby proposes changes for FY2016 tuition as outlined in Table 1.

Alternate Tuition Rate for High-Achieving Non-Resident Graduate Students

The University seeks to revise a Board policy to add graduate students to the high-achieving non-resident alternate tuition program, as listed in Table 2. Extending the high-achieving non-resident alternate tuition program to new and first time transfer graduate students, excluding Professional Schools and Physician’s Assistant master’s program, will allow the campus to be more competitive in recruitment of students who might not otherwise attend the University. An earlier version of this alternate tuition program, which limited such a benefit to undergraduate students, has proven to be a successful recruitment tool.
Alternate Tuition Rate for Active Duty Military

The University seeks to honor active duty military service members, in all branches and including military reservists and national guard called to active duty, by extending to them an alternate tuition rate equal to the maximum benefit provided to them under the Department of Defense’s Military Tuition Assistance Program when they are taking courses at a military base through the University’s Distance Learning and Off-Campus program. The current maximum allowable tuition under the Department of Defense’s program is $250 per credit hour.

Students in this program will continue to pay the appropriate off-campus program fees, which are limited to the Distance Learning fee, the Information Technology Fee, the Student Services Building Fee and the Student-to-Student Grant Fee, as listed in Table 2.

This alternate tuition rate program will help better position the University in a competitive marketplace on military bases across the United States.

Rationale for Adoption – Mandatory Student Fees

Facilities Maintenance

The University proposes an increase of $0.50 in the Facilities Maintenance Fee, effective Fall Semester 2015, to a proposed rate of $19.50 per credit hour, which is estimated to generate approximately $6.9 million in FY2016. If approved, the proposed increase represents a 2.63% annual increase per credit hour for FY 2016, as listed in Table 3.

The Facilities Maintenance Fee will partially fund the rising costs of maintenance and improvements to the University facilities that are not part of the Revenue Bond System.

It is anticipated that the Facilities Maintenance Fee for FY 2016 will be used for debt service, heating-ventilation-air conditioning systems, utility distribution systems, roofs, improvements to the aesthetics of academic facilities, and deferred maintenance projects.
Student Medical Benefit: Student Insurance Fee

The University proposes a $148.00 increase in the Student Medical Benefit (SMB) Student Insurance Fee for a proposed rate of $585.00 per Fall and Spring Semesters respectively and a $16.00 increase for a proposed rate of $218.00 for Summer, effective with the collection of fees for Fall Semester 2015. The proposed increase represents a 33.87% annual increase in the Student Insurance Fee, as listed in Table 3. This proposed rate includes subsidizing the annual premium with $500,000 from the Catastrophe Reserve for FY16. The decision to subsidize the quoted premium for future years will be dependent upon available uncommitted funds in the Catastrophe Reserve.

The proposed Student Insurance Fee allows for the transition from the current self-insured program to a commercially insured program of external medical and hospitalization coverage that is fully compliant with the Affordable Care Act (ACA). The Student Medical Insurance Plan provides students with comprehensive health coverage at affordable low-cost rates. In accordance with current policy, students who have their own comparable health insurance coverage may apply for a refund of the Student Insurance Fee.

Under the Affordable Care Act (ACA), our current self-insured health plan will be deemed to not meet the minimum essential benefit requirement after the 2014/2015 plan year. If the University revised the current self-insured health insurance program to meet the minimum essential benefit requirement, the financial risk to the University would increase significantly because pre-existing conditions would be covered and medical benefits would be unlimited. It is estimated that the actuarial calculation for a fully ACA compliant self-insured plan would increase the fee far in excess of the proposed fee for a fully-insured program.

The University solicited proposals from vendors for an ACA compliant fully-insured program. Three proposals were received and evaluated by a committee consisting of representatives from SIU Administration, Student Health Services, Undergraduate Student Government, Graduate and Professional Student Council and Graduate Assistants United. The committee has recommended a vendor based upon the most comprehensive plan and the most realistic pricing submitted. If the Board approves the increase to the Student Medical Benefit at the April 2015 meeting, the Administration will seek Board approval to award a contract to the recommended vendor. The proposed Student Insurance Fee is based on the premium charged per covered participant under the recommended vendor’s proposal.
Without the fee increase, the student insurance plan will be dissolved and students will not have coverage offered through the University. This will negatively impact recruitment and retention. The majority of SIUC students rely on the Student Medical Insurance Plan as their sole source of health insurance coverage. Of the approximately 10,000 students covered by the Student Medical Insurance Plan, over 80% have no other insurance coverage beyond the Student Plan.

The proposed Student Insurance Fee will provide year-around health insurance benefits to SIUC students for an average of $97.50 per month in FY 2016.

**Athletics**

No fee increase is proposed for athletics; however, the University proposes adding the athletic fee to the list of uncapped student fees, which currently includes the Facilities Maintenance and Information Technology Fees, as shown in Table 3. The Athletics Fee will be uncapped for new students entering Fall 2015 and thereafter.

**Rationale for Adoption – Course Fees**

**Aviation Flight**

The University proposes an increase in the fees for flight training courses offered by the Aviation Flight program for Fiscal Year 2016 and thereafter, as shown in Table 4.

The operation, maintenance, refurbishment, and replacement of existing flight training aircraft and planning for the acquisition of new flight training aircraft and simulators are supported by student-paid flight fees. In addition, annual flight fee increases are necessary to offset increases in such areas as personnel and direct instructional costs, student wages, insurance, fuel, aircraft and engine maintenance, engine purchases, and necessary technological upgrades to the existing aircraft and other equipment that meets new FAA regulatory mandates and addresses strategic areas identified by the accreditation review team. For example, engine replacement and aircraft maintenance costs have increased 13% in FY 15.

Required courses in the AAS in Aviation Flight offered by SIUC include AF 201A, 201B, 203, 204, 206A and 206B, 207A and 207B. The cost for these courses alone was $65,469 in FY15 and the FY16 cost for these same courses is projected to be $70,324, an increase of 7.41%. The AAS degree in Aviation Flight is intended to take five semesters. The overall increase for all AF courses for FY 2016 will be 7.17%.

The proposed flight fee increases were developed by program faculty and administration after a thorough review of the program’s fiscal requirements and the fees charged by other comparable institutions with flight programs.
Rationale for Adoption – Housing and Meal Plan Rates

Housing and Meal Plan

The University seeks rate increases in residence halls effective Summer Session 2015 and apartment rentals effective July 1, 2015, as shown in Table 5. The proposed effective rate increase for combined funded debt areas is 2.77% overall. Proposed rates for residence hall rooms and the dining plan include one rate for all residence hall double rooms regardless of residential area. Proposed rates include the Saluki Anytime Dining plan. University Housing will continue the two year contract option for students who want to lock in the current rate for two years. This option allows over 500 students to see no rate increase for the 2015-2016 academic year. Apartment housing increases are proposed at 1.9%.

The proposed occupancy rate increases will allow for continued investment in on-campus housing facilities. Planned FY 2016 capital and building projects include the following:

- Lentz Dining Hall renovation including window replacement
- Serving Square upgrades at Lentz Dining Hall
- Plumbing and window replacements for parts of West Campus residence halls
- University Hall carpet replacement and bathroom upgrades
- Additional ADA upgrades at Evergreen Terrace creating more fully accessible apartments
- Continuous maintenance and improvement projects throughout the residence halls; replacement of furniture, carpeting and painting of rooms, hallways and public areas; security camera upgrades

In addition, the proposed FY 2016 occupancy rate increases will provide funds to offset inflationary cost increases including, but not limited to, escalating utility and food costs and other general inflationary costs for goods and services. Without the fee increase, repairs and renovations to aging housing facilities will not be possible.

Considerations Against Adoption

University officers are concerned that increasing costs to our students may affect access to the University. The University has been sensitive to these concerns in preparing the proposed increases.

Constituency Involvement

The appropriate constituency advisory board, Undergraduate Student Government and Graduate and Professional Student Council have approved each proposed fee increase.
Resolutions

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That 4 Policies of the Board Appendix A be amended as follows:

- the FY 2016 rates for tuition be amended, as presented in Table 1;
- Alternate Tuition Rate policies shall be and are hereby changed, as presented in Table 2;
- general student fees for Fall Semester 2015 shall be and are hereby changed, as presented in Table 3;
- flight training course fees for Fall Semester 2015 shall be and are hereby changed, as presented in Table 4;
- the rents and charges heretofore established for University Housing shall be and are hereby changed, as presented in Table 5.

BE IT FURTHER RESOLVED, That the President of Southern Illinois University be and is hereby authorized to take whatever action may be required in the execution of this resolution in accordance with established policies and procedures.

### Notes:

1) New entering and continuing non-resident tuition is 2.5 times the in-state rate for Undergraduate and Graduate students unless they qualify for an Alternate Tuition Program.

2) Non-resident tuition is 3.0 times the in-state rate for the Medical School. For FY2016, the non-resident tuition rate for the School of Law will be $1,232.50 per credit hour.

3) Students in the Master of Science Program in Physician Assistant Studies (PA) will be assessed $382.50 per uncapped credit hour in addition to the Graduate School tuition rate. A one-year Master of Science Completion Program will be offered for a limited time to Physician Assistants currently in practice holding Bachelor of Science degrees for a reduced rate of $207.00 per uncapped credit hour in addition to the Graduate School tuition rate. First year PA students take 44 credit hours/AY (Fall 22 credits; Spring 22 credits). Non-resident tuition for the PA program is 1.5 times the in-state rate.

4) Beginning Fall 2008 (FY2009), the College of Business implemented a 15% differential tuition surcharge for new entering Undergraduate and Graduate students with a declared College of Business major. The differential tuition surcharge for both in-state and out-of-state students will be assessed on the applicable in-state tuition rate and will be capped at 15 credit hours per semester. Also beginning Fall 2008 (FY2009), the College of Business implemented a Minor Program Fee that is equal to 15% of 15 credit hours of applicable in-state tuition for new entering Undergraduate students with a declared College of Business minor.

9. Athletic Fee: In order to provide a regularized source of funding for Men's and Women's Intercollegiate Athletics programs at Southern Illinois University at Carbondale, a fee is established for each student. This fee shall be reduced 1/12 for each semester hour less than 12. The capped rate will not apply to new students entering for the Fall 2015 and thereafter.

a. Funds generated from this fee shall be distributed in a manner to provide equal opportunities for male and female athletes.

b. Funds generated from a $5.00 portion of this fee shall be used to establish an "Intercollegiate Athletics Repair, Replacement, and Modernization Reserve," which shall have a maximum level to be determined by application of the Legislative Audit Commission University Guidelines. These reserve funds shall be used for repair, replacement, and modernization of facilities and equipment used for programs of intercollegiate athletics. (6/11/97)

4 POLICIES OF THE BOARD APPENDIX A

12. Student Medical Benefit Fee: The Student Medical Benefit Fee shall comprise two separate but related components:

a. SMB Student Health Fee: A flat fee shall be collected from each student to provide primary health care on campus for students. The summer rate shall be 60% of the rate for the previous fall semester.

b. SMB Student Insurance Fee: A flat fee shall be collected from each student to provide a program of medical insurance coverage through a program of health insurance. The summer rate shall be 60% of the rate for the previous fall semester.

5 Interest Earnings are based on cash balances in the Claim Reserve & Operations Account and the Catastrophe Reserve Account.

The fee estimates have been adjusted downward by subsidizing the annual premium with $500,000 out of the Catastrophe Reserve for FY2016. This adjustment has been carried over for the FY2017 and FY2018 projections.

The decision to subsidize the quoted premium will be considered prior to every years fee calculation and will be dependent upon available funds in the Catastrophe Reserve.

APPROVAL OF PURCHASE:
STUDENT HEALTH INSURANCE,
CARBONDALE CAMPUS, SIUC

Summary

This matter seeks approval for the purchase of student health insurance. The purchase order for the health insurance is based on the anticipated premiums not to exceed $10,000,000 per year. This is a one year contract with up to nine annual optional renewals.

Rationale for Adoption

The proposed Student Insurance purchase allows for the transition from the current self-insured program to a commercially insured program of external medical and hospitalization coverage that is fully compliant with the Affordable Care Act (ACA). The Student Medical Insurance Plan provides students with comprehensive health coverage at affordable low-cost rates. In accordance with current policy, students who have their own comparable health insurance coverage may apply for a refund of the Student Insurance Fee.

Under the Affordable Care Act (ACA), our current self-insured health plan will be deemed to not meet the minimum essential benefit requirement after the 2014/2015 plan year. If the University revised the current self-insured health insurance program to meet the minimum essential benefit requirement, the financial risk to the University would increase significantly because pre-existing conditions would be covered and medical benefits would be unlimited. It is estimated that the actuarial calculation for a fully ACA compliant self-insured plan would increase the fee far in excess of the proposed fee for a fully-insured program.

The University solicited proposals from vendors for an ACA compliant fully-insured program. The vendor selection was based on responses to a request for proposal (RFP). Three proposals were received and evaluated by a committee consisting of representatives from SIU Administration, Student Health Services, Undergraduate Student Government, Graduate and Professional Student Council and Graduate Assistants United. The committee has recommended a vendor based upon the most comprehensive plan and the most realistic pricing submitted. The proposed Student Insurance purchase is based on the annual premium charged per covered participant under the recommended vendor’s proposal. The premium is based on current market pricing and any future renewal will be based on the plan performance and the carrier’s underwriting.
Without this purchase, the student insurance plan will be dissolved and students will not have coverage offered through the University. This will negatively impact recruitment and retention. The majority of SIUC students rely on the Student Medical Insurance Plan as their sole source of health insurance coverage. Of the approximately 10,000 students covered by the Student Medical Insurance Plan, over 80% have no other insurance coverage beyond the Student Plan.

The purchase will be funded by the SMB - Student Insurance Fee that is assessed to all on-campus students.

Undergraduate Student Government and the Graduate and Professional Student Council have passed resolutions in support of the fee increase to purchase a commercially insured program of external medical and hospitalization coverage that is fully compliant with the Affordable Care Act (ACA).

This matter is recommended for adoption by the Vice Chancellor for Administration and Finance, SIUC.

Considerations Against Adoption

University officers are concerned that increasing costs to our students may affect access to the University.

Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That:

(1) The purchase of Student Health Insurance, Carbondale Campus, SIUC, be and is hereby awarded to Gallagher Student Health and Special Risk, Quincy, MA, in the amount of $611 per Fall and Spring semesters for each student enrolled in the plan, which is estimated not to exceed $10,000,000 per year. This is a one year contract with up to nine annual renewal options.

(2) The Board of Trustees hereby authorizes the purchase of goods and services associated with this award.

(3) The purchase will be funded by the SMB – Student Insurance Fee.

(4) The President of Southern Illinois University be and is hereby authorized to take whatever action may be required in the execution of this resolution in accordance with established policies and procedures.
INCREASE IN COURSE SPECIFIC FEE
FOR GEOLOGY 454 FIELD GEOLOGY, SIUC

Summary

This matter proposes a change in the method of calculating a course specific fee which, if approved, will allow a fee based on actual costs of transportation determined at the time of course registration, up to a maximum fee of $1,000 per course registration of GEOL 454, effective Summer 2015. Pursuant to 4 Policies of the Board of Trustees of SIU A.1.d, Board approval is required for this fee increase.

Rationale for Adoption

Field Geology (GEOL 454) is a six credit hour capstone course required of all students seeking the Bachelor of Science degree in Geology. It is a six-week field course taught every summer semester in Montana and Wyoming. The fee covers travel expenses associated with the lease, fuel, and maintenance of approximately eight SIU vehicles for the 8,000 mile journey. Over the last two years, such expenses have been more than $700 per person. Enrollment is anticipated to be at least 45 students in summer 2015 semester and thereafter.

The actual costs of transportation per course registration are estimated to be under $800 based on current lease and fuel expenses. The maximum fee is based on an estimate of future lease and fuel expenses. Fixed transportation fees take as long as two years for approval. By the time new fees are approved, expenses can change significantly. The Department will use current lease rates, mileage for the vehicles as determined by Travel Service, and fuel prices that exist at the time of course registration. The catalog will inform students of the maximum transportation fee.

In addition, students are provided with estimated basic costs of out-of-pocket expenses for the field course which include room and board, textbooks, supplies, campground fees, and meals. The estimated student out-of-pocket costs are approximately $1,300. The Department of Geology provides for other expenses associated with the field course to include copying, faculty travel and all travel costs above those recovered by the course specific fee. Last year, the departmental cost of this field study course was approximately $10,000. The College of Science provides funds for graduate assistants and faculty salaries with an estimated cost for the summer 2015 of approximately $44,000.
Considerations Against Adoption

University officials are aware of, and concerned about, the continuing increase in the cost of education and related activities and its effect on access and affordability. The Department of Geology has an endowed account at the SIU Foundation that generates support to offset expenses. The department is focused on increasing the endowment principal to provide greater private support to students.

Constituency Involvement

The proposed course specific fee increase was developed by program faculty and administration after a thorough review of the fiscal requirements of the program.

Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That:

(1) The course fee for GEOL 454 be based on the actual costs of transportation determined at the time of registration up to a maximum fee of $1,000 per course registration, effective Summer 2015.

(2) The President of Southern Illinois University be and is hereby authorized to take whatever action may be required in the execution of this resolution in accordance with established policies and procedures.

PROPOSED TUITION RATES AND FEE MATTERS, SIUE [AMENDMENT TO 4 POLICIES OF THE BOARD APPENDIX B]

Summary

This matter proposes changes to the previously approved tuition schedule and various fee matters.

