

EXPORT CONTROLS OFFICE

2024 ACCOMPLISHMENTS

EXPORT CONTROL ADVISEMENT

PROVIDED:

- Conducted **12,161** restricted party searches
- Researched **254** Classifications of potentially export-controlled items
- Made **5** license determinations for export control licensing
- Identified **17** export controlled items in the SIU System
- Provided day to day research advice to campus faculty and staff
- Provided advice to faculty and staff regarding international travel
- Provided advice to faculty and staff regarding international research collaborators

We participated in the SIUC Institutional Animal Care and Use Committee and the Illinois Export Control Working Group.

TRAINING PERFORMED:

- Participated in the SIUC New Faculty and New Graduate Student Orientations.
- Presented at the SIUC Let's Talk Research session: Navigating Disclosure Changes
- Required Export Control training as part of the SIUC Employee Onboarding process for all new hires.
- Provided an Export Control Overview document to all SIUC incoming graduate students.

POLICY CHANGES:

- Added Board Policy 7-O Prohibiting Participation in Malign Foreign Talent Recruitment Programs
- Drafted Board Policy 7-P International Travel Registration to present to the Board in 2025 for approval

We purchased and configured the Terra Dotta Travel Registry software to prepare for the 2025 implementation to track University international travel.

COMMUNICATED EXPORT CONTROL TOPICS TO THE UNIVERSITY:

- Monthly Export Control newsletter
- Annual Export Control Notice
- Topic Specific Emails:
 - Additions to the Bureau of Industry and Security (BIS) Entities List
 - Malign Foreign Talent Recruitment Program - Federal Funding Agency Certification Requirement for Researchers

PERFORMED ONGOING REVIEWS OF:

- Agreements from the Office of Technology Management and Industry Relations
- Proposals and awards
- Equipment and software purchases
- Sabbatical applications
- Conflict of Interest statements
- Statement of Economic Interest forms
