

# SUMMARY OF KEY EXPORT CONTROLS FOR INTERNATIONAL INTERACTIONS

Any international involvement, including collaborations, conferences, organizations, or travel, must be cleared by the Export Controls Office **PRIOR** to any interactions.

## INTERNATIONAL COLLABORATIONS

- Any collaborations with any entities outside of the United States, including individuals, universities, companies, or government entities must be cleared with the Export Controls Office **PRIOR** to the collaboration.
- Collaborations include, but are not limited to, research, writing a publication, being involved in a training, conference, or organization.
- The Export Controls Office will screen the entity to ensure that they are not on a restricted list.

## INTERNATIONAL TRAVEL

- Individuals must gain approval from the Export Controls Office **PRIOR** to travel to any country outside the United States.
- The Export Controls Office will validate where you are traveling, the purpose of travel, and if you are taking any SIU property with you.

### SIU CLEAN LAPTOP PROGRAM

*All SIU employees that travel to the designated foreign countries will require that an ITS clean laptop be used during SIU business travel to these countries:*

- China
- Iran
- Cuba
- Sudan
- Russia
- North Korea
- Syria
- Ukraine (Crimea Region)
- Venezuela

[bjmartin@siu.edu](mailto:bjmartin@siu.edu)

618-453-2308

### Export Control Officer

Paige Cooper

[pcooper63@siumed.edu](mailto:pcooper63@siumed.edu)

217-545-7936

## INTERNATIONAL CONFERENCES

- Individuals must gain approval from the Export Controls Office **PRIOR** to involvement in an international conference.
- Approval is required even if attendance is remote and the participant will not travel to that country.

## PENALTIES

- **Criminal:** Up to \$1,000,000 per violation and 10 years in prison
- **Civil:** Up to \$500,000 per violation, loss of export privileges, loss of Federal research funding and/or seizure and forfeiture of articles.