Rationale for Adoption – Tuition

Undergraduate and Graduate Student Tuition Rates

Historically, Southern Illinois University has been a leader in delivering a high quality educational experience to its students at an affordable price. It remains the intent of the Board and University administration to continue with that policy and to honor the tradition of providing an accessible education regardless of financial need or other economic barriers.
Proposed tuition rates for undergraduates, nursing accelerated students, graduate students, and for students enrolled in the professional schools of Dental Medicine and Pharmacy are shown in Table 1. The proposed rates, which include an increase of 6% in Undergraduate tuition rates, are needed to fund additional cost obligations of the University. Without this additional funding, the quality of educational opportunities for students would be diminished.

Accordingly, the University hereby proposes changes for FY2016 tuition as outlined in Table 1.

**Non-Resident Tuition Rate for School of Dental Medicine**

The University seeks to revise a Board policy to the non-resident tuition rate for Dental Medicine students from 3.0 times the in-state rate to 2.3 times the in-state rate beginning with Academic Year 2016.

Revising the non-resident tuition rate will allow the School of Dental Medicine to remain competitive with similar programs and to enhance the diversity of the student population at the Dental school.

**Rationale for Adoption – International Advanced Placement Program, School of Dental Medicine**

**Bench Test Fee**

This matter would approve a School of Dental Medicine International Advanced Placement Program Bench Test Fee of $450, effective with the collection of charges for fall 2015. The fee is for a bench test assessment during the interview portion of the application process. The candidate must successfully complete the bench test in order to proceed with the application process.

**Clinical Certification Course Fee**

This matter would approve a School of Dental Medicine International Advanced Placement Program Clinical Certification Course Fee of $22,329 effective with the collection of charges for fall 2015. The fee is proposed for the Clinical Certification Course (CCC) which precedes matriculation into the full program. The candidate who successfully completes the CCC course will then join the third year cohort of regular Dental Medicine students.
Rationale for Adoption – Mandatory Student Fees

Athletic Fee

This matter would approve a rate increase in the Athletic Fee of $5.30 per semester, effective fall 2015. The semester rate would increase from $176.40 to $181.70 for FY16. This is a 3.0% increase.

The Athletic Fee is the principal source of revenue supporting the Intercollegiate Athletic Program at SIUE. The proposed increase of $5.30 per semester would support the annual operating expenses associated with SIUE’s continual evolution as a NCAA Division I Institution and would maintain approved fund balance targets.

Facilities Fee

This matter would approve a rate increase in the Facilities Fee of $.55 per credit hour, effective fall 2015. The academic year fee would increase from $585.00 to $601.50. This is a 2.8% increase.

A proposed $20.05 per credit hour Facilities Fee is being requested beginning fall semester 2015 to update the campus' buildings and infrastructure. During the next ten to fifteen years, SIUE will see an unprecedented increase in major building repairs. The Edwardsville Campus has a large group of major buildings and infrastructure built over a short period of time during the same era. There are seven major buildings on campus built between 1965 and 1979, totaling nearly one million square feet. Major systems of that era are reaching the end of their economic lives. Experience has shown that once buildings and their supporting infrastructure go past their economic life, the operating and maintenance costs rise rapidly and the ability to meet user needs and to adapt to changing user demands decrease. Some of these impacts are already visible on campus.

Representative projects funded with this fee include: begin replacing the single-pane window systems, renovate the Art & Design East building, renovate offices and classrooms in various classroom buildings, and renovation of the campus' electrical distribution system. The fee also will help address any utilities shortfall. This Fee will be charged to all on-campus students.

In the future, this Fee is presumed to increase by a not-to-exceed 3% inflation factor.
Information Technology Fee

This matter would approve a rate increase in the Information Technology Fee of $.10 per credit hour, effective fall semester 2015, for a proposed total rate of $7.35 per credit hour. This is a 1.4% increase.

A proposed $7.35 per credit hour Information Technology Fee is being requested beginning fall semester 2015 to offset inflationary operating cost increases and to maintain an appropriate fund balance. The cost per credit hour is viewed as the most equitable approach since students’ demand for services has some proportionality to the number of classes they take. It is also consistent with SIUE’s uncapped tuition.

The costs of supporting computing and the campus network infrastructure have been historically funded through a combination of network connection “jack charges” and appropriated funds. The available funds have remained stagnant, while the demand for services has grown dramatically. Every year, more of the University’s operations are done through computing resources and require an ever greater infrastructure. The University needs to continually expand and enhance computing resources and the campus network infrastructure to satisfy the increasing demand as well as maintain and support information technology services to its faculty, staff, and students.

Student Welfare and Activity Fee

This matter would approve a rate increase, effective fall 2015, in the Student Welfare and Activity Fee (SWAF). The full-time semester fee would increase from $116.60 to $118.00. This is a 1.2% increase.

Three of the current seven sub-fees within SWAF—Campus Recreation, Student Publications and Counseling & Health Services—would be increased equating to an increase of $1.40 per semester in total. The other sub-fees, Student Activities and Organizations, Student Programming, Student Government and Student Legal Services will remain at the same rate as FY15.

SIUE’s Student Welfare and Activity Fee include seven sub-fees which fund a variety of services, programs and activities which support campus life. As authorized by the Board, some of the sub-fees are assessed on a flat-rate basis while others are prorated across hours of enrollment. The following section addresses the sub-fees proposed to increase.
Campus Recreation

This sub-fee funds the operational and program expenditures of Campus Recreation. The proposed $.50 per semester increase will offset cumulative inflationary cost increases and better support programming appropriate to SIUE’s increased residential population. The fee increase will support the rapidly expanding activities and services such as intramural and club sports and the operations of the outdoor sports complex. With the increase of $.50 per semester, the sub-fee would be $26.10 per semester for a full-time student.

Student Publications Operations

This sub-fee funds the printing and other publication costs of the student newspaper and media, as well as replacement of equipment. The proposed $.15 per semester increase for Student Publications Operations will offset cumulative inflationary cost increases. With the increase of $.15 per semester, the sub-fee would be $7.95 per semester for a full-time student.

Counseling and Health Services

This sub-fee funds the operational and program expenditures of Counseling and Health Services. Health Service provides acute clinical care, sexuality awareness, laboratory services, immunization clinic, pharmacy services, and health education services. Counseling Services provides psychological care. The proposed $.75 per semester increase for Counseling and Health Services will offset cumulative inflationary cost increases. With the increase of $.75 per semester, the sub-fee would be $56.30 per semester for a full-time student.

Textbook Rental Fee

This matter would approve a rate increase in the full-time Textbook Rental Fee of $49.50 per semester, effective fall 2015. The Textbook Rental Fee is assessed at the same rates during a semester and the summer session. The semester rate for 15 hours would increase from $195.00 to $244.50 for FY16. This is a 25.4% increase.

The Textbook Rental Fee is the principal source of revenue supporting Textbook Service, which operates primarily on a cost recovery basis.

Textbook costs are the largest and most variable cost of the operation of Textbook Service. In recent years, we have adopted electronic materials (access codes) at the request of faculty. The proposed fee increase of 25.4% will assist in offsetting the additional digital cost, as well as the inflationary cost, of textbooks. Electronic materials (access codes) are a one-time cost each semester versus books which are depreciated over three years or nine semesters. Revenue from the increase would also offset other inflationary operating cost increases in salaries and general costs, provide necessary
levels of service, maintain an appropriate fund balance and provide for administrative costs assessed auxiliaries. The proposed increase is part of the program begun several years ago to offset rising costs with annual fee increases.

**University Center Fee**

This matter would approve a rate increase in the University Center Fee of $5.25 per semester, effective fall 2015. The semester rate would increase from $166.50 to $171.75 for FY16. This is a 3.2% increase.

The University Center Fee is the principal source of revenue supporting the University Center at SIUE. The proposed increase equating to $5.25 per semester would offset inflationary operating cost increases in salaries, utilities and general costs, support student programming, maintain an appropriate fund balance, permit moderate equipment replacement and provide for administrative costs assessed auxiliaries. The increase will also enable the University Center to adequately fund the Repair and Replacement Reserve account used for equipment replacement, renovations and facility enhancements. The increase will permit the University Center to continue operating at the extended hours and service levels necessary to serve residential students.

**Rationale for Adoption – Housing and Meal Plan Rates**

**Housing and Meal Plan**

The University seeks rate increases as shown in Table 3, effective May 2015 for the Three Week Summer term rates and fall 2015 for all other rate increases, in University Housing of 3% for Cougar Village Apartments, Woodland, Prairie, Bluff, and Evergreen Halls for Shared and Single rates. This matter would also approve establishing rates for a May term for Cougar Village Apartments, Woodland, Prairie, Bluff and Evergreen Halls. This matter would additionally approve an increase of 3.1% for the meal plan.

Proposed FY16 occupancy fee rates would offset inflationary cost increases projected at 2-3%, escalated debt service, maintain adequate fund balances in the housing operation, and provide for administrative costs assessed auxiliaries.

The May 2015 term rates are being proposed to align with the University's academic calendar. This will be the first year the University is offering a three week session between Spring and Summer terms. The occupancy rates established for the May term will be for those students that continue to live in housing and take classes during the May term prior to Summer session.
The Resident Housing Association recommended a 3.1% increase per semester in the FY16 meal plan charges for students residing in Woodland, Prairie and Bluff Halls. The rates proposed herein were developed to offset inflationary cost increases in labor and food costs.

Considerations Against Adoption

University officers are concerned about increases in the cost of attendance and their possible negative effect on access to the University. Such concerns are integral to SIUE’s annual fee review process and reflect its historic efforts to maintain fees at the lowest practical level.

Constituency Involvement

The appropriate constituency advisory board has approved each proposed fee and the housing occupancy rate increases. The proposed fees and housing occupancy rate increases were approved by the Student Senate and the University Planning and Budget Council. The Chancellor and the Vice Chancellor for Student Affairs, SIUE, have recommended this matter to the President.

Resolutions

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That 4 Policies of the Board Appendix B be amended as follows:

- the FY 2016 rates for tuition be amended, as presented in Table 1;
- student fees for Fall Semester 2015 shall be and are hereby changed, as presented in Table 2;
- the rents and charges heretofore established for University Housing shall be and are hereby changed, as presented in Table 3;

BE IT FURTHER RESOLVED, That the President of Southern Illinois University be and is hereby authorized to take whatever action may be required in the execution of this resolution in accordance with established policies and procedures.

### Notes:

1. New entering and continuing non-resident tuition is 2.5 times the in-state rate for Undergraduate and Graduate students unless they qualify for an Alternate Tuition Program.

2. The Accelerated Bachelor Studies in Nursing (ABSN) 15 month program is a post-baccalaureate sequence of study leading to a baccalaureate in nursing degree. Applicants who have already earned a baccalaureate degree from an accredited university and have completed all pre-nursing requirements will be eligible to enter this program. The first ABSN cohort began January 2006. The ABSN program currently requires 62-64 credit hours for completion, which reflects a decrease from the previously required 68 hours. The decrease is a result of curricular changes and the variability in the number of credit hours depends on the student’s research-based coursework in their prior degree.

3. Students in the Master of Science Program in Nursing with a specialization in Nurse Anesthesia who are in the clinical phase of the program will be assessed a clinical charge of $4,600 per term, effective Fall 2002, in addition to regular graduate-level tuition. Students must pay the clinical charge each term of clinical registration with a minimum of five terms.

4. Beginning in Academic Year 2016, non-resident tuition is 2.3 times the in-state rate for the Dental School and 1.2 times the in-state rate for Pharmacy.

5. Beginning with Academic Year 2015, a 15% differential tuition surcharge based upon the in-state rate will be assessed to all undergraduate majors in the School of Engineering.

### Alternate Tuition Programs:

1. High-achieving/talented out-of-state students participating in the SIUE geographical enhancement program will pay an alternate tuition rate of 1.2 times the current in-state tuition per semester starting in Academic Year 2010.

2. High-achieving/talented international students targeted by the SIUE enhanced international recruitment program will pay an alternate tuition rate of 1.2 times the current in-state tuition per semester starting in Academic Year 2012.

3. Students participating in the Doctorate of Nursing Practice program will pay an alternate tuition rate of $650 per credit hour starting in Academic Year 2012.

4. Students participating in dual diploma programs will pay an alternate tuition rate of 1.8 times the in-state rate per semester starting in Academic Year 2015.

5. All undergraduate and Master’s level graduate students from Wisconsin, Iowa, Indiana, Kentucky, Missouri, Tennessee and Arkansas who enter in the Fall 2014 semester or thereafter will pay an alternate tuition rate of 1.0 times the current applicable in-state tuition per semester (excludes Professional Schools).

6. All out-of-state undergraduate students who demonstrate high academic achievement on the ACT or SAT college entrance examination or on their overall transfer grade point average who enter in the Fall 2014 semester or thereafter will pay an alternate tuition rate of 1.0 times the current applicable in-state tuition per semester.

7. All out-of-state undergraduate students who are the descendants/siblings of SIUE graduates (parent, grandparent, sibling, step-parent or legal guardian) and who enter in the Fall 2014 semester or thereafter will pay an alternate tuition rate of 1.0 times the current applicable in-state tuition per semester.
4. General student fees per semester for Southern Illinois University Edwardsville, effective with the collection of charges for fall 2015 are as follows:

RE-ESTABLISHMENT OF THE VICE CHANCELLOR OF STUDENT AFFAIRS, SIUC

Summary

This matter seeks approval to re-establish the Vice Chancellor of Student Affairs, SIUC, to better serve the needs of students.

Rationale for Adoption

A Student Affairs Task Force established last fall by then-Interim Chancellor Paul Sarvela was charged with reviewing the efficiency and effectiveness of the non-academic units that provide services to students. The Task Force, led by Dean Mickey Latour, recommended the re-establishment of the Office of the Vice Chancellor for Student Affairs (VCSA) and the realignment of certain administrative units and offices currently residing across various parts of the campus administrative structure.

In conjunction with the creation of SIUC’s University College (UC) by Board of Trustees action in February 2011, all units reporting to the Office of Vice Chancellor of Student Affairs at that time were reassigned to other Vice Chancellor Areas or to the newly established UC; following the reassignment of the Vice Chancellor at that time to a faculty role, the VCSA Office ceased to exist.

The absence of a Vice Chancellor Area overseeing Student Affairs on a campus of the size and scope of SIUC is noticeable by its absence, and the Office of the Vice Chancellor of Student Affairs would better provide comprehensive and more coordinated student services and programs for SIUC students, thus supporting a safe and secure environment in which students can achieve academic excellence. The re-establishment of this office would be cost-neutral once the realignment of affected campus units is finalized and no staff will lose employment as a result of the proposed action. Neither are any additional campus administrative units created by this re-establishment of the VCSA Office.

The Task Force’s executive summary is attached for review.

Considerations Against Adoption

Campus administrators discussed concerns over any potential costs associated with re-establishing the Office of Vice Chancellor of Students Affairs, along with possible negative perceptions related to the view some may have that this action adds more administration or increases bureaucracy. However, since it is believed that the office can be created without requiring new budget lines or additional costs, and given that the recommendation is primarily focused on the realignment and reorganization of existing units, it is believed that the organizational benefits warrant moving forward to bring back the VCSA Office.
Constituency Involvement

The Student Affairs Task Force was comprised of students and administrators involved in academic and non-academic units.

Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That:

(1) The SIUC campus re-establish the Office of the Vice Chancellor of Student Affairs, effective July 1, 2015.

(2) The Chancellor’s Cabinet implement a realignment plan for existing campus units as identified in the Student Affairs Task Force report.

The President of Southern Illinois University be and is hereby authorized to take all action required in the execution of this resolution in accordance with established policies and procedures.
Student Affairs Task Force
Charge from the Chancellor

December 5, 2014

To: Office of the Chancellor

From: Mickey A. Latour, Chair.
       Andy Morgan, Brandon Woudenberg, Cameron Shulak, Carla Coppi, James Allen,
       Jason Phillips, Jill Kirkpatrick, Jon Shaffer, Jon Geiger, Harvey Welch, Pat Manfredi,
       Terri Harfst, Laurie Bell, Task Force Members.

Executive Summary:

The Student Affairs Task Force began meeting on October 8, 2014, and subsequently conducted additional meetings through November 19, 2014. The conversations were honest, deep and sincere as the task force addressed the Chancellor’s Charge (see italic below). The committee unanimously determined a Vice Chancellor for Student Affairs is warranted and that position should focus primarily on non-academic matters. This is not to imply the new Vice Chancellor for Student Affairs would not be included or have some responsibilities in academic matters, but the primary focus should address the many out of class matters which need significant attention to accelerate overall student success at SIU. Our task group felt success realized by the Vice Chancellor for Student Affairs will come through strong collaborative efforts across campus and appropriate allocation of resources. In summary, the committee felt this is a deserved administrative need at SIU and consistent with many of our peer institutions.

The Task Force shall:

a) review the efficiency and effectiveness of the current units that provide services to our students (i.e., enrollment management, housing, advising, University College, the office of the Dean of Students, etc.) and determine whether they are organized in a manner that addresses the holistic needs of every student;

b) review the trends, practices, and the structure that would best address the unique needs of SIU Carbondale;

c) present the Chancellor with the following recommendations by Friday, December 5, 2014:

   a. The most effective student affairs organizational structure to best serve our students
   b. A recommended title for the position that would lead the Student Affairs organization including a suggested draft position description.
Outcomes and Findings by Task Team:

The committee recommends the following:

1. Establish a new Vice Chancellor for Student Affairs (VCSA).

2. A proposed job description for the new VCSA is enclosed.

3. The committee recommends realigning some departments, see Table 1 for details.

4. The success of this position will come through:
   a. Appropriate resources (financial and staffing). It is unknown by the committee what is truly needed for this position and that may be something which needs to be explored further, assuming this is something SIU would want to undertake.
   b. Collaborative synergies. Constructive working relationships should be strengthened across campus, i.e., diminishing silos and fostering collaboration.
REORGANIZATION OF UNIVERSITY PARK FROM OFFICE OF THE CHANCELLOR TO OFFICE OF THE VICE CHANCELLOR FOR ADMINISTRATION, SIUE

Summary

This matter requests approval to move the reporting line for University Park from the Office of the Chancellor to the Office of the Vice Chancellor for Administration.

Rationale for Adoption

The Chancellor appointed a Working Group to analyze the current financial situation and funding model for University Park. The Group’s goal was to identify recurring State funding to reallocate toward academic initiatives given the current budget situation. The reorganization is consistent with the Working Group’s recommendation and will allow for funding other high priority areas that directly benefit the student body.

The Working Group concluded that the University has become the primary occupant of the Park, and that the primary functions of University Park are real property leasing and facilities management. As the same functions are performed on a much larger scale for the University by the Vice Chancellor for Administration, efficiencies will be achieved by consolidation of the separate University Park staff.

Under this reorganization, the Vice Chancellor for Administration would be responsible for managing, operating, and maintaining the land, buildings, facilities and other property included in University Park, as well as the corporate responsibilities of University Park Incorporated.

The effective date for the proposed move would be July 1, 2015. The Chancellor and the Vice Chancellor for Administration, SIUE, have recommended this matter to the President.

Considerations Against Adoption

As a result of this action, University Park will be passively promoted and marketed. However, to mitigate the impact, private parties interested in development opportunities will be directed to the Vice Chancellor for Administration and the Chancellor.
Constituency Involvement

The Working Group consisted of representatives from University Park Staff, University Park Board of Directors, University Park Tenants, Facilities Management, Office of the Vice Chancellor for Administration, Office of the Vice Chancellor for University Advancement, School of Business, and General Counsel. The University Park Board of Directors has also been informed without objection.

Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That:

(1) Effective July 1, 2015, University Park is hereby transferred to the Office of the Vice Chancellor for Administration.

(2) The President of Southern Illinois University be and is hereby authorized to take all action required in the execution of this resolution in accordance with established policies and procedures.

AWARD OF CONTRACT:
NCERC THIRD PARTY EVALUATION,
EDWARDSVILLE CAMPUS, SIUE

Summary

This matter seeks approval to award a contract for the National Corn-to-Ethanol Research Center (NCERC) to provide third party evaluation services for a Round 4 U.S. Department of Labor Trade Adjustment Assistance Community College and Career Training (TAACCCT) grant for the Building Illinois Bioeconomy (BIB) consortium. The Consortium consists of four community colleges and one public University, SIUE, across the State of Illinois. The grant performance period is October 1, 2014, through September 30, 2018. The contract would be paid from the Building Illinois Bioeconomy grant. As part of the grant requirements, the activities and results of the Consortium must be evaluated. This contract is to perform the evaluation.

Rationale for Adoption

The proposed contract includes services to perform rigorous data gathering, reporting and analysis to assess the impact of Building Illinois Bioeconomy’s TAACCCT-funded programs and strategies, as outlined in the Consortium’s grant proposal. The objective is to develop and implement a mixed-method evaluation design including an outcome analysis, program implementation analysis, and review of
evaluation findings. The services will assist the Consortium in complying with data reporting requirements from the U.S. Department of Labor, submission of quarterly, annual, and final performance reports, and assisting with obtaining data for Building Illinois Bioeconomy’s employment results scorecard.

Competitive bids were sought with only one submittal received from The New Growth Group, LLC, in the amount of $760,671. The bid received is favorable and the award of a contract is now requested. The Chancellor and the Provost and Vice Chancellor for Academic Affairs, SIUE, have recommended this matter to the President.

Considerations Against Adoption

University officials are aware of no considerations against the adoption of the matter.

Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That:

(1) The contract for third party evaluation services for a Round 4 U.S. Department of Labor Trade Adjustment Assistance Community College and Career Training (TAACCCT) grant be and is hereby approved to New Growth Group, LLC, Cleveland, OH, in the amount of $760,671.

(2) The President of Southern Illinois University be and is hereby authorized to take all action required in the execution of this resolution in accordance with established policies and procedures.

APPROVAL OF PURCHASE: PUBLIC BROADCASTING SERVICE (PBS) STATION DUES FOR WSIU-TV AND WUSI-TV PROGRAMMING

BROADCASTING SERVICE
CARBONDALE CAMPUS, SIUC

Summary

This matter seeks approval to pay the annual Public Broadcasting Service (PBS) dues to enable the broadcast of PBS programming on both WSIU-TV and WUSI-TV stations. The total cost is estimated at $870,000.

Rationale for Adoption

Since 1958, WSIU Public Broadcasting has provided programming and services to southern Illinois. In order to air the Public Broadcasting Service (PBS)
programming, station dues must be paid annually. The dues are calculated by PBS based on a formula which considers non-federal financial support (NFFS), population share, and a base fee. The estimated dues for Fiscal Year 2016 beginning July 1, 2015, are $870,000. This is an estimated cost for planning purposes. PBS states that the final bill may fluctuate slightly once they have certified each provider’s NFFS.

In accordance with the Illinois Procurement Code, this transaction is exempt from bidding under 30ILCS 500/1-13.

The payment will be funded from a grant from the Corporation of Public Broadcasting, a restricted account.

Considerations Against Adoption

University officials are aware of none.

Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That:

(1) The annual dues payable to the Public Broadcasting Service (PBS), Charlotte, NC, to enable the broadcast of PBS programming for WSIU-TV and WUSI-TV stations, will be paid for one year beginning July 1, 2015, at an estimated cost of $870,000.

(2) Funding for this purchase will come from a grant to the SIUC Broadcasting Service from the Corporation for Public Broadcasting, a non-appropriated restricted account.

(3) The President of Southern Illinois University be and is hereby authorized to take whatever action may be required in the execution of this resolution in accordance with established policies and procedures.

APPROVAL OF PURCHASE: ENTERPRISE STORAGE PLATFORM, SCHOOL OF MEDICINE CAMPUS, SIUC

Summary

This matter seeks approval to purchase a 200 Terabyte EMC Isilon Data Storage Platform for centralization and protection of enterprise-wide electronic data. The total cost for this purchase is $595,100.98 and will be funded with SIU School of Medicine non-appropriated plant funds derived from patient revenue sources.
Rationale for Adoption

The SIU School of Medicine and SIU HealthCare have multiple departmental computing environments that store data on separate file servers. Each file server must be individually managed, physically controlled, and data safeguarded. The organization’s need to respond to opportunities and challenges in medical education, research, and community medical care require fast, secure, and efficient access to organizational data.

As there is a need to improve the access to and the management and safeguarding of the organization’s data, a central mechanism to manage data will be implemented. The EMC Isilon storage platform will provide highly available, redundant access to the vast amount of clinical, research and academic data the organization maintains. The modular upgrade path of the platform provides the ability to grow the solution as needs expand into the future.

This matter seeks to award a contract to Sentinel Technologies, Inc. as the successful bidder in accordance with the state procurement process. The purchase will be funded from School of Medicine non-appropriated plant funds.

This matter is recommended for adoption by the Dean and Provost of the School of Medicine.

Considerations Against Adoption

University officers are aware of none.

Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That:

(1) The purchase of a 200 TB EMC Isilon storage platform is awarded to Sentinel Technologies, Inc. in the amount of $595,100.98.

(2) Funding for this purchase will come from School of Medicine non-appropriated plant funds.

(3) The President of Southern Illinois University be and is hereby authorized to take whatever action may be required in the execution of this resolution in accordance with established policies and procedures.
APPROVAL OF SALARY AND APPOINTMENT OF
ASSISTANT TO THE CHAIR, DEPARTMENT OF SURGERY
SCHOOL OF MEDICINE CAMPUS, SIUC

Summary

The matter presents for approval the salary and appointment of the preferred candidate for the position of Assistant to the Chair, Department of Surgery at the School of Medicine Campus, SIUC.

Rationale for Adoption

Policies of the Board of Trustees require the approval of salary and appointment of professional staff who have a proposed salary of $150,000 or more. This request follows a national search in which eleven candidates applied. Two candidates were interviewed onsite by campus leaders, faculty, and administrative staff. Reporting to the School of Medicine Surgery Department Chair, this critical leadership position serves as the senior administrator for the Department of Surgery and has clinical, operational, and administrative responsibilities for more than 220 staff, 65 faculty and a combined budget of more than $40 million.

The Dean and Provost of the School of Medicine has recommended this matter to the President.

Considerations Against Adoption

None are known to exist.

Constituency Involvement

Campus officials, department chairs, clinical faculty, hospital administrators, and campus administrators were afforded opportunities to participate in the interview process.

Resolution

BE IT RESOLVED, By Board of Trustees of Southern Illinois University in regular meeting assembled, that Leslie R. Jebson is appointed to the position of Assistant to the Chair, Department of Surgery at the School of Medicine Campus, SIUC, with an annual salary of $175,000, effective May 2015.
APPROVAL OF SALARY AND APPOINTMENT OF 
DEAN OF THE GRADUATE SCHOOL, SIUC

Summary

The matter presents for approval the salary and appointment of the 
preferred candidate for the Dean of the Graduate School, SIUC.

Rationale for Adoption

Policies of the Board of Trustees require the approval of salary and 
appointment of professional staff who have a proposed salary of $150,000 or more. 
This request follows a national search in which three qualified candidates were 
interviewed. This critical position serves as the chief academic and administrative officer 
for the graduate school and is responsible for the school’s academic programs, fiscal 
management, personnel, external relations and recruitment, among other duties.

Considerations Against Adoption

University officials considered returning to a permanent combined role of 
vice chancellor of research and graduate dean. However, it was determined that cost 
savings of such a strategy would be minimal as an additional administrator to serve as 
associate dean of the graduate school would be required to oversee the day-to-day 
management of the School. Further, it is nationally recognized as best practice to have 
a Dean who is solely focused on the Graduate School’s recruitment, retention, program 
development, outreach and strategic planning.

Constituency Involvement

A campus search committee comprised of faculty, staff and students was 
used to review nominations and applications. Final candidates participated in on-
campus meetings, interviews and open forums allowing ample access to all 
stakeholders in the interview process.

Resolution

BE IT RESOLVED, By Board of Trustees of Southern Illinois University in regular meeting assembled, That Dr. Yueh-Ting Lee is appointed to the position of Dean of the Graduate School, SIUC, with an annual salary of $155,004 effective July 9, 2015.
Summary

This matter seeks Board of Trustees approval of the renewal of the Employment Agreement of Kimberly A. Labonte in the position of Executive Director of Audits for the Southern Illinois University System. The Employment Agreement is made pursuant in part to the Fiscal Control and Internal Auditing Act ("Internal Audit Act" 30 ILCS 10). The Executive Director of Audits serves as the Chief Internal Auditor for the Southern Illinois University System. The renewal of the Employment Agreement is effective July 1, 2015, and pursuant to the Internal Audit Act, for a term of five (5) years, ending June 30, 2020.

Duties

The duties of the Executive Director of Audits, as outlined in the Employment Agreement, include:

a. Responsible for administration and leadership of the internal audit function for the University, as outlined in Board Policy and University Guidelines.

b. Responsible for the development and implementation of an internal audit plan for the University that meets the requirements of the Illinois Internal Auditing Act.

c. Serve as President's principal advisor on matters of internal audit and serve as the primary contact and liaison for all external audits.

d. Review all audit reports and responses and advise the President of the need for further attention. Maintain a file of all audit reports and responses.

e. Determine that all pending audits and responses are current. Advise the President of any material delays.

f. Prepare an annual report to the President indicating any probable areas of weakness in internal control.

g. Assume responsibility for coordinating responses to external audit reports and follow-up on all external audit recommendations.

h. Suggest areas of audit concentration. Recommend the initiation of special audits.
i. Inform and advise the Board of Trustees as appropriate of major internal audit issues including material findings, planning and status of proposed and current audits.

j. Be responsive to Board priorities and requests for information and advice.

The Employment Agreement provides for an annual base salary at the time of appointment of One Hundred Eighteen Thousand Four Hundred and Seventy-Six Dollars ($118,476), the current salary of the Executive Director of Audits, payable in equal installments in accordance with the appropriate University payroll schedule.

Rationale for Adoption

Approval of this matter will assure compliance with the Illinois Internal Audit Act, which requires all state agencies to have internal audit programs administered by a Chief Internal Auditor, who “shall report directly to the Chief Executive Officer and shall have direct communications with the “Chief Executive Officer and the governing Board.” (30 ILCS 10/2002(b). In addition, the Internal Audit Act provides that the Chief Internal Auditor’s salary cannot be diminished during the term of the appointment, and that the Chief Internal Auditor may only be removed “for cause” after a hearing before the Illinois Executive Ethics Commission.

Considerations Against Adoption

University officers are aware of none.

Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That:

(1) The renewal of the Employment Agreement is made and entered into this 16th day of April, 2015, by and between the Board of Trustees of Southern Illinois University, a body politic and corporate acting through its President (hereinafter the "University") and Kimberly A. Labonte, effective July 1, 2015.

(2) Pursuant to the relevant provisions of 30 ILCS 10/2002, the term of the renewal Employment Agreement shall be for a period of five (5) years, starting July 1, 2015, through June 30, 2020.
(3) The University, in consideration of the duties performed as earlier described, shall provide compensation in the form of an annual base salary at the time of appointment in the amount of One Hundred Eighteen Thousand Four Hundred and Seventy-Six Dollars ($118,476), payable in equal installments in accordance with the appropriate University payroll schedule. Salary shall include deductions for local, state, and federal taxes and employee benefits.

(4) The President of Southern Illinois University be and is hereby authorized to take whatever action may be required in the execution of this resolution in accordance with established policies and procedures.

AWARD OF CONTRACTS:
PARKING LOT RENOVATIONS, CARBONDALE CAMPUS, SIUC

Summary

This matter seeks to award the contracts for the renovations to parking Lot 11 and Lot 13 located east of the Student Center. Bids for renovations were received and the award of the contracts for a total of $641,729.00 is requested.

Rationale for Adoption

At the December 11, 2014, Board of Trustees meeting, project and budget approval was received for the renovations to parking Lot 11 and 13 at an estimated cost of $1,500,000. This project will enlarge Lot 11 and renovate Lot 13; both lots are located east of the Student Center. Lot 11 will increase capacity by an estimated 154 spaces and Lot 13 will be redesigned for safer pedestrian travel and traffic flow and resurfaced. The project would also include the redesign of the walkways, replacement of light fixtures, installation of security cameras, and the creation of a green space along Lincoln Drive.

The design was completed through in-house resources and the construction was bid in accordance with the Illinois Procurement Code and the SIU Board of Trustees Policies. The work will be funded by the Parking Division and Parking Facilities Replacement and Reserve Fund.

The Vice Chancellor for Administration and Finance recommended this item to the President.
Constituency Involvement

SIUC Traffic and Parking Committee supports the proposed project. The committee, which has constituency representation, consists of members from the Administrative Professional Staff Council, Civil Service Employees Council, Faculty Senate, Graduate Council, Graduate/Professional Student Council, Undergraduate Student Government, Student Center Board, Provost and Vice Chancellor for Academic Affairs, Traffic and Parking Appeals Board and Department of Public Safety.

Considerations Against Adoption

This project will require phased work calling for temporary closures of the parking lots which may create a potential for inconvenience.

Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That:

(1) The contract for general construction work for the renovations to parking Lot 11 and parking Lot 13, Carbondale Campus, SIUC, including Alternate G-1 be and is hereby awarded to Samron Midwest Contracting Inc., Murphysboro, IL, in the amount of $580,229.00.

(2) The contract for electrical construction work for the renovations to parking Lot 11 and parking Lot 13, Carbondale Campus, SIUC, be and is hereby awarded to W.J. Burke Electric Inc., Murphysboro, IL, in the amount of $61,500.00.

(3) Funding for this work will come from the Parking Division and Parking Facilities Replacement and Reserve Fund.

(4) The President of Southern Illinois University be and is hereby authorized to take whatever action may be required in the execution of this resolution in accordance with established policies and procedures.
AWARD OF CONTRACTS:
ASBESTOS ABATEMENT AND HAZARDOUS MATERIAL REMOVAL, SIUE

Summary

This matter seeks to award open-order contracts to abate and remove materials containing asbestos and other hazardous or regulated substances, as needed, at SIUE. Each open-order contract has an estimated annual value of $75,000 and possible duration of five one-year periods, with the option for five additional one year renewals for a total of $1,500,000. The amounts of the contracts to each vendor will be based on actual need and successful competitive pricing for individual orders for work over the contract period. Individual orders for work would be funded from various SIUE accounts and department budgets appropriate for the particular services required.

Rationale for Adoption

Many of the buildings at SIUE are more than 50 years old and require maintenance, repairs and renovation work and hazardous materials may need to be removed. Services include abatement and removal of materials containing asbestos and other hazardous or regulated substances such as lead-based paint, mold, PCB’s, fuel, oil and chemicals, on an as-needed basis. Work may be performed on the Edwardsville, Alton, and East St. Louis Higher Education campuses. A separate contract would be developed, issued, and managed for each small project.

The proposed two open order contracts will simplify the procurement of asbestos abatement and hazardous material removal services. The campus will develop a scope of work, solicit quotes from contractors awarded these contracts, and then issue a fixed-price order with a specific completion date for each project. Contracts are proposed to be awarded to Great Western Abatement Inc., St. Robert, MO, and to Cenpro Services Inc., Madison, IL. The first contract would be effective July 1, 2015, through June 30, 2016, and could be renewed for up to nine additional years. The contracts would be subject to renewal upon demonstration of satisfactory service, continued need, favorable market conditions, and funds available.

The Chancellor and the Vice Chancellor for Administration, SIUE, have recommended this matter to the President.

Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That:
(1) The open-order contracts to perform asbestos abatement and hazardous material removal at SIUE and SIUE affiliates, be and are hereby approved to Great Western Abatement Inc., St. Robert, MO, and to Cenpro Services Inc., Madison, IL, at an estimated annual value of $75,000 each funded from various SIUE department budgets appropriate for the particular services required.

(2) The first contract would be effective July 1, 2015, through June 30, 2016, and could be renewed for up to nine additional years.

(3) The President of Southern Illinois University be and is hereby authorized to take all action required in the execution of this resolution in accordance with established policies and procedures.

AWARD OF CONTRACT:
RESURFACE CIRCLE DRIVE,
EDWARDSVILLE CAMPUS, SIUE

Summary

This matter seeks to award a contract to resurface Circle Drive on the Edwardsville campus. Bids for the work were received and the award of the contract for $773,200 is requested.

Rationale for Adoption

At the December 11, 2014, Board of Trustees meeting, project and budget approval was received to resurface Circle Drive on the Edwardsville campus at an estimated cost of $1,200,000. The road has become worn down by heavy construction traffic and daily commuter traffic. The work will include new pavement markings and replace accessible curb ramps. Construction is scheduled for summer 2015. Funding for the project will come from the Facilities Maintenance fee.

The Chancellor and the Vice Chancellor for Administration, SIUE, have recommended this matter to the President.

Considerations Against Adoption

The work included in this project will cause a temporary inconvenience to the vehicular traffic on Circle Drive. Temporary lane closures will occur.
Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That:

(1) The contract to resurface Circle Drive on the Edwardsville campus, SIUE, be and is hereby awarded to Christ Brothers Asphalt Inc., Lebanon, IL, in the amount of $773,200.

(2) The President of Southern Illinois University be and is hereby authorized to take all action required in the execution of this resolution in accordance with established policies and procedures.

AWARD OF CONTRACT:
PIPING AND INSULATION SERVICES FOR NCERC, EDWARDSVILLE CAMPUS, SIUE

Summary

This matter seeks approval to award an open order contract for piping and insulation services, as needed, for the National Corn-to-Ethanol Research Center (NCERC) on the Edwardsville campus. The open-order contract has an estimated maximum annual value of $75,000 and possible duration of ten years. The actual amount of the contract will be based on actual need. The work would be funded from the Pilot Scale Evaluation of Polysaccharide Fermentation grant.

Rationale for Adoption

In order to conduct various research projects, NCERC will require piping and insulation services for plant modifications to existing process piping and utility piping.

The first contract would be effective July 1, 2015 through June 30, 2016, with options for nine annual renewal periods. The contract would be subject to renewal upon demonstration of satisfactory service, continued need, favorable market conditions, and funds appropriated.

The contract would be awarded to Amsco Mechanical, Inc., Granite City, IL, at an estimated cost of $$75,000 per year. The actual amount of the contract will be based on actual need. The work would be funded from the Pilot Scale Evaluation of Polysaccharide Fermentation grant.
The Chancellor, the Provost and Vice Chancellor for Academic Affairs, and the Vice Chancellor for Administration, SIUE have recommended this matter to the President.

Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University, That:

(1) The contract to perform piping and insulation work at the NCERC, be and is hereby awarded to Amsco Mechanical, Inc., Granite City, IL, in the amount of approximately $75,000 per year.

(2) Funding for the contract would come from grant funds.

(3) The President of Southern Illinois University be and is hereby authorized to take whatever action may be required in the execution of this resolution in accordance with established policies and procedures.

PROJECT APPROVAL:
CITY OF EDWARDSVILLE FIRE STATION, EDWARDSVILLE CAMPUS, SIUE

Summary

This matter seeks project approval for the City of Edwardsville to construct a Fire Station on the Edwardsville campus. The funding and construction of the project would be the responsibility of the City of Edwardsville.

Rationale for Adoption

In accordance with Board Policy Section 6:B.1.c, University Property and Physical Facilities, fixed improvement projects to be located on property under the jurisdiction of the Board of Trustees, but accomplished by another governmental agency, require Board of Trustees approval.

At the July 13, 1995, Board of Trustees meeting, the Board approved an Annexation Agreement with the City of Edwardsville. In that Agreement, the University agreed to identify a parcel on the campus for the future construction of a public safety station. This project is consistent with the terms of that Agreement.

The City of Edwardsville would like to enter into a land lease agreement with the University in order to construct a fire station on the Edwardsville campus. The fire station is designed to be one story and approximately 8,300 square feet. It would be
constructed on the north end of campus near the water tower. The construction and all site improvements would be the sole responsibility of the City of Edwardsville.

The Chancellor and the Vice Chancellor for Administration, SIUE, have recommended this matter to the President.

Considerations Against Adoption

The work included in this project may cause temporary inconvenience to traffic on North University Drive. Traffic signs and workers will direct traffic around the construction zone as needed.

Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That:

(1) The capital improvement project, City of Edwardsville Fire Station, SIUE, be and is hereby approved.

(2) The President of Southern Illinois University be and is hereby authorized to take all action required in the execution of this resolution in accordance with established policies and procedures.

PROPOSED SMOKE FREE CAMPUS POLICY
ADDITION TO 7 POLICIES OF THE BOARD SECTON M

Summary

This matter seeks approval by the SIU Board of Trustees to adopt 7 Policies of the Board Section M (Smoke-Free Campus Policy).

Rationale for Adoption

From time to time, enactment or amendment of federal, state, or local statutes or regulations necessitates the SIU Board of Trustees create applicable Board Policy to ensure the University’s compliance with the law.

The state of Illinois has enacted the Smoke-Free Campus Act (110 ILCS 64/1 et seq.) (the “Act”) to govern smoking on campuses of state-supported institutions of higher education. Under the statute, smoking is prohibited on each campus of a state-supported institution of higher education, including Southern Illinois University, as of July 1, 2015, with certain exceptions. Among obligations under the act, universities must communicate to students and employees regarding the smoking prohibition,
including posting of a campus map on the institution’s website indicating locations where smoking is prohibited. The Act also creates an obligation for the Board of Trustees to promulgate any necessary policy for implementation of the Act. The policy presented via this matter will allow the University to comply with the Act and delegate authority to promulgate and/or amend pertinent policies and regulations at each campus.

Considerations Against Adoption

None.

Constituency Involvement

Not applicable.

Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in a regular meeting assembled, That: 7 Policies of the Board, Section M, Smoke-Free Campus Policy, is hereby created and adopted, to read as follows:

M. Smoke-Free Campus Policy

1. Intent
As of July 1, 2015, in compliance with the Smoke-Free Campus Act, 110 ILCS 64/1 et seq., smoking is prohibited on all Southern Illinois University campus property as defined below. This prohibition does not apply to any instance in which an individual is traveling through or parked on a campus in a vehicle that is not owned by a State-supported institution of higher education.

2. Definitions
Campus: all property, including buildings, grounds, parking lots, and vehicles that are owned or operated by Southern Illinois University. Campus does not include enclosed laboratories, not open to the public, where the activity of smoking is exclusively conducted for the purpose of medical or scientific, health-related research.

Smoke or Smoking: the carrying, smoking, burning, inhaling, or exhaling of any kind of lighted pipe, cigar, cigarette, hookah, weed, herbs, or other lighted smoking equipment. “Smoke” or “smoking” also includes products containing or delivering nicotine intended or expected for human consumption, or any part of such a product, that is not a tobacco product as defined by Section 321(rr) of Title 21 of the United States Code, unless it has been approved or otherwise certified for legal sale by the United States Food and Drug Administration for tobacco use cessation or other medical purposes and is being marketed and sold solely for that approved purpose. “Smoke” or
“smoking” does not include smoking that is associated with a native recognized religious ceremony, ritual, or activity by American Indians that is in accordance with the federal American Indian Religious Freedom Act.

3. Implementation

The Board of Trustees hereby authorizes the Chancellor of Southern Illinois University Carbondale, the Chancellor of Southern Illinois University Edwardsville, and the Dean and Provost of the Southern Illinois University School of Medicine to each promulgate and/or amend policies for their respective campuses or locations, regulating smoking on campus consistent with applicable law. Such policies shall include a plan for enforcement of the Smoke-Free Campus Policy for their respective campuses, including but not limited to, disciplinary action, fines, and an appeals process.

Each campus shall also post on its website a smoke-free campus map indicating the locations where smoking is prohibited under this policy.

An individual or campus subject to the smoking prohibitions of this policy may not discriminate or retaliate in any manner against a person for making a complaint of a violation of this policy or furnishing information concerning a violation to a person, campus, or governing authority.

The motion was duly seconded by Trustee Portwood. The motion carried by the following recorded vote: aye, Hon. J. Phil Gilbert; Dr. Roger Herrin; Dr. Donna Manering; Dr. Shirley Portwood; Mr. Joel Sambursky; Ms. Amy Sholar; and Maj. Gen. Randal Thomas; nay, none.

The following item was presented to the Board as amended:
PROPOSED REVISIONS TO THE BOARD OF TRUSTEES POLICY
ON EVALUATION OF THE PRESIDENT AND THE CHANCELLORS
[AMENDMENTS TO STATUTES OF THE BOARD, ARTICLE II, SECTION 5]

Summary

This matter seeks approval by the SIU Board of Trustees to revise the Board of Trustees Statute regarding evaluation of the president and the chancellors (Statutes of the Board, Article II, Section 5).

Rationale for Adoption

Trustees had requested to consider a change in Board legislation which would amend existing language regarding the evaluation of the president and the chancellors. The intent of this amendment would be to provide for a more comprehensive, multi-rater, multi-level evaluation process to be conducted on some sort of routine (though non-annual) basis. Such an evaluation or review is sometimes referred to as a “360-degree” assessment and these are common practice in a variety of organizations, particularly for high-level personnel.

The revision provides explicit Board authority for this type of evaluative review to be conducted—in this case on a quadrennial triennial basis. Such authority is implied in the campus policies for the SIU Edwardsville chancellor, but the recommended language change will make it clearly applicable to the president and chancellors as CEOs of the system and campuses.

Considerations Against Adoption

The expanded review process envisioned under this Statute will require the formation and work of a volunteer committee, plus some burden on staff time to coordinate the operations and logistics of what could be a review running over the course of several months. Another consideration might be that future candidates for presidential and chancellorship positions could be concerned about the level of scrutiny in such a review; however, it is not thought that this type of evaluation would diminish a candidate pool in any appreciable way.

Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University, in regular meeting assembled, That:

The proposed revision to the Board of Trustees Statute, Article II, Section 5, on evaluation of the president and the chancellors is hereby adopted, and the newly adopted Statute shall replace the current Statute of the Board.
Section 5. Evaluation of the President and the Chancellors

It is the policy of the Board of Trustees that the performance of the president and the chancellors be individually evaluated on an annual basis. These evaluations provide 1) a means by which the incumbents may review their own performances; 2) a procedure to establish new, short- and long-term position-based performance goals for the ensuing months and years; and 3) an opportunity to receive comments and ideas as to possible ways in which the management and planning functions of Southern Illinois University and SIUC and SIUE might be improved.

1. Review of the President

a. The performance of the president shall be reviewed annually by the Board in an individual session with the president at a time designated by the Board chair.

b. The review of the president shall be based upon a statement of individual performance goals and objectives for the year of evaluation which were formulated by the president and agreed upon by the Board. In advance of the review session with the Board, the president shall submit a statement detailing the goals and objectives previously agreed upon, along with a description of progress to date toward achieving those goals and objectives. Additional material may be submitted at the discretion of the president or at the request of the Board.

c. In preparation for the coming year, the president shall submit to the Board at the evaluation session a statement of the principal issues presently confronting the university and a revision of the previous year’s individual performance goals and objectives in response to those issues. The evaluation of present performance will form the basis for discussion between the Board and the president of the revised goals statement and the relationship between present performance and the future direction of the university. The outcome of this process should be a set of goals and objectives for the university president constituting a performance plan for the coming year which have been agreed upon by the president and Board of Trustees.

2. Review of the Chancellors

a. The performance of each chancellor shall be reviewed annually by the president at a time designated by the president.

b. The review of a chancellor shall be based upon a statement of individual performance goals and objectives for the year of evaluation which were previously formulated by the chancellor and agreed upon by the president. In advance of the review session with the president, the chancellor shall submit a statement detailing the goals and objectives previously agreed upon, along with a description of progress to date toward achieving those
goals and objectives. Additional material may be submitted at the discretion of the chancellor or at the request of the president.

c. After the results of the annual review have been separately shared with each chancellor, the president shall review with the Board the results of the chancellors’ annual reviews.

d. In preparation for the coming year, a chancellor shall submit to the president at the evaluation session a statement of the principal issues presently confronting the campus and a revision of the previous year’s individual performance goals and objectives in connection with those issues. The evaluation of present performance will form the basis for discussion between the president and the chancellor of the revised goals statement and the relationship between present performance connection to the future direction of the campus. The outcome of this process will be a set of goals and objectives for the institution chancellor constituting a performance plan for the coming year which have been agreed upon by the president and the chancellor.

3. The Annual Goals Statement Performance Plan

The president and the chancellors shall prepare an annual performance plan including goals statements identifying objectives they hope to attain during the coming year, with an implementation schedule. The objectives should be stated very briefly, with the understanding that they may be elaborated upon during evaluation sessions. Examples of objectives include such matters as a) the development and approval of specifications for a large capital project; b) a revision of the organizational structure of an administrative unit; and c) special and perhaps unusual budgetary items for which approval may be sought. The implementation schedule should include a very brief statement as to what action will be taken during the period in question for a particular objective and when that action is expected to take place.

4. Triennial Review of the President and Chancellors

In lieu of the annual performance evaluation of the president and chancellors, during every third year of their employment the president and chancellors shall undergo a triennial review. The nature of this evaluation shall ensure multi-source feedback including the collection of information from peers, both internal and external; faculty and staff, including direct subordinates; students and their representative organizations; members of external constituencies, including governmental and professional organizations; and other groups whose appraisal could be informative.

The approach to the triennial review should be that of a “360-degree” assessment of performance, involving multiple contributors at multiple levels in addition to a self-assessment component. As well, information may be gathered...
in a variety of ways, including but not limited to surveys, ratings, interviews, the annual performance plan, and the like. Additional documentary material for review may also be submitted by and at the discretion of the president and the chancellors.

In the case of the president, the Board chair shall timely appoint a committee to be chaired by a Trustee, and with additional Trustee representation, to oversee and conduct the triennial review. In the case of the chancellors, the president shall appoint such a committee to include Trustee representation. While a specific approach or plan for each review should be determined by the committee, and in consultation with the president or chancellor being evaluated in this manner, all processes utilized as part of the triennial review should conform with relevant guidance available from the United States Office of Personnel Management (e.g., 360-Degree Assessment: An Overview).

Findings and outcomes of the triennial review shall be provided in a written narrative report completed within the same general timeframe as required for the annual evaluation and reviewed with the president by the Board chair, and by the president in the case of the chancellors. Results of all triennial reviews shall be reviewed with the Board.

The annual performance plan for the coming year shall still be prepared by the president and the chancellors during that year in which the triennial review takes place.

Trustee Portwood recommended that the evaluation period be changed from a four-year to a three-year evaluation period.

President Dunn added that the change to Policy would not change the annual performance evaluation that President and Chancellors go through but would increase the scope of the work given the suggested amendment to do a more comprehensive 360 degree approach every three years involving a number of stakeholders.

Trustee Manering made a motion to approve the change in Policy with the three-year evaluation period amendment. The motion was duly seconded by Trustee Sambursky. The motion carried by the following recorded vote: aye, Hon. J. Phil
Gilbert; Dr. Roger Herrin; Dr. Donna Manering; Dr. Shirley Portwood; Mr. Joel Sambursky; Ms. Amy Sholar; and Maj. Gen. Randal Thomas; nay, none.

Chair Thomas announced that the next Board of Trustees meeting would be held May 14, 2015, at Southern Illinois University Carbondale. The Chair reported that a news conference would be held upon adjournment of the meeting at the Board table.

Trustee Sambursky made a motion to adjourn the meeting. Trustee Herrin seconded the motion. The motion passed unanimously by voice vote.

The meeting adjourned at 11:59 a.m.

Pursuant to notice, a special meeting was called by the Chair of the Board of Trustees of Southern Illinois University, and the meeting convened at 1:05 p.m., Wednesday, May 13, 2015, in the Large Dining Room of the Stone Center, Southern Illinois University System Office, Carbondale, Illinois. The meeting was called to order by Chair Thomas. The following members of the Board were present:

MG (Ret) Randal Thomas, Chair
Dr. Donna Manering, Vice Chair
Mr. Joel Sambursky, Secretary
Hon. J. Phil Gilbert
Dr. Roger Herrin
Mr. Mitch Morecraft
Dr. Shirley Portwood
Ms. Amy Sholar

The following member was absent:

Mr. Adrian Miller

The Executive Secretary reported and the Chair determined that a quorum was physically present.

Also present for the duration of the meeting were Dr. Randy J. Dunn, President; Mr. Lucas Crater, General Counsel; and Ms. Misty Whittington, Executive Secretary of the Board.

Chair Thomas explained the procedures for the public comment and question portion of the Board's agenda.
Executive Secretary Whittington announced that no speakers were present.

President Dunn introduced Special Assistant to the President John Haller who reviewed planning dashboard examples with the Board. Dr. Haller noted that it was planned to have such data available to the Board on the President’s website by July 1.

President Dunn reviewed the background of interest in possible reporting changes for the first professional schools. The members discussed the pros and cons of changing reporting lines. President Dunn and Special Assistant Haller discussed different reporting structures at some other Midwest universities. The discussion will continue at a future Board meeting.

At 2:15 p.m., Trustee Herrin made a motion to recess the meeting and reconvene the meeting in the Board Room, Room 203, for the executive session meeting. The motion was duly seconded by Trustee Sholar. The motion passed unanimously via voice vote.

At 2:26 p.m., Chair Thomas moved that the Board go into closed session to consider pending, probable or imminent court proceedings against or on behalf of the Board; information regarding appointment, employment, compensation, discipline, performance or dismissal of specific employees of the public body; collective bargaining matters; and review of minutes of meetings lawfully closed under the Open Meetings Act. The relevant sections of the Open Meetings Act Statute that allow for the closed session are 5 ILCS 120/2(c) (1), (2), (11), and (21). The motion was duly seconded by Trustee Herrin. The motion carried by the following recorded vote: aye, Hon. Phil
At approximately 4:50 p.m. the Board returned to open session.

In open session, Trustee Herrin made a motion for the Board to discuss current and pending matters regarding a budget discussion and Board reporting of administrative salaries. The motion was duly seconded by Trustee Gilbert. The motion carried unanimously by voice vote.

President Dunn discussed with the Board the current actions at the state level regarding funding reductions for higher education. Further, he discussed concerns about a number of possible operations at the University that would need to be reduced if the state funding reductions were to occur.

The Board reviewed an example of a Change in Faculty-Administrative Payroll Board matter that provided additional information indicating percentage salary increase, percentage dollar increase, and prior job title when applicable. The Board expressed interest in such information being included in future Board matters.

Trustee Herrin made a motion for the Board to discuss a current and pending matter regarding an Architecture and Design item. The motion was duly seconded by Trustee Gilbert. The motion carried unanimously by voice vote.

Trustee Sambursky sought clarification regarding the professional architectural consulting services listed on the March 2015 Purchase Orders and Contracts for the Carbondale campus. President Dunn clarified that the contract was for possible services needed by the University, but there was no obligation to expend the funds with the firm.
At 5:15 p.m., a motion was made by Trustee Herrin and seconded by Trustee Sholar to adjourn the meeting. The motion passed by a voice vote. No action was requested or taken during the closed session.

Joel Sambursky, Secretary
The regular meeting of the Board of Trustees of Southern Illinois University convened on Thursday, May 14, 2015, at 10:14 a.m. in Ballroom B of the Student Center, Southern Illinois University Carbondale, Carbondale, Illinois. The meeting was called to order by Chair Thomas. The following members of the Board were present:

MG (Ret) Randal Thomas, Chair  
Dr. Donna Manering, Vice Chair  
Mr. Joel Sambursky, Secretary  
Hon. J. Phil Gilbert  
Dr. Roger Herrin  
Mr. Adrian Miller  
Mr. Mitch Morecraft  
Dr. Shirley Portwood  
Ms. Amy Sholar

Executive Officers present were:

Dr. Randy J. Dunn, President, SIU  
Dr. Julie Furst-Bowe, Chancellor, SIU Edwardsville  
Mr. Lucas Crater, General Counsel  
Dr. John S. Haller, Jr., Special Assistant to the President  
Dr. Duane Stucky, Senior Vice President for Financial and Administrative Affairs and Board Treasurer

Also present was Ms. Misty Whittington, Executive Secretary of the Board.

NOTE: Copies of all background documents furnished to the Board in connection with the following matters have been placed on file in the Office of the Board of Trustees.
Chair Thomas led the group in the Pledge of Allegiance.

The Executive Secretary reported and Chair Thomas determined that a quorum was physically present.

Trustee Sholar moved that the Minutes of the Meetings held April 15 and 16, 2015, be approved. Trustee Portwood seconded the motion, and the minutes were approved unanimously by voice vote.

Under Committee Reports, Chair Thomas reported that the Executive Committee did not meet in between Board meetings.

Under Executive Officer Reports, President Dunn provided his report for the Southern Illinois University system. He thanked Special Assistant to the President John Haller for stepping in to the Vice President for Academic Affairs role over the past year. In addition, he recognized Trustee Herrin who was selected as general trustee for the Lincoln Academy of Illinois. He reviewed that The Order of Lincoln is the highest honor given in the state of Illinois to recognize Illinoisans by birth or residence who have had outstanding life accomplishments.

President Dunn reported that during the last week of April he traveled to Washington D.C. and called on a number of members of the Illinois congressional delegation including Senator Durbin and his leadership offices. He noted it had been a number of years since the University had active involvement in working with the legislative staff and received a great welcome and pledges of support and cooperation in the efforts of the campuses most particularly around grant and contract programs.

The President reported that there was a policy discussion underway about the role of investment in the public universities with regard to the research enterprise
and whether state and federal support should be pulled back. He noted the Council of State Governments sponsored a study to look at the impact of research work being done by public universities by state and reported the University of Illinois and Southern Illinois University were shown to be major contributors to research operations in Illinois.

President Dunn reported at the federal level the Senate and House have moved forward on a spending plan for federal Fiscal Year 2016 which would start in October. He noted the plan indicates higher education losing half a trillion dollars of support over the next decade. Professional associations, organizations, and lobbying groups would be used to speak about the importance of maintaining funding in future spending plans. The President reported that the SIU system for FY 2014 met its compliance goals for the Illinois Business Enterprise Program, managed through the state’s Central Management Service, regarding the amount of contract expenditures with minority, female, disabled person firms. In conclusion President Dunn reviewed the recent Illinois Supreme Court decision affirming that public pensions cannot be diminished or impaired for those employees in the system. He went on to say that discussions are taking place for the possibility of a cost shift with some of the state share in addition to the other challenges such as the 31.5 percent funding reduction proposal.

President Dunn provided the Chancellor Report for SIU Carbondale. He provided some achievements of the campus. The President reported that the SIUC civil engineering students won the concrete canoe contest at an annual student conference held at the University of Kansas. Katie Cayo from the College of Agricultural Sciences Dean’s Office won the Student Employee of the Year Award. He noted that over the
course of a year approximately 5,000 student employees are working on the campus.

President Dunn reported that Dr. J. Roland Folse, a retired clinical faculty member from the Department of Surgery at the School of Medicine in Springfield, was one of six people awarded the Order of Lincoln honor. Dr. Dunn added that one of the professors of general surgery at the School of Medicine received the Outstanding Teacher Award.

Trustee Gilbert inquired when the Lincoln Academy would return to be hosted at SIU Carbondale.

Trustee Herrin reported that the following year was scheduled to be in Peoria and then Chicago; however, he did lobby for a future event to be held at SIU Carbondale.

President Dunn continued that Dr. Barbara Hagler received a national award from the National Business Education Association. He reported on April 27 a number of faculty and staff excellence awards were recognized to include faculty book authors and co-authors. Karen Renzaglia, professor, Plant Biology, received the Scholar Excellence Award. Gary Apgar, associate professor, Animal Science, Food and Nutrition, received the Teaching Excellence Award. Justin Filiberto, assistant professor, Geology, received the Early Career Faculty Excellence Award. Women of Distinction Excellence Award recipients were Sara Baer, professor, Plant Biology, and Cheryl Jenise Wilson, academic adviser, College of Engineering. Staff Excellence Award recipients were Jeff Goelz, assistant director, Recreational Sports and Services, and Rachel Shurtz, manager, Department of Zoology Natural Science Laboratory.

The President reported that students in the agricultural sciences Ideas to Investigation Program will benefit from a $300,000 gift from PotashCorp. The Illinois
Clean Coal Review Board approved a four-year, $4.6 million grant for the Advanced Coal and Energy Research Center to establish an interdisciplinary energy program. In addition, the University earned a spot in “The Princeton Review’s Guide to 353 Green Colleges: 2015 Edition.” President Dunn noted that May 15-16, the campus will process more than 3,200 graduates through commencement in five ceremonies.

Dr. Julie Furst-Bowe, Chancellor, SIU Edwardsville, provided her report for the Edwardsville campus. She reported that commencement had been held on campus May 8 and 9 for 2,200 graduates. She thanked Trustees Morecraft, Portwood, and Sholar for their participation in multiple ceremonies. The Chancellor noted that former SIUE Chancellor David Werner was awarded the Honorary Doctorate of Humane Letters degree and his wife Kay Werner, first lady emeritus, received a Distinguished Service Award.

Chancellor Furst-Bowe provided an update for enrollment. She reported summer registrations are running about 200 students ahead of the same date last year. Forty percent of the enrolled credit hours for summer are being delivered online or off campus; summer classes began May 11. As of May 8, the campus received a record number of freshman applications of 10,330 for the fall class. About 6,500 students or 4 percent more from last year have been admitted for another record high. The Chancellor reported that the average ACT for the freshman class is 23.8 with a goal for the fall of a 21 ACT first-time full-time freshman. She reported that to date 7,858 students are registered for fall with a 151 student increase over the same date last year.

The Chancellor recognized achievements in the School of Engineering. The School joined more than 120 U.S. engineering schools announcing plans to
educate a new generation of engineers who are prepared to tackle the most pressing issues facing society in the twenty-first century. SIUE's Society of Women Engineers held its annual Introduce a Girl to Engineering Day that was attended by more than 100 young women from grades five to eight.

Chancellor Furst-Bowe reviewed highlights of recent grant and contract awards. Sadegh Khazaeli received a $340,000 grant from the U.S. Department of Education to train science teachers. Nathalia Garcia received a continuation of a grant for $286,000 from the Forsyth Institute for a clinical study for investigating biomarkers of periodontal disease progression.

The Chancellor noted that a number of events were happening at the end of semester to include receptions, dinners, banquets, and recognitions. In addition, the SOAR Office co-hosted the first African American Language Arts Conference with approximately 100 African American males attending. Dr. Brian Johnson, the President of Tuskegee University, provided the keynote address.

Chair Thomas explained the procedures for the public comment and question portion of the Board’s agenda.

Executive Secretary Whittington called on Dr. Judy Davie.

Dr. Judy Davie, Biochemistry and Molecular Biology Department, School of Medicine, made a presentation to the Board. She reviewed highlights of the task force report concerning potential reporting of the first professional schools that was submitted to the Board. Dr. Davie noted that Office of the Associate Provost for Academic Programs, SIUC, Office of the President, and external consultants provided data to the committee to address many of the concerns raised during discussions held
at constituency group meetings. She reviewed the following points: (1) the existing reporting structures for the first professional schools are in line with the best practices at higher and peer aspirational institutions; (2) there are potential valid concerns and beneficial improvements that can be addressed through adjustments to the reporting line structure or communication lines between first professional school deans and senior SIU administrators; (3) changing reporting lines may not be simple if duties of the administrative units and oversight by the head campus is not clearly defined in a manner that is approved by the Higher Learning Commission; (4) the proposed change in reporting lines would not affect the Carnegie Community Engagement Status; however, no such assurance was provided by the Carnegie Research Governing Body.

Dr. Jim MacLean, Physiology Department, School of Medicine, continued the presentation regarding proposed reporting of first professional schools. He reviewed remaining questions that were not in the report. The impact of reporting line changes on degree programs in cases where direct reports are to the President who currently cannot confer degrees in lieu of the Chancellor who currently approves degree candidates put forward by the Provost would suggest that the President’s Office would audit degrees. The 51 percent faculty appointment through a unit reporting to the Office of Provost is currently a requirement for election to Faculty Senate. Reporting line changes that result in the Dean reporting directly to the President could leave only the Board of Trustees as a body to hear grievances in cases of denied tenure. Dr. MacLean reviewed proposed items of the Committee. It recommended the Board investigate two primary routes to alleviate the concerns of the first professional school deans. First, an adjustment would need to be made to, “The Mutual and Respective Roles of the Board,
President, and Chancellors” Operating Paper approved by the Board in 2009. Second, alleviate issues associated with how professional schools report. He noted that the Committee examined best practices at universities where a Health Science Executive Board is in place to separate the clinical endeavors from academic missions that may benefit from oversight by the President rather than the Chancellor. He offered the Committee’s assistance to the Board for clarification of any details provided in the report or to perform additional analyses.

Executive Secretary Whittington called on Mr. Darryl Cherry.

Mr. Darryl Cherry made his presentation to the Board. He noted he had served as the Director of the SIUE East St. Louis TRIO Upward Bound EC and BEM Programs and that he was recently notified of non-renewal of his employment contract. He reviewed the notification he received by Jesse Dixon, Executive Director of the SIUE East St. Louis Center. Mr. Cherry spoke of what he felt was a hostile work environment, discrimination, retaliation and the state of affairs at the East St. Louis Center. He requested the President and Board launch an independent investigation by non-SIUE employees regarding the legality regarding the non-renewal of his contract due to a hostile workplace, harassment, culminating in retaliatory non-continuation of contract, racial and gender discrimination by Executive Director Dixon against him and other recommended persons for open positions.

Executive Secretary Whittington called on Mr. Andrew Misker.

Mr. Andrew Misker made his presentation to the Board. He spoke to threats of a possible active shooter at Faner Hall on the SIU Carbondale campus on April 29. Mr. Misker expressed disagreement with Communications Director Rae
Goldsmith’s public statement that the administration did not believe the situation was a credible threat. He spoke in support of Officer Jerry Nuss’ response to the threat on campus. Mr. Misker spoke in disagreement with SIUC Director of Public Safety Ben Newman’s removal of Officer Nuss from duty for the officer’s handling of the incident.

Chair Thomas explained the procedure for the Board’s omnibus motion.

The listing of items proposed for the omnibus motion were as follows:

REPORTS OF PURCHASE ORDERS AND CONTRACTS, MARCH 2015, SIUC AND SIUE

In accordance with 3 Bylaws 1 and 5 Policies of the Board C, summary reports of purchase orders and contracts awarded during the month of March 2015 were mailed to the members of the Board in advance of this meeting, copies were placed on file in the Office of the Board of Trustees, and these reports are hereby submitted for information and entry upon the minutes of the Board with respect to the actions of the Executive Committee.

CHANGES IN FACULTY-ADMINISTRATIVE PAYROLL – SIUC

The following changes in faculty-administrative payroll are submitted to the Board of Trustees for ratification in accordance with the Board Policy on Personnel Approval (2 Policies of the Board B). Additional detailed information is on file in the Office of the Chancellor. Where appropriate, salary is reported on a monthly basis and on either an academic year (AY) or fiscal year (FY) basis.

A. Continuing Appointment (If the person previously had a University appointment, it is so noted. Otherwise, the person is a new University employee.)

TEMPORARY FINANCIAL ARRANGEMENTS FOR FISCAL YEAR 2016

Summary

This matter requests approval to make expenditures consistent with expected levels of revenue for Fiscal Year 2016 until such date as the Board of Trustees takes further action on the Operating Budget for Fiscal Year 2016.

Rationale for Adoption

The Fiscal Year 2016 Southern Illinois University budget cannot be prepared until the Legislature and Governor have taken final actions on the State budget and the campuses have sufficient time to develop a budget based on those actions. To maintain the operation of the University between the beginning of Fiscal Year 2016 and the time at which a budget can be prepared for Board approval, Board approval is requested for temporary financial arrangements.

Considerations Against Adoption

None are known to exist.
Constituency Involvement

All appropriate university system administrators were involved in this decision.

Resolution

WHEREAS, Southern Illinois University's budget for Fiscal Year 2016 will be submitted for approval by the Board of Trustees at a meeting after July 1, 2015.

WHEREAS, This meeting of the Southern Illinois University Board of Trustees is the last regular meeting prior to the beginning of Fiscal Year 2016.

NOW, THEREFORE, BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That subject to the availability of funds, the President of Southern Illinois University is authorized to make expenditures consistent with expected levels of revenue for Fiscal Year 2016 until such date as the Board of Trustees takes further action on the Operating Budget for Fiscal Year 2016.

FY 2016 OPERATING AND CAPITAL BUDGETS
PLANNING GUIDELINES

Summary

This matter submits for approval guidelines to be used for the development of the University's Fiscal Year 2016 operating and capital budgets.

Rationale for Adoption

Resources should be allocated in the most efficient manner that leads to fulfilling the institution's mission, highest priorities, and maintaining quality faculty and staff.

Considerations Against Adoption

None are known to exist.

Constituency Involvement

The guidelines have been discussed with University leadership, constituency groups, and other members of the University community.
Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That the FY 2016 operating and capital budgets planning guidelines be approved as follows:

1. **Highest Priorities.** In constructing the FY 2016 operating and capital budgets, the highest priority shall be placed on maintaining the continuing operations and staffing of the institution. Campus leadership shall develop budget proposals for those items it wishes to fund that protect the overall quality of the institution. Other items may include, but are not limited to: salary increases, hiring additional faculty and staff, need based/merit financial aid, library materials, deferred maintenance, utilities, supplies, technology upgrades and other continuing operating costs.

2. **Contingency Plan.** If possible, emergencies or unanticipated expenditures should not cause major changes in resource allocation during the fiscal year. A contingency reserve insulates the institution from negative shifts in resources. Therefore, at least one percent of FY 2016 appropriated and income funds will be reserved for contingencies. Each campus will develop a plan to expend these funds during the last two quarters of the fiscal year if they are not required for unanticipated expenditures.

3. **Maintenance of Assets.** The assets critical to the success of the University include human and physical assets such as buildings and equipment. If not maintained, assets deteriorate. The following serve as targets for addressing facilities renewal and renovation and for equipment replacement:
   - an amount equaling two percent of the replacement value of the plant on facilities renewal and renovation;
     - Projects proposed for the campuses will be developed recognizing the need to upgrade existing buildings, replace obsolete structures, repair structural and utility support systems, and make campus site improvements.
   - an amount equaling ten percent of the book value of equipment on equipment upgrades.

The amounts given above represent long-term average targets. Annual budgets may exceed or fall short of the targets.

4. **Remaining Budget.** After funding the highest priorities, the contingency fund, and the maintenance of assets, Campus leadership shall devote remaining funds to the University’s commitment to its long-term goals. Campus budget plans shall describe the allocations targeted for its long-term goals.
APPROVAL OF SALARY OF THE
CHAIR OF THE DEPARTMENT OF MARKETING,
COLLEGE OF BUSINESS, SIUC

Summary

The matter presents for approval the salary of the recommended candidate for the position of Chair of the Department of Marketing, College of Business, at the Carbondale campus.

Rationale for Adoption

Policies of the Board of Trustees requires Finance Committee approval of the salary of professional staff who have a proposed salary of $150,000 or more. This request follows an internal search for the Chair, conducted in accordance with University policies and the Operating Papers of the Department of Marketing and College of Business.

The recommended candidate, Dr. Mavis Adjei, has taught at the undergraduate and graduate levels in the Department of Marketing since 2006, where she holds the rank of Associate Professor with tenure. Her research interests focus on firm performance in both goods and service contexts. Prior to earning her PhD from the University of Mississippi, Dr. Adjei worked in a variety of positions for British Airways, Ghanatta Senior Secondary School, Citi Trends, Georgia College & State University, the University of Mississippi and the Mississippi Small Business Development Center. Dr. Adjei has been serving as the Interim Chairperson for the Department of Marketing since July of 2014.

If approved, Dr. Adjei will be appointed to a 12-month term contract, which may be renewed at the discretion of campus administration. Dr. Adjei was the sole candidate for this position and met or exceeded the qualifications. There is a strong need to fill this important leadership post for the Department.

Considerations Against Adoption

Substantial expense would have been required to create a new tenured faculty line to fill the Chairperson position with an external candidate. Therefore, the College chose to conduct an internal search.
Constituency Involvement

Department of Marketing faculty members participated in the search committee and were provided an opportunity to interview Dr. Adjei. In making his recommendation for hire, the Interim Dean of the College considered the unanimous vote of support for Dr. Adjei shown by the Department faculty.

Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, that the annual salary of Dr. Mavis Adjei as Chairperson of the Department of Marketing, College of Business, SIUC, is $202,812, effective July 1, 2015.

APPROVAL OF SALARY AND APPOINTMENT OF DEAN OF THE COLLEGE OF LIBERAL ARTS, SIUC

Summary

The matter presents for approval the salary and appointment of the preferred candidate for the Dean of the College of Liberal Arts, SIUC.

Rationale for Adoption

Policies of the Board of Trustees require the approval of salary and appointment of professional staff who have a proposed salary of $150,000 or more. This request follows a national search in which three qualified candidates were interviewed. This critical position serves as the chief academic and administrative officer for the campus’ largest collegiate unit and is responsible for the college's academic programs, fiscal management, personnel, external relations and recruitment, among other duties.

The preferred candidate is Dr. Meera Komarraju, Professor of Psychology and Department Chair in the College of Liberal Arts. Previously, Dr. Komarraju served as President of the Faculty Senate, Associate Dean of Student and Curricular Affairs in the College of Liberal Arts, and as Undergraduate Psychology Program Director. She has taught at SIUC for about 20 years including Introductory Psychology, Teaching of Psychology Practicum, Careers in Psychology, and Organizational Psychology. She specialized in Applied Social Psychology and her research areas include leadership as well as student motivation and performance. She also is currently serving as co-chair of the Chancellor’s Search Committee.
Considerations Against Adoption

When the current interim dean of the college was chosen, it was with the understanding she would be retiring on June 30, 2015, and the college would need permanent leadership in place at that time. While hiring another interim dean of the college could potentially serve as a cost saving measure, it is not guaranteed. Further, continued interim leadership is not ideal for the long-term strategic planning that will be required for this position.

Constituency Involvement

A campus search committee comprised of faculty, staff and students was used to review nominations and applications. Final candidates participated in on-campus meetings, interviews and open forums allowing ample access to all stakeholders in the interview process.

Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That Dr. Meera Komarraju is appointed to the position of Dean of the College of Liberal Arts, SIUC, with an annual salary of $191,004 effective July 1, 2015.

APPROVAL OF SALARY AND APPOINTMENT: DEAN OF THE SCHOOL OF BUSINESS, SIUE

Summary

The matter presents for approval the salary and appointment of the Dean of the School of Business at the Edwardsville campus.

Rationale for Adoption

Policies of the Board of Trustees require Board of Trustees approval of salary and appointment of professional staff who have a proposed salary of $150,000 or more. This request follows a national search in which eight candidates (seven external and one internal) were recommended by the search committee for telephone interviews. Three of the eight candidates participated in campus-wide interviews. Searches for highly qualified Deans of Schools of Business are very competitive and the Edwardsville campus is fortunate to have found a preferred internal candidate - a professor and seasoned administrator who has successfully served the University in key governance leadership positions, as the Chair of the department of Economics and Finance for three years, and as the Interim Dean since July 2013. He possesses the range of experience in education, research, service and administration to guide the School of Business at
the Edwardsville campus as it continues to excel, making this request a high priority recruitment goal.

Considerations Against Adoption

University officials are aware of none.

Constituency Involvement

All constituencies of the Edwardsville campuses were afforded the opportunity to participate in the interview process through open public forums and through multiple group interviews.

Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, that Dr. John Navin is appointed to the position of Dean of the School of Business with an annual salary of $199,000, effective July 1, 2015.

APPROVAL OF SALARY AND APPOINTMENT: DEAN OF THE SCHOOL OF EDUCATION, HEALTH AND HUMAN BEHAVIOR, SIUE

Summary

The matter presents for approval the salary and appointment of the Dean of the School of Education, Health and Human Behavior at the Edwardsville campus.

Rationale for Adoption

Policies of the Board of Trustees require Board of Trustees approval of salary and appointment of professional staff who have a proposed salary of $150,000 or more. This request follows a national search in which five candidates (four external and one internal) were recommended by the search committee for telephone interviews. Three of the five candidates participated in campus-wide interviews. Searches for highly qualified Deans of Schools of Education are very competitive and the Edwardsville campus is fortunate to have found a preferred internal candidate - a professor and seasoned administrator who has successfully served as the Chair of a growing kinesiology and health education department for five years, as the Associate Dean of the School for six years, and as the Interim Dean since June 2014. He possesses the range of experience in education, research, service and administration to guide the School of Education, Health and Human Behavior at the Edwardsville campus as it continues to excel, making this request a high priority recruitment goal.
Considerations Against Adoption

University officials are aware of none.

Constituency Involvement

All constituencies of the Edwardsville campuses were afforded the opportunity to participate in the interview process through open public forums and through multiple group interviews.

Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, that Dr. Curt Lox is appointed to the position of Dean of the School of Education, Health and Human Behavior with an annual salary of $154,000, effective July 1, 2015.

APPROVAL OF SALARY AND APPOINTMENT: VICE CHANCELLOR FOR STUDENT AFFAIRS, SIUE

Summary

The matter presents for approval the salary and appointment of the preferred candidate for the critical position of Vice Chancellor for Student Affairs, SIUE, on the Edwardsville campus.

Rationale for Adoption

Policies of the Board of Trustees require the approval of salary and appointment of professional staff members who have a proposed salary of $150,000 or more. This request follows a national search in which 12 candidates were recommended by the search committee for telephone interviews and four of those candidates participated in campus-wide interviews. The individual selected has more than 20 years of professional service in student affairs and currently is the assistant vice president for Student Engagement and dean of students at Northern Kentucky University. He previously served as Director of Campus Life at Clarion University, Associate Director of Housing and Dining at Bowling Green State University, Assistant to the Vice President of Student Affairs and Assistant Director of Student Life at Illinois State University. He holds a Ph.D. in Educational Administration from Illinois State University, a Master’s in Guidance and Counseling from Eastern Michigan University, and a Bachelor’s Degree from Heidelberg University.
Considerations Against Adoption

University Officials are aware of none.

Constituency Involvement

All appropriate University and System administrators were involved in this decision. Comments and recommendations were solicited from the University community and were considered and weighed in making this recommendation.

Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That Dr. Jeff Waple be appointed Vice Chancellor for Student Affairs, SIUE, with an annual salary of $165,000, effective July 1, 2015.

AWARD OF CONTRACT:
WINDOW REPLACEMENT, WOODY HALL,
CARBONDALE CAMPUS, SIUC

Summary

This matter seeks to award the contract for the replacement of the window systems at Woody Hall on the Carbondale campus. Bids for construction were received and the award of the contract for a total of $803,288 is requested.

Rationale for Adoption

At the July 12, 2012, Board of Trustees meeting, project and budget approval was received for the replacement of the windows and entry doors at various facilities at an estimated cost of $1,000,000.

The windows in Woody Hall are original to the building and are in need of replacement. Three bids were received and the award of contract includes the base bid for the replacement of the window systems and replacement of the entry doors by alternate bids as indicated on the attached bid tab. The work will be funded from the proceeds of Certificates of Participation (COPs) that were issued on February 13, 2014. The debt payment will be repaid from the Facilities Maintenance Fee.

The Vice Chancellor for Administration and Finance has recommended this matter to the President.
Considerations Against Adoption

This project will require phased work and may cause a disruption to the occupants of the building.

Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That:

(1) The contract for the replacement of the window systems at Woody Hall, Carbondale Campus, SIUC, including Alternate Bid #1 and Alternate Bid #2, be and is hereby awarded to Universal Glass and Carpet, Inc., Carbondale, IL, in the amount of $803,288.

(2) Funding for this work will come from proceeds of Certificates of Participation (COPs) that were issued on February 13, 2014. The debt payment will be repaid from the Facilities Maintenance Fee.

(3) The President of Southern Illinois University be and is hereby authorized to take whatever action may be required in the execution of this resolution in accordance with established policies and procedures.

AUTHORIZATION FOR THE EXECUTION OF A LEASE: HEADSTART, SIUE

Summary

This matter requests Board authorization for the President to take actions necessary to execute a lease of space in East St. Louis for an early childhood center as part of SIUE’s Head Start programs. The cost of the ten-year lease would be funded from SIUE’s Federal Head Start grant.

Rationale for Adoption

SIUE was notified in late February 2015 that its lease agreement with East St. Louis School District 189 to use the Vivian Adams Early Childhood Center would be terminated effective July 31, 2015, in order for the District to expand its existing early childcare services. Currently, the SIUE Head Start programs lease 11 classrooms serving 220 students in the District 189 space. In order to prevent disruption of services for the 2015-16 school year, SIUE needs to quickly identify new space for these classrooms.
The SIUE Head Start and Early Head Start programs serve more than 1,500 students in St. Clair County and operates out of several early childhood centers. There are limited options for alternative spaces in East St. Louis, but all known options would require extensive renovation or construction by the property owner. As a result, timing is critical to allow the owner time to alter any existing facilities to make the facility Head Start compliant.

The University will seek Requests for Information and, assuming the responses are favorable, the President would be authorized to enter into a lease contract. SIUE was recently awarded a federal grant to provide these services. The cost of the ten-year lease would be funded from SIUE’s Federal Head Start grant. The Chancellor and the Vice Chancellor for Administration, SIUE, have recommended this item to the President.

Considerations Against Adoption

Construction efforts by the private owner will require temporary facilities for the fall 2015 semester. Holding authorization until the July Board meeting would require temporary facilities into the spring 2016 semester.

Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That:

(1) The President of Southern Illinois University be and is hereby authorized to execute a lease agreement for a Head Start facility that will take the place of the Vivian Adams Early Childhood Center.

(2) The cost of the lease will be funded from SIUE’s Federal Head Start grant.

CONSIDERATION AND APPROVAL OF SIUE CHANCELLOR EMPLOYMENT AGREEMENT PROVISIONS

Summary

The matter presents for approval the extension of the Chancellor Employment Agreement (the “Agreement”) between the Board of Trustees of Southern Illinois University (the “Board”) and Dr. Julie Furst-Bowe.
Rationale for Adoption

Chancellor Furst-Bowe and the Board entered into the Agreement for an initial term of July 1, 2012, through June 30, 2015. On June 24, 2014, the Board approved Amendment #1 to the Chancellor Employment Agreement, extending Dr. Furst-Bowe’s contract, by one year, through June 30, 2016. Pursuant to its terms, the University may offer to extend the Agreement by executing such extension with the Chancellor not later than one (1) year prior to the expiration of the Agreement, in this case by June 30, 2015.

This matter seeks approval of the extension of the Agreement for one additional year, through June 30, 2017.

Considerations Against Adoption

None are known to exist.

Constituency Involvement

All appropriate university system administrators were involved in this decision. Chancellor Furst-Bowe will be undertaking her comprehensive triennial evaluation during the 2015-16 academic year.

Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in a special meeting assembled, That:

(1) The Chancellor Employment Agreement between the Board of Trustees of Southern Illinois University and Dr. Julie Furst-Bowe shall be extended through June 30, 2017, pursuant to the terms of the Agreement.

(2) The President is authorized to execute such amendment, and take such other actions as may be necessary, to memorialize and effectuate the agreement between the Board of Trustees and Chancellor Furst-Bowe.

Trustee Morecraft requested an explanation of the $5 million contracts discussed at the prior day’s meeting.

SIUC Vice Chancellor for Administration Kevin Bame explained that for Board Agenda Item F, Report of Purchase Orders and Contracts, March 2015, administration is asking to expend up to $5 million over five years with architectural and
engineering firms to be on retainer to be utilized for small projects as needed. He went on to clarify that there is not an obligation to spend any money if the services are not needed.

President Dunn added that individual projects would come before the Board for approval if the threshold amounts were met for Board level approval.

Trustee Miller moved for approval of the receipt of Reports of Purchase Orders and Contracts, March 2015, SIUC and SIUE; the ratification of Changes in Faculty-Administrative Payroll for SIUC, SIUE and Office of the President and University-Wide Services; Temporary Financial Arrangements for Fiscal Year 2016; FY 2016 Operating and Capital Budgets Planning Guidelines; Approval of Salary of the Chair of the Department of Marketing, College of Business, SIUC; Approval of Salary and Appointment: Dean of the School of Business, SIUE; Approval of Salary and Appointment: Dean of the School of Education, Health and Human Behavior, SIUE; Approval of Salary and Appointment: Vice Chancellor for Student Affairs, SIUE; Award of Contract: Window Replacement, Woody Hall, Carbondale Campus, SIUC; Authorization for the Execution of Lease: Headstart, SIUE; and Consideration and Approval of SIUE Chancellor Employment Agreement Provisions. The motion was duly seconded by Trustee Sambursky. The motion carried by the following recorded vote: aye, Hon. Phil Gilbert; Dr. Roger Herrin; Dr. Donna Manering; Dr. Shirley Portwood; Mr. Joel Sambursky; Ms. Amy Sholar; Maj. Gen. Randal Thomas; nay, none.

Chair Thomas stated that the Board had a Current and Pending item titled, “Approval of Salary and Appointment of Director, Intercollegiate Athletics, SIUC” that had been posted on the agenda.
Trustee Gilbert made a motion that the Board consider the matter. The motion was duly seconded by Trustee Herrin. The motion to consider the matter passed unanimously via voice vote.

The following matter was presented:

**APPROVAL OF SALARY AND APPOINTMENT OF DIRECTOR, INTERCOLLEGIATE ATHLETICS, SIUC**

**Summary**

The matter presents for approval the salary and appointment of the preferred candidate for the Director of Intercollegiate Athletics, SIUC.

**Rationale for Adoption**

*Policies of the Board of Trustees* require the approval of salary and appointment of professional staff who have a proposed salary of $150,000 or more. This request follows a national search in which four qualified candidates were interviewed. This critical position serves as the chief administrative officer for Intercollegiate Athletics, overseeing 18 sports in a combined men’s and women’s program that serves more than 350 student-athletes.

**Considerations Against Adoption**

While the program is being served on a short-term basis by an interim athletic director, it was determined to be in the best interest of the student-athletes and the program to fill this position on a permanent basis as soon as possible.

**Constituency Involvement**

A campus search committee comprised of faculty, staff, students and alumni was used to review nominations and applications. Final candidates participated in on-campus meetings, interviews and open forums allowing ample access to all stakeholders in the interview process.

**Resolution**

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That Mr. James T. “Tommy” Bell is appointed to the position of Director of Intercollegiate Athletics, SIUC, with an annual salary of $185,000 effective June 1, 2015.
Trustee Herrin made a motion to approve the item. The motion was duly seconded by Trustee Miller. The motion passed by the following recorded vote: aye, Hon. Phil Gilbert; Dr. Roger Herrin; Dr. Donna Manering; Dr. Shirley Portwood; Mr. Joel Sambursky; Ms. Amy Sholar; Maj. Gen. Randal Thomas; nay, none.

The Chair reviewed the history of the endowment established by the family of the late Lindell W. Sturgis to recognize annually the community service contributions of an SIU Carbondale employee. He reviewed the many accomplishments of the recipients and then presented the Lindell W. Sturgis Public Service Award to Dr. Phil Anton and the Lindell W. Sturgis Professional Achievement Award to Dr. John Jackson. The Chair also recognized Mrs. Jean Easley and Mrs. Pam Pfeffer, daughter and granddaughter of Lindell Sturgis, and past award recipients who were in attendance. The Chair noted that the Board would be attending a luncheon in honor of the recipients following the meeting.

Chair Thomas recognized Student Trustees Adrian Miller, Carbondale; and Mitch Morecraft, Edwardsville; for their service on the Board and thanked them for their service as it was their last Board meeting.

Chair Thomas announced that the next Board of Trustees meeting would be held July 16, 2015, at the SIU School of Medicine in Springfield. The Chair reported that a news conference would be held upon adjournment of the meeting at the Board table.

Trustee Sambursky made a motion to adjourn the meeting. Trustee Miller seconded the motion. The motion passed unanimously by voice vote.
The meeting adjourned at 11:10 a.m.

The Academic Matters Committee met at 9:00 a.m. on Thursday, July 24, 2014, in the Auditorium at the SIU School of Medicine, 801 North Rutledge, Springfield, Illinois. Present were: Donna Manering, chair pro tem, and Don Lowery. Absent was: Shirley Portwood. Other Board members present were: Roger Herrin, Mitch Morecraft, Joel Sambursky, Randal Thomas, and Marquita Wiley. Executive Officers present were: President Randy J. Dunn; Acting Chancellor Paul Sarvela, SIUC; Chancellor Julie Furst-Bowe, SIUE; and Senior Vice President Duane Stucky.

Minutes

Motion was made by Trustee Donna Manering to approve the minutes of the May 8, 2014, meeting. The motion was duly seconded by Trustee Don Lowery and passed by the Committee.

Information Report: Approval of New Programs, Reasonable and Moderate Extensions, Approval of Off-Campus Program Locations, and Academic Program Eliminations and Suspensions, July 1, 2013 through June 30, 2014 (Board Agenda Item H)

Acting Chancellor Paul Sarvela spoke on the information report that is required to be submitted to the Illinois Board of Higher Education each year to update the IBHE program inventory. The official report submitted to IBHE must be approved by the Board of Trustees of Southern Illinois University. Items listed in this report include the addition of new degree programs, the reorganization of degree programs, and the addition of specializations and options. The report demonstrates that the faculty are continually updating and improving the curriculum to better reflect changes in the professions and better prepare graduates in the programs. Acting Chancellor Sarvela asked for any questions.

Trustee Manering questioned if the changes and modifications were in consultation with faculty and staff. Acting Chancellor Sarvela confirmed that they were developed with their input.

Trustee Manering made a motion that the item be passed by the Committee for consideration by the full Board. The motion was duly seconded by Trustee Don Lowery and passed by the Committee.
Resolution for a Collaborative Creation of a Plan for Consideration of a Grant From the Clean Coal Review Board (Board Agenda Item R)

Acting Chancellor Sarvela reported that the resolution is to seek the Board’s support in establishing a collaborative working group to create a plan for submission to the Clean Coal Review Board. The plan could result in significant grant dollars—potentially more than five million dollars. The Clean Coal Review Board has expressed a desire to work with SIU to invest the balance of its funds to launch an initiative that could create a long-lasting legacy and lead to a substantial impact on coal and energy education and research. The campus seeks the SIU Board of Trustees’ endorsement of the concept and would like to begin working with the faculty and others in a collaborative effort this fall to discuss details for such a plan for the Clean Coal Review Board’s consideration.

Trustee Lowery made the motion that the item be passed by the Committee for consideration by the full Board. The item was duly seconded by Trustee Manering and passed by the Committee.

Presentation: “Free Health Clinic for Homeless and Uninsured Individuals in Springfield: A Student-Led Interprofessional Community Health Project”

Presenters were David Steward, Tracey Smith, Daniel Sadowski, Mallory Adams, and Emily Perkins. They shared a video that provided insight into how the free clinic is ran, as well as its purpose and benefits. The free clinic was developed to provide health care to the homeless and uninsured and as an educational site. The clinic is held twice a year, in late fall and early spring.

Other Business

President Dunn spoke regarding the research funding process and the ongoing review of what has been submitted.

Having no further business before it, the Academic Matters Committee adjourned at 9:27 a.m.

PDS/pm
The Academic Matters Committee met at 9:07 a.m. on Wednesday, October 29, 2014, in the Meridian Ballroom in the Delyte W. Morris University Center at Southern Illinois University Edwardsville. Present were: Shirley Portwood, chair; Don Lowery; and Donna Manering. Other Board members present were: Roger Herrin, Adrian Miller, Mitch Morecraft, Joel Sambursky, Randal Thomas, and Marquita Wiley. Executive Officers present were: President Randy J. Dunn; Chancellor Julie Furst-Bowe, SIUE; Interim Chancellor Paul Sarvela, SIUC; Special Assistant to the President John Haller; and Senior Vice President Duane Stucky.

Board Chair Randal Thomas requested that the Academic Matters Committee present Agenda Item 5 first because it contained matters of the Architecture and Design Committee and the Finance Committee and involved all Board Members.

**Operating and Capital RAMP Guidelines and Executive Summary: Resource Allocation and Management Program (RAMP) Planning, Operations, and Capital Budget Request, Fiscal Year 2016 (Joint Discussion with Finance Committee and Architecture and Design Committee) (Board Agenda Item M)**

Special Assistant to the President John Haller presented the Planning component of the University’s RAMP proposal for Fiscal Year 2016. Dr. Haller reported that no new dollars have been received in the past ten years. This has led to discussions with IBHE Executive Director James Applegate and other IBHE staff members to try to reduce some of the reporting aspects of RAMP.

Vice President Duane Stucky presented the Operating and Capital budget requests for Fiscal Year 2016.

Trustee Portwood asked for other comments.

President Dunn reported that a million-dollar project was added to Architecture and Design for Stone Center renovation.

Trustee Portwood asked for a motion to approve. Trustee Manering made the motion to approve, and Trustee Lowery seconded the motion. The matter was approved by the Committee.
Approval of the Minutes of the July 24, 2014, Meeting

Motion was made by Trustee Lowery to approve the minutes of the July 24, 2014, meeting. The motion was duly seconded by Trustee Manering and passed by the Committee.

Information Report: Program Quality Assurance

Special Assistant to the President John Haller provided an overview of the FY 2014 Program Quality Assurance report for SIUC and SIUE.

Trustee Portwood asked if there were any questions.

Trustee Lowery asked when flight training lost its accreditation, to which Dr. Haller replied that it occurred within the last year.

Trustee Manering provided her understanding of the program review process, to which Dr. Haller gave confirmation of her understanding.

Reorganization and Name Change of Office of International Student and Scholar Services Within the Office of Student Affairs to Office of International Affairs in the Office of Provost and Vice Chancellor for Academic Affairs, SIUE (Board Agenda Item Z)

SIUE Chancellor Julie Furst-Bowe reported on the reassignment of the Office of International Student and Scholar Services from the Office of Student Affairs to the Office of the Provost and Vice Chancellor for Academic Affairs. No change is anticipated in the number of employees or number of resources allocated to this unit. The Chancellor requested the change be effective November 1, 2014.

Trustee Portwood asked if there was any discussion for this item. There being none, she asked for a motion to approve. Trustee Manering made the motion to approve, and Trustee Lowery seconded the motion. The item was approved by the Committee.

Approval for Membership in the Digital Manufacturing and Design Innovation Institute (Board Agenda Item AA)

President Dunn provided a brief overview of the intent for Southern Illinois University to participate in the Digital Manufacturing and Design Innovation Institute. Special Assistant to the President Haller indicated the federal award for this digital initiative was in the amount of $70 million, with an additional $250 million from the private sector. Interim Chancellor Sarvela added that both SIUC and SIUE faculty were involved in developing the initiative.

Trustee Portwood asked if there were any comments or questions. There being none, she asked for a motion to approve. Trustee Lowery made the motion, and Trustee Manering seconded. The item was approved by the Committee.
Presentation: “SIUE Solar Car Design Experience”

Presenters: Zachary Crawford, Project Director; Lisa Smith, Assistant Project Director; and Amy Sunderlin, Project Director of 2012 and 2013 Projects.

The presenters provided an overview of the solar car program. There are 35 active members on the team who contribute time and money to the design and construction of the solar car. The team’s current budget is $20,000-$50,000. In addition to support from SIUE, the team’s sponsors include Drytech Industries and Wicks Aircraft, who contribute money and materials. The Dean of the School of Engineering made mention of a $4 million project intended to provide additional space for student design projects. He also stated that the School of Engineering’s enrollment has been increasing on average 8% per year for the last six years, and he gave the solar car design team credit for helping to increase enrollment.

Dunn; Chancellor Julie Furst-Bowe, SIUE; Special Assistant to the President John Haller; and Senior Vice President Duane Stucky.

Announcements

Special Assistant to the President John Haller announced that the Board of the University Center of Lake County approved membership of SIUE in its group of partner institutions. The University Center is composed of twenty universities—10 public and 10 private. They provide baccalaureate completion and master and doctoral programs at multiple sites in Lake County north of Chicago. Its program inventory includes over 100 degrees. SIUE was approved to provide a master's degree in Instructional Technology, a certificate in Web-based learning, and a RN/BSN accelerated program. All three will be delivered in an on-line format.

Approval of the Minutes of the October 29, 2014, Meeting

Motion was made by Trustee Lowery to approve the minutes of the October 29, 2014, meeting. The motion was duly seconded by Trustee Miller and passed by the Committee.

Approval of the Open Access Policy for Faculty Scholarship: Research Articles (Board Agenda Item J)

Special Assistant to the President John Haller provided an overview of the Open Access Policy that was created in response to the passage of Public Act 098-0295 by the Illinois legislature in late 2013. A bill that was introduced by Senator Daniel Biss mandates that all public universities in Illinois produce, by January 1, 2015, a report relating to the creation of an Open Access Policy. The rationale for this act follows that of other states which requires the development of a policy that sees information as a “public good” especially when the information produced is the direct result of government funding through agencies such as NSF and NIH. The intent of the Open Access Policy is to address two primary concerns: 1) to preserve the academic freedom of scholars to publish as they wish while still providing public access to their research, and 2) to
design a copyright policy that meets the needs of the public as well as authors and publishers.

Regina McBride, Chair of the Open Access to Research Articles Task Force and Dean of Library and Information Services at SIUE, and Anne Cooper Moore, Dean of Library Affairs at SIUC and a participating member of the Task Force, were available to answer questions.

Trustee Portwood asked if there were any questions or comments. There being none, Trustee Portwood asked if there was a motion to approve the item.

Trustee Manering made a motion to approve the item and Trustee Lowery seconded. Item was approved by the Committee.

**Recommendation for Honorary Degree, SIUE [Lauren E. Metcalf] (Board Agenda Item CC)**

**Recommendation for Honorary Degree, SIUE [David Werner] (Board Agenda Item DD)**

**Recommendation for Distinguished Service Award, SIUE [Kay Werner] (Board Agenda Item EE)**

Chancellor Julie Furst-Bowe commented on the accomplishments of Lauren E. Metcalf, David Werner and Kay Werner. She recommended that the Honorary Degrees be awarded to Lauren E. Metcalf and David Werner and the Distinguished Service Award be awarded to Kay Werner.

Trustee Portwood asked if there was any discussion on items CC through EE. There being none, she asked if there was a motion for approval. Trustee Lowery made the motion and Trustee Miller seconded. The Committee approved items CC through EE.

**Recommendation for Honorary Degree, SIUC [Jim Edgar] (Board Agenda Item X)**

**Recommendation for Honorary Degree, SIUC [Dixie Fortis] (Board Agenda Item Y)**

**Recommendation for Honorary Degree, SIUC [William R. Norwood] (Board Agenda Item Z)**

**Recommendation for Distinguished Service Award, SIUC [Michael J. Lawrence] (Board Agenda Item AA)**

**Recommendation for Distinguished Service Award, SIUC [Marsha G. Ryan] (Board Agenda Item BB)**

President Randy Dunn commented on the accomplishments of Jim Edgar, Dixie Fortis, William R. Norwood, Michael J. Lawrence and Marsha G. Ryan. He recommended that the Honorary Degrees be awarded to Jim Edgar, William R. Norwood and posthumously
to Dixie Fortis. He also recommended the awarding of Distinguished Service Awards to Michael J. Lawrence and Marsha G. Ryan.

Trustee Portwood asked if there was any discussion on items X through BB. There being none, she asked if there was a motion for approval. Trustee Lowery made the motion and Trustee Miller seconded. The Committee approved items X through BB.

**Presentation: “A Peek into the Inner Workings of a National Champion Debate Program: The (not-so) Secrets of Our Success”**

Presenters: Todd Graham, Director of Debate; Ariana Arnone; and Josh Rivera.

Special Assistant to the President John Haller introduced the item by providing background information about the debate team and introducing the presenters.

Dr. Todd Graham explained how a debate is set up and how he and the debate team prepare for a competition. He also provided an overview of his role as Director.

Ariana Arnone provided an overview of their preparation for and strategy during debate competitions. She talked about nationals and how their preparation for that competition led to their claiming the championship.

Josh Rivera, a senior debater, spoke about being a student on the team and the commitment involved in preparing for debates and how the hours spent researching prepares them for the unexpected.

Trustee Portwood asked if there were any questions or comments.

Chair Thomas congratulated them on their success and stated it was an honor having them.

Executive Officers present were: President Randy J. Dunn; Chancellor Julie Furst-Bowe, SIUE; Special Assistant to the President John Haller; and Senior Vice President Duane Stucky.

Board Chair welcomed new Board members the Honorable Phil Gilbert and trustee Amy Sholar.

Prior to the committee meetings, elections were held for the position of Chair of the Board of Trustees, vice chair and secretary of the Executive Committee, Board representative to serve on the state’s Civil Service Merit Board, and annual appointments were made to committee membership.

Announcements

Special Assistant to the President John Haller announced that at the February 3, 2015, IBHE meeting held at Northeastern University, SIUC’s Master in Supply Chain Management and Engineering was approved.

Approval of the Minutes of the December 11, 2014, Meeting

Motion was made by Trustee J. Phil Gilbert to approve the minutes of the December 11, 2014, meeting. The motion was duly seconded by Student Trustee Miller and passed by the Committee.

Information Report: Performance Report (Agenda Item 3)

Special Assistant to the President John Haller provided an overview of the new version of the University’s annual Performance Report and how it has changed from years past. This year’s FY2014 report was built around five-year trend lines which are intended to provide the members of the Board more accurate information to measure campus performance.

John Haller deferred to President Dunn who explained that this year’s report is a foundational piece that the Board can gauge performance going forward. He asked the
Board to let him know if there is anything that should have been included in the report or any items of interest they would like tracked.

**Information Report: Athletic Report**

Special Assistant to the President John Haller gave an overview of the student athlete profile report which was last presented in 2008 and being reintroduced to the Board. This report is regularly filed with NCAA. Dr. Haller asked that Brad Hewitt, Athletic Director from SIUE and Kristina Stepps, Associate Athletic Director from SIUC make a few comments on their respective reports.

Brad Hewitt stated that the numbers in the report are a reflection of their culture that derived from support of their faculty, staff and administration and their commitment to excellence. He highlighted the most important attributes to the report. There were no questions.

Kristina Stepps provided highlights that focused on the student athletes’ successes with grade point averages. She went over the charts and gave brief overviews. There were no questions.

President Dunn commented to the Board that he felt it critical that the Student Athletic Profile report be submitted annually to the Board for their review.

**Presentation: The National Champion Flying Salukis=SIU Precision Flying Team**

Presenters were Head Coach Jim Libuszowski, Emily Frasca, Jacob Schwarz and Brad Smith.

They thanked the Board for allowing them the opportunity to speak about who they are and what they do. The team consists of seventeen students in the Aviation Management and Flight department at SIUC. The students’ dedication to the team’s objective makes them top contenders against universities such as Ohio State, Purdue, United States Air force Academy, University of North Dakota, and Embry-Riddle Aeronautical Universities. Of the past 47 years that the Flying Salukis have been active they have qualified for nationals 46 of those years.

A board member wanted to know how graduating from SIUC’s aviation program benefits the students in their search for a job? The head coached stated that the skill sets learned by the aviation students throughout their four years and on the flight team have had a positive influence on their search for and success in their jobs.

There were no other questions.

Trustee Portwood thanked the students for their presentation.

Other Board members present were: Rich Herrin, Mitch Morecraft, Joel Sambursky, Amy Sholar, and Randal Thomas. Executive Officers present were: President Randy J. Dunn; Chancellor Julie Furst-Bowe, SIUE; Special Assistant to the President John Haller; and Senior Vice President Duane Stucky.

**Approval of the Minutes of the March 19, 2015, Meeting**

Motion was made by Trustee J. Phil Gilbert to approve the minutes of the March 19, 2015, meeting. The motion was duly seconded by Trustee Adrian Miller and passed by the Committee.

**Announcements**

John Haller introduced solar car engineering students who gave solar car models to the Board members.

**Resolution in Support of a Degree Completion Program in Aviation Management, SIUC (Board Agenda Item I)**

Susan Ford, Interim Provost of SIUC, presented Item I and provided an overview on the Bachelor of Science in Aviation Management degree completion program to be offered at the Community College of Beaver County in Monaca, Pennsylvania.

Interim Provost Ford requested Board approval on the matter so SIUC could move to offer their first degree completion program within the state of Pennsylvania beginning summer 2015.

Trustee Portwood asked if there were any questions or comments.

Trustee Manering asked how technology and equipment involved in the program were provided. Interim Provost Ford explained that all technical and equipment needs are arranged through the school in which the degree completion program is offered to assure appropriate classroom technology is in place for learning.
Trustee Miller made a motion to approve the item and Trustee Mannering seconded. Item was approved by the Committee.

**Presentation: The Student Nurse Achievement Program (SNAP)**

Presenters: Jerrica Ampadu, Instructor and SNAP Director; Lydia Hawkins, Senior; Jessica Hickman, Senior; and Canesia Jones.

Special Assistant to the President John Haller introduced the item by providing brief information about the Student Nursing Achievement Program (SNAP) and introducing the presenters.

Instructor Jerrica Ampadu provided a history of the Student Nurse Achievement Program and how it evolved to the program it is today. She shared the current objectives and strategies of SNAP and resources available to students.

Jessica Hickman and Ledia Hawkins, seniors in SNAP, shared how they were introduced to the program and how the resources have helped their personal and professional development as well as their leadership skills through networking opportunities.

KaNecia Dones, graduate of SIUE and current nurse at Memorial Hospital provided background on her experience with SNAP. She is currently in the Nurse Practitioner Program and shared how SNAP has helped her be a successful student and motivated her to keep moving forward with her education.

Informational Report: Minority, Women, Veterans and Disabled Students, Faculty and Staff, Annual Report 2014

Special Assistant to the President John Haller introduced the report and explained it is the beginning of a new format to better inform the Board. In addition to the IBHE metrics, five-year trend lines are being provided in each of the categories that align with the IBHE Agenda. These trend lines, along with others, will become part of the system dashboard available online in July.

Dr. Haller introduced Chad Martinez, Director of Equal Opportunity, Access and Title IX Coordination at SIUE; Wesley McNeese, Executive Assistant to the Dean for Diversity, Multicultural and Minority Affairs at SOM; and Linda McCabe-Smith, Associate Chancellor for Institutional Diversity at SIUC, who provided brief overviews of their minority enrollment and employment numbers, their recruitment and retention efforts, resources available and challenges they face at their respective campuses.

Board member Portwood asked for a minority breakdown of SIUE’s students of color.

Chad Martinez provided the following percentages on the minority students: 13.1% African Americans of the total student body; 3.4% Hispanic/Latino, 2.7% Two or More Races.
Board member Portwood asked for the criteria for the HEED Award.

Dr. McCabe Smith responded that the HEED Award involves a highly competitive process that looks at all diversity aspects of a campus, including the makeup of its Board. HEED judges want to know how inclusive we are. What are our inclusive programs and how are we making ourselves a welcoming campus? Dr. Smith stated that SIUC sends questionnaires throughout the campus to gather information on their units' diversification and inclusive excellence measures. Currently the HEED Award measures more diversity than inclusivity. Dr. Smith stated SIUE has won award once and SIUC has won three times.

Board member Manering wanted to know how many African American faculty members are at SIUE. This information was not included in the MWD report but figures were made available to the Board.

Board member Portwood requested that a breakdown of tenure and tenure-track faculty by minorities be included in future reports.

Board member Manering commented on the interesting data on SOM’s Comparative Table I: Demographics of Current SIU School of Medicine Medical Students, Children of Physicians and wanted to know if some of their parents were alums. Dr. McNeese confirmed that some are.

Student Trustee Miller asked how budget cuts will impact the minority students on campuses.

Mr. Martinez stated that the resources and recruitment efforts that require staff and travel for outreach will be affected by lessening of funds, but SIUE is working on ways they can continue to provide services for the success of students.

Dr. McNeese stated SOM will do everything they can to protect their medical students and curriculum. The MEDPREP is a big feeder into SOM, and he hopes that program will remain intact so they can continue to see a steady number of minority students.

Board member Thomas asked for the location of the principal schools that provide SIU with its minority students. Dr. McNeese responded MEDPREP and the Chicago area schools.

Dr. Smith stated budget cuts can have a huge impact if funding from MAP grants are cut, but SIUC will do all they can to protect their minority students.

Student Trustee Miller thanked Dr. Smith for mentioning first generation students as a population that needs attention. Dr. Smith also stated that the non-traditional students cannot be forgotten.

Board member Portwood wanted to know if tenure and tenure-track category could be used along with Instructional Research and Public Service Staff.
Dr. Smith and Dr. Dunn confirmed that the campuses can provide those EEOC categories and other areas that are of interest to the Board.

Information Item: Stone Center Repairs

President Dunn reviewed some options for long-term space for the SIU System offices. One option would be to invest monies in Stone Center for improvements and renovations to meet code requirements, whether the guest rooms are maintained or the space is converted to offices. Another option would be occupying some vacant space on Greek Row. Action on the campus’ request to raze three buildings was set aside for an evaluation of costs to bring some buildings up to code as student residences or office space. The Board was provided cost information on Wednesday for options on space for the System office at Stone Center and on Greek Row. At some point, there will be a need to move from the status quo. This may include removing some of the buildings on Greek Row if the space will not be used. Stone Center was originally constructed to be a residence, and there is a need to address code requirements, security, conferencing and other issues in thinking toward the future needs for the System office at that location. President Dunn’s optimal approach would be to have a facility in Carbondale that would allow all Carbondale-based System employees to be housed at one site. This would involve moving staff from older houses on Chautauqua and Internal Audit staff recently relocated to Thalman Hall. Another cheaper alternative, since the time frame is open, may be to wait until the Carbondale campus moves some of its business services to Woody Hall in a few years, freeing up some Greek Row buildings that have already been somewhat remodeled.
Trusted Sambursky asked about the importance of having Stone Center maintain the
guest facilities and whether there is a cost savings to converting solely to office space.
As to the value of the guest rooms, President Dunn replied that they are a nice luxury
but not a necessity for the System and that significant increases in money will be
required to get Stone Center up to code to maintain the guest rooms. In response to a
question by Trustee Herrin, President Dunn confirmed that sprinklers may be needed
regardless of the future use of the space. The extent of renovations will depend on
whether the space will be used for guest rooms or offices, and there is an anticipation of
converting solely to office space at some future point. A possibility may be to use the
Great Room - which currently gets a fair amount of community use – as office space
with cubicles. Several employees under Senior Vice President Stucky utilize space in an
area known as “the garage” which is a less-than-optimal situation. President Dunn
reiterated that no decisions need to be made immediately, noting that some trustees
have expressed concern about keeping this discussion moving forward. Trustee Lowery
stated that the Board started looking at the long-term usage of Stone Center a year ago
when they were discussing eliminating housing allowances for the President and
Chancellors. Trustee Lowery mentioned that he has toured the buildings under review
with President Dunn and Director Gatton and suggested that the full Board look at the
buildings, along with Southern Hills, after reviewing the Engineering report and costs
provided to the Board regarding remodeling Greek Row and Stone Center for residential
or office use. He expressed his desire to provide a long-term physical location for the
President’s office and associated services and to move staff out of older houses around
campus to improve operations and campus aesthetics. Trustee Sambursky applauded
the A&D Committee and President Dunn for this background work. He stated the need
to be cognizant of the University’s budgetary situation in weighing the cost of
maintaining the guest rooms against their convenience.

President Dunn stated the desire to avoid additional controversy about Stone Center
that arose from its original construction and naming, so any plans will need to proceed
with careful budgetary caution. He restated that he does not have a great vested
interest in any one approach but that there is a need to continue this conversation.

Trustee Thomas also thanked the A&D Committee. He mentioned that the President
has not yet hired a University Architect, and he would like to see that position filled
before making final decisions. President Dunn stated that the University Architect
search has not been closed but has been put on hold. The first round in the search
showed a need to increase the candidate pool and entertain other applications. The
timing of proceeding with this search will be at the Board’s discretion.

Trustee Portwood recommended approval of the matters. The motion was duly seconded by Trustee Sholar and passed by the Committee.
Project Approval: City of Edwardsville Fire Station, Edwardsville Campus, SIUE (Board Agenda Item AA).

Chancellor Furst-Bowe introduced Assistant Vice Chancellor for Administration Rich Walker, who reviewed the request and provided drawings of the proposed site. Assistant Vice Chancellor Walker and Edwardsville Fire Chief Welle stated that the first responders are now in downtown Edwardsville, and this station will reduce the response time to campus by approximately half. The proposed site is now vacant land, but some utilities may need to be relocated. The responders will serve the City of Edwardsville and the SIUE campus.

Trustee Sholar recommended approval of the matter. The motion was duly seconded by Trustee Portwood and passed by the Committee.

Information Item: Directions for Campus Master Planning.

President Dunn questioned whether, especially with new Board members, it might be beneficial to start a campus master plan review process to include presentations at future Architecture and Design Committee meetings. In addition to building and improvement projects, related issues discussed could be various financing structures and the use of public/private partnerships. Trustee Sambursky welcomed the review process, and President Dunn outlined several areas where input from the Board will be needed in the future. Trustee Sambursky stated that, with the tuition increase, students need to be provided more value for their dollars. Trustee Sholar thanked President Dunn for looking toward this topic in a comprehensive manner.

President Dunn introduced SIUC Assistant Provost and Chief Information Officer David Crain, who provided background information to the Board and spoke about security procedures that have been put into effect. In response to questions by Trustee Herrin, Mr. Crain indicated that this is a first step in following current industry best practices in data security and that this will be an ongoing effort. President Dunn stated that Information Technology policies and procedures are heavily scrutinized in audits and that progress updates to the Board can be made if desired. Trustee Wiley pointed out that this action will meet the requirement of having a policy in place but may not ensure that necessary processes and procedures are adhered to. Assistant Provost Crain and President Dunn addressed her concerns regarding the resources needed for these initiatives and the repercussions of not having these controls in place. Trustee Manering mentioned the importance of the training function for faculty and staff regarding data security.

Trustee Thomas recommended approval of the matter and that it be placed on the Board’s agenda. The motion was duly seconded by Trustee Manering and was passed by the Committee.
Proposed Revisions to 5 Policies of the Board G (Travel Regulations) (Board Agenda Item L).

Minutes

The minutes of the December 11, 2014, meeting were approved as submitted.

Informational Report: Discussion of Possible Tuition and Fee Rates for FY 2016.

President Dunn reported that the Board held a work session on Wednesday, March 18, reviewing a variety of potential rates for tuition pricing for academic year 2015-2016. They also reviewed mandatory, housing and dining fees. President Dunn stated that he expects a recommendation for action on tuition and fee rates to come forward for the April meeting.

Senior Vice President Stucky reviewed the potential sale for several capital improvements at the SIUE and SIUC campuses. He stated that SIU’s financial advisor recommended that the sale be through a direct bank purchase agreement to Raymond James, thus avoiding certain issuance costs. The interest rate will be 2.85% and the term will be 15 years. In response to a question from Trustee Herrin, Vice President Stucky confirmed that these are fixed rate bonds.

Trustee Thomas recommended approval of the matter and that it be placed on the Board’s agenda. The motion was duly seconded by Trustee Morecraft and was passed by the Committee.
Amendment to 5 Policies of the Board Section B2c, Functions of the Treasurer (Board Agenda Item K)

Senior Vice President Stucky stated that this matter is to update Board Policy to include language in compliance with the Public Funds Investment Act to reflect the current practice of providing a written quarterly investment report to the Board of Trustees.

Trustee Thomas recommended approval of the matter and that it be placed on the Board’s agenda. The motion was duly seconded by Trustee Morecraft and was passed by the Committee.

Proposed Board of Trustees Investment Policy [Addition of 5 Policies of the Board Section O] (Board Agenda Item L).

Senior Vice President Stucky explained that the existing Investment Policy was adopted in 1999. The Policy and subsequent revisions were approved by the Finance Committee and incorporated in University Guidelines. Due to its importance, Vice President Stucky requested full Board approval of the Investment Policy, with changes from the Public Deposit Act and minor updates, and that it be included in Board Policies.

Trustee Morecraft recommended approval of the matter and that it be placed on the Board’s agenda. The motion was duly seconded by Trustee Thomas and was passed by the Committee.

Authorization to Pay for Unpaid Closure Days (Board Agenda Item M).

President Dunn reviewed the IELRB Order for certain union members regarding the unpaid closure days from 2011. He explained that the repayments will be complicated, due to the involvement of interest and retirement calculations with the State Universities Retirement System. He stated that this matter would “make whole” all other employees not covered by the IELRB Order who also took the unpaid closure days. Trustee Herrin commented that this matter was discussed by the Board on Wednesday, and it was the consensus of the Board that they wanted to do what was morally right for employees not covered by the IELRB ruling.

Trustee Thomas recommended approval of the matter and that it be placed on the Board’s agenda. The motion was duly seconded by Trustee Morecraft and was passed by the Committee.

Approval of Purchase: Book Distribution Services, Carbondale Campus, SIUC (Board Agenda Item O).

Minutes

Trustee Thomas recommended approval of the minutes of the March 19, 2015, meeting as submitted. The motion was seconded by Trustee Morecraft and passed by the Committee.

Proposed Tuition Rates and Fee Matters, SIUC [Amendment to 4 Policies of the Board Appendix A] (Board Agenda Item J).

Proposed Tuition Rates and Fee Matters, SIUE [Amendment to 4 Policies of the Board Appendix B] (Board Agenda Item M).

President Dunn stated that the Board has reviewed a variety of tuition scenarios during the past month. Trustee Herrin reported that there has been a great deal of discussion regarding the proposed tuition and fee rates. Trustee Thomas explained that the Board desired not to have to raise tuition, but an increase is necessary due to many factors and the Board has settled on a 5% undergraduate tuition increase.

Trustee Manering recommended approval of the matters, amended to a 5% undergraduate tuition increase, and that they be placed on the Board’s agenda. The motion was duly seconded by Trustee Thomas and was passed by the Committee.

Approval of Purchase: Student Health Insurance, Carbondale Campus, SIUC (Board Agenda Item K).

President Dunn introduced Vice Chancellor for Administration Kevin Bame, who reviewed the proposal. Trustee Herrin explained that this discussion has been ongoing for the past year and expressed his appreciation to the students involved in the discussion. Board Executive Secretary Misty Whittington stated that the Board office received 520 notecards expressing student support of this insurance plan.
Trustee Thomas recommended approval of the matter and that it be placed on the Board’s agenda. The motion was duly seconded by Trustee Manering and was passed by the Committee.

**Increase in Course Specific Fee for Geology 454 Field Geology, SIUC (Board Agenda Item L).**

President Dunn outlined the matter.

Trustee Morecraft recommended approval of the matter and that it be placed on the Board’s agenda. The motion was duly seconded by Trustee Manering and was passed by the Committee.

**Re-Establishment of the Vice Chancellor of Student Affairs, SIUC (Board Agenda Item N).**

President Dunn reviewed the background and function of the Vice Chancellor of Student Affairs office. In the past year, discussions have been held regarding the benefit of reinstating that office. A campus task force was established last fall, and a summary of its report was provided to the Board. President Dunn commented that if this matter is approved, an interim Vice Chancellor will be appointed July 1 from within existing staff and underlying units will be reassigned.

In response to a question from Trustee Manering, President Dunn discussed the importance of the role of a campus champion/advocate for student welfare. If the re-establishment of the office of the Vice Chancellor of Student Affairs is approved, a position description would be developed for use in a future search for a permanent Vice Chancellor.

Trustee Manering recommended approval of the matter and that it be placed on the Board’s agenda. The motion was duly seconded by Trustee Thomas and was passed by the Committee.

**Reorganization of University Park from Office of the Chancellor to Office of the Vice Chancellor for Administration, SIUE (Board Agenda Item O).**

Chancellor Furst-Bowe reviewed the proposed reorganization and stated that approximately $300,000 of cost savings will be redirected to academic and other high priority areas.

Trustee Morecraft recommended approval of the matter and that it be placed on the Board’s agenda. The motion was duly seconded by Trustee Thomas and was passed by the Committee.

**Award of Contract: NCERC Third Party Evaluation, Edwardsville Campus, SIUE (Board Agenda Item P).**
Chancellor Furst-Bowe introduced John Caupert, Director of the National Corn-to-Ethanol Research Center. Director Caupert mentioned that he just signed for a $2.5 million contractual research grant, the largest to date for the Center. The Center was also a recipient of a $9.95 million collaborative training grant through the Department of Labor. He thanked Chancellor Furst-Bowe for her continued support of the Center’s efforts to broaden the flexibility of the Center to educate and train students. This award of contract would be to a third party to evaluate the process, progress, and reporting under the Department of Labor grant.

Trustee Manering recommended approval of the matter and that it be placed on the Board’s agenda. The motion was duly seconded by Trustee Morecraft and was passed by the Committee.

Approval of Purchase: Public Broadcasting Service (PBS) Station Dues for WSIU-TV and WUSI-TV Programming Broadcasting Service, Carbondale Campus, SIUC (Board Agenda Item Q).

President Dunn mentioned that the Board is the license holder for all public broadcasting entities in the SIU System. He explained that grant monies cover these dues and mentioned that there is currently a review of state support provided to the stations.

Trustee Thomas recommended approval of the matter and that it be placed on the Board’s agenda. The motion was duly seconded by Trustee Manering and was passed by the Committee.

Approval of Purchase: Enterprise Storage Platform, School of Medicine Campus, SIUC (Board Agenda Item R).

President Dunn introduced School of Medicine Executive Associate Dean Jerry Kruse, who reviewed the request for purchase.

President Dunn requested Finance Committee approval of the salary of:

Dr. Yueh-Ting Lee as Dean of the Graduate School, SIUC, effective July 9, 2015, at an annual salary of $155,004.

Trustee Thomas recommended approval of the matter and that it be placed on the Board’s agenda. The motion was duly seconded by Trustee Morecraft and was passed by the Committee.

**Approval of Salary and Appointment of the General Counsel for the Southern Illinois University System (Board Agenda Item U).**

General Thomas reported that this matter was pulled from the Board’s Agenda.

**Renewal of Employment Agreement for the Executive Director of Audits for the Southern Illinois University System (Board Agenda Item V).**

President Dunn explained that this renewal is to comply with State law regarding the employment agreement for the Executive Director of Audits.

Trustee Manering recommended approval of the matter and that it be placed on the Board’s agenda. The motion was duly seconded by Trustee Thomas and was passed by the Committee.

**Other Business.**

Trustee Thomas reiterated that the undergraduate tuition proposed for full Board action was changed by the Finance Committee to 5% for Items J and M. He clarified that the graduate and professional school tuition rates were approved by the Finance Committee as presented in Items J and M.

There being no further business, the meeting was adjourned.
